HOSPITAL AND NURSING HOME LICENSING LAW

Hospitals, boarding care homes, outpatient surgical centers and supervised living facilities in Minnesota are licensed under the provisions of Sections 144.50 to 144.586 inclusive, Minnesota Statutes. Nursing homes are licensed under the provisions of 144A.01 – 144A.1888, inclusive, Minnesota Statutes.

A "HOSPITAL" means an institution primarily engaged in providing, by or under the supervision of physicians, to inpatients (A) diagnostic services and therapeutic services for medical diagnosis, treatment, and care of injured, disabled or sick persons, or (B) rehabilitation services for the rehabilitation of injured, disabled, or sick persons.

A "PSYCHIATRIC HOSPITAL" means an entire institution which is primarily engaged in providing, by or under the supervision of a physician, psychiatric services for the diagnosis and treatment of mentally ill persons. A psychiatric wing or building of a general hospital would not be considered a psychiatric hospital.

An "OUTPATIENT SURGICAL CENTER" means a freestanding facility organized for the specific purpose of providing elective outpatient surgery for pre-examined, pre-diagnosed, low risk patients.

A "NURSING HOME" means a facility or that part of a facility which provides nursing care to five or more persons. Nursing care means health evaluation and treatment of patients and residents who are not in need of an acute care facility but who require nursing supervision on an inpatient basis.

A "BOARDING CARE HOME" provides personal or custodial care only. Examples of personal or custodial care include: Help with bathing, dressing, or other personal care; supervision of medications which can be safely self-administered; plus a program of activities and supervision required by persons who are not capable of properly caring for themselves.

A "SUPERVISED LIVING FACILITY" provides a residential, homelike setting for persons who are intellectually disabled, adult mentally ill, chemically dependent, or physically handicapped. Services include provision of meals, lodging, housekeeping services, health services, and other services provided by either staff or residents under supervision. Class A facilities include homes for ambulatory and mobile persons who are capable of taking appropriate action for self-preservation under emergency conditions as determined by program licensure provisions. Class B facilities include homes for ambulatory, nonambulatory, mobile or nonmobile persons who are not mentally or physically capable of taking appropriate action for self-preservation under emergency conditions as determined by program licensure provisions.

HOME CARE PROVIDER LICENSING LAW

Home care providers in Minnesota are licensed under the provisions of Sections 144A.43-144A.482 inclusive, Minnesota Statutes.

A "Home Care Provider" means an individual, organization, association, corporation, unit of government, or other entity that is regularly engaged in the delivery of at least one home care service, directly in a client's home for a fee and who has a valid current temporary license or license issued under sections 144A.43 to 144A.482. At least one home care service must be provided directly, although additional home care services may be provided by contractual arrangements.

Temporary Basic Home Care Provider License. This license is given to a new home care provider who is offering services as listed below for the basic level license and has met all conditions of licensure. It is valid for one year, during which time the provider will be surveyed by the department to determine if the provider is in compliance with home care requirements. Upon successful completion of the survey, the provider will be granted a basic home care license.

Basic Home Care Provider License. Home care services that can be provided with a basic home care license are assistive tasks provided by licensed or unlicensed personnel that include: (1) assisting with dressing, self-feeding, oral hygiene, hair care, grooming, toileting, and bathing; (2) providing standby assistance; (3) providing verbal or visual reminders to the client to take regularly scheduled medication, which includes bringing the client previously set-up medication, medication in original containers, or liquid or food to accompany the medication; (4) providing verbal or visual reminders to the client to perform regularly scheduled treatments and exercises; (5) preparing modified diets ordered by a licensed health professional; and (6) assisting with laundry, housekeeping, meal preparation, shopping, or other household chores and services if the provider is also providing at least one of the activities in clauses (1) to (5).

Temporary Comprehensive Home Care Provider License. This license is given to a new home care provider who is offering services as listed below for the comprehensive level license and has met all conditions of licensure. It is valid for one year, during which time the provider will be surveyed by the department to determine if the provider is in compliance with home care requirements. Upon successful completion of the survey, the provider will be granted a comprehensive home care license.

Comprehensive Home Care Provider License. Home care services that may be provided with a comprehensive home care license include any of the basic home care services and one or more of the following: (1) services of an advanced practice nurse, registered nurse, licensed practical nurse, physical therapist, respiratory therapist, occupational therapist, speech-language pathologist, dietitian or nutritionist, or social worker; (2) tasks delegated to unlicensed personnel by a registered nurse or assigned by a licensed health professional within the person's scope of practice; (3) medication management services; (4) hands-on assistance with transfers and mobility; (5) assisting

clients with eating when the clients have complicating eating problems as identified in the client record or through an assessment such as difficulty swallowing, recurrent lung aspirations, or requiring the use of a tube or parenteral or intravenous instruments to be fed; or (6) providing other complex or specialty health care services..

HOME MANAGEMENT SERVICES

A provider performing only home management tasks must obtain a certificate of registration from the commissioner of health. Home management services include at least two of the following services: housekeeping, meal preparation, and shopping provided to a person who is unable to perform these activities due to illness, disability or physical condition.

HOUSING WITH SERVICES ESTABLISHMENTS

Housing with services establishments are registered under the provisions of Chapter 144D., Minnesota Statutes. A housing with services establishment provides sleeping accommodations to one or more adult residents, at least 80 percent of which are 55 years of age or older and offering or providing for a fee, one or more regularly scheduled health related services or two or more regularly scheduled supportive services.

An establishment that meets all the requirements of this chapter except that fewer than 80 percent of the adult residents are age 55 or older may, at its option, register as a housing with services establishment.

Housing with services establishments that provide Assisted Living Services must meet the requirements under the provisions of Chapter 144G., Minnesota Statutes. "Assisted living" means a service or package of services advertised, marketed or otherwise described, offered or promoted under the phrase "assisted living" and which is available only to individuals residing in a registered housing with services establishment

HOSPICE PROVIDERS

Hospices are licensed under Minnesota Statutes, Section 144A.75, 144A.751-144A.756 and rules adopted thereunder.

A hospice provider means an individual, organization, association, corporation, unit of government, or other entity that is regularly engaged in the delivery, directly or by contractual arrangement, of hospice services for a fee to terminally ill hospice patients.

Residential hospice facility means a facility that resembles a single-family home located in a residential area that directly provides 24-hour residential and support services in a home-like setting for hospice patients as an integral part of the continuum of home care provided by a hospice or, is a facility that meets the requirements of a residential hospice under 144A.75 Subd. 13.
