RE: Annual Report on Obsolete, Unnecessary, or Duplicative Rules, as Required by Minnesota Statutes, Section 14.05, Subdivision 5

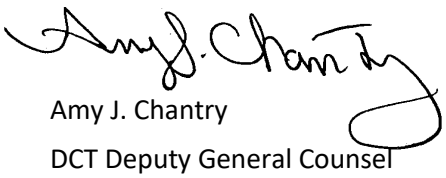
Dear Governor Walz, Senators, Representatives, Legislative Coordinating Commission, and Revisor Inman:

Minnesota Statutes, section 14.05, subdivision 5, directs each state agency to report by December 1st of each year whether any of its rules are obsolete, unnecessary, or duplicative of other state or federal statutes or rules, and to provide an update on the status of any such rules identified in the prior year's report.

In 2026, DCT identifies no rules that are obsolete, unnecessary, or duplicative of other state or federal statutes or rules. DCT identified no rules as obsolete in last year’s report.

If you have any questions regarding this report, please contact me by e-mail at amy.chantry@state.mn.us or by phone at 651-431-6603.

Sincerely,



Amy J. Chantry
