

A Severe Rebuke.

Joel B. Bassett, who was unrighteously prevented from taking his seat in the Council last year, has been elected to the same office this year to fill the place of Hanson by 800 or 900 majority!—The People have rebuked those who, disregarding their rights, sought to crush out every semblance of justice. We apprehend the same will be the case with Mr. Howell, of Fillmore County, who was likewise debarred from taking his seat by the meanness and injustice of a class of men who call themselves DEMOCRATS. But—
