

The Saint Paul Globe

June 4, 1881

Dr. A. C. Wedge, of Albert Lea, the newly appointed collector of internal revenue of the first collection district, was in the city yesterday for the purpose of having his official bond certified to by United States District-Attorney Billson. It is understood that he will take possession of the office July 1, that being the first of the fiscal year and quarter. The office will be removed from Rochester to Albert Lea, where the doctor has nice rooms fixed up.
