**Dr. Hollister Gets There.**

[Special Telegram to the Globe.]

AUSTIN, May 16.—A rumor is in circulation among the few belonging to the inner circle of what is known as the Dunnell wing of the Republican party in this county, to the effect that Dr. W. L. Hollister, state senator, has received through U. S. Senator, D. M. Sabin, the appointment of inspector of the internal revenue offices of the states of Iowa, Wisconsin and Minnesota. Color of truth to the rumor is given by the departure of Dr. Hollister for Des Moines, Iowa, the headquarters of the internal revenue service for the states named.
