St. Paul, Feb. 28—The Minnesota House of Representative will go through the rest of its forty-eighth legislative session with one vacancy, the lower branch decided Monday.

It passed a bill previously approved by the Senate amending existing laws to obviate the necessity of Freeborn county holding a special election to name a successor to the late Representative P. A. Peterson of Emmons.

Mr. Peterson died recently after a heart attack. The law made a special election mandatory but under the amendment now passed by the Legislature Freeborn county will not be put to the added expense of naming a successor.
