**REP. CARL G. OLSON**

Ninth district—Watonwan county

Silver-haired Rep. Carl G. Olson is a true native of Watonwan county, which he will represent for a second term this year.

Olson was born and raised near St. James, where he now operates his own farm, raising and selling corn as a sideline. He attended rural schools and the University of Minnesota school of agriculture.

Olson

Until 1954 when he ran for his first term in the house Olson has confined his civic activity to work on the school board, which he served for six years, and the county agricultural stabilization committee. *Mpls. Star*

He has been active in the Augustana Lutheran church of St. James and served on its board for six years. He long has been interested in support of the Red Cross and last year was chairman of its county organization. For the past 12 years he has been a director of the Citizens State Bank of St. James.

Olson claims no firm political party affiliation but caucuses with the house liberals.

He and his wife are the parents of four children.
