MEMORIAL TO: Ernest J. Windmiller

PRESENTED BY: Representative Cal Larson

It is indeed an honor today to pay tribute to the memory of Ernest J. Windmiller who was a member of this body from 1942 to 1960.

Ernie, as he was affectionately known, passed away on November 4, 1971. As a Representative from Otter Tail County, he was Chairman of the Veterans Committee when it passed the veterans bonus. He also served on committees dealing with civil administration, education and taxes.

He contributed much to his community through his activities in the Rotary Club where he served as District Governor, as a President of the Fergus Falls Chamber of Commerce, and through his activities in the various veterans groups he belonged to.

He is survived by three sons -- Harlan of Fergus Falls, Duane of St. Louis Park, and I am pleased that his third son, Wes of Stillwater, is present with us today.
