Committee Picketed

The Senate Tax Committee was picketed Tuesday by Iron Range citizens who are upset by what they term high property taxes on homes and low taxes on the taconite industry. The picketers were Mrs. Theresa Favro and Mrs. Delores Wilson, both of Gilbert. Committee members were Sens. Jerome Blatz, Bloomington, left, and Donald O. Wright, Minneapolis, vice-chairman and chairman of the committee. One of the signs refers facetiously to the state's birthday as Wright's birthday.
