

## McKnight Says He Won't Run for Reelection

State Sen. Henry T. McKnight, Woodland Conservative, will not seek reelection

next year, he announced Wednesday. He has represented the 33rd District, comprising Plymouth, Medicine Lake, New Hope and parts of Minnetonka and the Lake Minnetonka area, since 1963. 12-4-1969

McKnight said that he wants to devote more time to two real-estate developments — the new town of Jonathan southwest of Minneapolis and the Cedar-Riverside area of the city.

In his two terms in the Legislature, his major piece of legislation was the Omnibus Natural Resources and Recreation Act of 1963, which authorized land acquisition for state parks, wetlands wildlife protection and forests. 12-4-1969
