**McKnight undergoes
11-28-72
brain-tumor surgery**

Henry T. McKnight, former state legislator and developer of the new town of Jonathan in Carver County, was listed in fair condition Monday after surgeons at the University of Minnesota Hospitals removed a brain tumor.

McKnight, 59, 2940 Gale Rd., Maplewood, underwent the operation yesterday. He was placed in the intensive care unit but is expected to be transferred from intensive care within a few days, a hospital spokesman said.
