A resolution introduced by Messrs. Welch and Child:

Whereas, Captain Axel H. Reed, of Glencoe, McLeod County, Minnesota, departed this life Sunday afternoon, January 21st, 1917, at his home, after a life of energetic public activity of which the following is a resume, namely:

He came to Minnesota from Maine in November, 1855, and settled upon a farm near Glencoe. In 1861, in response to the call of the President of the United States, he enlisted in Company K, Second Minnesota Volunteer Infantry and participated in every battle, skirmish, march, siege and campaign in which his regiment was engaged, including Sherman's march to the sea, in spite of the fact that at the battle of Missionary Ridge he lost his right arm.

In recognition of his service Congress presented him with a medal of honor for most distinguished gallantry in action at Chickamauga, Georgia, on September 19th, 1863.

He returned to Glencoe in 1865, and was elected Representative to the Minnesota Legislature from the Sixth Legislative District, now the Twenty-second, for the session of 1870. He contributed to procuring the location and building of the first railroad running into McLeod County in 1873; organized the First National Bank of Glencoe in 1881; started in 1878 the Glencoe Enterprise, a newspaper still published; and led in the agricultural development of McLeod County, being for a time the largest producer of wheat and developing one of the first and largest apple orchards in the county.

He was appointed Chairman of the Mounment Commission that erected the Minnesota monuments at Chickamauga and Missionary Ridge; was appointed by Governor Johnson Chairman of the Lake Superior and Mississippi River Canal Commission; and was appointed by Governor Burnquist delegate to the National Waterway Commission which met at Washington, D. C., in December, 1915.

He was a member of the following military associations: Army of the Cumberland, Grand Army of the Republic, Military Order of the Loyal Legion of the United States, Medal of Honor Legion, United Veterans' Union and Union Veterans' League. His son, Frank E. Reed is a member of this House of Representatives from the Thirty-first Legislative District, Hennepin County.

Now Therefore, Be It Resolved, By this House that a vote of sympathy be extended to his bereaved family and that an engrossed copy of this resolution be sent to his widow and that this resolution be printed in the Journal.

Mr. Welch moved the adoption of the resolution by a rising vote. Which was unanimously adopted.
