- Sec. 8. Minnesota Statutes 2024, section 16B.981, subdivision 2, is amended to read:
- Subd. 2. Financial information required; determination of ability to perform. For grants of \$50,000 or more and subject to sections 16B.97 and 16B.98, before an agency awards a competitive, legislatively named, single-source, or sole-source grant, the agency must complete a preaward risk assessment to assess the risk that a potential grantee cannot or would not perform the required duties. In making this assessment, the agency must review the following information as applicable:
- (1) the potential grantee's history of performing duties similar to those required by the grant, whether the grant requires the potential grantee to perform services at a significantly increased scale, and whether the grant will require significant changes to the operation of the potential grantee's organization;
- (2) for a potential grantee that is a nonprofit organization, the potential grantee's most recent Form 990 or Form 990-EZ filed with the Internal Revenue Service. If the potential grantee has not been in existence long enough or is not required to file Form 990 or Form 990-EZ, the potential grantee must demonstrate to the agency's satisfaction that the potential grantee is exempt and must instead submit the potential grantee's most recent board-reviewed financial statements and documentation of appropriate internal controls or, if there is no such board, by the applicant's managing group. At a minimum, the potential grantee's internal controls must require the segregation of duties concerning the authorization, disbursement, and recording of expenditures;
- (3) for a potential grantee that is a for-profit business, the potential grantee's most recent federal and state tax returns, current financial statements, certification that the business is not under bankruptcy proceedings, and disclosure of any liens on its assets. If a business has not been in business long enough to have a tax return, the grantee must demonstrate to the agency's satisfaction that the grantee has appropriate internal financial controls. At a minimum, the potential grantee's internal controls must require the segregation of duties concerning the authorization, disbursement, and recording of expenditures;
- (4) evidence of good standing with the secretary of state under chapter 317A, or other applicable law;

Sec. 8. 5

(5) if the potential grantee is required to complete an audit under section 309.53, subdivision 3, the potential grantee's most recent audit report performed by an independent third party in accordance with generally accepted accounting principles; and
(6) certification, provided by the potential grantee, that none of its current principals have been convicted of a felony financial crime in the last ten years. For this section, a principal is defined as a public official, a board member, or staff with the authority to access

Sec. 9. Minnesota Statutes 2024, section 16B.981, subdivision 3, is amended to read:

funds provided by this agency or determine how those funds are used.

Subd. 3. Additional measures for some grantees. The agency must require additional information and may provide enhanced oversight for grantees that have not previously received state or federal grants for similar amounts or similar duties and have not yet demonstrated the ability to perform the duties required under the grant on the scale required. For nonprofit organizations, this additional information must include but is not limited to documented employee compensation agreements for each principal and a detailed payroll report that includes total compensation, by type, paid to each principal in each of the previous three years. Before awarding a grant, the agency must inquire about compensation that, in the agency's estimation, is in excess of the amount customarily paid to those in comparable positions.

Sec. 10. Minnesota Statutes 2024, section 16B.991, subdivision 1, is amended to read:

Subdivision 1. **Criminal <u>charge or conviction.</u>** Each grant agreement subject to sections 16B.97 and 16B.98 must provide that the agreement will immediately be <u>terminated</u> <u>suspended</u> if the recipient is <u>convicted of charged with</u> a criminal offense relating to a state grant agreement and terminated if the recipient is convicted.

Sec. 11. CONFORMING CHANGES TO GRANTS POLICIES.

6.25 The commissioner of administration must update the commissioner's grants management policies and procedures as necessary to conform with this act.
