Campaign Finance – Public Subsidy Program

- Administer the Public Subsidy Program
 - 2024 paid out \$2,107,940 to 230 House candidates.
 - Average payment of \$9,164
 - 93% of candidates signed the public subsidy agreement.
- Political contribution refund program
 - 2023 \$447,860 refunded to candidate donors, \$1,616,200 to party donors
 - About 30% of donations from individuals to candidates is refunded by the state.

Economic Interest Statement Program

- Disclose possible conflicts of interest when public officials make an official action.
- Declaration of sources of income, investments, property holdings, nature of business owned.
- Annual certification for about 3,100 public officials.
- State candidates at filing period.
- Conflict of interest occurs if the public official or their spouse receives a greater benefit than others in same general business or occupation.

Lobbying Program

- Disclose and limit influence on public officials by associations that wish to influence official actions.
- About 1450 lobbyist registered for approximately 1500 principals.
- Registration required with compensation of over \$3,000 a year from all sources for communication to influence official actions or urging others to contact.

Types of Lobbying

- Lobbying the legislative process – includes actions by Governor.
- Adoption of administrative rules by state agencies.
- Certain decisions by the Public Utility Commission.
- Metropolitan area governmental units.
 - 7 counties, 16 cities in the metropolitan area, metropolitan entities – Met Council and MAC.
- Starting June 1, 2025, lobbying extended to all political subdivisions.

Lobbying Program

- Gift Prohibition
- Reporting is twice a year by lobbyists, once a year by principal.
- 2023 Principals reported \$98,370,000 in lobbying expenditures.
- Lobbyists report information on the specific subjects that were the subject of lobbying in reporting period.

Lobbyist Program – Legislative Proposal

- Board was directed to study the impact of expanding lobbying registration and reporting to efforts to influence political subdivisions, and provide legislative recommendations by January of this year if warranted.
- The Board held two public hearings on the subject, and received 23 written comments, which are included with the report.

Legislative Proposal

- Expand the existing exclusion from lobbyist registration to expert testimony as long as:
 - The testimony is made at a public hearing or entered into the public record.
 - If the testimony is requested by a lobbyist or principal the lobbyist must report the name of the expert, the government entity that received the testimony, and the subject of the testimony.
- Expand the existing exclusion for local government employees.
 - Provide that local government employees do not need to register as a lobbyist for working with another political subdivision.
- Minor change to the definitions of metropolitan government unit and public official in Chapter 10A.
