Whereas, President Truman led this nation and all people in every nation who hoped to preserve human liberty and free institutions through a time when every policy but total war was directed against them; and

Whereas, President Truman's programs and policies were the basis for the economic recovery of the world from the desperate ruin of the Second World War; and

Whereas, President Truman's policies at home were constantly directed toward the removal of social and economic injustice and well began the eradication of the institutional protection of racial discrimination; and

Whereas, President Truman by his outspoken courage and integrity gave his successors an example to imitate and the American people an example to expect from its leaders; now, therefore,

Be it resolved, by the Senate of the State of Minnesota, the House of Representatives concurring therein, that the gratitude of the people of Minnesota to Harry S. Truman for his services to the people of the United States and the world be publicly recorded.

Be it further resolved, that the Secretary of the Senate of the State of Minnesota transmit a formal copy of this resolution to Mrs. Harry S. Truman.
