Strike everything after the enacting clause and insert in lieu thereof the following:

"Whereas, for more than a decade the current President of the United States of America and his predecessors in office have usurped the power to make and declare war in Indochina without regard to the prerogatives of Congress, although no threat of attack on the United States of America has been occasioned by hostilities there; and

Whereas, the Congress of the United States of America has abdicated its power and its responsibility to the people by refusing to cut off funds for United States military involvement in Indochina; and

Whereas, the administration's efforts to justify our presence and our conduct in Indochina has resulted in a calculated effort to stifle dissent through tactics of repression and intimidation; and

Whereas, such efforts to stifle dissent and discussion pose an immediate and grave threat to the peace and freedom of our people; and

Whereas, our military activities in Indochina have resulted in the deaths of hundreds of thousands of innocent men, women and children and the devastation of a large part of Indochina; and

Whereas, our preoccupation with our ability to spread death and destruction wherever we wish has made our own people insensitive to the pain and suffering of others; and

Whereas, our continued military activity in Indochina will surely turn the world against us and drain our United States of America of its economic, physical, military and spiritual resources;

Now therefore be it resolved, that the Legislature of the State of Minnesota acknowledge that the people of the State of Minnesota have patiently endured the tragedy of the war in Indochina and have sought an end to the war and a restoration of peace under Law; and

Be it further resolved, that the Legislature of the State of Minnesota hereby demands that the President and the Congress end the war immediately through a cease fire and a peace agreement, withdraw all United States forces, secure a safe release of all Prisoners of War and discontinue military aid to South Vietnam;

Be it further resolved, that the Secretary of State of Minnesota transmit copies of this Resolution to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, and to the Minnesota Senators and Representatives in Congress."
