REPORTS OF STANDING COMMITTEES

Mr. Munger from the Committee on Environmental Preservation and Natural Resources to which was referred:

H. F. No. 672, A bill for an act relating to natural resources; preservation and management of wild and scenic rivers; establishing a system of classifications of such rivers as wild, scenic, or recreational; providing policies and standards for administration thereof; providing penalties.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert in lieu thereof:

"Section 1. [104.31] [WILD AND SCENIC RIVERS ACT.] This act may be cited as the "Minnesota wild and scenic rivers act."

Sec. 2. [104.32] [POLICY.] The legislature finds that certain of Minnesota's rivers and their adjacent lands possess

outstanding scenic, recreational, natural, historical, scientific and similar values. Because it is in the interest of present and future generations to retain these values, it is hereby declared to be a policy of Minnesota and an authorized public purpose to preserve and protect these rivers.

Sec. 3. [104.33] [SYSTEM; CRITERIA FOR INCLUSION.] Subdivision 1. The whole or a segment of any river and its adjacent lands in this state that possesses outstanding scenic, recreational, natural, historical, scientific, or similar values shall be eligible for inclusion within the Minnesota wild and scenic rivers system. "River" means a flowing body of water such as a stream or a segment or tributary thereof, and may include lakes through which the river or stream flows.

Subd. 2. Rivers or segments thereof included within the system shall be classified as wild, scenic, or recreational.

(a) "Wild" rivers are those rivers that exist in a free-flowing state, with excellent water quality, and with adjacent lands that are essentially primitive. "Free-flowing" means existing in natural condition without significant artificial modification such as impoundment, diversion, or straightening. The existence, however, of low dams, diversion works or other minor structures at the time any river is proposed for inclusion shall not automatically bar its inclusion as a wild, scenic, or recreational river.

(b) "Scenic" rivers are those rivers that exist in a free-flowing state and with adjacent lands that are largely undeveloped.

(c) "Recreational" rivers are those rivers that may have undergone some impoundment or diversion in the past and may have adjacent lands that are considerably developed, but that are still capable of being managed so as to further the purposes of this act.

Sec. 4. [104.34] [COMMISSIONER'S DUTIES.] Subdivision 1. The commissioner of natural resources shall be responsible for administering the wild and scenic rivers system and his duties shall include but not be limited to conducting studies, developing criteria for classification and designation of rivers, designating rivers for inclusion within the system, and management of the components of the system including promulgation of regulations with respect thereto.

Subd. 2. The commissioner shall promulgate, in the manner provided in chapter 15, statewide minimum standards and criteria for the preservation and protection of shorelands within the boundaries of wild, scenic, and recreational rivers. Such standards and criteria (a) may include but need not be limited to the matters covered in the commissioner's standards and criteria for shoreland areas, as set out in section 105.485; (b) shall further the purposes of this act and of the classifications of rivers established hereunder; and (c) shall apply to the same local governments as are or may hereafter be specified in section 105.485.

Sec. 5. [104.35] [MANAGEMENT PLANS; HEARING; ESTABLISHMENT.] Subdivision 1. For each river proposed to be included in the wild and scenic rivers system, the commissioner shall prepare a management plan to preserve and enhance the values that cause the river to be proposed for inclusion in the system. The plan shall give primary emphasis to the area's scenic, recreational, historical, scientific, and similar values. The plan shall set forth the proposed classification of the river and segments thereof, and the boundaries of the area along the river to be included within the system. The boundaries shall include not more than 320 acres per mile on both sides of the river. The plan shall include proposed regulations governing the use of public lands and waters within the area, which may differ from any statewide regulations to the extent necessary to take account of the particular attributes of the area. The plan may include proposed standards and criteria for local land use controls that differ from the statewide standards and criteria to the extent necessary to take account of the particular attributes of the area.

Subd. 2. The commissioner shall make the proposed management plan available to affected local governmental bodies, shoreland owners, conservation and outdoor recreation groups, and the general public. Not less than sixty days after making such information available, the commissioner shall conduct a public hearing on the proposed management plan in the county seat of each county which contains a portion of the designated area, in the manner provided in chapter 15.

Subd. 3. Following the public hearing, and such additional public hearings as the commissioner shall deem necessary, he may by order establish the river or segment thereof as a wild, scenic, or recreational river, and shall adopt a management plan to govern the area. The commissioner shall notify and inform public agencies and private landowners of the plan and its purposes so as to encourage their cooperation in the management and use of their land in a manner consistent with the plan and its purposes.

Subd. 4. The legislature may at any time designate additional rivers to be included within the system, delete rivers previously included in the system, or change the classification of rivers theretofore classified by the commissioner.

Sec. 6. [104.36] [LOCAL LAND USE ORDINANCES.] Subdivision 1. Within six months after establishment of a wild, scenic, or recreational river area, each local government containing any portion thereof shall adopt or amend its local ordinances and land use district maps to the extent necessary to comply with the standards and criteria of the commissioner and the management plan. If a local government fails to adopt adequate ordinances, maps, or amendments thereto within six months, the commissioner shall adopt such ordinances, maps, or amendments in the manner and with the effect specified in section 105.485, subdivisions 4 and 5.

Subd. 2. The commissioner shall assist local governments in the preparation, implementation and enforcement of the ordinances required herein, within the limits of available appropriations and personnel.

Sec. 7. [104.37] [ACQUISITION OF INTEREST IN LAND.] To further the purposes of this act, the commissioner of administration, for the commissioner of natural resources, may acquire the title, scenic easements or other interests in land, by purchase, grant, gift, devise, exchange, lease, eminent domain, or other lawful means. "Scenic easement" means an interest in land, less than the fee title, which limits the use of such land for the purpose of protecting the scenic, recreational, or natural characteristics of a wild, scenic or recreational river area. Unless otherwise expressly and specifically provided by the parties, such easement shall be (a) perpetually held for the benefit of the people of Minnesota; (b) specifically enforceable by its holder or any beneficiary; and (c) binding upon the holder of the servient estate, his heirs, successors and assigns. Unless specifically provided by the parties, no such easement shall give the holder or any beneficiary the right to enter on the land except for enforcement of the easement.

Sec. 8. [104.38] [RESPONSIBILITIES OF OTHER GOVERNMENTAL UNITS.] All state, local and special governmental units, councils, commissions, boards, district, agencies, departments and other authorities shall exercise their powers so as to further the purposes of this act and management plans adopted by the commissioner hereunder. Land owned by the state, its agencies and subdivisions shall be administered in accordance with the management plan, and no land owned by such governmental bodies within the designated boundaries of a wild, scenic or recreational river area shall be transferred to any other person or entity if such transfer would be inconsistent with such plan.

Sec. 9. [104.39] [FEDERAL-STATE REGULATIONS.] Nothing in this act shall preclude a river in the Minnesota wild and scenic rivers system from becoming a part of the federal wild and scenic rivers system as established in the wild and scenic rivers act, Public Law 90-542; 16 United States Code Section 1271 et seq., as amended. The commissioner is authorized to seek, alone or in conjunction with other governmental authorities, financial and technical assistance from the federal government and to enter into written cooperative agreements for the joint administration of a Minnesota river in the federal wild and scenic rivers system. The commissioner is hereby empowered to adopt any regulation concerning a river or rivers in the wild and scenic rivers system which is necessary or desirable in order to qualify a river for inclusion in the federal wild and scenic rivers system or for federal financial assistance.

Sec. 10. [104.40] [CONFLICT WITH OTHER LAWS.] Each river in the wild and scenic rivers system shall be subject to the provisions of this act, provided that in case of conflict with

some other law of this state the more protective provision shall apply.”.

HOUSE RESOLUTION NO. 15

A house resolution in tribute to Dr. Irvamae Applegate.

Whereas, the death of Dr. Irvamae Applegate, dean of the School of Education at St. Cloud State College and a past president of the National Education Association and the Minnesota Education Association, is a deep, abiding loss to education in general and to Minnesota in particular; and

Whereas, Dr. Applegate was totally dedicated to improving lives, individually and collectively, through education so that in exhausting her life she renewed life in others; and

Whereas, this outstanding teacher and administrator played a significant role in the advancement of education in this state, throughout the nation and in other parts of the world; and

Whereas, she taught by active example:

She graduated in 1937 from Beulah (North Dakota) High School and in 1941 earned her BS degree in home economics at North Dakota Agricultural College (now North Dakota State University).

She received an MA degree in audiovisual education in 1951 and a PhD in curriculum and instruction in 1957 at the University of Minnesota.

From 1941 to 1943 she was a junior high school science teacher in Cass Lake.

She was a classroom teacher and principal at Hazen, North Dakota, from 1943 to 1946. For one year she worked as a newspaper reporter in Aitkin. From 1947 to 1954 she taught biology and was a guidance director in Princeton, followed by two years as junior high school principal.

Dr. Applegate joined the faculty of St. Cloud State College as a supervisor of student teachers in 1956. She became associate dean for teacher education and head of the Division of Education in 1961. The next year she became the first woman dean of a school of education at a comprehensive college or university in the United States.

As active in education outside the classroom as inside it, Dr. Applegate moved from organizing a Future Teachers of America chapter in Princeton to heading the National Education Association, which passed the one-million-member mark during her 1966-67 term, as president.

Her climb to national prominence in education began on a local level, when she helped organize and then served as president of the Princeton Education Association. She was a commit-

tee chairman, board member and, in 1960, president of the Central Minnesota Education Association. After serving on state education committees and the Minnesota Education Association's board of Directors, in 1963 she became president of the MEA, which at that time had 36,000 members.

On the national level, Dr. Applegate was on the executive committee of the National Council of State Association Presidents and was active in the NEA Teacher Education and Professional Standards group. In 1967 she presided over the NEA Convention in Minneapolis, attended by some 12,000 educators from throughout the country.

Her involvement in education continued after her year as NEA president. Dr. Applegate served on the Minnesota Advisory Committee on Teacher Education, the Minnesota Mental Health Planning Council, the Governor's Advisory Council on Children and Youth and the Governor's Commission on the Status of Women.

In 1967 she received the Award for Service to Education in the areas of civil and human rights. She was named NEA's H. Council Trenholm chairman of NEA's Task Force on Urban Education in 1968. In 1971 Dr. Applegate was named chairman pro tem of NEA's Constitutional Convention.

She also was re-elected in 1971 to her second two-year term as a representative to the executive committee of the World Confederation of Organizations of the Teaching Profession (WCOTP). She attended annual meetings of the WCOTP, an international group of representatives of teacher organizations in 66 nations, in Korea, British Columbia, Ireland, Australia, Ivory Coast and Jamaica.

Last January, Dr. Applegate was elected to a one-year term on the board of directors of the American Association of Colleges for Teacher Education.

Her work in education has been recognized in many ways. She has been listed in "Who's Who in America," "Who's Who of American Women," "Who's Who in American Education" and, most recently, in the 1971 edition of "Outstanding Educators of America" and the 1972 edition of "Two Thousand Women of Achievement."

She received an honorary doctor of science degree from North Dakota State University in 1963 for outstanding Educational leadership. The same year she received the President's Citation from the Minnesota Audio-Visual Coordinators Association.

She was a member of the American Association of University Women and the American Legion Auxiliary. The St. Cloud Business and Professional Women's Club named her outstanding woman of the year and she later received the Top Hat Award at the state level. She also was active in Delta Kappa Gamma, Pi Lambda Theta, Zonta and the Girl Scout organization.

Whereas, during her remarkable career Dr. Applegate influenced major developments affecting large organizations without ever losing the personal touch characteristic of greatness; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, that recognition of that proud heritage of excellence be recorded in the Journal of the House of Representatives of the 1973 session of the Minnesota Legislature.

Pehler moved that House Resolution No. 15 be now adopted.
House Resolution No. 15 was adopted.

Pleasant introduced:

House Resolution No. 16, A house resolution expressing congratulations, and commending the first graduating class of the Bloomington Volunteer Reserve Police Officers.

SUSPENSION OF RULES

Pleasant moved that the Rules be so far suspended that House Resolution No. 16 be now considered and be placed upon its adoption. The motion prevailed.

HOUSE RESOLUTION NO. 16

A house resolution expressing congratulations, and commending the first graduating class of the Bloomington Volunteer Reserve Police Officers.

Whereas, thirty volunteer persons from the city of Bloomington have completed 210 formal hours of extensive classroom training over a two year period, plus many hours of on the job training with members of the regular police force, to serve as an auxiliary to the Bloomington Police Force; and

Whereas, they are the first group of volunteers in the United States to complete such an extensive program of training, as the longest training period that is known is 180 hours; and

Whereas, these men have demonstrated through their stamina and ability to complete this course, a sincere interest in the well-being of their city and the persons who reside in it; and

Whereas, they will graduate in a formal ceremony on the evening of March 19, 1973 during the Bloomington City Council meeting; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, that special tribute be paid and sincere congratulations be expressed to the thirty members of the first graduating class of the Volunteer Reserve Police Officers.

Be It Further Resolved, that the Chief Clerk of the House of Representatives forward a formal copy of this resolution to the Chief of Police in Bloomington, Minnesota.

Pleasant moved that House Resolution No. 16 be now adopted.
House Resolution No. 16 was adopted.

MESSAGES FROM THE SENATE

The following message was received from the Senate:

Mr. Speaker :

I hereby announce that the Senate refuses to concur in the House amendments to:

S. F. No. 82, A bill for an act relating to the joint or cooperative exercise of powers by cities, villages, boroughs, counties, towns, school districts, other political subdivisions, agencies of the state and the United States; authorizing boards of county commissioners to perform services for other governmental units; amending Minnesota Statutes 1971, Section 471.59, by adding a subdivision.

And the Senate respectfully requests that a Conference Committee of 3 members be appointed thereon. Messrs. Milton, Dunn and O'Neill have been appointed as such committee on the part of the Senate.

Said Senate File is herewith transmitted to the House with the request that the House appoint a like committee.

PATRICK E. FLAHAVEN, Secretary of the Senate

Stangeland moved that the House accede to the request of the Senate for the appointment of a Conference Committee of 3 members of the House to meet with a like committee appointed by the Senate on the disagreeing votes of the two Houses on S. F. No. 82. The motion prevailed.
