Strike everything after the enacting clause and insert in lieu thereof the following:

"Section 1. [CITATION.] Sections 1 to 4 may be cited as the Minnesota free flow of information act.

Sec. 2. [PUBLIC POLICY.] In order to protect the public interest and the free flow of news, the news media should have the benefit of a substantial privilege not to reveal sources of information or to disclose unpublished information. An informed citizenry is a basic idea upon which an open society is based, and a free press is indispensable to a free society. A vigorous news media, free to disseminate information, unfettered by political or state controls is essential for the preservation of a democracy of free men. To this end, the freedom of press requires protection of the confidential relationship between the news gatherer and the source of information. Coercion by public officials or the unwarranted use of subpoena powers to breach such confidentiality is condemned. The free flow of information to the public would be severely curtailed and restricted if protection of sources of information were lacking or if such sources were fearful of reprisals or loss of employment upon disclosure or identification. The purpose of this act is to insure and perpetuate, consistent with the public interest, the confidential relationship between the news media and its sources.

Sec. 3. [DEFINITIONS.] Subdivision 1. "News Media" shall mean any newspaper, periodical, press association, news syndicate, wire service, radio or television station, broadcasting association, or the gathering of information intended for publication, printing, broadcasting, or circulation.

Subd. 2. The term "person" includes individuals, private or public corporations, political bodies, and subdivisions of government, partnerships, and associations.

Subd. 3. "Source" means the person or means from or through which the news or information was obtained.

Sec. 4. [DISCLOSURE PROHIBITED.] No person directly engaged in the gathering, procuring, compiling, editing, transmitting, and dissemination of news whether previously or currently employed by or associated with any news media shall be required by any court, grand jury, agency, department or branch of the state, or any of its political subdivisions or other public body, or by either house of the legislature or any committee, officer, member, or employee thereof, to disclose in any proceeding the source of information, or to disclose any unpublished information, procured by him in the course of his work or any of his notes, memoranda, recording tapes, film or other reportorial data.

Sec. 5. [EXCEPTION AND PROCEDURE.] Subdivision 1. When disclosure is essential because of a compelling and overriding public interest in such information, the person seeking such disclosure may apply to the district court of the county where the person employed by or associated with a news media resides, has his principal place of business, or where the proceeding in which the information sought is pending.

Subd. 2. The application shall be granted only if the court determines after hearing the parties that the person making

such application, by clear and convincing evidence, has met all three of the following conditions:

(1) that there is probable cause to believe that the source has information clearly relevant to a specific violation of the law other than a misdemeanor,

(2) that the information cannot be obtained by any alternative means or remedy less destructive of First Amendment rights, and

(3) that there is a compelling and overriding public interest at stake requiring the disclosure of such information.

Subd. 3. The district court shall consider the nature of the proceedings, the merits of the claims and defenses, the adequacies of alternative remedies, the relevancy of the information sought, and the possibility of establishing by other means that which the source is expected or may tend to prove. The court shall make its appropriate order after making findings of fact, which order may be appealed directly to the supreme court according to the appropriate rule of appellate procedure. During such appeal the order is stayed and nondisclosure shall remain in full force and effect during the pendency of such appeal.

Sec. 6. [DEFAMATION.] Subdivision 1. The prohibition of disclosure provided in section 4 shall not apply in any defamation action where the person seeking disclosure can concretely demonstrate that the identity of the source will lead to persuasive evidence on the issue of actual malice.

Subd. 2. Notwithstanding the provisions of subdivision 1 of this section, the identity of the source of information shall not be ordered disclosed unless the following conditions are met:

(a) that there is probably cause to believe that the source has information clearly relevant to the issue of defamation;

(b) that the information cannot be obtained by any alternative means or remedy less destructive of First Amendment rights.

Subd. 3. The court shall make its appropriate order on the issue of disclosure after making findings of fact, which order may be appealed directly to the supreme court according to the appropriate rule of appellate procedure. During such appeal the order is stayed and nondisclosure shall remain in full force and effect during the pendency of such appeal.”.

Each member of a board shall be paid as compensation \$35 per day and subsistence and traveling expenses, while actually engaged in his duties as a board member.

The board may conduct its own investigations and may require any applicant to submit evidence in support of his claim.

Subd. 3. Upon receipt from the commissioner of the files and records relating to the claim of an applicant, the board shall fix a time and place for hearing thereon, shall notify the applicant thereof, and shall inquire of him whether he desires a public hearing. At the hearing upon the claim of the applicant for adjusted compensation, the board shall consider the results of its investigations, if any, the evidence submitted by the applicant in support of his claim, and as soon thereafter as possible make its order granting or disallowing the claim of the applicant, and, if the claim is granted, fixing the amount to which the applicant is entitled. The decision and order of the board shall be final and conclusive. The board shall mail copies of said order to the applicant and to the commissioner. The commissioner, upon receipt of an order of the board allowing a claim, shall forthwith pay the same.

Sec. 10. [NOTICES.] All notices and correspondence to the applicant shall be directed to him by mail at the address listed in his application, and all notices and correspondence to the commissioner shall be addressed to him at his office in the city of St. Paul.

Sec. 11. [EMPLOYEES.] The commissioner shall furnish each board such clerical and stenographic assistance and such supplies as are necessary for the performance of the duties imposed by this act.

Sec. 12. [RULES AND REGULATIONS.] The commissioner is authorized to adopt such rules and regulations as he deems necessary to carry out the terms of this act.

Sec. 13. [DECLARATION OF POLICY.] Subdivision 1. The payments of adjusted compensation provided for by this act are declared by the legislature to be gifts or gratuities given as a token of appreciation for the services of the eligible veterans rendered the people of the state of Minnesota in time of grave national emergency and are not compensation for services rendered. Such payments shall be exempt from taxation.

Subd. 2. The commissioner may employ such assistance and may incur such other expense as may be necessary to carry out the provisions of this act, and the funds necessary therefor are hereby appropriated to the commissioner from the veterans adjusted compensation fund.

Subd. 3. Whenever possible, the commissioner shall give preference in the employment of persons to be paid from said fund to veterans, and the provisions of Minnesota Statutes, Chapter 43, shall not apply to this act.

Sec. 14. [NON-ASSIGNABLE; EXCEPTED FROM PROCESS.] No claim for payment under this act, shall be assignable, or subject to garnishment, attachment or levy of execution.

Sec. 16. [VETERANS BONUS BOND ISSUE.] For the purpose of providing the moneys appropriated by this act to the commissioner of veteran's affairs for the payment of the Vietnam veteran's bonus, the state auditor is authorized upon request of the governor to sell and issue Minnesota state veteran's bonus bonds in the amount of \$60,000,000 in the manner and upon the terms and conditions prescribed by Minnesota Statutes, Sections 6.30 and 6.31 and by the Constitution, Article IX, Section 6. The proceeds of such bonds, other than accrued interest

and premium, are appropriated and shall be credited to the veteran's adjusted compensation fund.

Sec. 17. [VETERANS BONUS BOND ACCOUNT.] In order to reduce the amount of taxes otherwise required by the Constitution, Article IX, Section 6, Subdivision 4, to be levied for the payment of interest and principal on the bonds authorized by section 16, there is hereby appropriated annually to the veteran's bonus bond account in the state bond fund from the general fund in the state treasury a sum of money sufficient in amount, when added to the balance on hand on November 1 in each year in the veteran's bonus bond account, to pay all principal and interest due and to become due on said bonds within the then ensuing year and to and including July 1 in the second ensuing year. The moneys received and on hand pursuant to the appropriation annually made by this section are available in the state bond fund prior to the levy of the tax in any year required by the Constitution, Article IX, Section 6, Subdivision 4, and shall be used to reduce the amount of tax otherwise required to be levied.
