House Resolution No. 23, A house resolution expressing objection to the planned discontinuance, by the Federal Aviation Administration, of nonstop air flights between Minneapolis-St. Paul and Washington, D. C.

SUSPENSION OF RULES

Sieben, M.; Salchert; Swanson; Lindstrom, E.; and Graw moved that the Rules be so far suspended that House Resolution No. 23 be now considered and be placed upon its adoption. The motion prevailed.

HOUSE RESOLUTION NO. 23

A house resolution expressing objection to the planned discontinuance, by the Federal Aviation Administration, of nonstop air flights between Minneapolis-St. Paul and Washington, D.C.

Whereas, the Federal Aviation Administration has proposed new regulations which, if they were to go into effect, would terminate the longstanding provision of nonstop airline service between Minneapolis-St. Paul and Washington National Airport; and

Whereas, the airlines have provided such service for many years and the Federal Aviation Administration has long recognized the Twin Cities "grandfather" rights to such service; and

Whereas, presently over 200,000 people and 51 cities in Minnesota and the northern tier states of this country use these particular nonstop flights annually as a gateway to Washington; and

Whereas, the elimination of these valuable nonstop flights between Minneapolis-St. Paul and Washington National will not only downgrade the service provided at Twin Cities International Airport but will mean greater inconvenience for a large segment of our traveling public and an increase of over \$590,000 per year in ground transportation costs for these travelers; and

Whereas, termination of nonstop flights between Minneapolis-St. Paul and Washington National would only serve to divert more air traffic over already heavily congested Chicago; and

Whereas, the Federal Aviation Administration should be trying to solve the problem of Chicago's air congestion instead of adding to it; now, therefore,

Be It Resolved, by the House of Representatives of the State of Minnesota, that this body lodge its strong opposition and objection to the proposed policy changes being considered by the Federal Aviation Administration which would have the effect of discontinuing nonstop flights between Minneapolis-St. Paul and Washington National Airport.

Be It Further Resolved, that the Minnesota House of Representatives urges the Federal Aviation Administration to reconsider its proposed policy changes and alter them accordingly so as all parties involved can live with them.

Be It Further Resolved, that the Minnesota House of Representatives requests the Federal Aviation Administration to hold a public hearing on this matter so that representatives of the Metropolitan Airports Commission and other interested parties may have the opportunity to explain orally why this drastic action should not be taken.

Be It Further Resolved, that the Chief Clerk of the House of Representatives forthwith prepare and transmit a formal copy of this resolution to the Federal Aviation Administration.

Sieben, M., moved that House Resolution No. 23 be now adopted.

House Resolution No. 23 was adopted.

Flakne, Munger, Searle, Skaar, and Samuelson introduced:

House Resolution No. 24, A house resolution congratulating Verne E. Long on his election as Grand Master of the Masonic Order.

SUSPENSION OF RULES

Flakne, Munger, Searle, Skaar, and Samuelson moved that the Rules be so far suspended that House Resolution No. 24 be now considered and be placed upon its adoption. The motion prevailed.

HOUSE RESOLUTION NO. 24

A house resolution congratulating Verne E. Long on his election as Grand Master of the Masonic Order.

Whereas, the Masonic Order is the oldest fraternity in the history of the world and today numbers over 55,000 members in Minnesota alone; and

Whereas, Masonry has contributed greatly to the welfare of our State not only in the establishing and funding of the Cancer Hospital at the University of Minnesota and the Crippled Children's Hospital in Minneapolis but also includes in its membership numerous outstanding governmental leaders throughout the history of our State; and

Whereas, the activities of Masonry in Minnesota are directed by a Grand Lodge headed by an elected Grand Master whose selection to that post is based on his dedication, over many years, to the highest principles of the Order; and

Whereas, the Masons of Minnesota did on April 6, 1973 select, for the first time in history, a member of this body to serve as Grand Master for the coming year, which said member exempli-

fies and typifies the virtue, dedication, concern, and other outstanding qualities which are requisites for the conferring of such a high honor; now, therefore,

Be It Resolved, that the House of Representatives of the State of Minnesota extends its heartfelt and warmest congratulations to Representative Verne E. Long, his wife Wilma Dean, and his family, upon his selection as Grand Master of Minnesota Masons for 1973 and further extends its best wishes for continued success in his endeavors in the ensuing year.

Be It Further Resolved, that the Chief Clerk of the House of Representatives forthwith transmit a formal copy of this resolution to Representative Verne E. Long.

Flakne moved that House Resolution No. 24 be now adopted.

House Resolution No. 24 was adopted.

Lindstrom, E.; and Swanson introduced:

House Resolution No. 25, A house resolution congratulating the Richfield basketball team for outstanding performance in the Minnesota state high school league 1973 basketball tournament.
