"Sec. 2. Minnesota Statutes 1971, Chapter 514, is amended by adding a section to read:

[514.011] [NOTICE.] *Subdivision 1. [CONTRACTORS.] Every person who enters into a contract with the owner for the improvement of real property and who has contracted or will contract with any subcontractors or materialmen to provide labor, skill or materials for the improvement shall give the owner the notice required in this subdivision. The notice shall be delivered personally or by certified mail to the owner or his authorized agent within ten days after the contract for the work of improvement is agreed upon. The notice shall be in at least 10-point bold type, if printed, or in capital letters, if typewritten and shall state as follows:*

(a) *Persons or companies furnishing labor or materials for the improvement of real property may enforce a lien upon the improved land if they are not paid for their contributions, even if such parties have no direct contractual relationship with the owner;*

(b) *Minnesota law permits the owner to withhold from his contractor so much of the contract price as may be necessary to meet the demands of all other lien claimants, pay directly such liens and deduct the cost thereof from the contract price, or withhold amounts from his contractor until the expiration of 90 days from the completion of such improvement unless the contractor furnishes to the owner waivers of claims for mechanics' liens signed by persons who furnished any labor or material for the improvement and who provided the owner with timely notice.*

A person who fails to provide the notice shall not have the lien and remedy provided by this chapter.

The notice required by this subdivision is not required of any person who is himself an owner of the improved real estate, to any corporate contractor of which the owner of the improved real estate is an officer or controlling shareholder, to any contractor who is an officer or controlling shareholder of a corporation which is the owner of the improved real estate, or to any corporate contractor managed or controlled by substantially the same persons who manage or control a corporation which is the owner of the improved real estate.

Subd. 2. [SUBCONTRACTOR TO GIVE NOTICE.] Every person who contributes to the improvement of real property so as to be entitled to a lien pursuant to section 514.01 except a party under direct contract with the owner must, as a necessary prerequisite to the validity of any claim or lien, cause to be given to the owner or his authorized agent, either by personal delivery or by certified mail, not later than 20 days after the lien claimant has first furnished labor, skill or materials for the improvement, a written notice in at least 10-point bold type, if printed, or in capital letters, if typewritten, which shall state:
