F. Nos. 943, 2014, 681, 1374, 537, 973, 938, 1592, 2250, 1540, 568, and 1797.

#### REPORTS OF STANDING COMMITTEES

Mr. Brinkman from the Committee on Financial Institutions and Insurance to which was referred:

S. F. No. 96, A bill for an act relating to motor vehicle insurance; providing for basic reparation insurance benefits, regardless of fault, in cases of accident; limiting the recovery of general damages in bodily injury tort claims; requiring no-fault reparation insurance; providing for the administration of a no-fault reparation system and providing penalties; providing for mandatory arbitration of certain claims; providing for the partial abrogation of tort liability; repealing Minnesota Statutes 1971, Sections 65B.01 to 65B.27; 168.054; 168.833; 170.21; 170.22; 170.23; 170.231; 170.25 to 170.58; and 171.12, Subdivision 4.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. [CITATION.] Sections 1 to 28 may be cited as the "Minnesota Automobile Accident Reparations Act".

Sec. 2. [PURPOSE.] The detrimental impact of automobile accidents on uncompensated injured persons, upon the orderly and efficient administration of justice in this state, and in various other ways requires that this act be adopted to effect the following purposes:

(1) To relieve the severe economic distress of uncompensated victims of automobile accidents within this state by requiring automobile insurers to offer and automobile owners to main-

tain automobile liability insurance policies or other pledges of indemnity which will provide prompt payment of specified basic economic loss benefits to victims of automobile accidents without regard to whose fault caused the accident;

(2) To prevent the overcompensation of those automobile accident victims suffering minor injuries by restricting the right to recover general damages to cases of serious injury.

(3) To encourage appropriate medical and rehabilitation treatment of the automobile accident victim by assuring prompt payment for such treatment;

(4) To speed the administration of justice, to ease the burden of litigation on the courts of this state, and to create a system of small claims arbitration to decrease the expense of and to simplify litigation, and to create a system of mandatory inter-company arbitration to assure a prompt and proper allocation of the costs of insurance benefits between motor vehicle insurers;

(5) To correct imbalances and abuses in the operation of the automobile accident tort liability system, to provide offsets to avoid duplicate recovery, to require medical examination and disclosure, and to govern the effect of advance payments prior to final settlement of liability.

Sec. 3. [DEFINITIONS.] Subdivision 1. The following words and phrases, shall, for the purpose of this act, have the meanings ascribed to them, except where the context clearly indicates a different meaning.

Subd. 2. "Motor vehicle" means every vehicle which has four or more wheels and which (a) is required to be registered pursuant to Minnesota Statutes 1971, Chapter 168, (b) is designed to be self-propelled by an engine or motor for use primarily upon public roads, highways or streets in the transportation of persons or property, or trailers, when connected to or being towed by a motor vehicle.

Subd. 3. "Maintenance or use of a motor vehicle" means maintenance or use of a motor vehicle as a vehicle, including, incident to its maintenance or use as a vehicle, occupying, entering into, and alighting from it. Maintenance or use of a motor vehicle does not include (1) conduct within the course of a business of repairing, servicing, or otherwise maintaining motor vehicles unless the conduct occurs off the business premises, or (2) conduct in the course of loading and unloading the vehicle unless the conduct occurs while occupying, entering into or alighting from it.

Subd. 4. "Owner" means a person who holds legal title to a motor vehicle, or in the event that a motor vehicle is the subject of a security agreement or lease with option to purchase and the debtor or lessee is entitled to the immediate use or possession of the vehicle, then the debtor or lessee shall be deemed the owner for the purposes of this act.

Subd. 5. "Insured" means the named insured under a plan of reparation security as provided by this act, including the named insured and the following persons not identified by name as an insured while (a) residing in the same household with the named insured and (b) not identified by name in any other contract of basic reparation insurance complying with this act as an insured:

- (1) a spouse,
- (2) other relative of a named insured or
- (3) a minor in the custody of a named insured or of a relative residing in the same household with a named insured.

A person resides in the same household with the named insured if that person usually makes his home in the same family unit, even though he temporarily lives elsewhere.

Subd. 6. "Income" means salary, wages, tips, commissions, professional fees, and other earnings from work or tangible things of economic value produced in individually owned businesses, farms, ranches or other work, or the reasonable value of the services necessary to produce them.

Subd. 7. "Loss" means economic detriment accrued within two years following the accident causing the injury, consisting only of medical expense, disability and income loss, replacement services loss and, if the injury causes death, funeral expense, survivor's economic loss and survivor's replacement services loss. Noneconomic detriment is not loss; however, economic detriment is loss although caused by pain and suffering or physical or mental impairment.

Subd. 8. "Noneconomic detriment" means all dignitary losses suffered by any person as a result of bodily injury, sickness, or disease arising out of the ownership, maintenance, or use of a vehicle in this state including pain and suffering, loss of consortium, and inconvenience.

Subd. 9. "Reparation obligor" means an insurer or self-insurer obligated to provide the basic reparation benefits required by this act, including natural persons, firms, partnerships, associations, corporations, trusts and syndicates.

Subd. 10. "Basic economic loss benefits" means benefits providing reimbursement to the minimum amount of \$10,000 per person per accident for loss suffered through injury, sickness, disease or death arising out of the maintenance or use of a motor vehicle, subject, where applicable, to the deductibles, exclusions, disqualifications, and other conditions provided in this act.

Subd. 11. Except where otherwise indicated, "commissioner" means the commissioner of public safety of the state of Minnesota.

Sec. 4. [BASIC ECONOMIC LOSS BENEFITS.] (1)  
Basic economic loss benefits shall consist of the following:

(a) [MEDICAL EXPENSE BENEFITS.] All reasonable expenses for necessary medical, surgical, x-ray, optical, dental, chiropractic, and rehabilitative services, including prosthetic devices, prescription drugs, necessary ambulance, hospital, extended care and nursing services. "Extended care facility" means a place where are provided skilled nursing care and related services for patients who require post-hospitalization, in-patient medical, nursing, or therapy services. Hospital room and board benefits may be limited, except for intensive care facilities, to the regular daily semi-private room rates customarily charged by the institution in which the recipient of benefits is confined. Such benefits shall also include necessary remedial treatment and services recognized and permitted under the laws of this state for an injured person who relies upon spiritual means through prayer alone for healing in accordance with his religious beliefs.

(b) [DISABILITY AND INCOME LOSS BENEFITS.] Eighty-five percent of the injured person's loss of present and future gross income per individual from inability to work proximately caused by the injury subject to a maximum of \$200 per week and only if the person is disabled during the seven days following the accident causing the injury sustained by the injured. All disability or income loss benefits payable under this provision shall be paid not less than every two weeks. Compensation for loss of income from work shall be reduced by any income from substitute work actually performed by the injured person or by income the injured person would have earned in available appropriate substitute work which he was capable of performing but unreasonably failed to undertake.

For the purposes of this section "disability" shall mean disability which continuously prevents the injured person from engaging in any substantial gainful occupation or employment, for wage or profit, for which he is or may by training become reasonably qualified.

(c) [FUNERAL AND BURIAL EXPENSES.] Reasonable funeral and burial expenses not in excess of \$1,000, including expenses for cremation or delivery under the Uniform Anatomical Gift Act, Minnesota Statutes 1971, Sections 525.921 to 525.93.

(d) [REPLACEMENT SERVICE AND LOSS.] All expenses reasonably incurred by or on behalf of the injured person in obtaining usual and necessary substitute services in lieu of those that, had he not been injured, the injured person would have performed not for income but for the direct benefit of himself or his household; if the injured person is either a housewife or husband who normally, as a full time responsibility, provides care and maintenance of a home with or without children, the benefit to be provided under this clause shall be the reasonable value of such care and maintenance or the reasonable expenses incurred in obtaining usual and necessary substitute care and maintenance of the home, whichever is greater. All replacement

services, loss sustained on the date of injury and the first seven days thereafter is excluded in calculating replacement services loss; and

(e) [SURVIVORS ECONOMIC LOSS BENEFITS.] (1) In the event of death occurring within one year of the date of the accident, caused by and arising out of injuries received in the accident, a survivor's benefit shall be paid for loss after decedent's death of contributions of money or tangible things of economic value, not including services, subject to a maximum of \$200 per week that his surviving dependents would have received for their support during their dependency from the decedent had he not suffered the injury causing death. The term also includes medical expenses accrued prior to decedent's death if benefits therefor are not paid to decedent or his estate and funeral expense if benefits therefor are not paid to decedent's estate.

(2) For the purposes of definition under this subdivision, the following described persons shall be conclusively presumed to be dependents of a deceased person: (a) a wife is dependent on a husband with whom she lives at the time of his death; (b) a husband is dependent on a wife with whom he lives at the time of her death; (c) any child while under the age of 18 years, or while over that age but physically or mentally incapacitated from earning, is dependent on the parent with whom he is living or from whom he is receiving support regularly at the time of the death of such parent. In all other cases, questions of the existence and extent of dependency shall be determined in accordance with the facts at the time of the death.

(3) Payments to the surviving spouse may be terminated in the event such surviving spouse remarries or dies. Payments to a dependent child who is not physically or mentally incapacitated from earning may be terminated in the event he attains majority, marries or becomes otherwise emancipated, or dies.

(4) [SURVIVOR'S REPLACEMENT SERVICES LOSS.] Benefits to surviving dependents shall also be payable to reimburse expenses reasonably incurred by such dependents during their dependency and after the date of the deceased insured's death in obtaining ordinary and necessary services in lieu of those the deceased would have performed for their benefit had he not suffered the injury causing death, minus expenses of the survivors avoided by reason of the decedent's death.

(5) "Basic economic loss benefits" do not include benefits for physical damage done to property or motor vehicles, including their contents.

Sec. 5. [RIGHT TO BENEFITS.] Subdivision 1. If the accident causing injury occurs in this state, every person suffering loss from injury arising out of maintenance or use of a motor vehicle has a right to basic economic loss benefits.

Subd. 2. If the accident causing injury occurs outside this state, the following persons and their survivors suffering loss

from injury arising out of maintenance or use of a motor vehicle have a right to basic economic loss benefits:

(1) Insureds, and

(2) the driver and other occupants of a secured vehicle, other than (a) a vehicle which is regularly used in the course of the business of transporting persons or property and which is one of five or more vehicles under common ownership, or (b) a vehicle owned by a government other than this state, its political subdivisions, municipal corporations, or public agencies.

Subd. 3. For the purposes of this act, injuries suffered by a person while on, mounting or alighting from a vehicle having fewer than four wheels do not arise out of the maintenance or use of a motor vehicle although a motor vehicle is involved in the accident causing the injury.

Sec. 6. [PRIORITY OF APPLICABILITY OF SECURITY FOR PAYMENT OF BASIC ECONOMIC LOSS BENEFITS.]  
Subdivision 1. In case of injury to the driver or other occupant of a motor vehicle, if the accident causing the injury occurs while the vehicle is being used in the business of transporting persons or property, the security for payment of basic economic loss benefits is the security covering the vehicle or, if none, the security under which the injured person is an insured.

Subd. 2. In case of injury to an employee, or to his spouse or other relative residing in the same household, if the accident causing the injury occurs while the injured person is driving or occupying a motor vehicle furnished by the employer, the security for payment of basic economic loss benefits is the security covering the vehicle or, if none, the security under which the injured person is an insured.

Subd. 3. In the case of any other person whose injury arises from the maintenance or use of a motor vehicle described in subdivision 1 or 2, the security for the payment of basic economic loss benefits is the security covering the vehicle, or if none, the security under which the injured person is an insured.

Subd. 4. In all other cases, the following priorities apply.

(a) The security for payment of basic reparation benefits applicable to injury to an insured is the security under which the injured person is an insured.

(b) The security for payment of basic economic loss benefits applicable to injury to the driver or other occupant of an involved motor vehicle who is not an insured is the security covering that vehicle.

(c) The security for payment of basic economic loss benefits applicable to injury to a person not otherwise covered who is not the driver or other occupant of an involved motor vehicle is the security covering any involved motor vehicle. An unoccupied parked vehicle is not an involved motor vehicle unless it was parked so as to cause unreasonable risk of injury.

Subd. 5. If two or more obligations to pay basic economic loss benefits are applicable to an injury under the priorities set out in this section, benefits are payable only once and the reparation obligor against whom a claim is asserted shall process and pay the claim as if wholly responsible, but he is thereafter entitled to recover contribution pro rata for the basic economic loss benefits paid and the costs of processing the claim. Where contribution is sought among reparation obligors responsible under clause (c) of subdivision 4, proration shall be based on the number of involved motor vehicles.

Subd. 6. Where a reparation obligor pays basic economic loss benefits which another reparation obligor is obligated to pay under the priority provided in this section, the reparation obligor is subrogated to all rights of the person to whom benefits are paid, including the rights to recover interest and attorney's fees for basic economic loss benefits paid.

Sec. 7. [REPARATION SECURITY COMPULSORY.] Subdivision 1. Every owner or registrant of a motor vehicle which is required to be registered or licensed or is principally garaged in this state shall provide and maintain, throughout the licensing or registration period, a plan of reparation security under provisions approved by the commissioner of insurance, insuring against loss resulting from liability imposed by law for bodily injury, death and property damage sustained by any person arising out of the ownership, maintenance, operation or use of an automobile. Such coverage shall provide for basic economic loss benefits and residual liability coverage in amounts not less than those specified in section 7, subdivision 2, clauses (a) and (b). The nonresident owner of a motor vehicle which is not required to be registered or licensed, or which is not principally garaged in this state, shall maintain such security in effect continuously throughout the period of the operation, maintenance or use of such motor vehicle within this state with respect to accidents occurring in this state.

Subd. 2. The security required by this act may be provided by a policy of insurance complying with this act which is issued by or on behalf of an insurer authorized to transact business in this state or, if the vehicle is registered in another state, by a policy of insurance issued by or on behalf of an insurer authorized to transact business in either this state or the state in which the vehicle is registered or by qualifying as a self-insurer.

Subd. 3. Self-insurance, subject to approval of the commissioner of insurance of the state of Minnesota, is effected by filing with the commissioner of insurance in satisfactory form:

(1) a continuing undertaking by the owner or other appropriate person to pay tort liabilities or basic economic loss benefits, or both, and to perform all other obligations imposed by this act;

(2) evidence that appropriate provision exists for prompt administration of all claims, benefits, and obligations provided by this act; and

(3) evidence that reliable financial arrangements, deposits, or commitments exist providing assurance, substantially equivalent to that afforded by a policy of insurance complying with this act, for payment of tort liabilities, basic economic loss benefits, and all other obligations imposed by this act.

Subd. 4. The state of Minnesota or any agency thereof and any political subdivision of the state or agency thereof may provide security by lawfully obligating itself to pay basic reparation in accordance with this act.

Subd. 5. A person providing security pursuant to subdivision 3 or 4 is a "self-insurer."

Subd. 6. "Security covering the vehicle" is the insurance or other security so provided. The vehicle for which the security is so provided is the "secured vehicle."

Subd. 7. "Basic reparation insurance" includes a contract, self-insurance, or other legal means under which the obligation to pay basic reparation benefits arises.

Sec. 8. [INSURERS.] Subdivision 1. [MANDATORY OFFER OF INSURANCE BENEFITS.] On and after the effective date of this act, no plan of reparation security shall be issued, renewed, continued, delivered, issued for delivery, or executed in this state with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto, under provisions approved by the commissioner of insurance, requiring the insurer to pay, regardless of the fault of the insured, the accident reparation benefits arising out of injury sustained during the operation of the motor vehicle as provided in subdivision 2.

A plan of reparation security shall state the name and address of the named insured, the coverage afforded by the policy, the premium charged, the term and limits of liability, and shall contain an agreement or endorsement that insurance is provided thereunder in accordance with and subject to the provisions of this act.

Subd. 2. (a) [BASIC ECONOMIC LOSS.] Each plan of reparation security shall provide for payment of basic economic loss benefits to any insured, operator of the insured motor vehicle, passenger in such motor vehicle and other person whose injury arises out of the maintenance or use of the motor vehicle, to a minimum limit of \$10,000 per person per accident.

(b) [RESIDUAL LIABILITY INSURANCE.] (1) Each plan of reparation security shall also contain stated limits of liability, exclusive of interest and costs, with respect to each vehicle for which coverage is thereby granted, of not less than \$25,000 because of bodily injury to, or death of, one person in any one accident and, subject to said limit for one person, of not less than \$50,000 because of bodily injury to, or death of, two or more persons in any one accident, and, if the accident has resulted in injury to or destruction of property, of not less than

\$10,000 because of such injury to or destruction of property of others in any one accident.

(2) Under residual liability insurance the reparation obligor shall be liable to pay, on behalf of the insured, sums which the insured is legally obligated to pay as damages because of bodily injury and property damage arising out of the ownership, maintenance or use of a motor vehicle if the injury or damage occurs within this state, the United States of America, its territories or possessions, or Canada.

(3) Every plan of reparation security shall be subject to the following provisions which need not be contained therein:

(a) The liability of the reparation obligor with respect to the residual liability coverage required by this clause shall become absolute whenever injury or damage occurs; such liability may not be cancelled or annulled by any agreement between the reparation obligor and the insured after the occurrence of the injury or damage; no statement made by the insured or on his behalf and no violation of said policy shall defeat or void said policy.

(b) The satisfaction by the insured of a judgment for such injury or damage shall not be a condition precedent to the right or duty of the reparation obligor to make payment on account of such injury or damage.

(c) The reparation obligor shall have the right to settle any claim covered by the residual liability insurance policy, and if such settlement is made in good faith, the amount thereof shall be deductible from the limits of liability for the accident out of which such claim arose.

(d) [UNINSURED OR HIT-AND-RUN MOTOR VEHICLE COVERAGE.] (1) On and after the effective date of this act, no plan of reparation security may be renewed, delivered or issued for delivery, or executed in this state with respect to any motor vehicle registered or principally garaged in this state unless coverage is provided therein or supplemental thereto, in the amounts of \$25,000 because of bodily injury to or the death of one person in any accident, and subject to the said limit for one person, \$50,000 because of bodily injury to or the death of two or more persons in any one accident, and \$10,000 for injury to or the destruction of property, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured motor vehicles and hit-and-run motor vehicles because of bodily injury, sickness, disease, bodily malfunction, aggravation of such sickness, disease or malfunction, or death, resulting therefrom.

(2) Every owner or registrant of a motor vehicle registered or principally garaged in this state shall maintain uninsured motor vehicle coverage as provided in subdivision 1.

(3) "Uninsured motor vehicle" means any motor vehicle for which a plan of reparation security meeting the requirements of this act is not in effect.

(4) Amounts paid by any reparation obligor under the uninsured motor vehicle provisions of this section may be offset against the economic loss benefits paid or payable as the result of an accident to an insured claimant by that obligor.

Subd. 3. Nothing in this act shall be construed as preventing the insurer from offering other benefits or limits in addition to those required to be offered under this section.

Subd. 4. Any coverage issued by a participating member of the Minnesota automobile insurance plan shall comply with the provisions of this section, any provisions of law or of the contract notwithstanding.

Sec. 9. [INSURERS' CERTIFICATION OF BASIC COVERAGE.] Subdivision 1. Every insurer licensed to write motor vehicle accident reparation and liability insurance in this state shall, on or before the effective date of this act or as a condition to such licensing, file with the commissioner and thereafter maintain a written certification that any person insured by the insurer who suffers accidental bodily injury in this state arising from the ownership, operation, maintenance or use of a motor vehicle, including motor vehicles of out-of-state residents who are insured under the insurer's motor vehicle liability insurance policies, shall be afforded at least the minimum coverage required by section 7.

Subd. 2. Any nonadmitted insurer may voluntarily file the certification described in subdivision 1.

Sec. 10. [DEDUCTION OF COLLATERAL BENEFITS FROM TORT RECOVERY; LIMITATION ON RIGHT TO RECOVER DAMAGES.] Subdivision 1. [DEDUCTION OF BASIC ECONOMIC LOSS BENEFITS.] In a negligence action brought as a result of bodily injury, sickness or disease arising out of the operation, ownership, maintenance or use of a motor vehicle with respect to which security has been provided as required by this act and arising out of an accident or occurrence within this state, there shall be deducted from any recovery the value of basic economic loss benefits paid or payable or which would be payable but for any deductible.

Subd. 2. [LIMITATION OF DAMAGES FOR NONECONOMIC DETRIMENT.] In an action of the type described in subdivision 1, no person shall recover damages for noneconomic detriment unless:

(a) The basic medical economic loss benefits which are payable for his injury or which would be payable but for any optional deductible or exclusion exceed \$2,000. The value of free medical or surgical care and of ordinary and necessary nursing services performed by a relative or member of the household of the injured person may be added to payable benefits to meet the requirements of this section; or

(b) The injury results in:

- (1) permanent disfigurement;
- (2) a fracture of a weight-bearing bone;
- (3) a compound, comminuted or dislocation fracture;
- (4) a compression fracture of the vertebrae;
- (5) loss of a bodily member;
- (6) permanent injury determined within a reasonable medical certainty;
- (7) permanent loss of a bodily function; or
- (8) death; or
- (9) disability for 60 days or more.

(c) For the purposes of this subdivision "disability" means a mental or physical condition which constitutes a handicap.

Sec. 11. [MANDATORY ARBITRATION OF CERTAIN CLAIMS; SUPREME COURT TO PROMULGATE RULES OF PROCEDURE.] Subdivision 1. The supreme court and the several courts of general trial jurisdiction of this state may, on or before the effective date of this act, by rules of court or other constitutionally permissible device, provide for the submission to arbitration at the election of the plaintiff of all cases at issue where a claim in an amount of \$5,000 or less is made by a motor vehicle accident victim, whether in an action to recover economic loss or noneconomic detriment for the allegedly negligent operation, maintenance, or use of a motor vehicle within this state, or against any reparation obligor or benefits as provided in this act.

Subd. 2. The rules of court may provide that cases which are not at issue, whether or not suit has been filed, may be referred to arbitration by agreement of reference signed by counsel for both sides, or by the parties themselves. Such agreement of reference shall define the issues to be arbitrated and, shall also contain any stipulations with respect to facts submitted or agreed or defenses waived. In such cases, the agreement of reference shall take the place of the pleadings in the case and be filed of record.

Sec. 12. [SUBROGATION AND ARBITRATION BETWEEN OBLIGORS.] Subdivision 1. Except as otherwise provided in this section, where a reparation obligor has paid benefits provided under this act to an injured person, the obligor paying such benefits is, to the extent of such payments, subrogated to any right of action for damages by the injured person against the alleged wrongdoer. However, where such wrongdoer is covered by a plan of reparation security underwritten by another reparation obligor, the right of the subrogated obligor shall be exercisable only as provided in subdivision 2.

Subd. 2. Every reparation obligor licensed to write insurance in this state is deemed to have agreed, as a condition of doing business in the state or maintaining its license after the effective

date of this act, that (a) where its insured is liable for injuries sustained by any person to whom basic economic loss benefits have been paid by another obligor or person, it will reimburse such other obligor or person in an amount equal to the lesser of: (1) benefits paid, (2) the amount of damages which would be recoverable by an injured person in an action for negligence but for the provisions of section 9, or (3) its limits of liability under the applicable plan of reparation security; (b) where its insured is or would be held legally liable for property damage or destruction sustained by any claimant to whom payment has been made by another person, it will reimburse such other person to the extent of such payment, but not in excess of the amount of damages so recoverable for the types of loss covered by such reparation security or in excess of the limits of its liability under its plan of reparation security; and (c) the issue of liability for such reimbursement and the amount thereof must be decided by mandatory, good faith, and binding inter-obligor arbitration procedures approved by the commissioner of insurance. Such procedures shall utilize determinations of the comparative negligence of those insureds represented by a reparation obligor at the arbitration proceeding.

Subd. 3. Any evidence or decision in the arbitration proceedings is privileged and is not admissible in any action at law or in equity by any party.

Subd. 4. If any reparation obligor in such an arbitration proceeding also has provided coverage to the same policyholder for collision or upset arising out of the same occurrence, such obligor shall also submit the issue of recovery of any payments thereunder to the same mandatory and binding arbitration proceedings as herein provided.

Subd. 5. Arbitration proceedings need not await final payment of benefits, and the award, if any, shall include provision for reimbursement of subsequent benefits, but no question of fact decided by a prior award shall be reconsidered in any such subsequent arbitration hearing.

Sec. 13. [REPARATION OBLIGOR'S DUTY TO RESPOND TO CLAIMS.] Subdivision 1. Basic economic loss benefits are payable monthly as loss accrues. Loss accrues not when injury occurs, but as income loss, replacement services loss, survivor's economic loss, survivor's replacement services loss, or medical or funeral expense is incurred. Benefits are overdue if not paid within 30 days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, unless the reparation obligor elects to accumulate claims for periods not exceeding 31 days and pays them within 15 days after the period of accumulation. If reasonable proof is supplied as to only part of a claim, and the part totals \$100 or more, the part is overdue if not paid within the time provided by this section. Medical or funeral expense benefits may be paid by the reparation obligor directly to persons supplying products, services, or accommodations to the claimant.

Subd. 2. Overdue payments shall bear simple interest at the rate of ten percent per annum.

Subd. 3. A claim for basic economic loss benefits shall be paid without deduction for the benefits which are to be subtracted pursuant to section 18, if these benefits have not been paid to the claimant before the reparation benefits are overdue or the claim is paid. The reparation obligor is entitled to reimbursement from the person obligated to make the payments or from the claimant who actually receives the payments.

Subd. 4. A reparation obligor may bring an action to recover benefits which are not payable, but are in fact paid, because of an intentional misrepresentation of a material fact, upon which the reparation obligor relies, by the claimant or by a person providing an item of allowable expense. The action may be brought only against the person providing the item of allowable expense, unless the claimant has intentionally misrepresented the facts or knew of the misrepresentation. An insurer may offset amounts he is entitled to recover from the claimant under this subdivision against any basic economic loss benefits otherwise due him.

Subd. 5. A reparation obligor who rejects a claim for basic reparation benefits shall give to the claimant prompt written notice of the rejection, specifying the reason. If a claim is rejected for a reason other than that the person is not entitled to the basic economic loss benefits claimed, the written notice shall inform the claimant that he may file his claim with the assigned claims bureau and shall give the name and address of the bureau.

Sec. 14. [APPLICATION FOR BENEFITS UNDER PLAN OF SECURITY.] Subdivision 1. A plan of reparation security may prescribe a period of not less than six months after the date of accident within which an insured or any other person who sustained injury, or anyone acting on their behalf, must notify the reparation obligor or its agent, of the accident and the possibility of a claim for economic loss benefits in order to be eligible for such benefits. Such notice may be given in any reasonable fashion.

Subd. 2. A plan of reparation security may provide that in any instance where a lapse occurs in the period of disability or in the medical treatment of an injured person who has received basic economic loss benefits and such person subsequently claims additional benefits based upon an alleged recurrence of the injury for which the original claim for benefits was made, the obligor may require reasonable medical proof of such alleged recurrence; provided, that in no event shall the aggregate benefits payable to any person exceed the maximum limits specified in the plan of security, and provided further that such coverages may contain a provision terminating eligibility for benefits after a prescribed period of lapse of disability and medical treatment, which period shall not be less than one year.

Sec. 15. [COOPERATION OF PERSON CLAIMING BENEFITS.] Subdivision 1. [MEDICAL EXAMINATIONS AND

**DISCOVERY OF CONDITION OF CLAIMANT.]** Any person injured in an automobile accident who claims damages therefor from another party or benefits therefor under a plan of reparation security shall, upon request of the party or obligor from whom recovery is sought, submit to a physical examination by a physician or physicians selected by such party or obligor as may reasonably be required.

The costs of any examinations requested by the obligor or another party shall be borne entirely by the requesting obligor or party. Such examinations shall be conducted within the city, town, village or borough of residence of the claimant. If there is no qualified physician to conduct the examination within the city, town, village or borough of residence of the claimant, then such examination shall be conducted at another place of the closest proximity to the claimant's residence. Obligor is authorized to include reasonable provisions in policies for mental and physical examination of those claiming security benefits.

If requested by the person examined, a party causing an examination to be made shall deliver to him a copy of every written report concerning the examination rendered by an examining physician, at least one of which reports must set out in detail the findings and conclusions of such examining physician.

A claimant shall also do all things reasonably necessary to enable such party or obligor to obtain medical reports and other needed information to assist in determining the nature and extent of the claimant's injuries and loss, and the medical treatment received by him. If the claimant refuses to cooperate in responding to requests for examination and information as authorized by this section, evidence of such non-cooperation shall be admissible in any suit or arbitration filed by the claimant for damages for such personal injuries or for the benefits provided by this act.

**Subd. 2. [CLAIMANT'S PARTICIPATION IN ARBITRATION BETWEEN OBLIGORS.]** Any person receiving benefits under this act shall participate and cooperate, as reasonably required under the coverage, in any and all arbitration proceedings as provided in section 12 by or on behalf of the obligor paying the benefits, and the obligor may require in the furnishing of proof of loss the claimant's statement that he shall so participate and cooperate as consideration for the payment of such benefits. However, no claimant may be required by any obligor which has paid or is obligated to pay benefits as herein provided to personally attend an arbitration proceeding which shall take place more than 50 miles from the usual residence of the claimant; and provided that in no event shall the claimant have to attend such an arbitration proceeding if, at the time scheduled for that meeting, travel thereto by the claimant is not recommended by a physician treating the claimant for his injuries.

**Sec. 16. [ECONOMIC LOSS BENEFITS; EXEMPTIONS FROM LEGAL ATTACHMENT.]** All reparation benefits provided by this act, whether paid or payable to any injured person

shall not be subject to garnishment, sequestration, attachment or execution, or any other legal process which would deny their receipt and use by that person; provided, however, that this section shall not apply to any person who has provided treatment or services, as described in section 4, clause (1), to the victim of a motor vehicle accident.

**Sec. 17. [PERSONS EXCLUDED FROM BENEFITS.]**

Subdivision 1. No reparation obligor shall be required to pay basic economic loss benefits to an injured person who at the time of the accident:

(1) Intentionally caused or attempted to cause injury to himself, another person, or the property of another person;

(2) Was operating or a passenger in a vehicle known to him to be stolen or used without the owner's consent;

(3) Was operating a motor vehicle while his driver's license was under suspension, revocation or denial;

(4) Sought to elude apprehension or arrest by a police officer if he is convicted of an offense arising out of the accident; or

(5) Was committing a felony which contributed to the accident or injury if he is convicted thereof.

Subd. 2. For purposes of subdivision 1, clause (a), a person intentionally causes or attempts to cause injury if he acts or fails to act for the purpose of causing injury or with knowledge that injury is substantially certain to follow. A person does not intentionally cause or attempt to cause injury (1) merely because his act or failure to act is intentional or done with his realization that it creates a grave risk of causing injury or (2) if the act or omission causing the injury is for the purpose of averting bodily harm to himself or another person.

Subd. 3. The provisions of subdivision 1 shall not diminish the obligation of a reparation obligor to provide survivor's benefits as described in section 4, clause (5).

**Sec. 18. [BENEFITS PRIMARY; SUBTRACTIONS.]** Basic economic loss benefits shall be primary. The amount by which benefits paid or payable under social security or a workmen's compensation law exceed an applicable deductible shall be subtracted in calculating economic loss.

**Sec. 19. [DUPLICATE CLAIMS; OBLIGOR SUBROGATED.]** A reparation obligor paying or obligated to pay basic economic loss benefits is subrogated to any claim based on an intentional tort or on strict or statutory liability against any person whose act or omission caused the injury. This right of subrogation shall exist only to the extent that basic economic loss benefits are paid and only to the extent that recovery on the claim would produce a duplication of benefits or reimbursement of the same loss.

Sec. 20. [ASSIGNED CLAIMS PLAN.] Subdivision 1. Reparation obligors providing basic economic loss insurance in this state may organize and maintain, subject to approval and regulation by the commissioner of insurance, an assigned claims bureau and an assigned claims plan, and adopt rules for their operation and for the assessment of costs on a fair and equitable basis consistent with this act. If such obligors do not organize and continuously maintain an assigned claims bureau and an assigned claims plan in a manner considered by the commissioner of insurance to be consistent with this act, he shall organize and maintain an assigned claims bureau and an assigned claims plan. Each reparation obligor providing basic economic loss insurance in this state shall participate in the assigned claims bureau and the assigned claims plan. Costs incurred shall be allocated fairly and equitably among the reparation obligors.

Subd. 2. The assigned claims bureau shall promptly assign each claim and notify the claimant of the identity and address of the assignee-obligor of the claim. Claims shall be assigned so as to minimize inconvenience to claimants. The assignee thereafter has rights and obligations as if he had issued a policy of basic economic loss insurance complying with this act applicable to the injury or, in case of financial inability of a reparation obligor to perform its obligations, as if the assignee had written the applicable reparation insurance, undertaken the self-insurance, or lawfully obligated itself to pay reparation benefits.

Sec. 21. [PERSONS ENTITLED TO PARTICIPATE IN ASSIGNED CLAIMS PLAN.] Subdivision 1. A person entitled to basic economic loss benefits because of injury covered by this act and occurring in this state may obtain basic economic loss benefits through the assigned claims plan or bureau established pursuant to section 20 and in accordance with the provisions for making assigned claims provided in this act, if:

(a) Basic economic loss benefits are not applicable to the injury for some reason other than those specified in section 17;

(b) The plan of reparation security applicable to the injury cannot be identified; or

(c) A claim for basic economic loss benefits is rejected by a reparation obligor on some ground other than the person is not entitled to basic economic loss benefits under this act.

Subd. 2. If a claim qualifies for assignment under subdivision 1 of this section, the assigned claims bureau or any reparation obligor to whom the claim is assigned shall be, as provided in section 12, subrogated to all of the rights of the claimant against any person, including another obligor, who is legally obligated to provide reparation benefits to the claimant, for reparation benefits provided by the obligor to whom the claim was assigned.

Subd. 3. A person shall not be entitled to basic economic loss benefits through the assigned claims plan with respect to injury which he has sustained if at the time of such injury he was the

owner of a private passenger motor vehicle for which security is required under this act and he failed to have such security in effect. Members of the owner's household shall also be disqualified from benefits if they knew or reasonably should have known that security covering the vehicle was not provided as required by this act.

Sec. 22. [NOTIFICATION TO ASSIGNED CLAIMS BUREAU.] A person authorized to obtain basic economic loss benefits through the assigned claims plan shall notify the bureau of his claim within one year of the date on which he receives written authorization to participate in such plan. If timely action for basic economic loss benefits is commenced against a reparation obligor who is unable to fulfill his obligations under this act, a claim through the assigned claims plan may be made within a reasonable time after discovery of such inability.

Sec. 23. [CLAIMS AGAINST WRONG INSURER.] If timely action for economic loss benefits is commenced against a reparation obligor and benefits are denied because of a determination that the obligor's coverage is not applicable to the claimant under the provisions of section 6 on the priority of applicability of security a claim against a proper obligor or assigned claims plan may be made not later than 90 days after such determination becomes final or the last date on which the action could otherwise have been commenced, whichever is later.

Sec. 24. [CANCELLATION OR REDUCTION IN LIMITS DURING POLICY PERIOD; REJECTION OF APPLICATION; GROUNDS; NOTICE.] Subdivision 1. [CANCELLATION.] No cancellation or reduction in the limits of a plan of reparation security required under this act shall be effective only upon notice and under one or more of the following conditions stated in the policy:

- a. Nonpayment of premium; or
- b. The policy was obtained through a material misrepresentation; or
- c. Any insured made a false or fraudulent claim or knowingly aided or abetted another in the presentation of such a claim; or
- d. The named insured failed to disclose fully his motor vehicle accidents and moving traffic violations for the preceding 36 months if called for in his written application; or
- e. The named insured failed to disclose in his written application any requested information necessary for the acceptance or proper rating of the risk; or
- f. The named insured knowingly failed to give any required written notice of loss or notice of lawsuit commenced against him, or, when requested, refused to cooperate in the investigation of a claim or defense of a lawsuit; or

g. The named insured or any other operator who either resides in the same household or customarily operates an automobile insured under such policy:

(1) has, within the 36 months prior to the notice of cancellation, had his driver's license under suspension or revocation; or

(2) is or becomes subject to epilepsy or heart attacks, and such individual does not produce a written opinion from a physician testifying to his medical ability to operate a motor vehicle safely, such opinion to be based upon a reasonable medical probability; or

(3) has an accident record, conviction record (criminal or traffic), physical condition or mental condition, any one or all of which are such that his operation of an automobile might endanger the public safety; or

(4) has been convicted, or forfeited bail, during the 24 months immediately preceding the notice of cancellation for criminal negligence in the use or operation of an automobile, or assault arising out of the operation of a motor vehicle, or operating a motor vehicle while in an intoxicated condition or while under the influence of drugs; or leaving the scene of an accident without stopping to report; or making false statements in an application for a driver's license, or theft or unlawful taking of a motor vehicle; or

(5) has been convicted of, or forfeited bail for, one or more violations within the 18 months immediately preceding the notice of cancellation, of any law, ordinance, or regulation which justify a revocation of a driver's license.

h. The insured automobile is:

(1) so mechanically defective that its operation might endanger public safety; or

(2) used in carrying passengers for hire or compensation, provided however that the use of an automobile for a car pool shall not be considered use of an automobile for hire or compensation; or

(3) used in the business of transportation of flammables or explosives; or

(4) an authorized emergency vehicle; or

(5) subject to an inspection law and has not been inspected or, if inspected, has failed to qualify within the period specified under such inspection law or

(6) substantially changed in type or condition during the policy period, increasing the risk substantially, such as conversion to a commercial type vehicle, a dragster, sports car or so as to give clear evidence of a use other than the original use.

Subd. 2. [LIMITATION.] Subdivision 1 shall not apply to any plan of reparation security which has been in effect less than 60 days at the time notice of cancellation is mailed or delivered by the insurer unless it is a renewal policy.

Subd. 3. [REJECTION OF APPLICATION; NONRENEWAL.] "Renewal" or "to renew" means the issuance and delivery by an obligor of a policy superseding at the end of the policy period a policy previously issued and delivered by the same obligor, or the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term; provided, however, that any policy with a policy period or term of less than six months or any policy with no fixed expiration date shall for the purpose of sections 24 to 26 be considered as if written for successive policy periods or terms of six months. No obligor shall reject an application for or fail to renew a plan of reparation security:

(a) Without notice except in the case of nonrenewal for nonpayment of premium or unless the obligor has manifested a willingness to renew;

(b) Solely because of the age of the applicant or insured; or

(c) For reasons which are arbitrary or capricious.

Notwithstanding the failure of an obligor to comply with this section, the policy shall terminate on the effective date of any other plan of security procured by the insured, with respect to any automobile designated in both policies. Renewal of a policy shall not constitute a waiver or estoppel with respect to grounds for cancellation which existed before the effective date of such renewal.

Sec. 25. [NOTICE; STATEMENT OF REASONS FOR REJECTION, CANCELLATION, REDUCTION OR NONRENEWAL.] Subdivision 1. [WHEN GIVEN.] The notice required by section 24 shall be effective only if it is mailed or delivered to the named insured:

(a) At least 10 days prior to the effective date of any cancellation for nonpayment of premium or of any cancellation or reduction in limits of a policy in effect for less than 60 days, provided that, if less than ten days remain in the 60 day period, coverage must be extended to expire ten days after notice has been mailed;

(b) At least 30 days prior to the effective date of a cancellation or reduction in limits for any other reason;

(c) At least 60 days prior to the expiration of coverage in the case of intention not to renew; or

(d) Within a reasonable period of time, in the case of rejection of an application for coverage.

Subd. 2. [CONTENTS.] The notice required by section 24 shall be effective only if it contains:

(a) The specific underwriting or other reasons for rejection, nonrenewal, cancellation or reduction in limits;

(b) Where failure to renew is based on a termination of the agency contract, a statement to that effect;

(c) If the obligor's action was based upon the statements or charges of any person concerning alleged unsafe driving habits of an insured, the name and address of that person;

(d) Notice of the named insured's right to complain to the commissioner of insurance of such action within 30 days of receipt of notice;

(e) Notice of the nature of and the named insured's possible eligibility for coverage through the Minnesota insurance plan; and

(f) A statement that notice is given pursuant to this section.

Subd. 3. [IMMUNITY OF OBLIGOR OR COMMISSIONER; USE OF REASONS FOR CANCELLATION.] There shall be no liability on the part of and no cause of action of any nature shall arise against the commissioner of insurance or against any obligor, its authorized representative, its agents, its employees, or any firm, person or corporation furnishing to the obligor information as to reasons for rejection, nonrenewal or cancellation, for any statement made by them in any written notice of nonrenewal or cancellation, for the providing of information relating thereto, or for statements made or evidence submitted at any hearings conducted in connection therewith.

Subd. 4. [PROOF OF GIVING NOTICE.] Proof of mailing notice shall be sufficient proof that notice required herein has been given. A certificate of mailing on United States Postal Form 3817, as defined in Part 165 of the United States Postal Manual as now existing or hereafter changed by the United States Postal Department shall constitute proof of mailing.

Sec. 26. [OBJECTIONS; INVESTIGATION; DETERMINATION.] Subdivision 1. Any individual who believes such nonrenewal, cancellation or reduction in the limits of liability of coverage of his policy or rejection of his application is arbitrary, capricious or otherwise in violation of this act, or who believes such notice of nonrenewal and the reason or reasons therefor were not given as provided herein, may, within 30 days after receipt of notice thereof, file in writing an objection to such action with the commissioner of insurance.

Subd. 2. Upon receipt a written objection pursuant to the provisions herein, the commissioner of insurance shall notify the obligor of receipt of such objection and of the right of the obligor to file a written response thereto within ten days of receipt of such notification. The commissioner of insurance in his discretion may also order an investigation of the objection or complaint, the submission of additional information by the insured or the obligor about the action by the obligor or the objec-

tions of the insured, or such other procedure as he deems appropriate or necessary. Within 23 days of receipt of such written objection by an insured the commissioner of insurance shall approve or disapprove the obligor's action and shall notify the insured and obligor of his final decision. If the commissioner of insurance finds that the obligor has failed to conform to this section, he shall order the obligor to issue a policy of reparation security which shall be deemed to have been in force and in effect during the period of time which the application was rejected or during which such policy was cancelled or was not renewed. If the obligor refuses to comply with the order, the commissioner of insurance shall suspend it from conducting its business operations in this state and shall prohibit it from selling, directly or indirectly, any and all kinds of insurance in this state. If the commissioner of insurance enters the order, the obligor shall pay the reasonable attorney's fee incurred by the person filing the complaint. Either party may institute proceedings for judicial review of the decision of the commissioner of insurance in accordance with the provisions of Minnesota Statutes 1971, Sections 15.01 to 15.42; provided, however, that his final decision shall be binding pending judicial review.

Subd. 3. If the insured person filing the complaint before the commissioner of insurance shall prevail upon the appeal, the obligor shall pay the reasonable attorney fees incurred by that person in conjunction with the appeal. If the insurer shall prevail on the appeal, the party filing the complaint shall be deemed not to have been insured as of the date of such rejection, cancellation, reduction in limits, or refusal to renew or the date upon which the judgment is filed by the court hearing the appeal, whichever is later.

Subd. 4. In addition to the remedies provided by this section and the remedies available under the policy or under any contract, a reparation obligor shall be liable in tort for all damages suffered by a person aggrieved by the insurer's negligent or willful failure to conform to this act.

Sec. 27. [PENALTIES FOR FAILURE TO PROVIDE SECURITY FOR BASIC REPARATION BENEFITS.] Subdivision 1. Every owner or registrant of a motor vehicle for which security has not been provided as required by section 7, subdivision 1 shall be liable in tort without limitation.

Subd. 2. Any owner or registrant of a motor vehicle with respect to which security is required under this act who operates such motor vehicle or permits it to be operated upon a public highway, street or road in this state without having in full force and effect security complying with the terms of section 7, is guilty of a misdemeanor.

Subd. 3. Any other person who operates such motor vehicle upon a public highway, street or road in this state with knowledge that the owner or registrant does not have such security in full force and effect is guilty of a misdemeanor.

Subd. 4. Any operator of a motor vehicle who is convicted of a misdemeanor under the terms of this section shall have his operator's license revoked for not less than six months or more than 12 months. If such operator is also an owner or registrant of the motor vehicle, his motor vehicle registration shall also be revoked for not less than six months or more than 12 months.

Subd. 5. When a nonresident's operating privilege is suspended pursuant to this section, the commissioner or his designee shall transmit a copy of the record of such action to the official in charge of the issuance of licenses in the state in which the nonresident resides.

Subd. 6. Upon receipt of such notification that the operating privilege of a resident of this state has been suspended or revoked in any other state pursuant to a law providing for its suspension or revocation for failure to deposit security for the payment of judgments arising out of a motor vehicle accident, or for failure to provide security covering a vehicle if required by the laws of that state, the commissioner shall suspend the license of the resident until he furnishes evidence of compliance with the laws of this state and if applicable the laws of the other state.

Sec. 28. [EVIDENCE OF COVERAGE.] Subdivision 1. Every owner or registrant of a motor vehicle with respect to which security is required under this act shall when applying for registration or licensing of such motor vehicle in this state, show evidence to the commissioner or his duly authorized agent that the security required under section 7 has been provided and is in effect. Evidence of compliance with this act may be furnished by a certificate reading substantially as follows:

"I certify that the above motor vehicle is presently covered by a contract of insurance issued by \_\_\_\_\_ in compliance with the Minnesota Automobile Accident Reparations Act and that such insurance or other security shall be maintained continuously during the period of registration."

Sec. 29. [OBLIGOR'S NOTIFICATION OF LAPSE, CANCELLATION, OR FAILURE TO RENEW POLICY OF COVERAGE.] (1) If the required plan of reparation security of an owner or named insured is cancelled, and notification of such fact is given to the insured as required by this act, a copy of such notice shall concurrently be sent to the commissioner. If, on or before the date specified by the reparation obligor for the expiration of its coverage, the insured owner or registrant of a motor vehicle has not presented the commissioner or his authorized agent with evidence of required security which shall take effect immediately upon the expiration of the previous coverage, or if the insured owner or registrant has not instituted an objection to his obligor's cancellation under section 26, he shall immediately surrender the registration certificate and motor vehicle license plates to the commissioner and may not operate or permit operation of the vehicle in this state until security is again provided and proof of security furnished as required by this act.

**Sec. 30. [RESTRICTIONS ON PREMIUM RATE CHARGES.]** Subdivision 1. **[SCHEDULE OF PREMIUM RATES; FILING WITH COMMISSIONER.]** Notwithstanding the provisions of Minnesota Statutes, Chapter 70A, or any other law to the contrary, on or before the effective date of this act, every person, including an individual, corporation, partnership, firm, association or syndicate who is authorized to underwrite, issue, contract for or otherwise provide any policy of basic or optional added reparation insurance, minimum or optional residual tort liability insurance coverage, uninsured motorist coverage, hit-and-run coverage, collision or comprehensive insurance coverages, or any other policy of insurance protection required or permitted by this act or any other law to be provided relative to accidents, injury or liability resulting from operation or use of a motor vehicle in this state shall file with the commissioner of insurance a schedule of standard premium rates proposed to be changed by that person under every contract, policy or other agreement for the provision of any such insurance coverage after the effective date of this act. Provided, however, that the filing requirement of this subdivision shall not apply to qualified self-insurers.

**Subd. 2. [MANDATORY PREMIUM RATE DECREASES.]** Every person required by subdivision 1 to file a schedule of standard premium rates shall so compute those proposed rates as to provide not less than a true 15 percent decrease in every premium or rate charged by that person for every kind and amount of personal injury and property liability, comprehensive, collision, and medical payment coverage on the day immediately preceding the date of the final enactment of this act. The commissioner of insurance shall, after proper examination thereof, certify or refuse to certify the conformance of each such schedule and premium rate thereon to the provisions of this section. In the instance of any nonconformance, as determined by the commissioner, notification of such nonconformance shall be given to the person submitting the schedule and a hearing, if requested on the issue, shall be allowed in accordance with the provisions of Minnesota Statutes, Chapter 15.

**Subd. 3.** After the effective date of this act, no person required by subdivision 1 to file a schedule of reduced standard premium rates shall sell, offer to sell, contract for, deliver for execution, execute or otherwise provide any policy or contract of insurance coverage described in subdivision 1 for which any premium or rate in excess of those shown in a certified schedule of standard premiums, as provided in subdivision 2, is charged.

**Subd. 4. [PENALTIES; ENFORCEMENT.]** Any person convicted or violating subdivision 3 shall be guilty of a misdemeanor. Every day that a violation continues shall be deemed a separate offense. Further, any person convicted of violating any provision of this section shall thereafter be prohibited from engaging in any business as an insurer or the agent of any insurer in this state for a period of five years. The attorney general shall, at the request of the commissioner of insurance, ini-

tiate in the name of the state appropriation action in a court of law to enforce the provisions of this section.

Sec. 31. [DRIVER DEEMED AGENT OF OWNER.] Whenever any motor vehicle shall be operated within this state by any person other than the owner, with the consent of the owner, express or implied, the operator thereof shall in case of accident, be deemed the agent of the owner of such motor vehicle in the operation thereof.

Sec. 32. [SERVICE OF PROCESS; RESIDENTS; NON-RESIDENTS; COMMISSIONER OF PUBLIC SAFETY AS AGENT.] Subdivision 1.
