43.111 [POLICY.] It is the public policy of the state of Minnesota that an efficient and well trained work force be maintained to carry out the work ordained by the legislature. Recognizing the cost of excessive employee turnover, it is directed that priority be given to the maintenance of a steady work force. To this end, training, by way of in-service programs and stipend allowances shall be encouraged. It is also established as the policy of the state of Minnesota that employees be paid (ON THE SAME LEVEL AS THEIR COUNTERPARTS IN OTHER PRIVATE AND PUBLIC EMPLOYMENT) *a total compensation which is competitive with that paid for like positions in other private and public employment. Proper attention will also be given to equitable internal pay relationships between related job classes and among the various levels within the same job family or department.* Continuing analysis of pay rates and supplementary pay practices shall be carried on, as well as analyses of jobs to determine comparability of job content.

Effective July 1, 1974, severance pay shall be computed upon 20 percent of the employee's regular accumulated but unused sick leave balance. The provisions of this clause shall apply to unclassified employees in the same manner as they apply to employees in the classified service.*

Should any employee who has received severance pay be subsequently reappointed to state service, eligibility for future sever-

ance pay shall be computed upon the difference between the amount of accumulated but unused sick leave to the employee's credit at the time the employee was separated and the amount of accumulated but unused sick leave balance at the time of the employee's subsequent eligibility for severance pay.

The base for computing the severance pay provided for in this clause shall not exceed 800 hours, nor shall said base include lapsed sick leave hours as defined by departmental rules and regulations.

Such severance pay shall be excluded from retirement deductions and from any calculations in retirement benefits and shall be paid over a period not to exceed five years from termination of employment. In the event that a terminated employee dies before all or a portion of the severance pay has been disbursed, that balance due shall be paid to a named beneficiary or, lacking same, to the deceased's estate.

CES-IV	(22,000)	23,000	to	(28,000)	32,000

The salary rate to be paid an employee, within the range assigned by the director, shall be determined by the appointing authority. The beginning salary rate and any subsequent changes shall be reported to the director by the appointing authority.

Sec. 17. Minnesota Statutes 1971, Section 43.12, Subdivision 3, is amended to read:

Subd. 3. [ALLOCATIONS.] (1) The director shall allocate each position in the classified civil service to one of the classes within the classification plan, subject to review of the board if an application is made in writing to the board upon one of the grounds set forth in clause (7) by the appointing authority immediately affected at any time within 30 days following notice to him of that allocation, or within 30 days from the date of notice of the final action of the director in case of an application for reconsideration, as hereinafter provided for, and thereafter all salary rates, schedules, or compensation policies shall apply uniformly to all positions within each class, in accordance with rules and regulations established by the board, except those positions for which special provision is made in clause (6) below. When a position which has not been allocated to one of the classes within the classification plan is established, the appointing authority shall notify the director, who shall allocate that new position to its appropriate class, subject to the same right of review by the board as heretofore provided in this clause.

(2) After the director makes an allocation under clause (1), he shall notify the appointing authority affected, in writing, of that allocation. The allocation shall become immediately effective, but the appointing authority may within ten days file with the director an application for reconsideration, together with any written evidence by way of affidavits, statements or exhibits which that appointing authority may desire considered by him. The director shall act upon that application within ten days after receiving it, and notify the appointing authority of his final action. In case of the filing of such application for reconsideration, the time for asking a review by the board shall

commence to run from the date of notice to the appointing authority of the director's final action.

(3) Whenever, because of changes in the organizational structure of an agency, in the duties of a position, or for some other reason, a position appears to be improperly allocated, the director shall, upon his own initiative, or upon the written request of a permanent employee or an appointing authority, investigate the duties of the affected position. Following that investigation he may reallocate it to an appropriate class. If the director makes a reallocation or denies an application for reallocation, under this clause, he shall notify the appointing authority and the employee affected of his action. A permanent employee or appointing authority affected by any such action shall have the same right to make an application for reconsideration as is granted an appointing authority in the case of an original allocation by clause (2), and the procedure set out in clause (2) shall apply to such application. Except as provided in clause (6) below, any reallocation granted by the director shall become effective upon the expiration of the time fixed for making an application for reconsideration, if none is made, or if one is made, at the date of notice by the director of this final action. A permanent employee or appointing authority shall have the same right of review by the board of a reallocation which changes the class of a position as is granted an appointing authority in the case of an original allocation. Application for such a review must be made within 30 days from the date of notice by the director of his original action, or, if a reconsideration has been asked, within 30 days from the date of the director's final action upon that application.

(4) In case of any allocation under clause (1), or any reallocation under clause (3), no examination of witnesses nor any trial or hearing shall be required, but the director may act upon such matters as are submitted to him in writing by the employee whose position will be affected by a reallocation or by the appointing authority who will be affected by an allocation or a reallocation, and reports and records of investigators of the department, and may take official notice of the records of the department and of allocations of other comparable positions. The matters of which he takes official notice shall be set out by him in a memorandum to be filed with his order or report of investigation and made a part of his record. In all cases of applications for reallocation, the burden of proof shall be upon the person requesting the reallocation.

(5) Except as provided in clause (6) below, the incumbent of a position which has been reallocated shall continue in the position only if he is eligible for and actually is appointed to the position of the new class in accordance with the rules of the board governing promotion, transfer, and demotion. In any case in which the incumbent is ineligible to continue in the position and he is not transferred, promoted or demoted, the layoff provisions of this chapter and the rules of the board shall apply. Per-

sonnel changes required by the reallocation of positions shall be completed within a period of 60 days following the date of reallocation notice to an appointing authority. Any employee with permanent or probationary status whose position is reallocated shall be considered eligible to compete in any promotional examination held to fill the reallocated position, as provided in the rules of the board.

(6) When a position is reallocated by the director to a class in a lower salary range, *or when an employee is demoted to a position in a lower salary range*, the director and the commissioner of administration may give consideration to the employee's long or outstanding service, exceptional or technical qualifications, age, health, *or substantial changes in work assignment or operational changes in state government which eliminate positions held by classified employees with permanent status*. When, as a result of such consideration, the director and the commissioner determine that the best interests of the state will be served by such action, the position shall be reallocated but the employee shall continue at the same rate of pay. Thereafter, as long as he remains in the same position, such employee shall not be eligible to receive any salary increases, *except those economic adjustment increases based on the consumer's price index authorized by law*, until such time as his salary once again may be within the range of the class to which his position has been reallocated.

(7) A review by the board as provided for in this subdivision may be had when the employee or appointing authority affected files an application for review in writing on the ground:

(a) That the action of the director was not in accordance with the civil service act;

(b) That the action of the director was unwarranted by the evidence before him, or was procured by fraud, coercion or other improper conduct of any party in interest.

The board after receiving any application for review shall order the director to submit to it the record upon which he acted and thereafter, upon that record, may sustain, reverse or modify the action of the director or, in its discretion, may order that further evidence be taken by him to be submitted to the board and considered by it upon its review.

Sec. 18. Minnesota Statutes 1971, Section 43.121, Subdivision 2, is amended to read:

Subd. 2. Sec. 19. Minnesota Statutes 1971, Section 43.122, is amended to read:

43.122 [SALARY INCREASES.] Subdivision 1. Appointing authorities are authorized to grant achievement awards in the amount of one salary step for employees assigned to (THE) schedule A, as set forth in section 43.12, subdivision 2 clause (1), who have demonstrated outstanding performance. Justification to the director must be in writing setting forth qualitative and quantitative criteria on which the determination was made. In no instance shall such awards be granted in excess of 20 percent of employees authorized at the beginning of each fiscal year, nor to employees whose rates of pay are at or above the maximum rate of pay established for their class. Appointing authorities shall make every effort to distribute achievement awards equitably among and within all classifications to eligible employees. (TO INSURE CONFORMANCE TO LEGISLATIVE INTENT, APPOINTING AUTHORITIES SHALL SUBMIT QUARTERLY REPORTS TO THE CHAIRMAN OF THE SENATE CIVIL ADMINISTRATION AND HOUSE GOVERNMENTAL OPERATIONS COMMITTEES INDICATING THE NAME AND CLASSIFICATION OF EACH EMPLOYEE GRANTED AN ACHIEVEMENT AWARD, AND THE SALARY STEP AT WHICH THE EMPLOYEE IS BEING COMPENSATED WITHIN HIS SALARY RANGE. A COPY OF EACH SUCH REPORT MUST BE FILED WITH THE CIVIL SERVICE DIRECTOR. THE FIRST QUARTERLY REPORT IS DUE APRIL 1, 1972.)

Subd. 2. Within the limits of available appropriations an appointing authority may propose salary increases *within the range* of more than one step or more frequently than provided in this section upon detailed written statements to the director specifying the unusual employment conditions that make such action necessary. The director shall review each such proposal giving due consideration to the salary rates paid other employees in the same class and agency and may deny any request which in his judgment is contrary to the best interest of the service.

Subd. 3. (a) *Employees in classes assigned to the "A" schedule as cited in section 43.12, subdivision 2, clause (1), may receive a one step salary increase annually, on their anniversary*

No increases authorized by this subdivision shall be granted by the appointing authority until an appropriate employee evaluation program is filed with the director. Authorized increases shall be recommended in the context of performance measured against specific performance standards or objectives.

Appointing authorities shall not recommend increases for those employees in this schedule who have not met, or only marginally attained, performance standards or objectives. Increases withheld may subsequently be granted by the appointing authority upon certification to the director that the employee is achieving performance standards or objectives.

(b) Employees in classes assigned to the "C" schedule as cited in section 43.12, subdivision 2, clause (6), shall progress through the salary range for their class according to the following procedure:

Employees compensated at the first step in their salary range shall be advanced to the second step following the completion of 1,044 hours of satisfactory service subsequent to the implementation of the provisions of section 43.12, subdivision 2, clause (7). Employees compensated at the second step in their salary range shall be advanced to the third step following the completion of 1,044 hours of satisfactory service subsequent to the implementation of the provisions of section 43.12, subdivision 2, clause (7).

Employees compensated at the maximum step in their range or above shall receive no salary adjustments under the provisions of this subdivision.

(c) Appointing authorities may withhold increases authorized in section 43.122, subdivision 3, clause (b). Those employees who will be denied an increase because of unsatisfactory service must be notified in writing. Increases withheld may subsequently be granted by the appointing authority upon certification to the director that the employee has achieved a satisfactory level of performance.

(d) All salary increase provisions for the "A" schedule cited in section 43.122, subdivision 3, shall be effective beginning with the payroll period following the employee's anniversary date but in no instance prior to the first full payroll period subsequent to May 30, 1974.

In order to enable the state auditor to maintain proper records covering the appropriations made by this section, he may require such certifications in connection therewith as he may deem necessary from any state department or agency whose officers and employees receive benefits pursuant to Laws 1967, Chapter 103. The accounts and funds referred to from which departments and agencies receive appropriations under the terms of this section are hereby declared to be a source of revenue for the purposes of any other law or statutory enactment.

During periods when such cost of living allowance is in effect, it shall be added to the applicable basic hourly and monthly rates of pay for highway patrol officer, sergeant, captain, major and lieutenant colonel, and treated as a part thereof in all calculations involving employees' pay.

The commissioner of administration may direct the state auditor to transfer to the department of public safety the necessary amount to finance the increased cost of the cost of living provisions of this clause. This amount is appropriated from the trunk highway fund to the department of public safety for this purpose.

Such interest shall be computed to the first day of the month in which the refund is processed and shall be based on fiscal year balances.*

Sec. 37. Minnesota Statutes 1971, Section 352.23, is amended to read:

352.23 [TERMINATION OF RIGHTS.] When any employee accepts a refundment as provided in section 352.22, all existing service credits and all rights and benefits to which the employee was entitled prior to the acceptance of such refundment shall terminate and shall not again be restored until the former employee acquires not less than one year's allowable service credit subsequent to taking his last refundment. In that event, he may repay all refundments which he had taken from the retirement fund. Repayment of refundments will entitle the employee only to credit for service covered by (a) salary deductions, (b) payments made in lieu of salary deductions, and (c) payments made to obtain credit for service as permitted by laws in effect at the time payment was made. If an employee before taking one or more refundments had credit for prior service or for military service without payment in either case, he may obtain credit for such forfeited service prior to July 1, 1929, and for such forfeited military service by making payments at a contribution rate of three percent of his average salary upon which deductions for the retirement fund were based, for the three year period immediately preceding repayment of refund-

ment for service credit prior to July 1, 1929, and on the salary received by him at the time of entering military service to restore his military service credit. All such payments and repayment of refundments are to be paid with interest at (FOUR) *six* percent per annum compounded annually.

Sec. 38. Minnesota Statutes 1971, Section 352.27, is amended to read:

352.27 [CREDIT FOR MILITARY SERVICE.] Any employee given a leave of absence to enter military service who returns to state service upon discharge from military service as provided in section 192.262, may obtain credit for his period of military service but he shall not be entitled to credit for any voluntary extension of military service at the instance of the employee beyond the initial period of enlistment, induction or call to active duty, nor to credit for any period of service following a voluntary return to military service. Such employee may obtain such credit by paying into the fund an employee contribution based upon his salary at the date of return from military service. The amount of this contribution shall be the applicable amounts required in section 352.04, subdivision 2, plus interest at (FOUR) *six* percent per annum compounded annually. In such cases the matching employer contribution and additional contribution provided in section 352.04 shall be paid by the department employing such employee upon his return to state service from funds available to such department at the time and in the manner provided in section 352.04.

Sec. 39. Minnesota Statutes 1971, Chapter 352, is amended by adding a section to read:

[352.90] [CORRECTIONAL EMPLOYEES.] *It is the policy of the legislature to provide special retirement benefits and contributions for certain correctional employees who, because of the nature of their employment, are required to retire at an early age. For the purpose of Minnesota Statutes, Chapter 356, the actuary shall make separate reports with respect to these employees. Except as otherwise provided, the provisions of Minnesota Statutes, Chapter 352, apply to covered correctional employees.*

Sec. 40. Minnesota Statutes 1971, Chapter 352, is amended by adding a section to read:

[352.91] [COVERED CORRECTIONAL SERVICE.] *Covered correctional service means: (a) services performed on, before, or after July 1, 1973, by a state employee, as defined in section 352.01, as an attendant guard, attendant guard supervisor, correctional captain, correctional counselor I, correctional counselor II, correctional counselor III, correctional counselor IV, correctional lieutenant, correctional officer, correctional sergeant, director of attendant guards and guard farmer garden, provided the employee was employed in such position on July 1, 1973 or thereafter; (b) services performed before July 1, 1973 by an employee covered under clause (a) in a position classified as a houseparent or guard instructor; and (c) services per-*

formed before July 1, 1973 in a position listed in clause (a) and positions classified as houseparent, guard instructor and guard farmer dairy, by a person employed on July 1, 1973 in a position classified as a license plant manager, prison industry foreman (general, metal fabricating and foundry), prison industry supervisor, food service manager, prison farmer supervisor, prison farmer assistant supervisor or rehabilitation therapist employed at the Minnesota security hospital. However an employee shall not be covered hereunder if first employed after July 1, 1973 and who because of his age could not acquire ten years of service to qualify for an annuity as a correctional employee.

Sec. 41. Minnesota Statutes 1971, Chapter 352, is amended by adding a section to read:

[352.92] [CORRECTIONAL EMPLOYEE CONTRIBUTIONS.] *Subdivision 1. [EMPLOYEE CONTRIBUTIONS.] Beginning with the first full pay period after June 30, 1973, in lieu of employee contributions payable under section 352.04, subdivision 2, contributions by covered correctional employees shall be in an amount equal to six percent of salary.*

Subd. 2. [EMPLOYER CONTRIBUTIONS.] Beginning with the first full pay period after June 30, 1973, in lieu of employer contributions payable under section 352.04, subdivision 3, the employer shall contribute for covered correctional employees (1) an amount equal to 1 1/2 times the deduction from salaries of covered correctional employees on each payroll abstract, plus (2) an additional amount of five percent of salaries of covered correctional employees on each payroll abstract.

Sec. 42. Minnesota Statutes 1971, Chapter 352, is amended by adding a section to read:

[352.93] [RETIREMENT ANNUITY.] *Subdivision 1. After separation from state service an employee covered under section 34 of this act who has attained the age of at least 55 years and has credit for not less than a total of ten years of covered correctional service and regular Minnesota state retirement system service shall be entitled upon application to a retirement annuity under this section based only on covered correctional employees' service.*

For the purpose of this section, average salary means the average of the monthly salary during the employees' highest five successive years of salary as a correctional employee.

Subd. 2. The monthly annuity under this section shall be determined by multiplying the average monthly salary by the number of years, or completed months, of covered correctional service by 2.5 percent for the first 20 years of correctional service and two percent for each year thereafter; provided however, the monthly annuity shall not exceed 75 percent of the average monthly salary.

Subd. 3. The annuity under this section shall begin to accrue as provided in section 352.115, subdivision 8, and shall be paid for an additional 84 full calendar months or to the first of the

month following the month in which he becomes age 65, whichever occurs first, and then be reduced to the amount as calculated under section 352.115, except that if this amount, when added to the social security benefit based on state service the employee is eligible to receive at such time, is less than the benefit payable under subdivision 2, the retired employee shall receive an amount that when added to such social security benefit will equal the amount payable under subdivision 2. When an annuity is reduced under this subdivision, the percentage adjustments, if any, that have been applied to the original annuity under Minnesota Statutes, Section 11.25, prior to the reduction, shall be compounded and applied to the reduced annuity. A former correctional employee employed by the state in a position covered by the regular plan between the ages of 58 and 65 shall receive a partial return of his correctional contributions at retirement with five percent interest based on the following formula:

Employee contributions contributed as a correctional employee in excess of the contributions such employee would have contributed as a regular employee	X	Years and complete months of regular service between ages 58 and 65
	
		7

Subd. 4. A former employee who has both regular and correctional service shall, if qualified, receive an annuity based on both periods of service under applicable sections of law but no period of service shall be used more than once in calculating the annuity.

Subd. 5. Notwithstanding the provisions of subdivision 1 an employee who was in a covered correctional position on July 1, 1973; was employed in a position covered by Minnesota Statutes, Chapter 352, prior to reaching age 60; and was required to retire because of the lowering of the mandatory age, shall be entitled to an annuity under this section even though he does not have ten years of covered service under Minnesota Statutes, Chapter 352.

Subd. 6. This section shall apply to qualified employees who retire on or after July 1, 1973, but the annuity payable hereunder shall not begin to accrue until July 1, 1974.

Sec. 43. Minnesota Statutes 1971, Chapter 352, is amended by adding a section to read:

[352.94] [AUGMENTATION.] Subdivision 1. An employee who becomes a correctional employee after serving as a regular employee shall be covered under section 352.72, subdivision 2, with respect to the regular service.

Subd. 2. An employee who becomes a regular employee after serving as a correctional employee shall not be covered under section 352.72, subdivision 2, with respect to his correctional service.

Sec. 44. Minnesota Statutes 1971, Chapter 352, is amended by adding a section to read:

[352.95] [DISABILITY BENEFITS.] *An employee who becomes totally and permanently disabled while in a covered correctional position shall have his disability benefit rights determined under section 352.113 except that when such person becomes 55 years of age he shall be deemed to be retired and shall be entitled to receive the benefit provided under section 352.113, subdivision 3, whether or not disabled at such age. An employee who receives a disability benefit shall not be entitled to an annuity under Minnesota Statutes, Section 352.93, even though otherwise qualified, until reemployed in a covered correctional position for a period of at least one year.*

Sec. 45. Minnesota Statutes 1971, Section 356.21, Subdivision 5, is amended to read:

Subd. 5. [ACTUARIAL SURVEY; CONTENTS.] Each actuarial survey required under this section shall include:

(1) For each fund providing any benefits under a benefit formula, the level normal cost of the benefits provided by the laws governing the fund as of the date of the survey, computed in accordance with the Entry Age Normal Cost (Level Normal Cost) Method. (2) For each fund providing benefits under the money purchase method, the member contributions accumulated at interest as apportioned to members' accounts to the date of the survey. These accumulations shall be separately tabulated in such manner as to reflect properly any differences in money purchase annuity rates which may apply.

Strike everything after the enacting clause and insert in lieu thereof the following:

"Section 1. [GIFTED CHILDREN AND TEACHER CO-ORDINATORS; DEFINITIONS AND PROVISIONS.] Every

child who possesses superior intellectual, academic, creative or other special abilities to such degree that he needs special instructions or services as determined by the local school district is a gifted child. Special instructions and services are needed to assist the gifted children to achieve more nearly their potential. The standards for identification of such children shall be determined by school districts or combinations of districts using guidelines established by the state board of education.

Every school district or combination of districts may provide for such teacher coordinators as may be necessary for establishing and maintaining a program for gifted children. A "teacher coordinator" is an educator who instructs gifted children and is responsible for making provisions for the appropriate education of all gifted children in the district or combination of districts in which he serves.

Sec. 2. [INSTRUCTIONS FOR GIFTED CHILDREN.] Subdivision 1. School districts or combinations of districts may provide for programs for gifted children of school age who are residents of the district or combinations of districts and who are gifted as defined in section 1. School age for the gifted shall be from the ages of four years to 18 years. Districts with less than the minimum number of eligible gifted children as determined by the state board of education may cooperate with other districts to maintain a full sequence of programs for education and services for gifted children.

Subd. 2. The state board of education shall advise and cooperate with local school districts or combinations of districts to develop such programs and to determine a basis for selection of personnel to be employed in such programs, and shall determine which programs shall be funded.

Sec. 3. [FUNDING OF PROGRAMS FOR GIFTED CHILDREN.] Subdivision 1. The state shall pay for 60 percent of the annual salary of a teacher coordinator not to exceed \$5,600, in a maximum of 40 districts or combination of districts with approved programs for gifted children.

Subd. 2. To finance the terms of this act there is hereby appropriated from the general fund the sum of \$200,000 beginning July 1, 1973, until June 30, 1975.

Subd. 3. The aids provided for these programs for gifted children shall be paid currently on the same basis as the Minnesota foundation aids. If the appropriation is not adequate, the funds under the formula shall be prorated. Any unexpended balances remaining in the first year shall not cancel but shall be available for the second year of the biennium."

Further, amend the title as follows:

Page 1, line 2, strike the words "defining gifted".

Page 1, line 3, strike the entire line and insert the words "education of gifted children; appropriating money".

Page 1, line 4, strike everything before the period.
