The typewritten bill, as follows:

Strike everything after the enacting clause and insert in lieu thereof the following:

"Section 1. [PUBLIC POLICY.] It is hereby declared to be the public policy of the state of Minnesota that:

(1) Public confidence in the integrity of government and the impartiality of its members is a prerequisite of representative democracy. To maintain responsible state government, the legislature must foster a moral climate in which public officials reach judgments based solely on consideration of the public good. To that end, the public interest is best served when full disclosure is made of the identity and expenditures of persons who engage in substantial efforts to persuade governmental officials to take specific actions;

(2) Public officials shall not use their official positions to obtain financial gain for themselves, their households or any

organizations with which they are associated in a manner which violates the public trust;

(3) Major political campaign contributions and expenditures should be fully disclosed to the public;

(4) Disclosure of major political campaign contributions and expenditures serves the public interest by (a) preventing corruption and undue influence and (b) revealing the sources of campaign financing to the public as well as thereby facilitating future informed decisions regarding alternative methods of public and private financing;

(5) Although small individual contributions to a candidate are unlikely to have a corrupting influence, a number of small contributions from an individual or small contributions from a number of associated individuals may when cumulated have a corrupting influence. Thus there is a compelling state interest in requiring the disclosure of all contributions of \$25 or more in the case of legislative campaigns and \$100 or more in the case of campaigns for statewide office;

(6) Limitations upon campaign expenditures are necessary to control the spiraling amount of money required to campaign for public office and to ensure that no individual is denied the opportunity to run for public office for financial reasons;

(7) Candidates for public office and elected officials should not be under the influence of those persons who make large contributions to political campaigns.

All applications for exemption shall be treated as contested cases within the meaning of Minnesota Statutes, Chapter 15. The provisions of this subdivision shall not apply when the national affiliate of any political party in this state transfers money to its state affiliate and that money is expended by the state political party on behalf of candidates of that party generally, without referring to any of them specifically, in any advertisement published or posted, on any broadcast, or in any telephone conversation if that conversation mentions three or more candidates.

Subd. 9. The secretary of state shall cause one certified copy of each report or statement filed with him under section 309 of the federal election campaign act of 1971 to be delivered to this commission within 24 hours of the time he receives such report or statement.

Subd. 4. Notwithstanding subdivision 2 with respect to the 1974 general election, expenses incurred prior to the effective date of this act shall not be counted against the spending limitations imposed by subdivision 2.

Subd. 5. If the winning candidate in a contested race in a primary election receives less than 70 percent of the vote cast in that election, he shall have added to the aggregate amount which may be expended by him or on his behalf an amount equal to one sixth of the applicable amount as set forth in subdivision 2 of this section, or the amount actually expended by him or on his behalf in the primary election, whichever is less.

Subd. 6. In a year in which a candidate does not stand for election, no expenditures shall be made and no obligations to make expenditures shall be incurred by a candidate or by a political committee, political fund or individual which makes expenditures with the authorization, express or implied, and under the control, direct or indirect, of the candidate or his agents which shall result in the aggregate expenditure on behalf of the candidate in that year of an amount in excess of 20 percent of the amount of the aggregate expenditure permitted by subdivision

Sec. 29. [ADDITIONAL LIMITATIONS.] Subdivision 1. No political committee, political fund, or individual, except a political party or the principal campaign committee of a candidate shall make expenditures on behalf of a candidate, or transfer funds to the principal campaign committee of a candidate, in an amount in excess of ten percent of the amount that may be spent by or on behalf of that candidate as set forth in section 27.

Subd. 2. No political party shall make expenditures on behalf of a candidate or transfer funds to the principal campaign committee of a candidate in an amount in excess of 20 percent of the amount that may be spent by or on behalf of that candidate as set forth in section 27.

Subd. 3. Expenditures by a political party on behalf of candidates of that party generally, without referring to any of them specifically in any advertisement published or posted, on any broadcast, or in any telephone conversation, if that conversation mentions three or more candidates, shall not be subject to the limitations of section 27, subdivision 2.

Subd. 4. For the purposes of this section, a political party includes a political party's organization within congressional districts, counties, legislative districts, municipalities, wards and precincts.

Sec. 30. [PRICE ADJUSTMENT.] At the beginning of each year, the commission shall obtain from the secretary of labor of the United States information as to the percent difference between the national price index for the 12 months preceding the beginning of the year and the price index for the base period which shall be 1973. Each amount determined under section 27 shall be increased by the percent difference. Each amount so increased shall be the amount in effect for the year. For the purpose of this section, the term "price index" means the average over a year of the consumer price index (all items, United States city average published monthly by the United States bureau of labor statistics). In the event that there is a decline in the price index it shall not result in a reduction in the amounts determined under section 27 and in any year after 1974 in which there is a decline in the price index, the amounts in effect shall be those in effect for the preceding general election.

Sec. 31. [PENALTY FOR EXCEEDING LIMITS.] Any person or association that makes expenditures in excess of the limitations imposed by sections 27 and 29 shall be subject to a fine equal to five times the amount by which its expenditure exceeded the limit. If the attorney general has reason to believe that a person or association has made such excess expenditures, he shall bring an action in the district court of Ramsey county to impose this penalty. All moneys recovered pursuant to this section shall be deposited in the general account of state elections campaign fund.

Sec. 32. [CIRCUMVENTION PROHIBITED.] Any attempt by a person to circumvent the provisions of sections 13 to 31 by redirecting funds through, or contributing funds on behalf of, another person is a gross misdemeanor.

Sec. 33. [STATE ELECTIONS CAMPAIGN FUND.] Subdivision 1. There is hereby established an account within the general fund of the state to be known as the "state elections campaign fund".

Subd. 2. Within the state elections campaign fund account there shall be maintained separate accounts for the candidates of each political party and a general account.

Sec. 34. [DESIGNATION OF INCOME TAX PAYMENTS.] Subdivision 1. Effective with the taxable years beginning after December 31, 1973, every individual whose income tax liability after personal credit for any taxable year is \$1 or more may designate that \$1 shall be paid into the state elections campaign fund. In the case of a joint return of husband and wife having

an income tax liability of \$2 or more, each spouse may designate that \$1 shall be paid.

Subd. 2. The taxpayer may designate that the \$1 be paid into the account of a political party, or into the general account.

Subd. 3. The income tax form provided to taxpayers shall include:

(a) A section on the first page in legible type which shall say: "In order to promote financing of election campaigns by the people, the law allows you to allocate \$1 of your taxes to the financing of campaigns of candidates of the party of your choice for state offices. The dollar is not an additional tax. It is an allocation of \$1 of your tax to the state elections campaign fund. The allocation is voluntary. If you are filing a joint return you may allocate \$1 each." The form shall state that each \$1 on a joint return may be allocated independently.

(b) The form shall then contain a line stating: "I hereby direct \$1 of my taxes to be distributed to state candidates," and shall then provide for boxes which may be marked designating one of the following: (i) each major political party listed in the sequence they are listed on the last general election ballot; (ii) the name of any minor party which has either appeared on the ballot on a statewide election in the last previous general election or submitted a petition which contains the names of 2,000 persons registered to vote in Minnesota to the secretary of state by June 1 of that taxable year; and (iii) distribution to all qualifying candidates proportionately.

Subd. 4. All moneys designated by individual taxpayers for the state elections campaign fund shall be credited to the appropriate account in the general fund of the state and shall be annually appropriated for distribution as set forth in subdivisions 5, 6, 7 and 8.

Subd. 5. In each fiscal year, ten percent of the moneys in each account, except the general account, shall be distributed directly to the party of the candidates to be funded from that account. The distribution shall occur on September 1 of each year. The remaining 90 percent of the money in each party account and all of the moneys in the general fund shall be distributed in accordance with subdivisions 6, 7 and 8.

Subd. 6. (a) In each fiscal year, 40 percent of the moneys in each account shall be set aside for candidates for statewide office.

(b) Of the amount set aside in clause (a), 40 percent shall be distributed to the candidates for governor and lieutenant governor jointly; 24 percent shall be distributed to the candidate for attorney general; and 12 percent each shall be distributed

to the candidates for secretary of state, state treasurer and state auditor. If there is no nominee of that party for one of the offices, the share set aside for that office shall be distributed to the other statewide candidates of that party in the same proportions as the original amount.

(c) Within two weeks of the certification by the state canvassing board of the results of the primary election, the state treasurer shall distribute available funds in each account, other than the general account, of the state elections fund to the appropriate candidates as prescribed in clauses (a) and (b).

(d) Within two weeks of the certification by the state canvassing board of the results of the general election, the state treasurer shall distribute the available funds in the general account in the same proportions as provided in clause (b), in an equal amount to each candidate who received at least five percent of the vote cast for the office for which he was a candidate.

Subd. 7. (a) In each fiscal year, 20 percent of the moneys in each account shall be set aside for candidates for state senate.

(b) The amount set aside in clause (a) shall be distributed in equal shares to each of the candidates for state senate of that party.

(c) Within two weeks of the certification by the state canvassing board of the results of the primary election, the state treasurer shall distribute available funds in each account, other than the general account to the appropriate candidates as prescribed in clauses (a) and (b).

(d) Within two weeks of the certification by the state canvassing board of the results of the general election, the state treasurer shall distribute the available funds in the general account in an equal amount to each candidate who received at least five percent of the votes cast for the office for which he was a candidate.

Subd. 8. (a) In each fiscal year, 40 percent of the moneys in each account shall be set aside for candidates for state representative.

(b) The amount set aside in clause (a) shall be distributed in equal shares to each of the candidates for state representative of that party.

(c) Within two weeks of the certification by the state canvassing board of the results of the primary election, the state treasurer shall distribute available funds in each account, other than the general account, to the appropriate candidates as prescribed in clauses (a) and (b).

(d) Within two weeks of the certification by the state canvassing board of the results of the general election, the state treasurer shall distribute the available funds in the general account in an equal amount to each candidate who received at least five percent of the votes cast for the office for which he was a candidate.

Sec. 35. [LIMITATIONS UPON THE STATE ELECTION CAMPAIGN FUND.] Subdivision 1. No candidate shall be entitled to receive from the state elections campaign fund an amount greater than the total amount of expenditures which may be made by or on behalf of the candidate under sections 27 and 29.

Subd. 2. No candidate shall be entitled to receive from the state election campaign fund an amount greater than the total amount actually expended by or on behalf of the candidate.

Subd. 3. As a condition of receiving any funds from the state elections campaign fund, any candidate, prior to receipt of the funds, shall agree that his principal campaign committee shall not accept contributions exceeding 105 percent of the difference between the amount which may legally be expended by or on behalf of that candidate, and the amount which the candidate receives from the state elections campaign fund.

Subd. 4. If a political party for whose candidates funds have been accumulated in the state elections campaign fund does not have a candidate for statewide office, state representative or state senator, the moneys which would be used for distribution to that category or categories shall be transferred to the general account.

Sec. 36. [APPLICATION.] The provisions of section 34, subdivisions 5, 6, 7 and 8, and section 35 shall apply only in general elections and primary elections preceding general elections and shall not include special elections, special primary elections, conventions, and caucuses of a political party.

Sec. 37. [REMEDIES.] Subdivision 1. A person charged with a duty under sections 1 to 37 shall be personally liable for the penalty for failing to discharge it.

Subd. 2. Any person who believes that a violation of sections 1 to 37 has occurred shall report his belief to the commission.

Subd. 3. The commission, the attorney general or the county attorney may seek an injunction in the district court to enforce the provisions of sections 1 to 37.

Subd. 4. The district courts of this state shall have jurisdiction to issue injunctions to enforce the provisions of sections 1 to 37 upon application by any citizen of this state.

Subd. 5. Unless otherwise provided, a violation of sections 1 to 37 is not a crime.
