than 30 townships in which more than 50 percent of the land in such district is tax exempt.

Sec. 8. Minnesota Statutes, 1973 Supplement, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In 1973, a school district may levy for all general and special school purposes, an amount equal to the amount raised by the 1972 adjusted assessed valuation of the district times the number of mills, not to exceed 30, that bears the same relation to 30, as the greater sum computed pursuant to section 124.212, subdivision 7a, clause (2), bears to \$820.

(2) In 1974, a school district may levy for all general and special school purposes, an amount equal to the amount raised by the 1973 adjusted assessed valuation of the district times the number of mills, not to exceed 30, that bears the same relation to 30, as the sum of the greater sum computed pursuant to section 124.212, subdivision 7a, clause (2), and the greater of (a) one-half of the difference that results when such greater sum is subtracted from (\$860) \$875, or (b) (\$40) \$50, bears to (\$860) \$875.

(3) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only one such election may be held in a single school year. The question on the ballot shall be whether a specific millage which will yield a specific amount based on the most recent assessed valuation may be added to that authorized by clauses (1) or (2). If approved, the amount provided by the millage applied to each year's assessed valuation shall be authorized for certification until revoked by the voters of the district at a subsequent referendum, which may be called by the school board and which shall be called by the school board upon the written petition of qualified voters of the district unless the petition for revocation is submitted in the same year in which a levy has been increased by the voters pursuant to this clause. A petition authorized by this clause shall be effective if signed by a number of qualified voters in excess of 15 percent, or 10 percent if the school board election is held in conjunction with a general election, of the average number of voters at the two most recent district wide school elections. A referendum invoked by petition shall be held within three months of submission of the petition to the school board unless the petition for revocation is submitted in the same year in which a levy has been increased by the voters pursuant to this clause. Notwithstanding any law to the contrary, the approval of 50 percent plus one of those voting on the question is required to pass a referendum.

Sec. 9. Minnesota Statutes, 1973 Supplement, Section 275.125, Subdivision 3, is amended to read:

Subd. 3. In addition to the levy authorized by section 275.125, subdivision 2a, a qualifying district may levy additional amounts as follows:

(2) For school transportation services, an amount not to exceed the amount raised by a levy of one mill times the adjusted assessed valuation of the taxable property of the district for the preceding year; provided that in 1973 and thereafter a district having boundaries coterminous with the boundaries of a city of the first class may levy an amount not to exceed 20 percent of its costs for transportation and related services for which state aid is authorized for the 1974-1975 school year and thereafter(,) ; and provided further that a district may levy under this clause for the annual cash payments to be made for the purchase of buses, but only for that portion of the payments not offset by state transportation aid received on account of depreciation; and *provided further that a district may levy under this clause for actual transportation expenditures determined by the commissioner to be necessary for the transportation of any elementary pupil because of extraordinary traffic hazards, but only for that portion of the expenditures not offset by state transportation aid allocated for this purpose.*

(3) For purposes of the 1973 levy, collectible in 1974, any district which qualified for an extra levy under Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (4), shall be allowed to levy the same amount per pupil unit allowed by that clause. Provided, however, that a district having boundaries coterminous with the boundaries of a city of the first class which was affected by the limitation of an extra levy not to exceed 1.5 mills times the adjusted assessed valuation of the district shall be allowed to levy 1.9 mills. For purposes of the 1973 levy, collectible in 1974, any district which qualified for an extra levy in 1971, collectible in 1972, under Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (3) but did not qualify for an extra levy under Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (4) in 1972, collectible in 1973, shall be allowed to levy the amount per pupil unit it was qualified to levy under Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (3).

(4) In 1973 only, for a district which was authorized to levy pursuant to Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (3), but which was not authorized to levy pursuant to Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (4), an amount not to exceed the aggregate amount authorized by Minnesota Statutes 1971, Section 275.125, Subdivision 3, Clause (3).

(5) A district which qualified for a levy under clause (3) above shall be allowed to levy *in 1974 the sum of that same amount per pupil unit (in 1974) and an amount per pupil unit equal to the district's reimbursement aid per pupil unit in average daily membership for 1970-71 school year programs for handicapped children*, reduced by two and one-half percent. The per pupil amount of the reduction shall be rounded down to the dollar. *No district in any year shall increase its levy as a result of the addition of the reimbursement aid for 1970-71 programs for handicapped children by an amount greater than the amount raised by two mills times the adjusted assessed valuation of the taxable property of the district for the preceding year.* Provided, however, that a district within a city of the first class which was affected by the limitation of an extra levy not to exceed 1.9 mills times the adjusted assessed valuation of the district shall be allowed to levy the 1.9 mills.

(6) For districts in cities of the first class, maintaining post secondary vocational schools, one half mills times the adjusted assessed valuation of the taxable property of the district for the preceding year; and for other districts maintaining post secondary vocational schools, three mills times the adjusted assessed valuation of the taxable property of the district for the preceding year, provided that districts formed pursuant to Laws 1967, Chapter 822, and Laws 1969, Chapters 775 and 1060, shall be subject to the levy limitations imposed by those laws, as amended.

(7) (A) In order that the transition from existing patterns of financing public schools to the system prescribed in Extra Session Laws 1971, Chapter 31, Article 20 may be made in an orderly fashion, a district may levy an additional levy under the terms of this section.

(B) If that part of the levy certified by the school district in 1970, received in 1971, plus so much of the levy, allowed under subdivisions 2 and 3, sections 1 to 5 of this act, to be certified in 1971, received in 1972, as will be received between July 1, 1971 and June 30, 1972, and when added to all other state aids, local funds available and net existing local debts, exclusive of bonded debt and existing capital loans will not be sufficient to allow a district to spend an amount per pupil unit sufficient to raise its 1970-1971 adjusted maintenance cost per pupil unit by \$42 it may petition the commissioner of education for authority to levy an additional levy. Before such a levy can be made, the commission-

er must authorize such a levy. Such authorization shall specify the amount of the levy, provided that such levy may not exceed .5 mills in a city of the first class or 1.5 mills in any other district times the 1970 adjusted assessed valuation of the district as determined by the equalization aid review committee.

(C) If the additional levy allowed in (B) is insufficient to raise the adjusted maintenance cost of a district to \$42 above its costs in 1970-1971 it may petition the commissioner of education for authority to issue general obligation bonds of an amount sufficient to meet the deficiency. The commissioner must authorize such a bond issue. The authorization shall specify the amount of the bond issue provided that the levy authorization to pay the principal and interest on the bonds may not exceed .5 mills in a district within a city of the first class, or 1.5 mills in any other district, times the 1970 adjusted assessed valuation of the district as determined by the equalization aid review committee. The bonds authorized by this section shall be sold and issued pursuant to the provisions of chapter 475, except as otherwise provided herein. Such bonds shall not be included in computing any debt limitation for a district and no election shall be required for their sale and issuance.

A district may not be authorized an additional levy under both (B) and (C) of this section.

(8) In 1973, and each year thereafter, for a district which has established a community school advisory council pursuant to section 121.88, whether or not the district receives reimbursement from the state pursuant to section 121.89, an amount of money raised by the greater of (A) \$1 per capita, or (B) the number of mills not to exceed the number of mills necessary in 1973 to raise \$1 per capita in 1973 for community services including summer school, nonvocational adult programs, recreation programs, and programs contemplated by sections 121.85 to 121.89.

The population of the district for purposes of this clause is the population determined as provided in section 275.14 or as certified by the department of education from the most recent federal census.

(9) Districts which receive payments which result in deductions from foundation aid pursuant to section 124.212, subdivision 8a, shall reduce the permissible levies authorized by this subdivision by 25 percent in 1973, 50 percent in 1974, 75 percent in 1975, and 100 percent for each year thereafter of that portion of the previous year's payment not deducted from foundation aid on account of the payment, unless such a levy reduction is otherwise required by law. The levy reductions shall be made in the proportions that each permissible levy bears to the sum of the permissible levies.

(10) The commissioner shall certify to the county auditors (ANY ERRORS MADE IN 1971 AND 1972 IN GENERAL AND SPECIAL PURPOSE LEVY AMOUNTS) *the levy limits for all school districts headquartered in the respective counties together with adjustments for errors in levies not penalized pursuant to subdivision 4 as well as adjustments to final pupil unit counts. A school district shall have the right to require the commissioner to review his certification and to present evidence in support of modification of his certification. The county auditor (IS AUTHORIZED TO ADJUST THE 1973 LEVY TO CORRECT FOR THE ERRORS) shall reduce levies for any excess of levies over levy limitations pursuant to section 275.16. Such reduction in excess levies may at the discretion of the school district be spread over not to exceed two calendar years.*

(11) *The commissioner of education shall certify to the county auditors any overlevies or underlevies made in 1971 and 1972 in the transportation levy amounts. The 1971 overlevies and underlevies shall be determined to be (1) the actual net costs of reimbursable transportation as reported to the department of education for the 1972-1973 school year plus the amount expended by the district to acquire school buses in 1972-1973 used for reimbursable transportation, less (2) the 1971 certified transportation levy as amended and state aids received in 1972-1973 for transportation including depreciation. Overlevies and underlevies in the 1972 transportation levy shall be computed in like manner using 1973-1974 costs and state aids received in the 1973-1974 school year. The 1974 levy shall be adjusted to correct for such overlevies and underlevies, provided that upon written request of the affected school board, to the commissioner, the adjustment shall be pro-rated in the 1974 and 1975 transportation levies. No district may levy under this clause in any year an amount which exceeds the amount raised by a levy of two mills times the previous year's adjusted assessed valuation of the taxable property of the district. No district shall be required under this clause to reduce its transportation levy in any year by an amount greater than the amount raised by a levy of one mill times the adjusted assessed value of the district for the preceding year. The balance of any overlevy shall be subtracted from foundation aid for 1975-1976.*

(12) *When a district finds it economically advantageous to rent or lease existing school buildings for instructional purposes, and the proceeds of the levy permitted under section 124.04 are insufficient for this purpose, it may apply to the commissioner for permission to make an additional capital expenditure levy for this purpose. An application for permission to levy under this clause shall contain financial justification for the proposed levy, the terms and conditions of the proposed lease, and a description of the space to be leased and its proposed use. The criteria for approval of applications to levy under this clause shall include: the reasonableness of the price, the appropriateness of the space to the proposed activity, the feasibility of transporting pupils*

*to the leased building, conformity of the lease to the laws and regulations of the state of Minnesota, and the appropriateness of the proposed lease to the space needs and the financial condition of the district. The commissioner shall not authorize a levy under this clause in an amount greater than the cost to the district of renting or leasing a school building for approved purposes.*

Sec. 10. Minnesota Statutes 1971, Section 123.39, Subdivision 1, is amended to read:

123.39 [INDEPENDENT SCHOOL DISTRICTS, TRANSPORTATION.] Subdivision 1. The board may provide for the free transportation of pupils to and from school, and to schools, in other districts for grades and departments not maintained in the district, including high school, at the expense of the district, when funds are available therefor and if agreeable to the district to which it is proposed to transport the pupils, for the whole or a part of the school year as it may deem advisable, and subject to its rules. Every driver shall possess all the qualifications required by the rules of the state board of education. In any district which at the time of the adoption of this code was a consolidated district or enjoyed the privileges of a consolidated district, the board shall arrange for the attendance of all pupils living two miles or more from the school, through suitable provision for transportation or for the boarding and rooming of such pupils as may be more economically and conveniently provided for by such means. The district is authorized to provide for the transportation of pupils or expend a reasonable amount for room and board of pupils whose attendance at school can more economically and conveniently be provided for by such means *or where pupils attend school in a building rented or leased by a district within the confines of an adjacent district.*

Sec. 11. Minnesota Statutes 1971, Section 123.39, Subdivision 5, is amended to read:

Subd. 5. The board may provide for the admission to the schools of the district, of non-resident pupils, and those above school age, and fix the rates of tuition for such pupils. In case a person owns land and pays the taxes thereon, in a district other than the one in which he resides, then such person or his tenant shall be admitted to all the benefits of said school the same as residents therein, in respect to elementary pupils upon conforming to such reasonable terms for tuition and transportation as the board of education of such school district may have established for non-residents, except that he shall be entitled to have the amount of school taxes which he pays to the support of said district applied in payment of said tuition and transportation fees. In the payment of state aid, the district in which the pupil attends shall be considered the district of his residence because of the provisions of this subdivision *with the exception of pupils attending school in a building rented or leased by a district within the confines of another district.*

Sec. 12. Minnesota Statutes 1971, Section 124.28, Subdivision 1, is amended to read:

124.28 [GROSS EARNINGS REFUND.] Subdivision 1. When the properties of any district are made up, to the extent of at least 20 percent in value of property which is exempt from local taxation because taxes thereon are paid into the state treasury under the provisions of the gross earnings tax law, such district shall receive annually a refund from such gross earnings taxes in the amount that would be produced by a tax on such exempt property at *three times* the current tax rate for school purposes in the district including the rate for nonresident high school children levied by the county provided that any district which has 15 percent in value of such exempt property and presently receiving gross earnings refund shall continue to receive it until June 30, 1963. For the purpose of determining the amount of this refund, the value of such exempt property shall be set at 30 percent of its full and true value except that in no case shall the assessed value of said exempt property for this purpose exceed such an amount as when added to the assessed value of all other property in the district exceed \$3,000 per resident pupil unit. In the determination of the amounts to which districts shall be entitled in the distribution of any state aids that are based upon total valuation per pupil this valuation shall be included.

Sec. 13. Minnesota Statutes 1971, Section 270.11, Subdivision 2, is amended to read:

An award of attorney's fees made by the court during the pendency of the (ACTION) *proceeding* or in the final judgment survives the (ACTION) *proceeding* and if not paid by the party directed to pay the same may be enforced as above provided or by a separate civil action brought by the attorney in his own name. 518.16 [CUSTODY OF CHILDREN DURING PENDENCY.] The court, on the application of either party, may make such order concerning the care and custody of the minor children of the parties, and their suitable maintenance, during the pendency of such (ACTION) *proceeding*, and such temporary orders relative to the persons or property of the parties, as shall be deemed necessary and proper.

In determining the parent with whom a child shall remain, the court shall

consider all facts in the best interest of the children and shall not prefer one parent over the other solely on the basis of the sex of the parent. In determining the (APPROPRIATE) amount of child support to be paid by each parent, the court shall consider the earning capacity and financial circumstances of each parent. On petition for any change in child support because of alleged change in circumstances the court shall take into consideration the earning capacity and financial circumstances of each parent and the custodial parent's spouse, if any.

518.175 [VISITATION OF CHILDREN AND NONCUSTODIAL PARENT.] Subdivision 1. The court shall consider the age of the child and the child's relationship with the noncustodial parent prior to the commencement of the (ACTION) *proceeding*. The court may deny visitation rights to the noncustodial parent if such visitation is not in the best interest of the child. A parent's failure to pay support because of the parent's inability to do so shall not be sufficient cause for denial of visitation, unless such inability is willful.

Sec. 16. Minnesota Statutes 1971, Section 518.25, is amended to read:

518.25 [REMARriage; REVOCATION.] When a (DIVORCE) *dissolution* has been granted, and the parties afterward intermarry, the court, upon their joint application, and upon satisfactory proof of such marriage, may revoke all decrees and orders of (DIVORCE) *dissolution*, alimony, and subsistence which will not affect the rights of third persons.

Sec. 26. Minnesota Statutes 1971, Section 518.64, is amended to read:

518.64 [ALTERATION OF ORDERS OR DECREES.] After an order or decree for alimony or support money, temporary or permanent, or for the appointment of trustees to receive and hold any property awarded as alimony or support money, the court may from time to time, on petition of either of the parties revise and alter such order or decree respecting the amount of such alimony, or support money, and the payment thereof, and also respecting the appropriation and payment of the principal and income of the property so held in trust, and may make any order respecting these matters which it might have made in the original (ACTION) *proceeding*, except as herein otherwise provided. Except for an award of the right of occupancy of the homestead, all divisions of real and personal property provided by sections 518.58 and 518.59 shall be final, and subject only to the power of the court to impose a lien or charge thereon at any time while such property, or subsequently acquired property, is owned by the parties or either of them, for the payment of alimony or support money, or to sequester the property as is provided by Minnesota Statutes (1949), Section 518.24.

Sec. 28. Wherever the word "divorce" is used in the statutes, it has the same meaning as "dissolution" or "dissolution of marriage".
