FINANCIAL PROCEDURES

Sec. 4.01. [BUDGET.] (a) Each year the board of commissioners of Ramsey county shall prepare a budget for the ensuing fiscal year. The budget is to provide a complete financial plan of all county funds and activities for the ensuing fiscal year and be in the form that the county board considers desirable. In organizing the budget, the board is to utilize the most feasible combination of expenditure classification by fund, including a contingent fund, organization unit, program, purpose or activity, and object. The budget is to begin with a clear general summary of its contents; show, in detail, all estimated income, indicating the proposed property tax levy, and all proposed expenditures, including debt service, for the ensuing fiscal year; and be arranged so as to show comparative figures for actual and estimated income and expenditures. It is to indicate in separate sections:

(1) Proposed expenditures for current operations during the ensuing fiscal year, detailed by offices, departments and agencies in terms of their respective work programs;

(2) Proposed capital expenditures during the ensuing fiscal year, detailed by offices, departments and agencies when practicable, and the proposed method of financing each such capital expenditure.

(b) The board of commissioners may create a tort liability fund by carrying forward any unexpended liability appropriation balance from one fiscal year to the next.

(c) The total of proposed expenditures shall not exceed the total of estimated income.

Sec. 4.02. [CAPITAL PROGRAM.] (a) The board of commissioners may also prepare a five year capital program to include:

(1) A clear, general summary of its contents;

(2) A list of all capital improvements which are proposed to be undertaken during the next five fiscal years next ensuing, with appropriate supporting information as to the necessity for these improvements;

(3) Cost estimates, method of financing and recommended time schedules for each of these improvements; and

(4) The estimated cost of operating and maintaining the facilities to be constructed or acquired.

(b) The above information may be revised and extended each year with regard to capital improvements still pending or in the process of construction or acquisition.

Sec. 4.03. [REDUCTION OF APPROPRIATIONS.] If the maximum rate of taxation for the various purposes mentioned in the budget, for which the county may levy taxes, together with the estimated amount of the revenues of the county for the ensuing year, exclusive of those derived from taxation does not equal the total amount mentioned in the budget, or amendment thereof, the county shall reduce, proportionately, the several funds mentioned in the budget, except that the items for bonds, interest on bonds, salaries, and other items, the charges for which are fixed by law, shall remain at the full amount that the law requires.

Sec. 4.04. [APPROPRIATIONS AND TAX LEVY.] Adoption of the budget by the county board constitutes appropriations of the amounts specified therein as expenditures from the funds indicated and constitutes a levy of the tax therein proposed.

Sec. 4.05. [AMENDMENTS AFTER ADOPTION.] (a) [SUPPLEMENTAL APPROPRIATIONS.] The board of county commissioners of Ramsey county upon recommendation of the Ramsey county auditor may make a supplemental appropriation of funds to a county departmental budget during the course of a budget year. This appropriation shall authorize the use and expenditure of funds accruing to the county of Ramsey which were not derived from taxation by the county board and not anticipated in the budget as estimated receipts.

(b) [EMERGENCY APPROPRIATIONS.] (1) [EMERGENCY BORROWING; NOTES.] To meet a public emergency affecting life, health, property or the public peace, and to the extent that there are no available unappropriated revenues to meet the emergency, the board may, by unanimous vote, authorize the issuance of emergency notes. These notes may be renewed from time to time but the emergency notes and renewals in a fiscal year shall be paid not later than the last day of the fiscal year next succeeding that in which the emergency appropriation was made. The issuance and payment of these notes is subject to the mill limits on taxing power established by law for Ramsey county.

(2) [EMERGENCY BORROWING; BONDS.] (A) [\$1,000,000 BORROWING AUTHORIZED.] Ramsey county may borrow funds and pledge the credit of the county to meet an emergency arising inside the county and may make these loans either from the state of Minnesota, the federal government, or from private sources in an amount not exceeding \$1,000,000.

(B) [BONDS; APPROVAL OF VOTERS NOT REQUIRED.] Bonds or other evidences of indebtedness may be

issued pursuant to the authority granted to the county and for the purposes specified herein. If the county is required by statute to submit the question of the issuance of bonds or other evidences of indebtedness to a referendum vote, it may issue and sell these bonds or other evidences of indebtedness without submitting the question of the issue to a referendum vote, by the following procedure:

(i) [PROCEDURE.] Before any bonds or other evidences of indebtedness may be issued hereunder by Ramsey county without submitting the proposal to make the issue to a referendum vote of the electors of the county, the board of county commissioners of Ramsey county shall first adopt a resolution, by unanimous vote of all of its members, declaring an emergency to exist making it necessary to borrow in the specified amount without submitting the question of issuance of bonds or other evidences of indebtedness to a vote of the electors of the county.

(ii) [SALE.] Upon the passage of this resolution, the board of commissioners of the county may proceed to issue and sell its bonds or other evidences of indebtedness covering these loans, in the manner prescribed by Minnesota Statutes 1971, Section 475.60, Subdivisions 1, 2, 3, 5 and 6, and they shall be valid legal obligations of the county without the referendum vote of the electors. These bonds or evidences of indebtedness shall become due and payable in not more than five years from the date of issue.

(C) [LIMITATIONS; LEVY.] These bonds or other evidences of indebtedness are subject to the provisions of the laws of the state that govern the county in making loans in regard to the levy of a tax for interest and principal and for the payment thereof. No provisions of an act passed during the 1953 session of the legislature, limiting the tax which may be levied in the county, may in any way limit the tax to be levied for the payment of the principal or interest of these bonds.

(D) [LAWS SUSPENDED.] All laws or parts of laws inconsistent herewith are suspended, but this action does not repeal or suspend any other law authorizing Ramsey county to issue bonds.

(e) [TRANSFER OF APPROPRIATION.] The Ramsey county board may, by resolution, transfer part of all of any unencumbered appropriation balance or unappropriated funds from one department, office or fund to another department, office or fund.

Sec. 4.06. [ADMINISTRATION OF BUDGET.] (a) [PAYMENT OF OBLIGATIONS.] Ramsey county shall pay for obligations in accordance with appropriations duly made and payment shall be made in accordance with methods and procedures that the county board sets up and approves.

(b) [WARRANT-CHECK.] (1) On each warrant that Ramsey county draws on the county treasury, the county shall state the purpose for which it is issued. The warrant may be so designed that it becomes a check on the county depository and may be known as a "warrant-check".

(2) The warrant-check need not show the fund from which drawn.

(c) [PAYMENTS AND OBLIGATIONS PROHIBITED.] (1) No payment shall be made or obligation incurred against an allotment or appropriation except in accordance with appropriations duly made and unless the county budget director first certifies that there is a sufficient unencumbered balance in the allotment or appropriation and that sufficient funds therefrom are or will be available to cover the claim or meet the obligation when it becomes due and payable.

(2) An authorization of payment or incurring of obligation in violation of the provisions of this article is void and a payment so made illegal.

(d) [ILLEGAL EXPENDITURE; GROSS MISDEMEANOR.] A county commissioner who knowingly authorizes or makes a payment or incurs an obligation in violation of the provisions of this article is guilty of a gross misdemeanor.

(e) [LAPSE OF APPROPRIATIONS.] (1) Each appropriation, except an appropriation for a capital expenditure, lapses at the close of the fiscal year to the extent that it has not been expended or encumbered.

(2) An appropriation for a capital expenditure continues in force until the purpose for which it was made has been accomplished or abandoned; the purpose of appropriation of this kind is abandoned if three years pass without a disbursement from or encumbrance of the appropriation.

(f) [JOINT CITY-COUNTY LIABILITIES.] The city of Saint Paul and the county of Ramsey may agree to provide for a mutually satisfactory method of paying for services, materials or supplies for which they are jointly charged under law. Either the city or the county may pay for these services made from a joint fund established under the exclusive control of either the city or the county. If the agreement provides that one subdivision of government shall pay a joint obligation in full, it may provide that the other subdivision shall discharge its part of the joint obligation by paying its share of the obligation to the subdivision first paying the obligation in full.
