Reported the same back with the following amendments:

Strike everything after the enacting clause and substitute the following:

"Section 1. Minnesota Statutes 1971, Chapter 43, is amended by adding a section to read:

[43.062] [SALARY SETTING AUTHORITY.] *Subdivision 1. [SALARY LISTING.] The personnel board shall, on or before November 15 of each even numbered year, submit to the commissioner of personnel a listing of salaries for the positions listed in sections 8, subdivision 1, 15A.083 and for the members of the legislature. The board may also recommend adding or deleting of positions from this list.*

Subd. 2. -[BOARD TO CONSIDER ADVICE.] Before submitting the salary listing prescribed in subdivision 1 to the commissioner of personnel, the personnel board shall consult with the governor, the commissioner of administration, the commissioner of finance, and the commissioner of personnel concerning the salary listing and shall give due consideration to the advice of these officers. Before submitting to the commissioner of personnel a salary listing prescribed in subdivision 1 for an employee in the office of a constitutional officer, the personnel board shall consult with the constitutional officer concerning the salary listing and shall give due consideration to the advice of the officer.

Subd. 3. [BASE SALARIES AND ACHIEVEMENT AWARDS.] Except for positions for which salary ranges have been established, the salary listing shall contain a specific salary for each position defined in subdivision 1. For positions for which no salary ranges have been established, the salary listing shall further contain a specific monetary amount or percentage to which an incumbent's salary may be raised to reward achievement as prescribed by section 12. The board shall determine only a fixed salary for the positions of executive secretary of the board of investment, the workmens' compensation commissioner and the commissioner of public service who shall not be eligible for achievement awards as provided by section 11.

Subd. 4. [OFFICE OF ATTORNEY GENERAL.] Salaries within the ranges for professional positions within the office of the attorney general shall be established by the attorney general.

Sec. 2. Minnesota Statutes 1971, Chapter 43, is amended by adding a section to read:

[43.064] [OTHER SALARIES SET BY PERSONNEL.] *Notwithstanding any other law to the contrary, salaries for all unclassified positions in the executive branch not enumerated in the listing described in section 8, subdivision 1, shall be established by the commissioner of personnel except for the follow-*

ing: (1) positions listed in Minnesota Statutes, Section 15A.083; (2) positions listed in Minnesota Statutes, Section 299D.03; (3) employees in the office of the governor whose salary shall be determined by the governor; (4) positions in the state college system, the state community college system, and in the higher education coordinating commission whose primary duties consist of instructing and counseling students, directing academic programs of schools, divisions or departments of colleges and community colleges or conducting research on academic subjects. Individual salaries for positions enumerated in clause (4) shall be determined by the state college board, the state community college board, and the higher education coordinating commission, respectively, within the limits of a salary plan which shall have been approved by the commissioner of personnel before becoming effective.

No provision of any subsequent law relating to salaries of state employees shall be construed as inconsistent with this section unless it is expressly provided in such subsequent act that the provisions of this section shall not be applicable or shall be superseded, amended, or repealed.

Sec. 3. Minnesota Statutes 1971, Chapter 43, is amended by adding a section to read:

(2) Salaries among the various positions listed in section 8, subdivision 1, bear equitable relationships to one another; and

(3) Salaries for state positions bear equitable relationships to salaries for similar positions outside state service.

Salaries bear equitable relationships to one another within the meaning of this section if salaries for positions which require comparable knowledge, abilities, duties, responsibilities and accountabilities are comparable and if salaries for positions which require differing knowledge, abilities, duties, responsibilities and accountabilities are directly proportional to the knowledge, abilities, duties, and responsibilities required.

Subd. 2. [METHOD OF REVIEW.] In recommending the salary listing described in section 8, subdivision 1, the board shall consider only those criteria established by subdivision 1 and shall not take into account personal performance of individual incumbents. The board shall establish an objective system for quantifying knowledge, abilities, duties, responsibilities and accountabil-
