Such fund shall consist of all moneys appropriated therefor by the legislature, all moneys in the form of interest and penalties collected pursuant to section 268.16 (SHALL BE PAID INTO THE GENERAL FUND) and all moneys received in the form of voluntary contributions to this fund and interest thereon. All moneys in such fund shall be supplemental to all federal moneys that would be available to the commissioner but for the existence of this fund. Such fund shall be available to the commissioner for such expenditures as he may deem necessary in connection with the administration of Minnesota Statutes, Sections 268.03 to 268.24. Whenever the commissioner expends moneys from said contingent fund for the proper and efficient administration of the Minnesota employment services law for which funds have not yet been made available by the federal government, such moneys so withdrawn from the contingent fund shall be replaced as hereinafter provided. Upon the deposit in the employment services administration fund of moneys which are received in reimbursement of payments made as above provided for said contingent fund, the commissioner shall certify to the state treasurer the amount of such reimbursement and thereupon the state treasurer shall transfer such amount from the employment services administration fund to said contingent fund. All moneys in this fund shall be deposited, administered, and disbursed in the same manner and under the same conditions and requirements as is provided by law for the other special funds in the state treasury. The state treasurer shall be liable on his official bond for the faithful performance of his duties in connection with the employment services contingent fund provided for herein. Notwithstanding anything to the contrary contained herein, on June 30 of each year all amounts in excess of \$300,000 in this fund shall be paid over to the unemployment compensation fund established under section 268.05 and administered in accordance with the provisions set forth therein.*

After any contribution has become delinquent for a period of 12 months thereafter interest thereon shall be computed at the rate of six percent per annum. Contributions, if mailed, shall be deemed to have been paid on the date of mailing as indicated by the postmark on the cover thereof; provided, however, that after January 1, 1949, contributions received by mail postmarked on a day following the date on which the law requires such contributions to be paid shall be deemed to have been paid on the due date if there is substantial evidence by affidavit or otherwise reasonably tending to prove that said report or contribution was actually deposited in the United States mails properly addressed to the department with postage prepaid thereon on or before the due date. *Interest collected pursuant to this subdivision shall be paid into the contingent fund.*

Sec. 4. Minnesota Statutes 1974, Section 268.16, Subdivision 2, is amended to read:

Subd. 2. [FAILURE TO MAKE REPORT.] (1) [PENALTIES.] Any employer who knowingly fails to make and submit to the department of employment services any report of wages paid by or due from him for insured work in the manner and at the time such report is required by regulations prescribed by the commissioner shall pay to the department of employment services *for the contingent fund* an amount equal to one percent of contributions accrued during the period for which such report is required, for each month from and after such date until such report is properly made and submitted to the department of employment services. In no case shall the amount of the penalty imposed hereby be less than \$5 except that in cases where the contribution is less than \$10 and the commissioner finds that the employer does not habitually fail to report on time the penalty shall be \$1. Any employing unit which fails to make and submit to the commissioner any report, other than one of wages paid or payable for insured work, as and when required by the regulations of the commissioner, shall be subject to a penalty in the sum of \$10 payable to the department of employment services *for the contingent fund*. All such penalties shall be in addition to interest and any other penalties provided for by sections 268.03 to 268.24 and shall be collected by civil action as hereinafter provided.

(2) [ASSESSMENT MAY BE MADE.] If any employing unit required by sections 268.03 to 268.24 to make and submit contribution reports shall fail to do so within the time prescribed by these sections or by regulations under the authority thereof,

or shall make, wilfully or otherwise, an incorrect, false or fraudulent contribution report, he shall, on the written demand of the commissioner, make such contribution report, or corrected report, within ten days after the mailing of such written demand and at the same time pay the whole contribution, or additional contribution, due on the basis thereof. If such employer shall fail within that time to make such report, or corrected report, the commissioner shall make for him a report, or corrected report, from his own knowledge and from such information as he can obtain through testimony, or otherwise, and assess a contribution on the basis thereof, which contribution, plus penalties and interest which thereafter accrued (less any payments theretofore made) shall be paid within ten days after the commissioner has mailed to such employer a written notice of the amount thereof and demand for its payment. Any such contribution report or assessment made by the commissioner on account of the failure of the employer to make a report or corrected report shall be prima facie correct and valid, and the employer shall have the burden of establishing its incorrectness or invalidity in any action or proceeding in respect thereto. Whenever such delinquent employer shall file a report or corrected report, the commissioner may, if he finds it substantially correct, substitute it for the commissioner's report. If an employer has failed to submit any report of wages paid, or has filed an incorrect report, and the commissioner finds that such noncompliance with the terms of sections 268.03 to 268.24 was not wilful and that such employer was free from fraudulent intent, the commissioner shall limit the charge against such employer to the period of the year in which such condition has been found to exist and for the preceding calendar year.

Sec. 5. There is hereby appropriated from the moneys credited and which may hereafter be credited to this state's account in the federal unemployment trust fund by the secretary of the treasury of the United States of America pursuant to the provisions of Public Law 567, Chapter 657, entitled the Employment Security Administrative Financing Act of 1954, as amended, the sum of \$250,000 for the purpose of funding the contingent fund herein established and the accomplishment of the purposes set forth therein. Subject to the provisions of section 903 (c) (2) of said act, the commissioner of employment services may requisition moneys appropriated by this act and upon receipt shall deposit such moneys in the state treasury to the credit of the employment services contingent fund. The money appropriated herein shall be deemed to have been obligated upon the final enactment of this act. The commissioner of employment services may enter into any agreement for and in behalf of the state of Minnesota with the United States of America or any department or agency thereof pursuant to any federal law or rule or regulation promulgated thereunder governing or relating to the availability and use of the funds contemplated by this act and upon such terms and conditions as may be prescribed by the United States of America or any department or agency thereof,

notwithstanding the provisions of any state law to the contrary or inconsistent therewith.
