The report was adopted.

Johnson, D., from the Committee on Commerce and Economic Development to which was referred:

H. F. No. 178, A bill for an act relating to sales, consumer credit; providing for maximum finance charges and a penalty.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert in lieu thereof the following:

"Section 1. [334.20] [DEFINITIONS.] The definitions and provisions in the Truth-In-Lending Act, Title I of the Consumer Credit Protection Act, P.L. 90-321, and in Regulation Z of the Board of Governors of the Federal Reserve System adopted pursuant thereto, 12 CFR 226, as in effect on June 5, 1971, shall apply to the terms used in sections 1 to 6.

Sec. 2. [334.21] [FINANCE CHARGES FOR OTHER THAN OPEN END CREDIT.] Subdivision 1. Unless otherwise authorized by statute, the parties to a consumer credit sale other than a sale pursuant to an open end credit plan may agree to payment by the consumer of a maximum finance charge calculated according to the actuarial method using the rate of finance charge specified by section 334.16.

Subd. 2. For the purposes of this section:

(a) The finance charge may be calculated on the assumption that all scheduled payments will be made when due;

(b) The dollar amount of the finance charge shall include the prepaid finance charge excluded from the amount financed; and

(c) The effect of prepayment is governed by the provisions on rebate upon prepayment under section 4 of this act.

Subd. 3. For the purposes of this section, the term of a consumer credit sale other than one pursuant to an open end credit plan commences with the date the credit is granted or, if goods are delivered, services performed or proceeds of a loan paid ten days or more after that date, with the date of commencement of delivery or performance. Differences in lengths of months are disregarded and a day may be counted as 1/30 of a month.

Subd. 4. A seller may contract for and receive a minimum finance charge with respect to a sale other than one pursuant to an open end credit plan, of not more than fifty cents per month for each month of the original contract term.

Sec. 3. [334.22] [PREPAYMENT PENALTIES PROHIBITED.] Subject to section 4, and unless otherwise authorized by statute, a buyer may prepay in full, or in any part, the unpaid balance of a consumer credit sale at any time without penalty.

Sec. 4. [334.23] [REBATE ON PREPAYMENT.] Subdivision 1. Unless otherwise authorized by statute, and upon prepayment in full of the unpaid balance of a precomputed consumer credit sale, refinancing or consolidation, an amount not less than the unearned portion of the finance charge calculated according to this section shall be rebated to the buyer. If the total of all rebates, refunds and credits to be paid to the buyer under sections 1 to 6 is less than \$1, no rebate need be made.

Subd. 2. The unearned portion of the precomputed finance charge on consumer credit sales shall be at least as great a proportion of the time price differential as the sum of the periodic time balances after the month in which prepayment is made, bears to the sum of all the periodic time balances under the schedule of payments in the original contract. This method of calculating rebates may be referred to as the "rule of 78" or "sum of the digits" method. When a rebate computed by the "rule of 78" results in a buyer having been charged an effective rate of interest in excess of that allowable under section 334.16, it shall not be a violation of law.

Subd. 3. Unless otherwise authorized by statute, the parties to a consumer credit sale other than one pursuant to an open end credit plan, may agree in writing at any time subsequent to the transaction to a deferral of all or part of any installments and an appropriate deferral charge which may not exceed one percent per month on the amount deferred. If prepayment in full is made on a transaction for which there was a prior agreement for a deferral and a deferral charge, the unearned portion of the finance charge shall be computed without regard to the deferral. The amount of deferral charge accumulated at the date of prepayment shall also be calculated. If the deferral charge accumulated is less than the deferral charge actually paid by the buyer, the difference shall be added to the unearned portion of the finance charge to be rebated to the buyer. If any part of a deferral charge has been accumulated but has not been paid, that part shall be subtracted from the unearned portion of the finance charge to be rebated to the buyer.

Subd. 4. In the absence of an agreement for deferral of any installment, as provided in subdivision 3, and if the contract between the seller and the buyer so provides, the seller may collect, or retain, in the event of prepayment, a delinquency charge with respect to any installment not paid in full within ten days after its due date, as originally scheduled or as deferred by agreement, in an amount which is five percent of the unpaid amount of such delinquency installment, or \$5 whichever is less. Such a delinquency charge with respect to any single delinquent installment may be collected only once, however long such installment remains in default. A separate delinquency charge, as computed above, may be imposed with respect to each separate installment that is delinquent. A delinquency charge may not be collected on an installment paid in full within ten days after its scheduled

or deferred installment due date even though an earlier maturing installment or a delinquency or deferral charge on an earlier installment has not been paid in full. For purposes of this subdivision, and in the absence of specific direction by the buyer to the contrary, a payment is applied first to any installment due and not delinquent at the time in which it is received and then to delinquent installments and charges. A delinquency charge may be collected at the time it accrues or at any time thereafter.

Subd. 5. Unless otherwise authorized by statute, if the maturity of the obligation is accelerated for any reason and judgment is obtained, the buyer is entitled to the same rebate as if payment in full had been made on the date judgment is entered against the buyer excluding delinquency charges previously collected by the creditor.

Sec. 5. [334.24] [PENALTY.] Any seller who violates any of the provisions of sections 1 to 6 except as a bona fide error, shall forfeit to the buyer an amount which is three times any finance charge imposed, charged or collected, in connection with a consumer credit sale, with a minimum forfeiture of \$100 plus reasonable attorneys fees and court costs.

Sec. 6. [334.25] [ASSIGNEES AND PURCHASERS.] Any conditional sales contract, personal note or other instrument arising out of or given in connection with a consumer credit sale which reflects or bears a finance charge higher than allowed under sections 1 to 6, or higher than otherwise authorized by statute, may not be held in good faith by an assignee or purchaser of commercial or negotiable paper, and any assignee who acquires said instrument shall be liable for the penalties provided by section 5.

Sec. 7. [334.26] [MOTOR VEHICLE RETAIL INSTALLMENT SALES ACT.] Sections 1 to 6 shall not apply to sections 168.66 to 168.77, known as the motor vehicle retail installment sales act."

With the recommendation that when so amended the bill do pass.

PATRICK E. FLAHAVEN, Secretary of the Senate

SUSPENSION OF RULES

Kempe, R., moved that the Rules be so far suspended that Senate Concurrent Resolution No. 4 be now considered and be placed upon its adoption. The motion prevailed.

SENATE CONCURRENT RESOLUTION NO. 4

A Senate concurrent resolution urging the United States Railway Association to reconsider its decision in denying loan funds to the Rock Island Railroad.

Whereas, the Chicago, Rock Island, and Pacific Railroad Company provides rail transportation service to ten Minnesota counties and directly serves many Minnesota communities and population centers, including Minneapolis and St. Paul; and,

Whereas, the Rock Island Railroad provides an essential transportation service that carries Minnesota agricultural and manufactured products on direct routes to Gulf Ports and the midwest and southwest as well as to national and world markets; and,

Whereas, there are over 10,500 employees on the Rock Island Railroad, many of whom reside in Minnesota, whose employment will be adversely affected, even to the point of furlough or termination, if the Rock Island were to cease or suspend operation; and,

Whereas, the existing and anticipated long range energy shortage requires that energy efficient means of hauling bulk goods for long distances be preserved and protected; and,

Whereas, the Rock Island's financial problems have been grievously aggravated by the intolerable delays of the Interstate Commerce Commission in deciding the 1963 merger application of the Rock Island and the Union Pacific railroad companies; and,

Whereas, the Rock Island has been denied a \$100,000,000 reconstruction loan requested from the U. S. Railway Association; and,

Whereas, the Congress, in amending the 1973 Regional Rail Reorganization Act at the time of passage, clearly showed its intent by providing that the railroads such as the Rock Island be eligible for federal assistance; and,

Whereas, federal aid and regulatory responsiveness is essential for the Rock Island to continue to provide transportation services and employment and pay taxes in Minnesota and elsewhere,

Now, Therefore, Be It Resolved by the Senate, the House of Representatives concurring, that the Legislature of the State of Minnesota urge the U. S. Railway Association to reconsider its decision in denying loan funds to support operating and capital needs of the Rock Island Railroad; and,

Be It Further Resolved, that a copy of this resolution be immediately transmitted to the U. S. Railway Association, the President of the United States, members of the Minnesota Congressional Delegation, the Honorable Vance Hartke, Chairman of the Surface Transportation Subcommittee of the Senate Commerce Committee, and the Honorable Harley Staggers, Chairman of the House Interstate and Foreign Commerce Committee.

Kempe, R., moved that Senate Concurrent Resolution No. 4 be now adopted. The motion prevailed and Senate Concurrent Resolution No. 4 was adopted.

Mr. Speaker:

I hereby announce the passage by the Senate of the following Senate File, herewith transmitted:

S. F. No. 636.
