GENERAL ORDERS

Pursuant to Rules of the House, the House resolved itself into the Committee of the Whole, with Sabo in the Chair, for the consideration of bills pending on General Orders of the Day.

Pursuant to rule 1.6, a roll call was taken on the following amendment to H. F. No. 227 offered by Savelkoul:

Page 1, line 12, after "290.01," insert "*Subdivision 20*,".

Page 1, line 13, delete "by adding a subdivision".

Page 1, delete lines 14 through 19 inclusive, and insert in lieu thereof the following:

"Subd. 20. [GROSS INCOME.] Except as otherwise provided in this chapter, the term "gross income," as applied to corporations includes every kind of compensation for labor or personal services of every kind from any private or public employment, office, position or services; income derived from the ownership or use of property; gains or profits derived from every kind of disposition of, or every kind of dealing in, property; income derived from the transaction of any trade or business; and income derived from any source.

For each of the taxable years beginning after December 31, 1960 and prior to January 1, 1971, the term "gross income" in its application to individuals, estates, and trusts, shall mean the adjusted gross income as computed for federal income tax purposes as defined in the Internal Revenue Code of 1954, as amended through December 31, 1970 for the applicable taxable year, with the modifications specified in this section.

For each of the taxable years beginning after December 31, 1970, the term "gross income" in its application to individuals, estates, and trusts shall mean the adjusted gross income as computed for federal income tax purposes as defined in the Internal Revenue Code of 1954, as amended through the date specified herein for the applicable taxable year, with the modifications specified in this section.

(i) The Internal Revenue Code of 1954, as amended through December 31, 1970, shall be in effect for taxable years beginning after December 31, 1970 and prior to January 1, 1973.

(ii) The Internal Revenue Code of 1954, as amended through December 31, 1972, shall be in effect for taxable years beginning after December 31, 1972.

(iii) The Internal Revenue Code of 1954, as amended through December 31, (1973) 1974, shall be in effect for taxable years beginning after December 31, 1973.

References to the Internal Revenue Code of 1954 in Clauses (a), (b) and (c) following shall mean the code in effect for the purpose of defining gross income for the applicable taxable year.

(a) Modifications increasing federal adjusted gross income. There shall be added to federal adjusted gross income:

(1) Interest income on obligations of any state other than Minnesota or a political subdivision of any such other state exempt from federal income taxes under the Internal Revenue Code of 1954;

(2) Interest income on obligations of any authority, commission, or instrumentality of the United States, which the laws of the United States exempt from federal income tax, but not from state income taxes;

(3) Income taxes imposed by this state or any other taxing jurisdiction, to the extent deductible in determining federal adjusted gross income and not credited against federal income tax;

(4) Interest on indebtedness incurred or continued to purchase or carry securities the income from which is exempt from tax under chapter 290, to the extent deductible in determining federal adjusted gross income;

(5) Amounts received as reimbursement for an expense of sickness or injury which was deducted in a prior taxable year to the extent that the deduction for such reimbursed expenditure resulted in a tax benefit;

(6) Losses which do not arise from events or transactions which are assignable to Minnesota under the provisions of sections 290.17 to 290.20, including any capital loss or net operating loss carryforwards or carrybacks resulting from such losses, and including any such nonassignable losses which occur prior to the time the individual becomes a resident of the state of Minnesota;

(7) The amount of any federal income tax overpayment for any previous taxable year, received as refund or credited to an-

other taxable year's income tax liability, proportionate to the percentage of federal income tax that was claimed as a deduction in determining Minnesota income tax for such previous taxable year.

The overpayment refund or credit, determined with respect to a husband and wife on a joint federal income tax return for a previous taxable year, shall be reported on joint or separate Minnesota income tax returns. In the case of separate Minnesota returns, the overpayment shall be reported by each spouse proportionately according to the relative amounts of federal income tax claimed as a deduction on his or her separate Minnesota income tax return for such previous taxable year;

(8) In the case of a change of residence from Minnesota to another state or nation, the amount of moving expenses which exceed total reimbursements and which were therefore deducted in arriving at federal adjusted gross income;

(9) In the case of property disposed of on or after January 1, 1973, the amount of any increase in the taxpayer's federal tax liability under section 47 of the Internal Revenue Code of 1954, as amended through December 31, 1972, to the extent of the credit under section 38 of the Internal Revenue Code of 1954, as amended through December 31, 1972, that was previously allowed as a deduction either under section 290.01, subdivision 20 (b) (9) or under section 290.09, Subdivision 24;

(10) Expenses and losses arising from a farm which are not allowable under section 290.09, subdivision 29; *and the contributions for the taxable year to pension, profit sharing or annuity plans on behalf of self-employed individuals that are deductible from adjusted gross income as computed for Federal income tax purposes as defined in the Internal Revenue Code of 1954, to the extent such contributions exceed \$3,750. The amount so added by this modification to Federal adjusted gross income shall be recognized as consideration paid by the self-employed individual when computing taxes on distributions from said plans;*

(b) Modifications reducing federal adjusted gross income. There shall be subtracted from federal adjusted gross income;

(1) Interest income on obligations of any authority, commission or instrumentality of the United States to the extent includible in gross income for federal income tax purposes but exempt from state income tax under the laws of the United States;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis for Minnesota income tax purposes than for federal income tax purposes that does not exceed such difference in basis; but if such gain is considered a long-term capital gain for federal income tax purposes,

the modification shall be limited to fifty per centum of such portion of the gain;

(3) Interest or dividend income on securities to the extent exempt from income tax under the laws of this state authorizing the issuance of such securities but includible in gross income for federal income tax purposes;

(4) Income which does not arise from events or transactions which are assignable to Minnesota under the provisions of sections 290.17 to 290.20;

(5) Losses, not otherwise reducing federal adjusted gross income assignable to Minnesota, arising from events or transactions which are assignable to Minnesota under the provisions of sections 290.17 to 290.20, including any capital loss or net operating loss carryforwards or carrybacks resulting from such losses;

(6) If included in federal adjusted gross income, the amount of any overpayment of income tax to Minnesota, or any other state, for any previous taxable year, whether such amount is received as a refund or credited to another taxable year's income tax liability;

(7) The amount of any pension or benefit which is excluded from gross income under the provisions of section 290.08, subdivision 6; and

(8) The amount of compensation for personal services in the armed forces of the United States or the United Nations which is excluded from gross income under the provisions of section 290.65; and

(9) In the case of property acquired on or after January 1, 1973, the amount of any credit to the taxpayer's federal tax liability under section 38 of the Internal Revenue Code of 1954, as amended through December 31, 1972.

(c) Modifications affecting shareholders of electing small business corporations under section 1372 of the Internal Revenue Code of 1954, or section 290.972 of this chapter.

(1) Shareholders in a small business corporation, which has elected to be so taxed under the Internal Revenue Code of 1954, but has not made an election under section 290.972 of this chapter, shall deduct from federal adjusted gross income the amount of any imputed income from such corporation and shall add to federal adjusted gross income the amount of any loss claimed as a result of such stock ownership. Also there shall be added to federal adjusted gross income the amount of any distributions

in cash or property made by said corporation to its shareholders during the taxable year.

(2) In cases where the small business corporation has made an election under section 1372 of the Internal Revenue Code of 1954, but not elected under section 290.972 of this chapter and said corporation is liquidated or the individual shareholder disposes of his stock and there is no capital loss reflected in federal adjusted gross income because of the fact that corporate losses have exhausted the shareholders basis for federal purposes, such shareholders shall be entitled, nevertheless, to a capital loss commensurate to their Minnesota basis for the stock.

(3) In cases where the election under section 1372 of the Internal Revenue Code of 1954 antedates the election under section 290.972 of this chapter and at the close of the taxable year immediately preceding the effective election under section 290.972 the corporation has a reserve of undistributed taxable income previously taxed to shareholders under the provisions of the Internal Revenue Code of 1954, in the event and to the extent that such reserve is distributed to shareholders such distribution shall be taxed as a dividend for purposes of this act.

Items of gross income includible within these definitions shall be deemed such regardless of the form in which received. Items of gross income shall be included in gross income of the taxable year in which received by a taxpayer unless property to be accounted for as of a different taxable year under methods of accounting permitted by section 290.07, except that (1) amounts transferred from a reserve or other account, if in effect transfers to surplus, shall, to the extent that such amounts were accumulated through deductions from gross income or entered into the computation of taxable net income during any taxable year, be treated as gross income for the year in which the transfer occurs, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act, and (2) amounts received as refunds on account of taxes deducted from gross income during any taxable year shall be treated as gross income for the year in which actually received, but only to the extent that such amounts resulted in a reduction of the tax imposed by this act.

(d) Modification in computing taxable income of the estate of a decedent. Amounts allowable under section 291.07, subdivision 1 (2) in computing Minnesota inheritance tax liability shall not be allowed as a deduction in computing the taxable income of the estate unless there is filed within the time and in the manner and form prescribed by the commissioner a statement that the amounts have not been allowed as a deduction under section 291.07 and a waiver of the right to have such amounts allowed at any time as deductions under section 291.07. The provisions of this paragraph shall not apply with respect to deductions allowed under section 290.077 (relating to income in respect of decedents). In the event that the election made for federal tax

purposes under section 642 (g) of the Internal Revenue Code of 1954 differs from the election made under this paragraph appropriate modification of the estate's federal taxable income shall be made to implement the election made under this paragraph in accordance with regulations prescribed by the commissioner.

Subd. 5. [CUSTODIAL ACCOUNTS.] A custodial account within the meaning of section 401 (f) or section 403 (b) (7) of the Internal Revenue Code of 1954 as amended through December 31, 1974, shall be treated as a trust under this section.

Subd. 6. [INDIVIDUAL RETIREMENT ACCOUNTS.] Any individual retirement account that is exempt from taxation under the provisions of section 408 of the Internal Revenue Code of 1954 as amended through December 31, 1974, shall also be exempt from taxation under the provisions of this chapter.

Sec. 3. Minnesota Statutes 1974, Chapter 290, is amended by adding a section to read:

[290.032] *Subdivision 1. There is hereby imposed as an addition to the annual income tax for a taxable year of a taxpayer in the classes described in section 290.03 a tax with respect to any distribution received by such taxpayer that is treated as a lump sum distribution under section 402 (e) of the Internal Revenue Code of 1954, as amended through December 31, 1974, and that is subject to tax for such taxable year under section 402 (e) of the Internal Revenue Code of 1954, as amended through December 31, 1974.*

Subd. 2. The amount of tax imposed by subdivision 1 shall be computed in the same way as the tax imposed under section 402 (e) of the Internal Revenue Code of 1954, as amended, through December 31, 1974, except that the initial separate tax shall be an amount equal to ten times the tax which would be imposed by section 290.03 if the recipient was an individual referred to in such section and the taxable net income, excluding the credits allowed in section 290.06, subdivision 3c, and section 290.21, was an amount equal to one-tenth of the excess of

(i) the total taxable amount of the lump sum distribution for the taxable year, over

(ii) the minimum distribution allowance, and except that references in section 402 (e) of the Internal Revenue Code of 1954, as amended through December 31, 1974, to paragraph (1) (A) thereof shall instead be references to subdivision 1 of this section.

Subd. 3. The tax imposed by this section on a non-resident individual shall be based only on that part of the lump sum dis-

tribution attributable to personal or professional services within this state."

Renumber the remaining section accordingly.

Further, amend the title, in line 5, after "trusts" by inserting "and annuities" and by deleting all of lines 9 and 10 and inserting in lieu thereof "Statutes 1974, Chapter 290, by adding a section, and Sections 290.01, Subdivision 20; and 290.26."
