"Section 1. Minnesota Statutes 1974, Chapter 126, is amended by adding a section to read as follows:

[126.21] [ATHLETIC TEAMS.] *Subdivision 1. Recognizing the relationship between a sound mind and a sound body and realizing that vigorous physical activity builds character and develops citizenship as well as contributing to physical well being, the state of Minnesota requires that educational institutions and other public services provide equal opportunity for both sexes to pursue physical development without regard to limits imposed by sexual stereotyping. However, it also recognizes that some separation between the sexes in athletic programs may be necessary and beneficial, similar to existing separation of athletic competition into age, weight, and skill classes.*

Subd. 2. Notwithstanding any other law to the contrary, in athletic programs operated by educational institutions or public services and designed for participants 12 years old or older or in the seventh grade or above, it is not an unfair discriminatory practice:

(1) to restrict membership on an athletic team to participants of one sex, if this restriction is necessary to provide members of each sex with an equal opportunity to participate in the athletic program, except that teams restricted on the basis of sex shall be permitted in wrestling; provided, if a membership restriction on the basis of sex results in the operation of two teams in the same sport which are separated or substantially separated according to sex, the two teams shall be operated in compliance with all the provisions of clause (2) of this subdivision; or

(2) to provide two teams in the same sport which are separated or substantially separated according to sex, if the two teams are provided with similar budgets per participant, exclusive of gate receipts and donations generated by that sport, and in all other respects are treated in a substantially equal manner. The two teams shall be operated separately only in those activities where separation serves a clear and desirable purpose.

Subd. 3. Any organization, association or league entered into by educational institutions or public services for the purpose of promoting sports or adopting rules and regulations for the conduct of athletic contests between members shall effective July 1, 1976 provide rules and regulations and conduct its activities so as to permit its members to comply fully with subdivision 2 and section 363.03, subdivisions 4 and 5.

Subd. 4. Educational institutions and public services shall make every reasonable effort to provide similar budgets per participant pursuant to subdivision 2 during the school year 1975-1976; and thereafter shall provide similar budgets per participant pursuant to subdivision 2. Educational institutions and public services shall gradually eliminate separation based on sex in athletic programs designed for participants 11 years old or younger and in the sixth grade or below during the school years 1975-1976, 1976-1977, and 1977-1978, and thereafter shall comply fully with subdivision 2 and section 363.03, subdivisions 4 and 5.

Sec. 2. Laws 1974, Chapter 355, Section 68, Subdivision 4, is repealed."

Further, strike the title in its entirety and insert the following:

"A bill for an act relating to athletics; providing for equal opportunity for members of both sexes to participate in athletics; amending Minnesota Statutes 1974, Chapter 126, by adding a section; repealing Laws 1974, Chapter 355, Section 68, Subdivision 4."

The report was adopted.

Johnson, C., from the Committee on Education to which was referred:

H. F. No. 96, A bill for an act relating to education; the establishment of educational cooperative service units to provide educational services and programs on a regional basis; appropriating money therefor.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. [123.58] [EDUCATIONAL COOPERATIVE SERVICE UNITS.] Subdivision 1. [DECLARATION OF

POLICY.] It is declared to be a policy of the state to make general and uniform educational opportunities available to all school children in the state. In striving toward this equalizing of educational opportunity, the policy of the state shall be to encourage cooperation in making available to all students those educational programs and services which may most efficiently and economically be provided by a consortium effort of several school districts.

Subd. 2. [ESTABLISHMENT OF EDUCATIONAL COOPERATIVE SERVICE UNITS.] (a) In furtherance of this policy, ten educational cooperative service units are designated. The units, should they become operational, shall be termed educational cooperative service units, hereafter designated as ECSU. Geographical boundaries for each ECSU shall coincide with those identified in governor's executive orders 8, dated September 1, 1971, and 59, dated May 29, 1973, issued pursuant to the regional development act of 1969, Minnesota Statutes, Sections 462.381 to 462.397, with the following exceptions:

(i) Development regions one and two shall be combined to form a single ECSU;

(ii) Development regions six east and six west shall be combined to form a single ECSU;

(iii) Development regions seven east and seven west shall be combined to form a single ECSU. The ECSU shall cooperate with the regional development commission for the region with which its boundaries coincide but shall not be responsible to nor governed by that regional development commission.

(b) The geographic location of the central administrative office of a school district shall determine the membership of the total school district in a particular ECSU. Existing school district boundaries shall not be altered as a result of this act.

(c) Two or more identified ECSU units may, upon approval by a majority of school boards of participating school districts in each affected ECSU, be combined and administered as a single ECSU unit but state assistance shall be allocated on the basis of two or more ECSU units.

(d) The initial organization of each ECSU may occur only upon petition to the state board of education by a majority of all school districts in an ECSU. The state board of education shall, upon receipt of such petition, invite representation from all public school districts in an ECSU at a regional meeting. The state board of education shall then assist in the necessary organizational activities for establishment of an ECSU pursuant to the requirements of this act.

Subd. 3. [PURPOSE OF ECSU.] The primary purposes of designation as an ECSU shall be to perform educational planning on a regional basis and to assist in meeting specific educational needs of children in participating school districts which could be better provided by an ECSU than by the districts themselves. The ECSU shall provide those educational programs and services which are determined, pursuant to subdivision 8, to be priority needs of the particular region and shall assist in meeting special needs which arise from fundamental constraints upon individual school districts.

Subd. 4. [MEMBERSHIP AND PARTICIPATION.] Full membership in an ECSU shall be limited to public school districts of the state but nonvoting associate memberships shall be available to nonpublic school administrative units within the ECSU. Participation in programs and services provided by the ECSU shall be discretionary and no school district shall be compelled to participate in these services under authority of this act, except that all school districts within that ECSU whose boundaries coincide with those of development region 11 shall participate in the planning and planning research functions of that ECSU. Nonpublic school students and personnel may participate in programs and services to the extent allowed by law.

Subd. 5. [GOVERNING BOARD.] (a) The care, management, and control of an ECSU shall be vested in a board of directors composed of not less than six nor more than 15 members. Members of the ECSU board of directors shall be current members of school boards of participating public school districts. Election to the ECSU board of directors shall be by vote of all current school board members of participating public school districts with each school board member having one vote.

(b) At the initial election, not less than six nor more than 15 members shall be elected at large from the ECSU, one third of the members for a one year term from July 1 next following the election, one third of the members for a two year term, and one third of the members for a three year term, to serve until a successor is elected and qualifies; provided that if the number of members is not evenly divisible by three, the membership will be as evenly distributed as possible among one, two, and three year terms with the remaining members serving the three year term. Elections shall occur after the third Tuesday in May but not later than June 15, or within 90 days following the filing of the initial petition with the state board of education. Thereafter, members shall be elected to serve a term of three years beginning on July 1 next following the election.

(c) Notwithstanding any contrary provisions in (a) and (b), the school boards of districts within that ECSU whose boundaries coincide with those of development region 11 may form a representative assembly composed of one current school board member from each district. The care, management, and

control of that ECSU shall be vested in the representative assembly if one is formed. The representative assembly shall elect an executive committee from its membership of not less than six nor more than 15 members to terms as provided in clause (b) to have those powers and to carry out those duties delegated to it by the representative assembly. In the election of its executive committee, the representative assembly shall establish such electoral districts as necessary to ensure proportional representation based on school enrollments within the ECSU. The provisions of clauses (d), (e), (f) and (g) of this subdivision shall apply to the executive committee of this ECSU.

(d) A vacancy on the board which results in an unexpired term shall be filled by appointment by the board of directors until such vacancy can be filled at the next annual election.

(e) The first meeting of the ECSU board shall be at a time mutually agreed upon by board members. At this meeting, the ECSU board shall choose its officers and conduct any other necessary organizational business. The ECSU board may, in its discretion, appoint up to three superintendents of school districts within the ECSU as ex-officio, nonvoting members of the board.

(f) The officers of the ECSU board shall be a chairman, vice chairman, clerk and treasurer, no two of whom when possible shall be from the same school district.

(g) A member of the ECSU board shall have the same liability applicable to a member of an independent school board.

Subd. 6. [DUTIES AND POWERS OF ECSU BOARD OF DIRECTORS.] The board of directors shall have authority to maintain and operate an ECSU. Subject to the availability of necessary resources, the powers and duties of this board shall include the following:

(a) The board of directors shall submit within 90 days after the filing of the initial petition with the state board of education and by June 1 of each year thereafter to the state board of education and to each participating school district an annual plan which describes the objectives and procedures to be implemented in assisting in resolution of the educational needs of the ECSU.

(b) The ECSU board of directors may provide adequate office, service center, and administrative facilities by lease, purchase, gift, or otherwise, subject to the review of the state board of education as to the adequacy of the facilities proposed.

(c) The ECSU board of directors may employ a central administrative staff and other personnel as necessary to provide and support the agreed upon programs and services. The board may discharge staff and personnel pursuant to provisions of law

applicable to independent school districts. ECSU staff and personnel may participate in retirement programs and any other programs available to public school staff and personnel.

(d) The ECSU board of directors may appoint special advisory committees composed of superintendents, central office personnel, building principals, teachers, parents and lay persons.

(e) The ECSU board of directors may employ service area personnel pursuant to certification standards developed by the state board of education and the teacher standards and certification commission.

(f) The ECSU board of directors may enter into contracts with school boards of local districts including school districts outside the ECSU area.

(g) The ECSU board of directors may enter into contracts with other public and private agencies and institutions which may include, but are not limited to, contracts with Minnesota institutions of higher education to provide administrative staff and other personnel as necessary to furnish and support the agreed upon programs and services.

(h) The ECSU board of directors shall exercise all powers and carry out all duties delegated to it by participating local school districts under provisions of the ECSU bylaws. The ECSU board of directors shall be governed, when not otherwise provided, by the provisions of law applicable to independent school districts of the state.

(i) The ECSU board of directors shall submit an annual evaluation report of the effectiveness of programs and services to the school districts within the ECSU and the state board of education by September 1 of each year following the school year in which the program and services were provided.

(j) The ECSU board is encouraged to establish cooperative, working relationships with post-secondary educational institutions in the state.

Subd. 7. [APPOINTMENT OF AN ADVISORY COUNCIL.] There shall be an advisory council selected to give advice and counsel to the ECSU board of directors. This council shall be composed of superintendents, central office personnel, principals, teachers, parents, and lay persons. A plan detailing procedures for selection of membership in this council shall be submitted by the ECSU board of directors to the state board of education.

Subd. 8. [EDUCATIONAL PROGRAMS AND SERVICES.] Pursuant to subdivision 6, and rules and regulations of the state

board of education, the board of directors of each operational ECSU shall submit annually a plan to the school districts within the ECSU and the state board of education. The plan shall identify the programs and services which are suggested for implementation by the ECSU during the following school year and shall contain components of long range planning determined by the ECSU in cooperation with the state board of education and other appropriate agencies. The state board of education may review and recommend modification of the proposed plan and conduct ongoing program reviews. These programs and services may include, but are not limited to, the following areas:

Subd. 9. [FINANCIAL SUPPORT FOR THE EDUCATIONAL COOPERATIVE SERVICE UNITS.] (a) Financial support for ECSU programs and services shall be provided by participating local school districts and nonpublic school administrative units with private, state and federal financial support supplementing as available. The ECSU board of directors may, in each year, for the purpose of paying any administrative, planning, operating, or capital expenses incurred or to be incurred, assess and certify to each participating school district and nonpublic school administrative unit its proportionate share of any and all expenses. This share shall be based upon the extent of participation by each district or nonpublic school administrative unit and shall be in the form of a service fee. Each participating district and nonpublic school administrative unit shall remit its assessment to the ECSU board as provided in the ECSU bylaws. The assessments shall be paid within the maximum levy limitations of each participating district. No participating school district or nonpublic school administrative unit shall have any additional liability for the debts or obligations of the ECSU except that assessment which has been certified as its proportionate share or any other liability the school district or nonpublic school administrative unit agrees to assume.

(b) Any property acquired by the ECSU board is public property to be used for essential public and governmental purposes which shall be exempt from all taxes and special assessments levied by a city, county, state or political subdivision thereof.

(c) A school district or nonpublic school administrative unit may elect to withdraw from participation in the ECSU by a majority vote of its full board membership and upon compliance with the applicable withdrawal provisions of the ECSU organizational agreement. Upon receipt of the withdrawal resolution reciting the necessary facts, the ECSU board shall file a certified copy with the state board of education. The withdrawal shall be effective on the June 30 following receipt by the board of directors of written notification of the withdrawal at least six months prior to June 30. (d) The ECSU is a public corporation and agency and its board of directors may make application for, accept and expend private, state and federal funds that are available for programs of educational benefit approved by the state board of education in accordance with regulations adopted by the state board of education pursuant to Minnesota Statutes, Chapter 15. The state board of education shall not distribute special state aid or fed-

eral aid directly to an ECSU in lieu of distribution to a school district within the ECSU which would otherwise qualify for and be entitled to this aid without the consent of the school board of that district.

Subd. 10. [JOINT POWERS ACT.] Nothing in this act shall restrict the authority granted to school district boards of education by Minnesota Statutes, Section 471.59.

Subd. 11. The provisions of this section shall be severable, and if any provision thereof, or the application of any such provision under any circumstances is held invalid, it shall not affect any other provision of this section or the application of any provision thereof under different circumstances.

Sec. 2. [APPROPRIATION FOR ECSU.] There is appropriated to the department of education from the general fund the sum of \$1,100,000 for the biennium ending June 30, 1977 for the purposes of this act.
