H. F. No. 1442, A bill for an act relating to port authorities; changing the sale of property requirements; amending Minnesota Statutes 1974, Section 458.196.

Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. [PORT AUTHORITY OF THE CITY OF ST. PAUL; ADDITIONAL POWERS.] *In addition to the powers granted to and duties imposed upon port authorities by Minnesota Statutes, Chapters 458 and 474, and any other provision of law, and notwithstanding any law to the contrary, the port authority of the city of St. Paul, hereinafter referred to as "the port authority", may exercise the powers granted and shall perform the duties imposed by this act.*

Sec. 2. [BONDS.] *Subdivision 1. Any revenue bonds issued by the port authority pursuant to law may be refunded by revenue bonds issued pursuant to Minnesota Statutes, Chapter 458 or 474.*

Subd. 2. Bonds issued by the port authority pursuant to law shall be executed in such manner as may be determined by the port authority.

Sec. 3. [SALE OF PROPERTY.] *Subdivision 1. When the port authority deems it for the best interests of the port district of the port authority, hereinafter referred to as "district" or "port district", and the people thereof and in furtherance of its general plan of port improvement, or industrial development, or both, it may sell and convey any property or part thereof owned by it within the port or any industrial district within the port district. This section shall not be limited by other laws pertaining to powers of port authorities.*

Subd. 2. When selling and conveying real property the port authority shall give notice of the proposed sale by publication in a newspaper published and of general circulation in Ramsey county and the port district at least ten days before the date fixed for the hearing thereon. The notice shall describe the real property to be sold and state that the terms and conditions of the sale are available for public inspection at the office of the port authority and that at the time and place specified in the notice the port authority will meet to hear and determine the advisability of the sale. The hearing shall be held not more than 20 days from the publication of notice. At the hearing the port authority shall hear the reasons of any taxpayer in the port district for or against the sale.

Subd. 3. Within 30 days after the hearing, the port authority shall make its findings and determination on the advisability of making the sale of real property and enter its determination on its records. Any taxpayer may appeal the determination of the port authority by filing a notice of appeal with the district court of Ramsey county, and serving the same upon the secretary of the port authority, within 20 days of the entry of the determination but no appeal shall be allowed except on the grounds that the action of the port authority was arbitrary, capricious, or contrary to law.

Subd. 4. The terms and conditions of sale of any real property shall include the use which the bidder will be permitted to make of it. The port authority may require the purchaser to file security as assurance that the property will be used for that purpose. In determining the sale terms and conditions the port authority may consider the nature of the proposed use and the relation thereof to the improvement of the riverfront and the city of St. Paul and the business and the facilities of the port authority in general. All sales of real or personal property shall be made upon such terms and conditions as the port authority may prescribe. In any case the port authority may place real or personal property on the market for sale upon advertisement for bids published in the same manner as and simultaneously with the notice of hearing required in this section for real property and award the sale in accordance with the bid deemed by it to be most favorable having regard to the price and the intended use specified, but the port authority shall have the power to sell such properties at private sale at a negotiated price if such sale is deemed in the public interest by the port authority and in furtherance of the aims and purposes of Minnesota Statutes, Sections 458.09 to 458.1991, and in the case of real property after hearing as herein required.

Subd. 5. The port authority may provide that if the purchaser of real property shall, within one year from the date of purchase, fail to devote the real property to its intended use, or shall fail to commence work on the improvements thereon to devote it to such use, the port authority may cancel the sale in which event title to the real property shall revert to it. Extension of time to comply with such condition may be granted by the port authority on good cause shown by the purchaser. The terms of sale may contain any other provision by the port authority which it deems necessary and proper to protect the public interest. No purchaser shall transfer title to such real property within one year without the consent of the port authority.

Subd. 6. The port authority may incorporate in the instrument of conveyance of title of real property sold in accordance with the provisions of this section the conditions of sections 458.09 to 458.1991 relating to the use of the land as a covenant running with the lands. Any violation of such covenant shall result in a right by the authority to declare a breach of the covenant running with the land and seek a judicial decree from the district court declaring a forfeiture and a cancellation of any deed so given.

Subd. 7. No conveyance of real property shall be made by the port authority until the purchaser shall have submitted to the port authority a written statement of intended use and development of the real property sold, and said written statement shall be approved in writing by the port authority.

Subd. 8. No real property owned by the port authority shall be sold or exchanged nor shall the title thereto be transferred

without the unanimous approval of the members of the port authority present and voting when such sale, conveyance, exchange or transfer of real property is authorized, provided that the approval of at least four members of the port authority shall be required. Any member of the port authority may abstain from voting on such sale or exchange of, or transfer of title to such property, or on any other matter, for any reason.

Sec. 4. [PROPERTY EXEMPT FROM LIEN.] *There shall be no right to a lien as provided for in Minnesota Statutes, Chapter 514, upon property owned by the port authority, or the city of St. Paul, when a contractor's bond to secure performance of contracts with such public bodies and to secure payment of laborers and materialmen has been given to the public body, provided that the penalty of such bond is equal to or greater than the contract price.*

Sec. 5. [UNLAWFUL DETAINER ACTIONS.] *In all lawful detainer proceedings pursuant to Minnesota Statutes, Chapter 566, where the landlord is the port authority and the tenant is a commercial tenant with respect to the property in question, trial shall be by the court and no party may demand a trial by jury. Such proceedings shall take precedence and priority over any other action before the court other than similar actions commenced prior to the commencement of said proceedings.*

Sec. 6. [TAX INCREMENT FINANCING.] *Subdivision 1. The provisions of this section shall apply to the port authority notwithstanding and in lieu of the provisions of Minnesota Statutes, Section 458.192, Subdivisions 11 and 12, applicable to port authorities generally. Upon or after the creation by the port authority of an industrial development district under section 458.191, the auditor of Ramsey county shall upon request of the port authority certify the then most recently determined assessed valuation of all or so much of the taxable real property within the district as is identified by legal description in the request as a tax increment district, other than that portion of the valuation which is contributed to an area wide tax base under Minnesota Statutes, Chapter 473F. The auditor shall certify to the port authority in each year thereafter the amounts and percentages of subsequent increases or decreases in such valuation other than that portion of such increases or decreases which is contributed to an area wide tax base under Minnesota Statutes, Chapter 473F. The auditor shall compute the mill rates or taxes against such original valuation but shall extend such rates also against any incremental value and remit the resulting tax increment to the port authority in the same manner as that provided for the computation and remittance of tax increments under section 462.585, subdivisions 2 and 3. The port authority shall segregate tax increments received with respect to any such property located in said tax increment district in a special account on its official books and records. Such tax increments shall be remitted to the port authority until the cost of redevelopment of the marginal land within the tax increment district, including interest thereon,*

has been fully reimbursed from the tax increments. When such full reimbursement has been made, it shall be reported by the port authority to the Ramsey county auditor, who shall thereafter include the entire assessed valuation of the property in the assessed valuations upon which tax mill rates are computed and extended and taxes are remitted to all taxing districts. Any part or all of such tax, if so directed by the St. Paul city council, shall be pledged and appropriated for the payment of any general obligation bonds of the port authority. Increases in the value of such property, subsequent to certification of the base for computing the tax increment therefrom, shall not be included in the assessed valuation of any taxing district for the purpose of computing any debt or levy limitation or the amount of any states or federal aid to the taxing district, so long as the tax increment therefrom is segregated under the provisions of this section.

Subd. 2. The total acreage of land zoned for industrial use included in any one tax increment district certified to the Ramsey county auditor by the port authority under subdivision 1 of this section shall not exceed three percent of the total acreage of the city of St. Paul which is zoned for industrial use at the time of such certification. Upon certification of a new tax increment district the total acreage of land zoned for industrial use within the district shall not, when added to the total current acreage of the land zoned for industrial use included by the port authority within all tax increment districts for which unrecovered costs remain, exceed ten percent of the total acreage of the city of St. Paul zoned for industrial use.

The judges of election may request a voter to complete a registration card that is incomplete or illegible. 206.07. [CANDIDATES, ARRANGEMENT OF NAMES.] Subdivision 1. [PLACEMENT.] Where voting machines are authorized and employed, the titles of offices may be arranged horizontally with the names of the candidates arranged vertically under the title of the office, or the titles of the offices may be arranged vertically with the names of the candidates arranged horizontally opposite the respective titles. On the ("CONSOLIDATED PRIMARY ELECTION BALLOT") *primary ballot* prepared for primary elections, and on the white ballot prepared for the general election, the order of the names of nominees, or names of candidates for election, as the case may be, shall be the same as is required for paper ballots. More than one column or row may be used for the same office or party. Questions, constitutional amendments, or other propositions shall be placed on the machines in the space provided for that purpose and shall be arranged in a manner which construction of the machine requires.

Sec. 14. Minnesota Statutes 1974, Section 206.07, Subdivision 4, is amended to read:

Subd. 4. more than one person for the same office, unless he is lawfully entitled to vote for more than one person therefor, and in that event to limit him to the number to be elected to that office; to prevent him at a primary election(,) from voting for the nomination of candidates of (MORE THAN ONE) *any party not shown on his voter registration card or voter's certificate*, or for any person whose name is not on the official ballot at such election; to prevent him from voting for any candidate or upon any proposed amendment, question or proposition, for whom or upon which he is not lawfully entitled to vote; to permit him to change or retract any vote he has attempted to cast for any candidate for any office or upon any proposition up to the time his vote has been completed, and his vote in favor of such person or proposition has been registered thereon. No machine which does not comply with these requirements shall be approved, authorized or employed; except that machines may be used which are not so constructed as to permit a voter to change from one party to another in a party primary or to retract a vote cast on the irregular ballot device. In such cases the voter shall be required to first return all voting levers to the unvoted position and remove, cross out or erase any vote recorded on the irregular ballot device, as the case may be, and shall then call upon the election officials to witness that it has been done, and they shall then cause the voting machine to be returned to the original unvoted position and shall permit the voter to begin from the beginning once more. Such operation of the voting machine under such conditions as in this paragraph mentioned shall be designated as a spoiled voting machine ballot and the election officials present shall make out and sign a certificate stating the facts for each such case which shall be returned with the official returns of the election.

[FORM.] Except as provided in this section, the primary election ballots shall be printed in the same general manner as is provided for the general election ballots, so far as practicable.
