Every payment made in violation of the provisions of Laws 1939, Chapter 431, shall be deemed illegal, and every official authorizing or making such payment, or taking part therein, and every person receiving such payment, or any part thereof, shall be jointly and severally liable to the state for the full amount so paid or received. If any (APPOINTIVE OFFICER OR) employee of the state shall knowingly incur any obligation or shall authorize or make any expenditure in violation of the provisions of Laws 1939, Chapter 431, or take part therein, it shall be grounds for (HIS) removal (BY THE OFFICER APPOINTING HIM, AND, IF THE APPOINTING OFFICER BE OTHER THAN THE GOVERNOR AND SHALL FAIL TO REMOVE SUCH OFFICER OR EMPLOYEE, THE GOVERNOR MAY EXERCISE SUCH POWER OF REMOVAL, AFTER GIVING NOTICE OF THE CHARGES AND OPPORTUNITY FOR HEARING THEREON TO THE ACCUSED OFFICER OR EMPLOYEE AND TO THE OFFICER APPOINTING HIM) *under the provisions of chapter 43.* Claims presented against existing appropriations without prior allotment or encumbrance may, upon investigation, review, and approval by the commissioner of finance be determined valid where the services, materials, and supplies for which payment is claimed have been actually rendered or furnished to the state in good faith without collusion and without intent to defraud. The salaries so adjusted shall be based on a year of 2088 working hours. Odd fractions may be dropped or added in order to permit equal payments throughout the year regardless of whether the computation slightly decreases or increases the fixed annual, monthly, semi-monthly, daily or other salary of the state (OFFICERS OR) employees.

Subd. (4) 3. If the commissioner provides for equal payments of salaries throughout the year, the payroll shall be allocated as provided in this subdivision.

(1) If the payroll period extends beyond one quarter of the year and into another quarter of the year, the amount of the payroll for such payroll period shall be chargeable to the respective allotments and encumbrances according to procedures to be established by the commissioner of finance.

No provision of any subsequent law relating to the budget, allotment, and encumbrance system or to appropriations for the payment of salaries of state (OFFICERS AND) employees shall be construed as inconsistent with this subdivision unless and except only so

far as expressly provided in such subsequent act that the provisions of this subdivision shall not be applicable or shall be superseded, modified, amended, or repealed.

Subd. (5) 4. Notwithstanding any other law to the contrary, where a state (OFFICER OR) employee directs, in writing, that a voluntary deduction shall be made from his salary or wages, the (OFFICER OR) employee shall file an original and one copy of his written instruction with the credit union, organization, association, agency, or carrier to which the deduction is to be paid and the intended recipient of such deduction shall forward the original of the instruction, signed by the employee, together with such other information as the commissioner of finance may prescribe concerning the amount of the deduction or change therein to the head of the state department or agency who prepares the payroll involved.

Subd. (6) 5. All payrolls for the compensation of work performed, by elective and appointive state (OFFICERS AND) employees, (WITH THE EXCEPTION OF THE LEGISLATIVE AND JUDICIAL BRANCHES,) *in the executive branch* shall be prepared by the (CENTRAL PAYROLL SECTION OF THE) department of finance. *Upon request of the rules committees of the senate or house of representatives or the supreme court, as appropriate, the commissioner shall also prepare payrolls for the legislative and judicial branches by using pay procedures similar to those used in the executive branch.*

Subd. (7) 6. [REPORTING OF HOURS WORKED.] ((1) TO FACILITATE THE LOWERING OF THE PAYROLL PREPARATION COST,) the commissioner of finance may authorize certification by authorized officials as to hours worked for payroll purposes in anticipation of the hours actually worked. The commissioner shall prescribe such procedures as may be necessary to assure that no payment shall be made for hours not worked unless covered by leave in accordance with civil service rules and regulations (OR AS PROVIDED IN CLAUSE (2)).

((2) UPON CERTIFICATION BY THE COMMISSIONER OF FINANCE, ANY AGENCY OF THE STATE GOVERNMENT SHALL RELEASE PART OR ALL OF ANY FUND HELD FOR AN EMPLOYEE TO CORRECT AN OVERPAY-

MENT TO ANY OFFICER OR EMPLOYEE DESCRIBED IN SUBDIVISION 6 WHO HAS BEEN ERRONEOUSLY PAID.)

(PROVIDED, HOWEVER, THAT EMPLOYEE CONTRIBUTIONS IN A RETIREMENT FUND SHALL NOT BE RELEASED UNTIL SUCH TIME AS THE FORMER STATE EMPLOYEE OR PERSON OTHERWISE ENTITLED THERETO WOULD BE ELIGIBLE TO APPLY FOR A REFUNDMENT AND HAS BEEN GIVEN PROPER NOTICE. AMOUNTS PAID UNDER THE PROVISIONS OF THIS SECTION SHALL BE CONSIDERED THE EQUIVALENT OF A REFUNDMENT. IF AN EMPLOYEE OR SURVIVOR IS ENTITLED TO AN IMMEDIATE OR DEFERRED ANNUITY OR SURVIVOR BENEFIT, NO FUNDS SHALL BE PAID FROM HIS RETIREMENT ACCOUNT UNDER THE PROVISIONS OF THIS SECTION.)

Subd. (6) 7. [COMPENSATION.] (1) At the request of an (OFFICER OR) employee of the state of Minnesota, the appointing authority shall, by payroll deduction, defer the payment of such part of the compensation of the officer or employee as provided in a written agreement between the (OFFICER OR) employee and the state of Minnesota in such a manner as will qualify the deferred amount for benefits afforded under federal and state tax laws, regulations, and rulings.

(2) The amount of compensation so deferred shall be used to purchase shares in the Minnesota supplemental retirement fund established in section 11.18. The shares so purchased shall stand in the name of the state of Minnesota for the (OFFICER OR) employee whose deferred compensation purchased said shares until distributed to said (OFFICER OR) employee in a manner agreed upon by the appointing authority and the employee. Nothing in this subdivision shall be construed as to authorize an employer contribution, nor shall the state be responsible for any loss which may result from investment of the deferred compensation.

(3) The provisions of this subdivision, except clause (2), shall be administered by the Minnesota state retirement system pursuant to the provisions of clause (4).

(4) The commissioner of finance shall establish rules, regulations, and procedures to carry out the provisions of this subdivision including allocation of administrative costs against the assets accumulated under this subdivision. Funds to pay such costs are hereby appropriated from the fund or account in which the assets accumulated under this subdivision are placed.

Subd. 8. [PAYROLL COSTS.] *The moneys in the computer services revolving fund used for the costs of preparing the state payroll, and all the earnings accrued thereto, are appropriated to a central payroll revolving fund under the department*

of finance. In the instance of a direct appropriation for the costs of preparing the state payroll, all state departments and agencies shall be billed for their share of the payroll preparation costs through the indirect cost billing system, with the moneys collected being deposited in the general fund.

Sec. 14. Minnesota Statutes 1974, Section 16A.28, is amended to read:

16A.18 [APPROPRIATIONS TO REVERT TO STATE TREASURY.] Except as specifically provided for in appropriation acts, every appropriation or part thereof of any kind hereafter made subject to the provisions of this section remaining unexpended and unencumbered at the close of any fiscal year shall lapse and be returned to the fund from which such appropriation was made; provided, that an appropriation for construction or other permanent improvement shall not lapse until the purposes for which the appropriation was made shall have been accomplished or abandoned unless such appropriation has stood during the entire fiscal biennium without any expenditure therefrom or encumbrances thereon.

After the close of a fiscal year all allotments and encumbrances for that fiscal year shall be cancelled unless an agency certifies to the commissioner that there is an encumbrance incurred pursuant to law for services rendered or goods ordered in the preceding fiscal year. The commissioner may reinstate that portion of the cancellation needed to meet the certified encumbrance or he may charge the certified encumbrance against the current year's appropriation.

Except as otherwise expressly provided by law, the provisions of this section shall apply to every appropriation of a stated sum for a specified purpose or purposes heretofore or hereafter made from the general fund, but shall not, unless expressly so provided by law, apply to any fund or balance of a fund derived wholly or partly from special taxes, fees, earnings, fines, federal grants, or other sources which are by law appropriated for special purposes by standing, continuing, or revolving appropriations.

Sec. 15. Minnesota Statutes 1974, Section 84A.04, is amended to read:

84A.04 [LISTS OF LANDS.] (NOT LATER THAN SEPTEMBER 1, 1929,) the auditor of each county in which a portion of this preserve and hunting ground is situated shall certify to the commissioner of (FINANCE) *natural resources* a list of all the lands within the boundaries of the preserve and hunting ground, except lands lying within the boundaries of any incorporated city, which have been bid in for the state at the delinquent tax sale held in the year 1928 for the non-payment of taxes or special drainage assessments and not redeemed or assigned to

an actual purchaser, which certificate shall contain the following information:

- (1) The legal description of each parcel of such lands;
- (2) The amount of principal and interest of delinquent drainage assessments, if any, or instalments thereof, for all years prior to the date of such report, against each such parcel of land; and
- (3) The amount of drainage assessments thereof assessed against each such parcel of land which have been or are to be extended upon the tax rolls of such county for collection with the taxes for the year 1927 and subsequent years.

On or before June fifteenth, of each year thereafter, such county auditor shall certify to the commissioner of (FINANCE) *natural resources* a supplemental report giving the information contained in the original report covering such lands within this preserve and hunting ground bid in for the state at the annual tax sale of that year and not included in the previous report.

When redemption is made of any parcel of such land within the preserve and hunting ground which has been bid in for the state at any tax sale for taxes heretofore levied or when the tax liens on such land are assigned to an actual purchaser, the county auditor shall report the same forthwith to the commissioner of (FINANCE) *natural resources*, and the county treasurer shall transmit forthwith the proceeds of such redemption to the state treasurer.

After each distribution has been made of the tax collections on the June and November tax settlements, such county auditor shall certify to the commissioner of (FINANCE) *natural resources* the following information relating to bonds issued to finance or refinance public drainage ditches lying wholly or partly within this preserve and hunting ground and the collection of assessments levied on account of such ditches:

- (1) The amount of principal and interest to become due on such bonds prior to the next ensuing tax settlement and distribution;
- (2) The amount of moneys collected from such drainage assessments and credited to the funds of these ditches; and
- (3) The amount of the deficit in the ditch fund of the county chargeable to such ditches.

Upon the approval of this certificate by the commissioner of (FINANCE) *natural resources*, he shall draw a warrant or warrants on the state treasurer, payable out of the Red Lake

game preserve fund, for the amount of the deficit in favor of such county.

As to all public drainage ditches which lie wholly within this preserve and hunting ground, the maximum amount of money which shall be paid to or for the benefit of such county, in the manner above provided, shall never exceed the principal and interest of the bonds issued to finance and refinance such ditches outstanding at the time of the passage and approval of sections 84A.01 to 84A.11, less moneys on hand in the county ditch fund to the credit of such ditches, and such liability shall be reduced, from time to time, by the amount of any and all payments of assessments hereafter extended, made by the owners of lands heretofore assessed for benefits on account of such ditches. As to all public drainage ditches which lie partly within and partly without the boundaries of this preserve and hunting ground, the maximum amount which shall be paid to or for the benefit of such county shall never exceed the percentage of bonds issued to finance and refinance such ditches so outstanding, less moneys on hand in the county ditch fund to the credit of such ditches at the time of the passage and approval of sections 84A.01 to 84A.11, which bears the same proportion to the whole amount of such bonds as the original benefits assessed against lands within the game preserve bear to the original total benefits assessed to the entire system of such ditches, and such liability shall be reduced, from time to time, by the payments of all assessments hereafter extended, made by the owners of lands in this preserve and hunting ground, of assessments for benefits heretofore assessed on account of any such ditch. The commissioner of (FINANCE) *natural resources* shall have authority to provide and prescribe the forms for any reports required by sections 84A.01 to 84A.11 to be made to him, and to require any further and additional information from any officials of these counties which he deems necessary for the proper administration of sections 84A.01 to 84A.11.

Sec. 16. Minnesota Statutes 1974, Section 93.12, is amended to read:

93.12 [FORFEITURE OF PERMITS AND LEASES.] In the event the holder of such permit or lease shall fail to comply with all the provisions contained in sections 93.08 to 93.12 to be by him performed or observed and such default shall continue for a period of 30 days the commissioner of *natural resources* upon 30 days notice to the holder of such permit or lease by registered mail to the address of such holder as shown by the records of the commissioner of (FINANCE) *natural resources* may declare such permit or lease and all rights acquired thereunder forfeited. Upon the filing of the order of forfeiture with the commissioner of (FINANCE) *natural resources* all rights under such lease or permit shall cease.

Sec. 17. Minnesota Statutes 1974, Section 124.23, Subdivision 2, is amended to read:

Subd. 2. Any district entitled to a tax refund under the provisions of this section shall apply to the commissioner of (FINANCE) *revenue* on or before July 1 of each year for such a refund and the commissioner of (FINANCE) *revenue* shall immediately secure the necessary information on the valuation of the railroad property located in such a district from the department of public service subject to taxation under the gross earnings tax act, except rolling stock and the main tracks, and the local school tax rate in such a district, and compute the amount of the refund. For the purposes of this section the railroad valuation shall be taken as of December 31 of the year preceding the application, the taxable valuation as of the first Monday of January of the year of the application, the tax rates of the year of the application and the enrollments as of June 1 of the year of application. The commissioner of (FINANCE) *revenue* shall forthwith (DRAW) *request the commissioner of finance to issue a warrant on the state treasurer for such a refund to be paid from the appropriation otherwise made for that purpose. Provided, however, that no school district qualifying for a refund under this section shall receive more money than would be produced by a tax rate of 53 1/3 mills applied to the railroad property assessed at 30 percent of its full value as reported by the department of public service; nor shall any school district receive a larger refund the second fiscal year of the biennium than it receives the first fiscal year of the biennium by reason of the school district raising its mill rate for school purposes by more than 1.6 2/3 mills.*

If the appropriation made for the purposes of this section is insufficient to pay all the school districts eligible for refund under this section the appropriation shall be prorated among the school districts entitled thereto.

Sec. 18. Minnesota Statutes 1974, Section 276.09, is amended to read:

276.09 [SETTLEMENT BETWEEN AUDITOR AND TREASURER.] On the last day of February, May, and October, of each year, the county treasurer shall make full settlement with the county auditor of his receipts and collections for all purposes, from the date of the last settlement up to and including each day mentioned, and the auditor shall, within 30 days after each settlement, send an abstract of same to the (COMMISSIONER OF FINANCE) *state auditor* in such form as the (COMMISSIONER OF FINANCE) *state auditor* may prescribe. At each settlement the treasurer shall make complete returns of his collections on the current tax list, showing the amount collected on account of the several funds included in the list.

Sec. 19. Minnesota Statutes 1974, Section 276.10, is amended to read:

276.10 [APPORTIONMENT AND DISTRIBUTION OF FUNDS.] On the last day of February, May, and October, of each year, the county auditor and county treasurer shall make distribution of all undistributed funds remaining in the treasury, apportioning the same, as provided by law, and placing the same to the credit of the state, town, city, or school district, and each county fund. Within 20 days after such distribution is completed, the county auditor shall make report thereof to the (COMMISSIONER OF FINANCE) *state auditor*, in such form as the (COMMISSIONER OF FINANCE) *state auditor* may prescribe. The county auditor shall issue his warrant for the payment of any moneys remaining in the county treasury to the credit of the state, town, city, or school district on application of the persons entitled to receive the same.

Sec. 20. Minnesota Statutes 1974, Section 293.10, is amended to read:

293.10 [DRAFT ON DELINQUENT; EVIDENCE.] On or before the tenth day of June, in each year, the commissioner of (FINANCE) *revenue* shall (MAKE HIS DRAFT UPON THE) *issue his order to any* person delinquent in the payment of such tax for the amount of taxes and penalty due thereon and (PLACE THE SAME IN THE HANDS OF THE STATE TREASURER FOR COLLECTION. THE DRAFT OF THE COMMISSIONER OF FINANCE FOR THE TAX AND PENALTY IMPOSED BY THE PROVISIONS OF THIS CHAPTER) *this order* shall be prima facie evidence in any court where proceedings may be brought for its enforcement that the amount therein stated is due from the person (AGAINST WHOM THE SAME IS DRAWN).

Sec. 21. Minnesota Statutes 1974, Section 348.04, is amended to read:

348.04 [PROOFS SENT TO COMMISSIONER OF NATURAL RESOURCES.] Before August first the county auditor shall compare the proofs furnished by the claimant with the assessor's report, and, if they correspond in substance, he shall immediately forward to the commissioner of (FINANCE) *natural resources* the original proofs of claim and a certified list of all plats filed.

Sec. 22. Minnesota Statutes 1974, Section 354A.07, is amended to read:

354A.07 [STATE AID FOR BENEFITS.] Subdivision 1. [CITIES OF FIRST CLASS.] The provisions of this section apply to teachers retirement fund associations and the benefits provided thereby in cities of the first class in which the teaching body thereof has established and incorporated such an association under the provisions of sections 354A.01 to 354A.10.

Subd. 2. [CONTRIBUTION BY STATE.] Notwithstanding any of the provisions of section 354A.06, before the proper officials of the association make the certification to the authorities having charge of levying taxes for school purposes as provided in section 354A.06, and in no case later than September 15 of each year, it shall furnish a copy of the certification which it proposes to make to the (COMMISSIONER OF FINANCE) *teachers retirement association* and at the same time furnish the (COMMISSIONER OF FINANCE) *teachers retirement association* with the number of teachers in the association who are currently contributing to the fund of such association, the amount of the annual salary of each of such teachers, the amount of each teacher's contribution and such other information as the (COMMISSIONER OF FINANCE) *teachers retirement association* may from time to time require.

From such information the (COMMISSIONER OF FINANCE) *teachers retirement association* shall determine the state's obligation as prescribed in subdivisions 3 and 3b and shall *certify such amount to the commissioner of finance who shall then* pay the same to the association from the general fund in the state treasury and so much thereof as may be necessary to annually make such payment is hereby appropriated to the commissioner of finance for such purpose. This payment shall be made no later than October 15 of each year. When the association receives such payment from the commissioner of finance it shall deduct the amount thereof from the amount it proposes to certify to the proper authorities having charge of the levying of taxes for school purposes as provided for in section 354A.06 and the amount necessary to raise by taxation in order to carry out the retirement plan of the association shall be reduced by the amount of the state's payment.

Subd. 3. [FORMULA FOR CONTRIBUTION.] The state's obligation under this section to a teachers retirement fund association in a city of the first class is an amount equal to the average amount, expressed as a percentage of payroll, that the state of Minnesota is required to pay annually for all contributing members of the (STATE) teachers retirement association including social security taxes. This percentage of payroll shall be based on annual estimated payroll amounts and certification information prepared by the (STATE) teachers retirement fund association for the current year, including social security taxes paid the previous year. This percentage of payroll shall be applied to total salary as reported in the annual salary information (FURNISHED) *prepared* by each teachers retirement association in a city of the first class (TO THE COMMISSIONER OF FINANCE) in compliance with subdivision 2 to determine the state's obligation to each teachers retirement fund association in each city of the first class. Any amount by which subsequent actual experience may deviate from the amounts allocated through the foregoing estimates shall be adjusted on succeeding allocations to said associations in cities of the first class. In no

event shall the state's obligation be in excess of the amount required to be certified by such associations under applicable law to the proper authorities who have charge of the levying of taxes for school purposes.

Subd. 3a. Notwithstanding the provisions of subdivisions 1, 2 and 3, the state's obligation under this section to a teachers retirement fund association in a city of the first class which has a fully coordinated teachers retirement social security fund is an amount equal to the average amount, expressed as a percentage of payroll, that the state of Minnesota is required to pay annually for all contributing members of the state teachers retirement association including social security taxes. This percentage of payroll shall be based on annual estimated payroll amounts and certification information prepared by the (STATE) teachers retirement fund association for the current year, including social security taxes paid the previous year. This percentage of payroll shall be applied to total salary as reported in the annual salary information (FURNISHED) prepared by the teachers retirement association (TO THE COMMISSIONER OF FINANCE) in compliance with subdivision 2, to determine the state's obligation to the teachers retirement fund association. Any amount by which subsequent actual experience may deviate from the amounts allocated through the foregoing estimates shall be adjusted on succeeding allocations to the association. The yearly amount received by the association shall then be apportioned in the following manner:

(a) To the teachers retirement fund association, that amount expressed in dollars equivalent to the portion of the state's obligation as determined under this subdivision that results from the payment by the state to the (STATE) teachers retirement association, exclusive of social security taxes.

(b) To Independent School District No. 709, St. Louis county, that amount expressed in dollars equivalent to the portion of the state's obligation as determined under this section that results from payment by the state of social security taxes on contributing members of the (STATE) teachers retirement association.

Subd. 4. The allocation of the commissioner of finance to a teachers retirement fund association in a city of the first class as provided in subdivision 3 shall be reduced by an amount obtained by applying the percentage of payroll calculated in subdivision 3 to that portion of salaries paid from sources other than normal school operating funds as defined in section 354.05, subdivision 27. Before such allocation may be made, each teachers retirement fund association in a city of the first class shall furnish to the (COMMISSIONER OF FINANCE) teachers retirement association a satisfactory certification which shows the total of all salaries paid which are subject to teachers retirement deductions. Such certification shall also show the total amount of salaries paid from normal school operating funds and the total

amount of salaries paid from sources other than normal school operating funds as defined in section 354.05, subdivision 27. For each individual salary included in the total of all salaries paid from sources other than normal school operating funds as defined in section 354.05, subdivision 27, the certification shall show each person's name, his salary or related portion of salary and amount of employer contributions determined by applying the percentage of payroll calculated in subdivision 3 to such salary. Such amount of related employer contributions shall be remitted to the state teachers retirement association by the commissioner of finance until the amount of these remittances and those described in section 354.43, subdivision 3 are equal to the social security receivable as defined in section 354.05, subdivision 29.

Sec. 23. Minnesota Statutes 1974, Section 379.05, is amended to read:

379.05 [RECORD OF DESCRIPTION OF TOWN, WHERE KEPT; ABSTRACT SENT TO COMMISSIONER OF REVENUE.] Each county auditor shall within 30 days after any such town is organized transmit by mail to the commissioner of (FINANCE) *revenue* an abstract of such report, giving the name and boundaries of such town and record in a book kept for that purpose a full description of each such town.

Sec. 24. Minnesota Statutes 1974, Section 379.07, is amended to read:

379.07 [TOWNS WITH SAME NAME.] If the commissioner of (FINANCE) *revenue*, on comparing the abstracts of the reports from the several counties, finds that two or more towns have the same name, he shall transmit to the auditor of the proper county the name to be altered, and the county board shall, at its next meeting thereafter, adopt for such town a different name. When such name is adopted the county auditor shall inform the commissioner of (FINANCE) *revenue*, as before directed.

Sec. 25. Minnesota Statutes 1974, Section 379.09, is amended to read:

379.09 [ORDER OF BOARD.] (THE PRAYER OF THE) petition being granted, the board shall make a formal order to that effect, which shall be filed with the county auditor and thereupon the official name of such town shall be the one so adopted. The auditor shall within 20 days after any such change of name of town transmit by mail to the commissioner of (FINANCE) *revenue* an abstract of all the proceedings and orders of the county commissioners relative to such change of name.

Sec. 26. Minnesota Statutes 1974, Section 385.21, is amended to read:

385.21 [ACTION AGAINST.] If any county treasurer fails to make return or settlement, or to pay over all money with which he stands charged, at the time and in the manner prescribed by law, the county auditor, on receiving instructions for that purpose from the (COMMISSIONER OF FINANCE) state auditor or from the county board of his county, shall cause an action to be commenced against such treasurer and his sureties in the district court of his county; and judgment may be rendered therein against them for the amount due from such treasurer, with interest and a penalty of ten percent thereon.

Sec. 27. Minnesota Statutes 1974, Section 473F.07, Subdivision 1, is amended to read:

473F.07 [COMPUTATION OF AREA-WIDE TAX BASE.] Subdivision 1. Each county auditor shall certify the determinations pursuant to sections 473F.04, 473F.05, and 473F.06 to the administrative auditor on or before November 20 of (1972 AND) each (SUBSEQUENT) year. The administrative auditor shall determine the sum of the amounts certified pursuant to section 473F.06, and divide that sum by two and one half. The resulting amount shall be known as the "area-wide tax base for . . . (year)."

Sec. 28. Minnesota Statutes 1974, Section 473F.07, Subdivision 2, is amended to read:

Subd. 2. The commissioner of (FINANCE) revenue shall certify to the administrative auditor, on or before November 20 of (1972 AND) each (SUBSEQUENT) year, the population of each municipality for the preceding year, the proportion of that population which resides within the area, the average fiscal capacity of municipalities for the preceding year, and the fiscal capacity of each municipality for the preceding year.

Sec. 29. [REPEALER.] *Minnesota Statutes 1974, Sections 3.30, Subdivision 2a; 16.19; 16A.09; 16A.125, Subdivisions 1, 2, 3, 7, 8, 9, and 10; and 136.06 are repealed.*

Page 80, line 15, after the period insert "*If the distribution to any municipality would exceed that municipality's permissible levy for the prior year, computed pursuant to Minnesota Statutes, Sections 275.50 to 275.59, the excess shall be distributed to the other qualifying municipalities on a per capita basis.*".

The motion prevailed and the amendment was adopted.

Adams, S., moved to amend H. F. No. 1674 as follows:

Delete all of Article I and insert a new Article I as follows:

"Article I

Section 1. Minnesota Statutes 1974, Section 290.0601, Subdivision 6 is repealed.

Sec. 2. Minnesota Statutes 1974, Section 290.0601 is amended by adding a subdivision to read:

Subd. 6a. [CLAIMANT.] Any resident who files an individual Minnesota income tax return and who is not a dependent of another taxpayer may claim a tax credit for property taxes to which he has been subject during the taxable year for which the return is filed. The tax credit may be claimed even though the resident has no income taxable under the Income Tax Act. A husband and wife who file separate returns for a taxable year in which they could have filed a joint return may each claim only one-half of the tax credit that would have been allowed on a joint return.

Sec. 3. Minnesota Statutes 1974, Section 290.0601, Subd. 9, is amended to read:

Subd. 9. [PROPERTY TAXES ACCRUED.] Property taxes accrued means the net property tax after deducting the credit allowed by Minnesota Statutes 1967, Section 273.13, Subdivisions 6 and 7, (exclusive of special assessments, delinquent interest and charges for service) levied on a claimant's homestead (IN 1967 OR ANY CALENDAR YEAR THEREAFTER PURSUANT TO MINNESOTA STATUTES 1965, CHAPTERS 272 AND 273). When a homestead is owned by two or more persons or entities as joint tenants or tenants in common and one or more persons or entities is not a member of claimant's household, 'property taxes accrued' is that part of property taxes levied on such homestead as reflects the ownership percentage of the claimant and his household. For the purposes of this paragraph property taxes are 'levied' when the tax roll is delivered to the local treasurer for collection. (THE LOCAL TREASURER WILL INCLUDE WITH THE TAX BILL A STATEMENT THAT IF THE OWNER OF THE PROPERTY IS 65 YEARS OF AGE OR OVER, OR WAS ELIGIBLE TO RECEIVE 'SUPPLEMENTARY SECURITY INCOME FOR THE AGED, BLIND, AND DISABLED' UNDER THE SOCIAL SECURITY AMENDMENTS OF 1972 (P. L. 92-603), OR WAS ELIGIBLE TO RECEIVE SOCIAL SECURITY AID TO THE DISABLED UNDER USCA TITLE 42, SECTION 416, PARAGRAPH (i) (1) OR SECTION 423 (D) HE MAY BE ELIGIBLE FOR THE CREDIT ALLOWED BY SECTIONS 290.0601 TO 290.0616 AND 290.0618.) When a claimant and his household own their homestead part of the preceding calendar year and rent the same or a different homestead for part of the same year 'property taxes accrued' means only taxes levied on the homestead when both owned and occupied as such by claimant and his household at the time of the levy, multiplied by the percentage of 12 months that such property was owned and occupied by such household as its homestead during the preceding year. When a household owns and occupies two or more different homesteads in the same calendar year, property taxes accrued shall relate only to that property occupied by the household as a homestead on the levy date. Whenever a homestead is an integral part of a farm, the claimant may use the total property taxes accrued for the larger unit, but not exceeding 120 acres of land, as described in section 273.13, subdivision 6, except as the limitations of section 290.0608 apply. For the purpose of sections 290.0601 to 290.0616 and 290.0618, the 'unit' refers to that parcel of property covered by a single tax statement of which the homestead is a part.

Sec. 4. Minnesota Statutes 1974, Section 290.0618 is amended by deleting the words 'Senior Citizens' where it appears in the title of the credit schedule.

Sec. 5. Minnesota Statutes 1974, Section 290.0618 is amended as follows: Numbering the credit columns contained in the section from left to right, increase all of the figures to the nearest whole number in column 6 by 20%, in column 7 by 40%, in column 8 by 60%, in column 9 by 80% and in column 10 by 100%.

In the columns labeled 'Total Household Income' in the line that reads 'At least \$5,500, but less than \$6,000' delete "\$6,000" and insert "\$10,000".

Sec. 6. Minnesota Statutes 1974, Section 290.061 is repealed."
