All contracts shall provide that all options in subdivision 2 shall be presented in an unbiased manner, shall be presented in a manner so as to conform to applicable rules promulgated by the executive director, shall be reported on a periodic basis to all employees participating in the deferred compensation program, and shall not be the subject of unreasonable solicitation of state employees to participate in the program. The contract may not call for any person to jeopardize the tax-deferred status of moneys invested by state employees pursuant to this section. All costs or fees in relation to the options provided under subdivision 2, clause (c), shall be paid by the underwriting companies ultimately selected by the state board of investment.*

Sec. 3. Minnesota Statutes 1976, Section 352.96, Subdivision 4, is amended to read:

Subd. 4. [EXECUTIVE DIRECTOR TO ESTABLISH RULES.] The executive director of the Minnesota state retirement system shall establish rules (, REGULATIONS,) and procedures to carry out the provisions of this section including allocation of administrative costs against the assets accumulated under this section. Funds to pay such costs are hereby appropriated from the fund or account in which the assets accumulated under this section are placed. *Rules adopted after July 1, 1977, relating to the options provided under subdivision 2, clauses (b)*

and (c), must be approved by the state board of investment. A state employee shall not be permitted to make payments under a plan until the plan or applicable component thereof has been approved as to its tax-deferred status by the internal revenue service.

Sec. 4. [EFFECTIVE DATE.] *This act is effective on the first day of the first payroll period after July 1, 1977."*

(b) Topographic mapping	314,000	314,000
-------------------------------	---------	---------

To convert certain maps to the 7 1/2 minute scale and update those high priority maps which are obsolete, according to priorities established and reported by the state mapping advisory committee in February, 1977. Information shall be processed into the Minnesota land management information system as applicable.

(c) Outdoor recreation act implementation	401,446	401,446
---	---------	---------

For the second biennium of analysis, master planning and other activities required by Minnesota Statutes 1976, Chapter 86A. Work programs and status reports by the several agencies shall be submitted jointly.

(d) State land recreation development	3,833,250	
---	-----------	--

To be expended in accordance with Minnesota Statutes 1976, Chapter 86A. These funds shall only be expended for development within the authorized or designated boundaries of state operated parks and recreation areas. Of this amount, \$2,400,000 is appropriated from the state parks development account, of which \$1,436,750 may be used for major rehabilitation. At least 90 percent of all moneys provided through this subdivision shall be spent only upon

	1978	1979
	\$	\$
projects eligible for land and water conservation fund match or reimbursement.		

Up to \$3,000,000 of the unexpended balance from the appropriation made in Laws 1975, Chapter 415, Section 1, Subdivision 2 for land acquisition is reappropriated for land development as described in this subdivision.

(e) Upper St. Croix riverway development and acquisition	750,000	
--	---------	--

For land development and acquisition within the project area, to provide the balance of the state share of the state-federal project. Up to \$400,000 may be spent for acquisition if deemed necessary and all expenditures must be eligible for federal reimbursement.

(f) Management Upper St. Croix

The unexpended balance of the appropriation made in Laws 1975, Chapter 204, Section 55, Subdivision 6, Paragraph d, which could not be spent due to administrative delay beyond state control, is reappropriated for the same purpose.

(g) Planning for wild, scenic and recreational rivers	227,500	227,500
---	---------	---------

For expenses related to data gathering, planning, public hearings and other activities preparatory to possible official designation of rivers or river segments as wild, scenic or recreational.

(h) Peat inventory project	125,000	125,000
----------------------------------	---------	---------

The department shall prepare an inventory of major peat areas describing the locations, types, amounts and qualities of peat, shall ascertain suitabilities for different uses and implement the terms of matching grants which may

	1978	1979
	\$	\$
be received from the national science foundation or other sources. Grants or matching moneys so received are appropriated for this purpose.		
(i) Iron range information analysis	50,000	50,000

The department shall develop and implement an information system for the data currently available and for new data which may be produced. Existing and prospective data shall be organized in a format consistent and compatible with the Minnesota land management information system, and shall be processed into that system.

(j) Long range plan	165,500	165,500
---------------------------	---------	---------

In the coming biennium the department shall conduct an accelerated department wide planning effort to produce a long range plan which effectively shows the interagency and interdivisional cooperative processes which will be implemented to insure multidisciplinary approaches to resource management. The goals, objectives and policies of each division and the entire department shall be concise, clearly stated and effectively interrelated. After the biennium, periodic updating of the plan shall be accomplished within the regular budget.

(k) Land records systems merger	45,000	
---------------------------------------	--------	--

The department shall merge the land classification and land ownership records by July, 1978 to produce a single system for use in both research and administration in the department. The new system shall be consistent and compatible with the Minnesota land management information system and the resulting information provided to that system as applicable.

	1978	1979
	\$	\$
(l) Standardized land transactions	17,500	17,500

The department shall, in conjunction with other agencies, develop and implement the processes and forms necessary to produce a comprehensive standard land record system capable of interface with existing resource and facility data systems and the Minnesota land management information system.

(m) Statewide comprehensive outdoor recreation plan-surveys	165,000	165,000
---	---------	---------

The department shall conduct a two year accelerated survey effort to procure the data on recreation participation and public opinion on recreation management necessary and sufficient to not only comply with federal requirements for an eligible plan, but also to provide quality data for incorporation into state and regional recreation and resource management decision making. The department shall also prepare and submit a suitable plan in order to maintain federal funding eligibility without lapse.

(n) Soil and water conservation board sediment and erosion control grants-in-aid	251,000	250,000
--	---------	---------

This appropriation is available to provide funds for a demonstration grant-in-aid program to assist local units of government or local soil and water conservation districts in solving sediment and erosion control problems by providing matching funds not to exceed 50 percent of the total cost or 50 percent of the local share if federal funds are used. Guidelines for program operation and grant distribution shall be subject to approval by the legislative commission on Minnesota resources. Of the amount provided, not less than 90 percent shall be distributed as grants-in-aid. The board shall administer the

	1978	1979
	\$	\$

grant-in-aid program. Priority for distribution of funds shall be given to projects eligible for federal matching funds. Projects designed to solve streambank and roadside erosion shall be given first priority.

If state legislation is enacted in 1977 which duplicates this program, this appropriation shall be placed into the natural resources federal reimbursement account and shall be in addition to the amounts appropriated in that account.

Subd. 8. Pollution Control Agency

(a) Framework water plan — phase II	18,904	18,903
---	--------	--------

For the agency role in phase II of the framework water and related land resources planning effort. The water resources council, or board if created, shall coordinate the work programs and reports of all agencies involved. Staff necessary to accomplish this work shall be provided from among existing agency staff unless the agency determines that the particular duties are so technical and other programs of such high priority that hiring new staff is essential to success of the overall framework water planning.

(b) Lake improvement grants-in-aid	692,813	692,813
--	---------	---------

The pollution control agency shall administer this appropriation to provide grants-in-aid to local units of government including lake improvement districts. Only grant proposals eligible for aid from the federal clean lakes act (section 314 of PL 92-500) shall be eligible under this program. State grants shall be available to provide up to 50 percent of the nonfederal share of each project and available only to projects with an approved federal grant. This appropriation shall be ex-

(a) Framework water plan — phase II

The agency shall be involved in phase II of the framework water and related land resources planning effort. The agency shall assist the other agencies involved on the interdisciplinary aspects of the issues which are identified and the policies which might be affected by alternative potential solutions to problems, using regular agency budget resources.

(b) Copper nickel regional impact study

1,021,000

1,021,000

For the final phase of the study initiated in 1975. The environmental quality council shall provide the expenditure plans, coordination and direction of the study. Staffing authorizations created through past and current appropriations for this study expire June 30, 1979 or sooner as study progress dictates. The primary objective of this study effort is preparation and submittal to the legislature in the 1979 session, of a report which provides the basis for legislative policy making in this issue area.

(c) Outdoor recreation act implementation

32,500

32,500

To provide both the staff for the agency review process required and the administrative support for the outdoor recreation advisory council, pursuant to Minnesota Statutes, Chapter 86A.

	1978	1979
	\$	\$
(d) Mapping and remote sensing information center	5,000	5,000

The agency shall establish a center and an advisory committee of user agency personnel. The agency will manage the information on what products already exist, coordinate proposed remote sensing and mapping efforts to avoid unnecessary duplication and generally improve access to available products. All state agencies shall cooperate with the center to provide information on both present and proposed remote sensing or mapping products and shall adjust proposed remote sensing activities to accommodate the widest practical use of the proposed products. Future operation of the center shall be supported from the regular agency budget, if justified.

(e) Manual of standard land terms	5,000	
-----------------------------------	-------	--

The agency shall produce by January 1, 1978 a manual which provides standard terms for use in describing land use and land cover in a format suitable to all state agencies involved to any extent in use of natural resource data. The terms in the manual shall be consistent and compatible with the Minnesota land management information system.

(f) Demonstration project MLMIS	55,000	55,000
---------------------------------	--------	--------

The agency shall conduct a one time pilot project, as the completion phase of development of the Minnesota land management information system, which will demonstrate the applicability of the system at the regional and local level. Further implementation at the regional or local level shall be provided only with regional or local financial support.

(g) Grants-in-aid for local recreation and natural areas	2,000,000	2,000,000
--	-----------	-----------

This appropriation is to pay up to 50 percent of the total cost or 50 percent

	1978	1979

of the local share if federal matching funds are used, of long term lease, acquisition and development for recreational projects for the purposes described in Laws 1965, Chapter 810, Section 23, as amended by Laws 1969, Chapter 1139, Section 48, Subdivision 7, Paragraph g, except that no lake improvement grants are authorized under this subdivision and the per project limit for state grants shall be \$200,000.

\$2,000,000 of this appropriation shall be reserved for projects outside the metropolitan area as defined in Minnesota Statutes, Section 473.121, Subdivision 2.

The state planning agency shall administer the natural resources and land and water conservation fund grants-in-aid to local units of government. Notwithstanding any other law to the contrary these grants are not contingent upon the matching of federal grants.

This appropriation shall be expended with the approval of the governor after consultation with the legislative advisory commission. The legislative commission on Minnesota resources shall make recommendations to the legislative advisory commission regarding such expenditures.

(h) Grants-in-aid for regional recreation and natural areas	2,000,000	2,000,000
---	-----------	-----------

This appropriation is available to pay up to 50 percent of the total cost or 50 percent of the local share, where federal matching funds are used, for long term lease, acquisition and major development for recreation projects, natural areas and open space serving a regional need to counties, local units of government, special units of government and public educational institutions authorized to acquire, maintain and operate recreational and natural areas.

	1978	1979
	\$	\$

\$2,000,000 of this appropriation shall be reserved for projects outside the metropolitan area as defined in Minnesota Statutes, Section 473.121, Subdivision 2.

Priorities for the use of funds provided in this subdivision will be given to projects eligible for federal funding and which are consistent with priorities established by regional recreation and open space plans.

The amount needed but not to exceed \$1,000,000, in fiscal year 1978 and \$1,000,000 in fiscal year 1979, from this appropriation shall be transferred to the metropolitan council to pay principal and interest coming due in the respective fiscal years on bonds issued pursuant to Laws 1974, Chapter 563, Section 7, Subdivision 2; none of this amount may be expended for professional services.

The state planning agency shall administer the natural resources and land and water grants-in-aid program.

This appropriation shall be expended with the approval of the governor after consultation with the legislative advisory commission. The legislative commission on Minnesota resources shall make recommendations to the legislative advisory commission regarding such expenditures.

(i) Regional significance designation	45,000	45,000
---	--------	--------

The agency shall make grants to the various regional development commissions or other appropriate bodies, outside the area defined in Minnesota Statutes 1976, Section 473.121, Subdivision 2, to provide partial assistance to be distributed pursuant to the regular fiscal year contracts with the respective commissions. The grants are for the

	1978	1979
	\$	\$

preparation of lists of existing and prospective sites and facilities within each region which indicate, by priority for both acquisition and development, those areas which are considered as having regional significance. After July 1, 1978, grants-in-aid for recreation and natural areas under paragraph h, above, shall be made, so far as feasible, consistent with the listing prepared and submitted under this paragraph.

It is anticipated that this program will expire on or before June 30, 1979. If administrative rules are deemed necessary for this particular program by the attorney general, the agency shall amend existing administrative rules as applicable.

(j) Uniform generalized forest maps

The unexpended balance of the appropriation made in Laws 1975, Chapter 204, Section 55, Subdivision 7, Paragraph c, which could not be spent due to delay of the state forest inventory, is reappropriated.

Subd. 11. Professional services

(a) Department of natural resources

Of the amounts appropriated to the commissioner of natural resources in this section for land acquisition and development purposes, not more than 15 percent may be expended for professional services.

(b) State planning agency

Of the amounts appropriated in subdivision 7, paragraphs g and h of this section, not more than \$249,000 may be spent by the state planning agency for administration of the grants-in-aid programs specified therein.

(c) Pollution control agency

Of the amount appropriated in subdivision 8 (b) for lake improvement grants, not more than five percent may be spent by the pollution control agency for administration of the grants-in-aid programs specified therein.

Subd. 12. Work programs

It shall be a condition of acceptance of the appropriations made by this section that the agency or entity receiving the appropriation shall submit work programs and semiannual progress reports in the form as may be determined by the legislative commission on Minnesota resources. None of the moneys provided in this section may be expended unless the commission has approved the pertinent work program.

Subd. 13. Natural resources federal reimbursement account

	1978	1979
	\$	\$

Federal reimbursements and match money received for the purposes described in Minnesota Statutes, Chapter 86, regardless of the source of state match, credit or value used to earn the reimbursement or match shall in the first instance be credited to a federal receipt account by the state agency receiving the reimbursement or match. Any state department or agency, including the Minnesota historical society and the university of Minnesota, which receives reimbursements or matching moneys as described above shall transfer those amounts to the natural resources federal reimbursement account. Of the amounts transferred, \$1,000,000 is appropriated for the purposes of that account.

Any land and water conservation fund moneys received over and above the normal state apportionment from that fund are also appropriated for the purposes of this reimbursement account. This appropriation shall be considered as additional to the specific amount appropriated from the amounts transferred in this subdivision.

These appropriations are available for the purposes of state land acquisition and development as described in this section, when the acquisition and development is deemed to be of an emergency or critical nature. In addition these moneys shall be available for studies initiated by the legislative commission on Minnesota resources which are found to be proper in order for the commission to carry out its legislative charge.

Requests for allocation from the account for acquisition or development must be accompanied by a certificate signed jointly by the state planning officer and commissioner of natural resources, showing a review of the application against Minnesota Statutes, Chapter 86A. Copies of the certification

	1978	1979
	\$	\$

must be submitted to the appropriate legislative committees and commissions.

After all the federal reimbursement and matching moneys are received for the Upper St. Croix riverway project, this account may be used to provide additional state moneys for acquisition and development on that project, and the necessary amounts are appropriated for the project. This appropriation shall be considered as additional to the specific amounts appropriated in this subdivision.

The appropriations made under the above paragraphs shall be expended with the approval of the governor after consultation with the legislative advisory commission. The legislative commission on Minnesota resources shall make recommendations to the legislative advisory commission regarding the expenditures.

Subd. 14. For all appropriations in this section, if the appropriation for either year is insufficient, the appropriation for the other year is available for it.

There is appropriated to the commissioner of finance from the appropriate funds in the state treasury the sums necessary to pay cost of living increases to classified employees and unclassified employees who are paid salaries comparable to employees in civil service pay schedules A, B and C. The increases may be paid to covered employees of the legislative, executive and judicial branches of state government, employees of the state highway patrol, employees of the Minnesota historical society and nonacademic employees of the university of Minnesota who are paid by state funds, if the increases are authorized by law during the 1977 session of the legislature or if the increases are authorized by appropriate resolutions for employees of the legislature.

Subd. 2. The commissioner shall transfer the amounts to the appropriate accounts. Sums so transferred are appropriated for the biennium beginning July 1, 1977.

Subd. 3. Any sums certified and transferred to the university of Minnesota under the provisions of this section shall only be used for the purpose certified. Any sum transferred that exceeds the increased cost above the amount appropriated for that purpose shall be returned and deposited in the state treasury.

Sec. 60. [PAYMENT OF BASIC LIFE INSURANCE AND HEALTH BENEFIT COVERAGE.] In the event that premium rates for basic life insurance and basic health benefit coverage authorized for eligible state employees and their dependents are increased over the rates in existence at the time of the passage of this act, the commissioner of finance is authorized to transfer the required amounts to the appropriate accounts of state agencies and the university of Minnesota. The sums of money necessary for the purposes are appropriated from such account and funds in the state treasury. In order to enable the commissioner of finance to maintain proper records covered by the appropriations made by this section he may require certification in connection therewith as he may deem necessary from any state departments or the university of Minnesota whose members receive benefits pursuant to Minnesota Statutes, Sections 43.42 to 43.50. The sums transferred are appropriated. The appropriations made by this section are for the biennium beginning July 1, 1977.

Sec. 61. [TRANSFERS.] Subdivision 1. The commissioner of finance shall make the transfers provided for in this section.

Subd. 2. The commissioner shall transfer the sum of \$5,224.39 from the highway user tax distribution fund to the general fund to correct an underestimate in the cost of collecting the tax on gasoline and gasoline substitutes during the 1973-75 biennium.

Subd. 3. The commissioner shall transfer the sum of \$1,683,-437.99 from the highway user tax distribution fund to the general fund to reimburse the general fund for the cost of collecting the tax on gasoline and gasoline substitutes and the cost of bond premiums during the 1975-77 biennium.

Sec. 62. [DETAILS.] The staffs of the senate finance committee and the house appropriations committee shall, at the request of agencies receiving appropriations in this act and the commissioner of finance, provide wherever available detailed information on the activities and objects of expenditures that go into the appropriation totals.

Sec. 63. [COMPUTER SYSTEM DEVELOPMENT.] In all cases where an appropriation made in this act includes money for computer system development, development shall not proceed beyond PRIDE phase I until the project has been reviewed and approved by the commissioners of administration and finance. All approved projects shall be reported to the chairmen of the house appropriation committee and senate finance committee to receive their recommendation on the project. A recommendation is advisory only. In the case of rejected projects, the commissioner of finance shall cancel the unencumbered balance of the appropriation allotted for development of the project.

Sec. 64. [BALANCE TRANSFERRED.] The unencumbered balance of each fund or account abolished by this act is transferred to the general fund.

Sec. 65. Minnesota Statutes 1976, Section 5.08, Subdivision 2, is amended to read:

Subd. 2. [DISTRIBUTION.] 15,000 copies of the legislative manual shall be printed and distributed as follows:

(1) 25 copies shall be available to each member of the legislature on request;

(2) 50 copies to the state historical society;

(3) 25 copies to the state university;

(4) 60 copies to the state library;

(5) Two copies each to the library of Congress, the Minnesota veterans home, the state universities, the state high schools,

the public academies, seminaries, and colleges of the state, and the free public libraries of the state;

(6) One copy each to the state institutions not hereinbefore mentioned, the elective state officials, the appointed heads of departments, the officers and employees of the legislature, the justices of the supreme court, the judges of the district court, the senators and representatives in Congress from this state, and the county auditors;

(7) One copy to each public school, to be distributed through the superintendent of each school district; and

(8) The remainder may be disposed of as the secretary of state deems best, (AND AT A PRICE THE SECRETARY OF STATE SHALL ESTABLISH. ALL RECEIPTS FROM THE SALE OF THE LEGISLATIVE MANUAL SHALL BE DEPOSITED TO THE GENERAL FUND).

Sec. 66. Minnesota Statutes 1976, Section 5.09, is amended to read:

5.09 [LEGISLATIVE MANUAL, STUDENTS' EDITION.] The secretary of state, subject to the approval of the president pro tem of the senate and speaker of the house of representatives, shall prepare, compile, edit, and distribute a brief edition of the legislative manual, as provided in section 5.08, suitable for (SALE TO) school pupils (AT A PRICE TO BE FIXED BY THE SECRETARY OF STATE).

Sec. 67. Minnesota Statutes 1976, Section 10.30, is amended to read:

10.30 [EMPLOYEES' COMPENSATION REVOLVING FUND, REIMBURSEMENT.] In all cases where any state department owes the employees' compensation revolving fund, created by sections 176.591, 176.601 and 176.611, for claims paid its employees, and no direct appropriation is made therefor, such department shall reimburse the revolving fund from the (FUNDS AVAILABLE TO IT FOR SUPPLIES AND EXPENSE) *money appropriated for operation of the department.*

Sec. 68. Minnesota Statutes 1976, Chapter 16A, is amended by adding a section to read:

[16A.123] [APPROVED COMPLEMENT.] *The approved complement set for an agency by law limits the number of persons who may be employed by the agency at any one time. The approved complement does not apply to independent contractors. The approved complement does not include part-time employees, seasonal employees, summer student help, service workers pre-service trainees employed pursuant to affirmative action pro-*

grams approved by the commissioner of personnel, or employees engaged in repair or construction projects; these employees are in addition to the approved complement but may be employed only with the advance approval of the commissioner of administration who shall determine the need for them and the commissioner of finance who shall determine that money is available. The approved complement applies to persons employed by the agency regardless of the fund from which they are paid.

Additional employees over the number of the approved complement may be employed on the basis of public necessity or emergency with the written approval of the commissioner of administration who shall determine the need for them and the commissioner of finance who shall determine that money is available. The commissioner of finance shall promptly notify the committee on finance of the senate and the committee on appropriations of the house of representatives of the additions.

Sec. 69. Minnesota Statutes 1976, Section 85A.04, Subdivision 1, is amended to read:

85A.04 [ZOOLOGICAL GARDEN ACCOUNTS IN THE GENERAL FUND.] Subdivision 1. [MINNESOTA ZOOLOGICAL GARDEN GENERAL ACCOUNT.] A Minnesota zoological garden general account is created in the general fund. All receipts from the operation of the Minnesota zoological garden shall be deposited to the credit of such account (AND ARE HEREBY APPROPRIATED ANNUALLY TO THE STATE ZOOLOGICAL BOARD TO CARRY OUT THE TERMS AND PROVISIONS OF THIS CHAPTER). Money in this account may be expended as *appropriated biennially* for operation, capital improvements, and equipment of the Minnesota zoological garden, including lease rentals and for acquisition of wild and domestic animals therefor and for payment of the principal of and interest on Minnesota state zoological garden bonds.

Sec. 70. Minnesota Statutes 1976, Section 116D.04, Subdivision 3, is amended to read:

Subd. 3. Upon the filing with the board of a petition of not less than 500 persons requesting an environmental impact statement on a particular action, the board shall review those petitions deemed by the board to involve potential for significant environmental effects or to concern an action of more than local significance and, where there is material evidence of the need for an environmental review, require the preparation of an environmental impact statement in accordance with provisions of this section. *Any decision as to the need for environmental review of an action pursuant to this chapter or any challenge to the issuance of a negative declaration notice or an environmental impact statement preparation notice shall not constitute a contested case within the meaning of Minnesota Statutes, Chapter 15. Notwithstanding any other law, a decision of the board to*

require or refuse to require the preparation of an environmental impact statement shall constitute a public value decision, legislative in nature, and as such is appealable only as to the propriety of the board's procedure or the authority of the board to act.

Sec. 71. Minnesota Statutes 1976, Section 116E.03, Subdivision 1, is amended to read:

116E.03 [POWERS AND DUTIES.] Subdivision 1. [GENERALLY.] The environmental education board shall operate under the (GENERAL) supervision of the (ENVIRONMENTAL QUALITY BOARD) *department of education*. The environmental education board shall submit its budget to the (ENVIRONMENTAL QUALITY CONTROL BOARD) *department of education* each year for review and approval. Twice each year the state environmental education board shall report to the (ENVIRONMENTAL QUALITY BOARD) *department of education* on the status of its programs and operations. In addition to any powers or duties otherwise prescribed by law and without limiting the same, the state environmental education board shall have the powers and duties hereinafter specified. *There is appropriated to the department of education for the purposes of this section*

1978	1979
\$214,933	\$217,715

No less than 50 percent of the efforts of the state and regional boards shall be directed to cooperation with and service for other groups, agencies, and institutions for the dissemination of environmental information.

Sec. 72. Minnesota Statutes 1976, Section 176.611, Subdivision 6a, is amended to read:

Subd. 6a. [APPROPRIATIONS CONSTITUTING FUND.] There is hereby appropriated from the general fund in the state treasury to the state compensation revolving fund the sum of (\$967,690) *\$3,032,991* to be used to pay claims of employees of the state. This appropriation together with the sum of \$74,013.12 heretofore appropriated from the trunk highway fund and (\$2,395,986.88) *\$3,363,676.88* heretofore appropriated from the general fund totals (\$3,437,960) *\$6,470,681* and constitutes the revolving fund.

Sec. 73. Minnesota Statutes 1976, Section 298.22, Subdivision 1, is amended to read:

298.22 [IRON RANGE RESOURCES AND REHABILITATION.] Subdivision 1. (ON AND AFTER JULY 1, 1969, THERE IS HEREBY APPROPRIATED FROM THE GEN-

ERAL FUND FOR THE PURPOSES HEREINAFTER SET FORTH, FIVE PERCENT OF ALL AMOUNTS PAID AND CREDITED TO SAID FUND FROM THE PROCEEDS OF TAXES PAID UNDER THE PROVISIONS OF SECTIONS 298.01 TO 298.21.) The office of commissioner of iron range resources and rehabilitation is hereby created. The commissioner shall be appointed by the governor, with the advice and consent of the senate for a four year term which shall coincide with the term of the governor until his successor is duly appointed and has qualified. The governor may remove the commissioner at any time for cause after notice and hearing. In case of a vacancy, the governor may appoint a commissioner, who shall take office immediately and shall carry on the duties of the office until the next session of the legislature, when his appointment shall be submitted to the senate for approval. The (SALARY OF THE) commissioner (, WHO) shall be in unclassified service (, SHALL BE PAID FROM THE AMOUNTS APPROPRIATED BY THIS SECTION; PROVIDED, THAT SUCH SALARY SHALL BE REDUCED OR SUCH AMOUNT AS HE MAY RECEIVE FROM OTHER FUNDS, AND). The commissioner may hold such other positions or appointments as are not incompatible with his duties as commissioner of iron range resources and rehabilitation. The commissioner may appoint a deputy commissioner who shall serve in the unclassified service at the pleasure of the commissioner. (ALL EXPENSES OF THE COMMISSIONER, INCLUDING THE PAYMENT OF SUCH ASSISTANCE AS MAY BE NECESSARY, SHALL BE PAID OUT OF THE AMOUNTS APPROPRIATED BY THIS SECTION.)

When the commissioner shall determine that distress and unemployment exists or may exist in the future in any county by reason of the removal of natural resources or a possibly limited use thereof in the future and the decrease in employment resulting therefrom, now or hereafter, he may use such amounts of the appropriation made to him (IN THIS SECTION) as he may determine to be necessary and proper in the development of the remaining resources of said county and in the vocational training and rehabilitation of its residents. For the purposes of this section, "development of remaining resources" includes, but is not limited to, the promotion of tourism.

Sec. 74. Minnesota Statutes 1976, Section 298.22, Subdivision 2, is amended to read:

Subd. 2. There is hereby created the iron range resources and rehabilitation board, consisting of seven members, three of whom shall be state senators appointed by the committee on committees of the senate, and three of whom shall be representatives, appointed by the speaker of the house of representatives, their terms of office to commence on May 1, 1943, and continue until January 3rd, 1945, or until their successors are appointed and qualified. Their successors shall be appointed each two years in the same manner as the original members were appointed, in

January of every second year, commencing in January, 1945. The seventh member of said board shall be the commissioner of natural resources of the state of Minnesota. Vacancies on the board shall be filled in the same manner as the original members were chosen. All expenditures and projects made by the commissioner of iron range resources and rehabilitation shall first be submitted to said iron range resources and rehabilitation board which shall recommend approval or disapproval or modification of expenditures and projects for rehabilitation purposes as provided by this section, and the method, manner, and time of payment of all said funds proposed to be disbursed shall be first approved or disapproved by said board. The board shall biennially make its report to the governor and the legislature on or before November 15 of each even numbered year. (THE EXPENSES OF SAID BOARD SHALL BE PAID BY THE STATE OF MINNESOTA FROM THE FUNDS RAISED PURSUANT TO THIS SECTION.)

Sec. 75. Minnesota Statutes 1976, Section 298.221, is amended to read:

298.221 [RECEIPTS FROM CONTRACTS; APPROPRIATION.] All moneys paid to the state of Minnesota pursuant to the terms of any contract entered into by the state under authority of (LAWS 1941, CHAPTER 544, SECTION 4, OR OF SAID SECTION AS AMENDED) *section 298.22* and any fees which may, in the discretion of the commissioner of iron range resources and rehabilitation, be charged in connection with any project pursuant to that section as amended, shall be deposited in the state treasury to the credit of the (IRON RANGE RESOURCES AND REHABILITATION BOARD ACCOUNT IN THE SPECIAL REVENUE) *general fund* (AND ARE HEREBY APPROPRIATED FOR THE PURPOSES OF SECTION 298.22).

Sec. 76. Minnesota Statutes 1976, Section 298.244, Subdivision 1, is amended to read:

298.44 [DIVISION OF PROCEEDS OF SUPPLEMENTARY TAX ON TACONITE AND IRON SULPHIDES.] Subdivision 1. The proceeds of the tax collected under section 298.243 shall be distributed by the commissioner of revenue, to various taxing districts and to the general fund in the following manner:

(1) Ten cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton", on which the tax is imposed in section 298.243, shall be distributed to the county in which the taconite is mined or quarried or in which the concentrate is produced, less any amount which is to be distributed pursuant to clause (1a). The commissioner shall follow the apportionment formula prescribed in section 298.28, sub-

division 1. The commissioner of revenue shall make all the necessary calculations and certify these calculations to the county auditor of each qualifying county. Payments provided herein shall be deducted in determining the county government's levy limitations under sections 275.50 to 275.56.

(1a) If an electric power plant owned by and providing the primary source of power for a taxpayer mining and concentrating taconite is located in a county other than the county in which the mining and the concentrating processes are conducted, one cent per gross ton of the tax distributed to the counties pursuant to clause (1) and imposed on and collected from such taxpayer shall be distributed by the commissioner of revenue to the county in which the power plant is located.

(2) Twenty cents per taxable ton, less any amount distributed under clause (2a), shall be distributed to a group of school districts comprised of those school districts wherein the taconite was mined or quarried or the concentrate produced or in which there is a qualifying municipality as defined by section 273.134 or in which is located property which is entitled to the reduction of tax pursuant to section 273.135. The 20 cents, less any amount distributed under clause (2a), shall be distributed in direct proportion to school district tax levies as follows: each district shall receive that portion of the total distribution which its permitted levy for the prior year, computed pursuant to section 275.125, comprises of the sum of permitted levies for the prior year for all qualifying districts, computed pursuant to section 275.125. That portion of the amount so distributed to a school district which is not deducted from state aids in section 124.212, subdivision 8a, shall be included in computing the permissible levies under section 275.125. For purposes of distributions pursuant to this clause, permitted levies for the prior year computed pursuant to section 275.125 shall not include the amount of any increased levy authorized by referendum pursuant to section 275.125, subdivision 2a, clause (4).

(2a) In 1976 and each year thereafter, there shall be distributed to any school district the amount which the school district was entitled to receive under section 298.32, in 1975.

(3) One cent per taxable ton shall be deposited in the state treasury to the credit of the (IRON RANGE RESOURCES AND REHABILITATION BOARD ACCOUNT IN THE SPECIAL REVENUE FUND AND IS HEREBY APPROPRIATED FOR THE PURPOSES OF SECTION 298.22) *general fund*. (THIS MONEY IS TO BE USED TO) *The iron range resources and rehabilitation board may provide environmental development grants to local governments located within any county in region 3 as defined in governor's executive order number 60 issued on June 12, 1970, which does not contain a municipality qualifying pursuant to section 273.134.*

(4) Eight cents per taxable ton shall be paid to the property tax relief account in the apportionment fund in the state treasury and shall be distributed as provided in sections 273.134 to 273.136.

Sec. 77. Minnesota Statutes 1976, Section 326.241, Subdivision 3, is amended to read:

Subd. 3. [FEES AND FINANCES; DISPOSITION.] All (LICENSE) fees collected under the provisions of (LAWS 1967, CHAPTER 602) sections 326.241 to 326.248 are to be credited to the general fund. (OF) The unexpended balance in a special fund of the board as of July 1, (1973, THOSE PORTIONS ATTRIBUTABLE TO PREVIOUSLY COLLECTED LICENSE FEES CREDITED TO THE FUND, BUT NOT INSPECTION FEES HELD IN ESCROW) 1977, shall be credited to the general fund. The expenses of administering sections 326.241 to 326.248 shall be paid from appropriations made to the board of electricity.

Sec. 78. Minnesota Statutes 1976, Section 472.13, Subdivision 1, is amended to read:

472.13 [APPROPRIATION TO DEVELOPMENT REVOLVING FUND.] Subdivision 1. There is hereby appropriated out of the general fund in the state treasury not otherwise appropriated the sum of \$1,500,000 to the state executive council to be used for the purposes set forth in these sections (, INCLUDING) *excluding* the necessary cost of administration thereof. The sum hereby appropriated shall be credited to a special account in the state treasury to be known as the development revolving fund to be drawn upon and used by the state agency in the manner and for the purposes provided for in these sections.

Sec. 79. Laws 1976, Chapter 260, Section 3, is amended to read:

Sec. 3. [16.97] [CRIMINAL AND JUVENILE DEFENSE GRANTS.] *Subdivision 1.* (THE SUMS) *Money* appropriated (BY THIS ACT) *for the provision of criminal and juvenile defense to indigent individuals* shall be distributed by the commissioner of administration in consultation with the attorney general to (ONE) *the non-profit criminal and juvenile defense (CORPORATION IN EACH OF THE FIVE NAMED LOCALITIES) corporations designated by law.* (FUNDS) *Money* may not be disbursed to a corporation in the Leech Lake reservation area (AND) *or the White Earth reservation area without prior approval by the respective reservation business committee.* (FUNDS SHALL BE DISBURSED TO THOSE NON-PROFIT CRIMINAL AND JUVENILE DEFENSE CORPORATIONS DESIGNATED BY THE COMMISSIONER OF AD-

MINISTRATION BY JULY 1 OF EACH YEAR) *Within its geographic area of responsibility each corporation shall accept cases involving felony, gross misdemeanor, and misdemeanor charges, and juvenile cases, where financial eligibility standards are met, unless there is a legal reason for rejecting a case. A corporation may accept cases arising outside of its geographic area of responsibility, as it deems appropriate.* The commissioner of administration shall give notice 30 days in advance and conduct a hearing if he has reasonable grounds to believe (FUNDS) money appropriated (BY) for this (ACT ARE) purpose is being improperly used, or (,) if, in consultation with the attorney general, he has reasonable cause to believe criminal and juvenile defense of proper quality is not being supplied. (FUNDS) Payment shall cease from the date of notice until either the commissioner determines that the (FUNDS) money appropriated (BY THIS ACT) will be properly handled, or the commissioner, in consultation with the attorney general, determines that criminal and juvenile defense of proper quality will be provided. A participating corporation may give notice at any time of its withdrawal from this program of financial assistance.

Subd. 2. An employee, administrator, or officer of a recipient of the money provided by this section who discriminates on the basis of sex, race, color, national origin, religion, or creed is guilty of a gross misdemeanor.

Sec. 80. Minnesota Statutes 1976, Sections 16.173 and 299D.03, Subdivision 4, are repealed."

Further amend by striking the title and inserting:

"A bill for an act relating to the organization and operation of state government; appropriating money for the general administrative and judicial expenses of state government and limiting the use thereof; providing for the transfer of certain moneys in the state treasury; authorizing land acquisition in certain cases; fixing and limiting the amount of fees to be collected in certain cases; amending Minnesota Statutes 1976, Sections 5.08, Subdivision 2; 5.09; 10.30; 85A.04, Subdivision 1; 116D.04, Subdivision 3; 116E.03, Subdivision 1; 176.611, Subdivision 6a; 298.22, Subdivisions 1 and 2; 298.221; 298.244, Subdivision 1; and 326.241, Subdivision 3; 472.13, Subdivision 1; Chapter 16A, by adding a section; and Laws 1976, Chapter 260, Section 3; repealing Minnesota Statutes 1976, Sections 16.173 and 299D.03, Subdivision 4."

The motion prevailed and the amendment was adopted.

Legal muzzle loading firearms shall be permitted by the commissioner on public lands only;*

(2) Deer, by legal firearms and with bow and arrow, between November 1 and December 15, with the length of the season to be determined by the commissioner; *and*

(3) Moose, between January 1 and December 31 in any of the calendar years 1976 through 1979 as determined by the commissioner, by legal firearms and with bow and arrow, in areas of the state, and under such restrictions and on such dates as the commissioner may by order provide; for purposes of this section a split season in any one calendar year shall be considered as one season (;)

((4) DEER, BY BOW AND ARROW ONLY, BETWEEN OCTOBER 15 AND NOVEMBER 15 IN A YEAR AND AREA WHEN THE COMMISSIONER HAS PROVIDED THAT DEER MAY NOT BE TAKEN BY LEGAL FIREARMS IN THAT YEAR IN THAT AREA;)

((5) THE COMMISSIONER MAY DESIGNATE ANY AREA OF THE STATE TO BE OPEN FOR THE TAKING OF DEER BY BOW AND ARROW PROHIBITING OTHER MEANS OF TAKING DEER IN THESE AREAS).

Sec. 2. Minnesota Statutes 1976, Section 100.27, Subdivision 9, is amended to read:

Subd. 9. *In addition to the season prescribed in clause (6) of subdivision 2, bear may be taken in such areas of the state, under such restrictions, and on such dates as the commissioner may, by order, provide. Nothing in this subdivision shall prevent a person from taking a bear to protect his property. Such taking shall be reported to a conservation officer within 48 hours. Bear so taken may thereafter be disposed of in the same manner as provided in section 97.50, subdivision 5, for the disposition of wild animals unlawfully taken.*

Sec. 3. *This act is effective the day following final enactment."*
