Subd. 2. [JURISDICTION.] The (MINNESOTA ENVIRONMENTAL QUALITY) board is hereby given the authority to provide for power plant site and transmission line (CORRIDOR AND) route selection.

Sec. 5. Minnesota Statutes 1976, Section 116C.54, is amended to read:

116C.54 [ADVANCE FORECASTING.] Every utility which owns or operates, or plans within the next 15 years to own or operate large electric power generating plants or high voltage transmission lines shall develop forecasts as specified in this section. On or before July 1 of each even-numbered year, every such utility shall submit a report of its forecast to the board. (SUCH) *The* report may be appropriate portions of a single regional forecast or may be jointly prepared and submitted by two or more utilities and shall contain the following information:

(1) Description of the tentative regional location and general size and type of all large electric power generating plants and high voltage transmission lines to be owned or operated by (SUCH) *the* utility during the ensuing 15 years or (SUCH) *any* longer period (AS) the board deems necessary;

THE TIME FOR DESIGNATION OF A SITE MAY BE EXTENDED FOR SIX MONTHS BY THE BOARD FOR JUST CAUSE. NO SITE OR CORRIDOR DESIGNATION SHALL BE MADE IN VIOLATION OF THE SITE SELECTION STANDARDS ESTABLISHED IN SECTION 116C.55. THE BOARD SHALL INDICATE THE REASONS FOR ANY REFUSAL AND INDICATE CHANGES IN SIZE OR TYPE OF FACILITY NECESSARY TO ALLOW SITING IN COMPLIANCE WITH THE STANDARDS).* (UPON DESIGNATION OF THE) *Within a year after the board's acceptance of a utility's application, the board shall decide in accordance with the criteria and standards specified in the inventory and the criteria specified in subdivision 4, which proposed site is to be designated. The board may extend for just cause the time limitation for its decision for a period not to exceed six months. When the board designates a site (OR CORRIDOR) , (THE BOARD) it shall issue (TO THE*

UTILITY) a certificate of site compatibility to the utility with any appropriate conditions. The board shall publish its decision and reasons within 30 days. No large electric power generating plant shall be constructed except on a site designated by the board.

Subd. 2. [APPROVAL OF ROUTES AND FACILITY CONSTRUCTION; PROCEDURE; EXEMPTION.] (NO LATER THAN TWO YEARS AFTER THE ISSUANCE OF A CERTIFICATE OF SITE COMPATIBILITY, THE) A utility shall apply to the board in a form and manner prescribed by the board for a permit for the construction of a high voltage transmission line (WITHIN THE APPROVED CORRIDOR). (FOLLOWING) The application shall contain at least two alternative proposed routes. Pursuant to sections 116C.57 to 116C.60, the board shall study, (EVALUATION) and (HEARINGS ON) evaluate the type, design, routing, right-of-way preparation and facility construction (AS IDENTIFIED) of any route proposed in (THE) a utility's application and any other alternatives (TO THE UTILITY'S CORRIDOR DEVELOPMENT PROPOSAL AS PROVIDED IN SUBDIVISION 4,) the board deems necessary. Within one year after the board's acceptance of a utility's application, the board shall decide in accordance with the criteria and standards specified in subdivision 4, which proposed route is to be designated. The board may extend for just cause the time limitation for its decision for a period not to exceed 90 days. When the board designates a route, it shall issue a permit for the construction of a high voltage transmission (LINES WITHIN THE DESIGNATED CORRIDOR. THIS PERMIT ISSUANCE BY THE BOARD SHALL BE MADE IN A TIMELY MANNER AND PUBLISHED NO LATER THAN 180 DAYS AFTER THE APPLICATION FOR A PERMIT BY THE UTILITY) line specifying the type, design, routing, right-of-way preparation and facility construction it deems necessary and with any other appropriate conditions. No high voltage transmission line shall be constructed except on a route designated by the board, unless it was exempted pursuant to subdivision 5. The board may order the construction of high voltage transmission line facilities which are capable of expansion in capacity through multiple circuiting or modification of the conductor.

Subd. 3. [EMERGENCY CERTIFICATION.] Any utility whose electric power system requires the immediate construction of a large electric power generating plant or high voltage transmission line may make application to the board for an emergency certificate of site compatibility or permit for the construction of high voltage transmission lines, which certificate or permit shall be issued in a timely manner (AND PUBLISHED) no later than (180) 195 days after the board's acceptance of the application and upon a finding by the board that a demonstrable emergency exists which requires (SUCH) immediate construction, and that adherence to the procedures and

time schedules (SET FORTH) *specified* in sections 116C.54 (TO) , 116C.56 and 116C.57 would jeopardize (SUCH) *the utility's electric power system or would jeopardize the utility's ability to insure the electric needs of its customers in an orderly and timely manner.* A public hearing to determine if an emergency exists shall be held within 90 days of the application. (13) No site or route shall be designated which violates state agency rules.

Subd. 5. [EXEMPTION OF CERTAIN ROUTES.] A utility may apply to the board in a form and manner prescribed by the board to exempt the construction of any proposed high voltage transmission line from sections 116C.51 to 116C.69. Within 15 days of the board's receipt of the exemption application, the utility shall publish a notice and description of the exemption application in a legal newspaper of general circulation in each county in which the route is proposed and mail a copy of the exemption application to the chief executive of any regional council, county, incorporated municipality and organized township in which the route is proposed and shall mail a notice and description of the exemption application to all persons over whose property the line may run, together with an understandable description of the procedures the person must follow should the person desire to object. If any person who owns real property crossed by the proposed route, or any person owning prop-

erty adjacent to property crossed by the proposed route, or any affected political subdivision files an objection with the board within 60 days after the board's receipt of the exemption application, the board shall deny the exemption application. If the board determines that the proposed high voltage transmission line will not create significant human or environmental impact, it may exempt the proposed transmission line with any appropriate conditions, but the utility shall comply with any applicable state rule and any applicable zoning, building and land use rules, regulations and ordinances of any regional, county, local and special purpose government in which the route is proposed. The board may require a fee to pay expenses incurred in processing exemptions. The fee is subject to the conditions of section 19, subdivision 2a.

Sec. 10. Minnesota Statutes 1976, Section 116C.58, is amended to read:

116C.58 [PUBLIC HEARINGS; NOTICE.] The board shall hold an annual public hearing at a time and place prescribed by (REGULATION) rule in order to afford interested persons an opportunity to be heard regarding its inventory of (POTENTIAL SITES AND CORRIDORS) *study areas* and any other aspects of the board's activities and duties or (THE) policies (SET FORTH) *specified* in sections 116C.51 to 116C.69. The board shall hold at least one public hearing in each county where a site or route is being considered for designation pursuant to section 116C.57 (AS SUITABLE FOR CONSTRUCTION OF A LARGE ELECTRIC POWER GENERATING PLANT OR A HIGH VOLTAGE TRANSMISSION LINE). Notice and agenda of public hearings and public meetings of the board held in each county shall be given by the board at least ten days in advance but no earlier than 45 days prior to such hearings or meetings. Notice shall be by publication in a legal newspaper of general circulation in the county in which the public hearing or public meeting is to be held and by certified mailed notice to chief executives of the regional (COUNCILS) *development commissions*, (COUNTY) *counties*, *organized towns* and the incorporated municipalities (THEREIN) *in which a site or route is proposed. All hearings held for designating a site or route or for exempting a route shall be conducted by a hearing examiner from the office of hearing examiners pursuant to the contested case procedures of chapter 15. Provided, however, that any person may appear at the hearings and present testimony and exhibits and may question witnesses without the necessity of intervening as a formal party to the proceedings.*

Sec. 11. Minnesota Statutes 1976, Section 116C.59, Subdivision 1, is amended to read:

116C.59 [PUBLIC PARTICIPATION.] Subdivision 1. [ADVISORY COMMITTEE.] The board shall appoint one or more advisory committees to assist it in carrying out its duties.

Committees appointed to evaluate (PLANT) sites or (TRANSMISSION LINE CORRIDORS) routes considered for designation shall be comprised of as many persons as may be designated by the board, but shall include a majority of public representatives; at least one representative from each of the following: (A PUBLIC OR MUNICIPALLY OWNED UTILITY, A PRIVATE INVESTOR OWNED UTILITY AND A COOPERATIVELY OWNED UTILITY, ONE REPRESENTATIVE FROM THE) Regional (COUNCIL AND ONE FROM EACH COUNTY) *development commissions, counties,* (AND) municipal (CORPORATION) *corporations and one town board member from each county* in which a (LARGE ELECTRIC POWER GENERATING PLANT) site (AND HIGH VOLTAGE TRANSMISSION LINE CORRIDOR ARE) *or route is* proposed to be located. Reimbursement for expenses incurred shall be made pursuant to the rules governing state employees.

Sec. 12. Minnesota Statutes 1976, Section 116C.61, Subdivision 2, is amended to read:

Subd. 2. [FACILITY LICENSING.] Notwithstanding anything herein to the contrary, utilities shall obtain state permits that may be required to construct and operate large electric power generating plants and high voltage transmission lines. A state agency in processing a utility's facility permit application shall be bound to the decisions of the board, with respect to the site (DESIGNATION FOR THE LARGE ELECTRIC POWER GENERATING PLANT OR THE CORRIDOR) or route designation (FOR THE HIGH VOLTAGE TRANSMISSION LINE), and with respect to other matters for which authority has been granted to the board by sections 116C.51 to 116C.69.

Sec. 13. Minnesota Statutes 1976, Section 116C.61, Subdivision 3, is amended to read:

Subd. 3. [STATE AGENCY PARTICIPATION.] State agencies authorized to issue permits required for construction or operation of large electric power generating plants or high voltage transmission lines shall participate in and present the position of the agency at public hearings and all other activities of the board on specific site(, CORRIDOR) or route designations of the board, which position shall clearly state whether the site(, CORRIDOR,) or route being considered for designation or permit approval for a certain size and type of facility will be in compliance with state agency standards, regulations or policies. (NO SITE OR ROUTE SHALL BE DESIGNATED WHICH VIOLATES STATE AGENCY REGULATIONS.)

Sec. 14. Minnesota Statutes 1976, Section 116C.63, is amended to read:

116C.63 [EMINENT DOMAIN POWERS; RIGHT OF CONDEMNATION.] Nothing herein shall abrogate or invalidate the right of eminent domain vested in utilities by statute or common law existing as of May 24, 1973. Such right of eminent domain shall continue to exist for utilities and may be used according to law to accomplish any of the purposes and objectives of sections 116C.51 to 116C.69, *including acquisition of the right to utilize existing high voltage transmission facilities which are capable of expansion or modification to accommodate both existing and proposed conductors. Notwithstanding any law to the contrary, all easement agreements shall be valid only while the route is used for high voltage transmission line purposes.*

Sec. 15. Minnesota Statutes 1976, Section 116C.64, is amended to read:

116C.64 [FAILURE TO ACT.] (IN THE EVENT) *If the board fails to (DESIGNATE IN A TIMELY MANNER LARGE ELECTRIC POWER GENERATING PLANT SITES AND HIGH VOLTAGE TRANSMISSION LINE CORRIDORS OR ROUTES AS PROVIDED FOR HEREIN) act within the times specified in section 116C.57, any affected utility may seek an order of the district court requiring the board to designate or refuse to designate a site (, CORRIDOR,) or route.*

Sec. 16. Minnesota Statutes 1976, Chapter 116C, is amended by adding a section to read:

[116C.645] [REVOCAION OR SUSPENSION.] *A site certificate or construction permit may be revoked or suspended after adequate notice of the alleged grounds for revocation or suspension and a full and fair hearing in which the affected utility has an opportunity to confront any witness and respond to any evidence against it and to present rebuttal or mitigating evidence upon a finding by the board of:*

(1) *Any false statement knowingly made in the application or in accompanying statements or studies required of the applicant, if a true statement would have warranted a change in the board's findings;*

(2) *Failure to comply with the conditions of the site certificate or construction permit, or failure to maintain safety standards; or*

(3) *Any violation of the provisions of sections 116C.51 to 116C.69, any rule promulgated pursuant thereto, or any order of the board.*

116C.66 [RULES.] The board, in order to give effect to the purposes of sections 116C.51 to 116C.69, shall adopt rules (AND REGULATIONS) consistent with sections 116C.51 to 116C.69, including promulgation of plant siting and transmission line routing criteria, the description of the information to be furnished by the utilities, establishment of minimum guidelines for public participation in the development, revision, and enforcement of any (REGULATION) rule, plan or program established by the board, *procedures for the revocation or suspension of a construction permit or a certificate of site compatibility, the procedure and timeliness for proposing alternative routes and sites, and route exemption criteria and procedures.* The office of hearing examiners shall, prior to January 1, 1978, adopt rules concerning the conduct of public hearings relating to the site and route designation process and to the route exemption process which attempt to maximize citizen participation in these processes. No rule adopted by the board shall grant priority to state-owned areas managed for wildlife purposes over agricultural lands in the designation of high voltage transmission line avoidance areas. Chapter 15, shall apply to the appeal of rules (AND REGULATIONS) adopted by the board to the same extent as it applies to review of rules (AND REGULATIONS) adopted by any other agency of state government.

Sec. 18. Minnesota Statutes 1976, Section 116C.69, is amended to read:

116C.69 [BIENNIAL REPORT; APPLICATION FEES; APPROPRIATION; FUNDING.] Subdivision 1. [BIENNIAL REPORT.] *Before November 15 of each even-numbered year* the board shall prepare and submit to the legislature (BIENNIALY) a report of its (POWER PLANT AND TRANSMISSION SITING) operations, activities, findings (,) and recommendations (, AND UNDERTAKINGS) concerning sections 116C.51 to 116C.69. The report shall also contain information on the board's biennial expenditures, its proposed budget for the following biennium, and the amounts paid in certificate and permit application fees pursuant to (SUBDIVISION) subdivisions 2 and 3 and in assessments pursuant to subdivision (3) 4. The proposed budget for the following biennium shall be subject to legislative review.

Subd. 2. [SITE APPLICATION FEE.] Every applicant for a site certificate (OR TRANSMISSION LINE CONSTRUCTION PERMIT) shall pay to the board a fee in an amount equal to \$500 for each \$1,000,000 of production (OR TRANSMISSION LINE) plant investment in the proposed installation as defined in the Federal Power Commission Uniform System of Accounts. The board shall specify the time and manner of payment of the fee. If any single payment requested by the board is in excess of 25 percent of the total estimated fee, the board shall show that (SUCH) *the* excess is reasonably necessary. The applicant shall pay within 30 days of notification (SUCH) *any* additional fees

(AS ARE) reasonably necessary for completion of the (PLANT) site (, TRANSMISSION LINE CORRIDOR OR ROUTE) evaluation and (SELECTION) *designation* process by the board. In no event shall the total fees required of the applicant under this subdivision exceed an amount equal to 0.001 of said production (OR TRANSMISSION LINE) plant investment (1,000 for each \$1,000,000) (EXCEPT THAT THE MINIMUM APPLICATION FEE SHALL NOT BE LESS THAN \$5,000). All money received pursuant to this subdivision shall be deposited in the general fund. So much money as is necessary is annually appropriated from the general fund to pay expenses incurred in processing applications for certificates (OR PERMITS) in accordance with (THE PROVISIONS OF) sections 116C.51 to 116C.69 and in the event such expenses are less than the fee paid, to refund the excess to the applicant. This annual appropriation shall not exceed the fees to be paid during (SUCH) *each* period.

Subd. 2a. [ROUTE APPLICATION FEE.] Every applicant for a transmission line construction permit shall pay to the board a base fee of \$35,000 plus a fee in an amount equal to \$1,000 per mile length of the longest proposed route. The board shall specify the time and manner of payment of the fee. If any single payment requested by the board is in excess of 25 percent of the total estimated fee, the board shall show that the excess is reasonably necessary. In the event the actual cost of processing an application up to the board's final decision to designate a route exceeds the above fee schedule, the board may assess the applicant any additional fees necessary to cover the actual costs, not to exceed an amount equal to \$500 per mile length of the longest proposed route. All money received pursuant to this subdivision shall be deposited in the general fund. So much money as is necessary is annually appropriated from the general fund to pay expenses incurred in processing applications for construction permits in accordance with sections 116C.51 to 116C.69 and in the event the expenses are less than the fee paid, to refund the excess to the applicant. This annual appropriation shall not exceed the fees to be paid during each period.

*Subd. 3. [FUNDING; ASSESSMENT.] The board shall finance its base line studies, general environmental studies, development of criteria, inventory preparation, monitoring of conditions placed on site certificates and construction permits, and all other work, other than specific site (, CORRIDOR,) and route (SELECTION,) designation from an assessment made annually by the board against all utilities. Each share shall be determined as follows: (1) the ratio that the annual retail kilowatt-hour sales in the state of each utility bears to the annual total retail kilowatt-hour sales in the state of all such utilities, multiplied by 0.667, plus (2) the ratio that the annual gross revenue from retail kilowatt-hour sales in the state of each utility bears to the annual total gross revenues from retail kilowatt-hour sales in the state of all such utilities, multiplied by 0.333, as determined by the board. (SUCH) *The* assessment shall be credited*

to the general fund and shall be paid to the state treasury within 30 days after receipt of the bill, which shall constitute notice of said assessment and demand of payment thereof. The total amount which may be assessed to the several utilities under authority of this subdivision shall not exceed the annual budget of the board for carrying out the purposes of this subdivision.

Sec. 19. [EMERGENCY RULES.] *The board is authorized and directed to promulgate emergency rules pursuant to section 15.0412, subdivision 5, within 90 days of the effective date of this act, concerning the procedures for the revocation or suspension of a construction permit or a certificate of site compatibility and the procedure for designating a route, including the manner and timeliness of proposing alternative routes, route designation considerations and route exemption criteria and procedures.*

The office of hearing examiners is authorized and directed to promulgate emergency rules pursuant to section 15.0412, subdivision 5, within 30 days of the effective date of this act, concerning the conduct of public hearings relating to the designation and exemption of routes. The rules shall attempt to maximize citizen participation in the route designation and exemption processes.

Any emergency rules authorized in this section shall be effective until either January 1, 1978, or until the board and the office of hearing examiners adopt permanent rules pursuant to chapter 15, whichever occurs first.

Sec. 20. *Minnesota Statutes 1976, Sections 116C.55, Subdivision 1; and 116C.56, are repealed.*

Sec. 21. *This act is effective the day following its final enactment."*

Strike everything after the enacting clause and insert:

"Section 1. Laws 1903, Chapter 247, Section 2, as amended by Laws 1937, Chapter 251, Section 1, is amended to read:

Sec. 2. [CARE AND CONTROL OF HENNEPIN COUNTY COURT HOUSE.] The commission hereby created shall have the entire care and control of all of said court house and city hall building. It shall have power to assign unassigned rooms and space in any part of said building with entire control of any room or rooms in said building, and of all halls and corridors and of all boiler and machinery rooms. The commission in its discretion may reassign and reallocate occupied rooms or space therein provided that space already occupied may not be reassigned except after a hearing before said commission on written notice to the occupant or person in charge of such space; and the vote of three members of said commission shall govern as its final action after such hearing; provided further that any interested party may appeal from an adverse ruling of said commission to the District Court, which Court shall summarily decide the matter after a

hearing thereon in the same manner as a civil case, and the determination of said matter by said Court shall be final, provided that if the space in controversy is occupied or sought to be occupied by a District Court Judge or other District Court official, that said final determination be made by a Judge of the District Court from a district other than that comprising Hennepin County, which other judge shall be selected by the Governor upon request of the commission. When so determined and after service of the Court order on the occupant or person in charge of such space or room, he shall remove therefrom in accordance with the terms of the order, and his failure to do so shall be deemed contempt of court.

The commission shall also have the care and control of all engines, boilers, machinery, elevators and all mechanical and electrical appliances of every nature in said building. It shall cause all of the occupied portions of said building to be properly heated, lighted, cleaned and kept in repair for public use, with full authority to appoint any and all employees necessary to properly perform the duties hereby devolved upon such commission, with authority to fix the compensation of such employes (AND TO REMOVE ANY THEREOF AT PLEASURE). *Persons employed by the municipal building commission on or before August 1, 1977, or thereafter, and having at least six months service, shall have tenure based on length of service. Promotions shall be filled from the eligible lists established and maintained by the Minneapolis civil service commission. No employee after six months continuous employment shall be removed or discharged except upon a majority vote of the members of the municipal building commission for cause, upon written charges and after an opportunity to be heard at a hearing conducted by the municipal building commission. The Minneapolis civil service rules relating to cause for removal shall govern. An employee removed for cause may appeal to district court, which decision shall be final.*

Nothing herein contained shall be construed to interfere in any manner with the powers and duties of the court house and city hall commission engaged in completing and furnishing said building.

Sec. 3. *This act is effective upon approval by the governing bodies of the city of Minneapolis and Hennepin county and upon compliance with Minnesota Statutes, Section 645.021.*
