May 21, 1977

The Honorable Martin O. Sabo
Speaker of the House of Representatives
The Honorable Edward J. Gearty
President of the Senate

We, the undersigned conferees for H. F. No. 1030 report that we have agreed upon the items in dispute and recommend as follows:

That H. F. No. 1030 be amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 62A.02, Subdivision 3, is amended to read:

Subd. 3. [DISAPPROVAL.] The commissioner shall, within 30 days after the filing of any form, disapprove the form:

(1) if the benefits provided therein are unreasonable in relation to the premium charged;

(2) if it contains a provision or provisions which are unjust, unfair, inequitable, misleading, deceptive or encourage misrepresentation of the policy; or

(3) if the proposed premium rate is excessive because the insurer has failed to exercise reasonable cost control.

For the purposes of clause (1), the commissioner shall establish by rule a schedule of minimum anticipated loss ratios which shall be based on (i) the type or types of coverage provided, (ii) whether the policy is for group or individual coverage, and (iii) the size of the group for group policies. Except for individual policies of disability or income protection insurance, the minimum anticipated loss ratio shall not be less than 50 percent after the first year that a policy is in force. All applicants for a policy shall be informed in writing at the time of application of the anticipated loss ratio of the policy. For the purposes of this subdivision, "anticipated loss ratio" means the ratio at the time of

form filing or at the time of subsequent rate revision of the present value of all expected future benefits, excluding dividends, to the present value of all expected future premiums. Nothing in this paragraph shall prohibit the commissioner from disapproving a form which meets the requirements of this paragraph but which the commissioner determines still provides benefits which are unreasonable in relation to the benefits charged. The commissioner may until December 31, 1978, exercise emergency power for the purpose of implementing the minimum anticipated loss ratio requirement, and for this purpose may adopt emergency rules as provided in section 15.0412, subdivision 5. Notwithstanding the expiration of the commissioner's emergency power, any emergency rule adopted by him prior to the expiration of his emergency power may remain effective for the periods authorized in section 15.0412, subdivision 5.

If the commissioner notifies an insurer which has filed any form that the form does not comply with the provisions of this section or sections 62A.03 to 62A.05 and section 72A.20, subdivision 1, it shall be unlawful thereafter for the insurer to issue the form or use it in connection with any policy. In the notice the commissioner shall specify the reasons for his disapproval and state that a hearing will be granted within 20 days after request in writing by the insurer.

Sec. 2. Minnesota Statutes 1976, Section 62A.17, Subdivision 6, is amended to read:

Subd. 6. [CONVERSION TO INDIVIDUAL POLICY.] A group insurance policy that provides post termination coverage as required by this section shall also include a provision allowing a covered employee or surviving spouse or dependent at the expiration of the post termination coverage provided by subdivision 2 to obtain from the insurer offering the group policy or group subscriber contract, at the employee's, spouse's or dependent's option and expense, without further evidence of insurability and without interruption of coverage, an individual policy of insurance or an individual subscriber contract providing (COVERAGE WHICH IS SIMILAR TO OR GREATER THAN THE HOSPITAL OR MEDICAL EXPENSE PROTECTION AFFORDED TO THE EMPLOYEE, THE SPOUSE AND HIS DEPENDENTS BY THE GROUP POLICY OR CONTRACT) at least the minimum benefits of a qualified plan as prescribed by section 62E.06 and the option of a number three qualified plan, a number two qualified plan, and a number one qualified plan as provided by section 62E.06, subdivisions 1 to 3. A policy providing reduced benefits at a reduced premium rate may be accepted by the employee, the spouse or a dependent in lieu of the optional coverage otherwise required by this subdivision.

The individual policy shall be (GUARANTEED) renewable at the option of the individual as long as the individual is not covered under another qualified plan as defined in section 62E.02, subdivision 4, up to age 65 or to the day before the date of eligibility for coverage under Title XVIII of the Social Secur-

ity Act, as amended. Any revisions in the table of rate for the individual policy shall apply to the covered person's original age at entry, and shall apply equally to all similar policies issued by the insurer.

Sec. 3. Minnesota Statutes 1976, Section 62D.10, Subdivision 1, is amended to read:

62D.10 [PROVISIONS APPLICABLE TO ALL HEALTH PLANS.] Subdivision 1. The provisions of this section shall be applicable to (NONPROFIT HEALTH SERVICE PLAN CORPORATIONS REGULATED UNDER CHAPTER 62C,) nonprofit prepaid health care plans regulated under chapter 317, and health maintenance organizations regulated pursuant to sections 62D.01 to 62D.29, (ALL) *both* of which for purposes of this section shall be known as "health plans".

"Policy" does not include coverage which is (1) limited to disability or income protection coverage, (2) automobile medical payment coverage, (3) supplemental to liability insurance, (4) (SOLD BY FRATERNALS AND PROVIDES) *designed solely to provide* payments on a per diem, (DAILY) *fixed* indemnity or non-expense incurred basis, (OR) (5) credit accident and health insurance issued pursuant to chapter 62B, (6) *designed solely to provide dental or vision care*, (7) *blanket accident and sickness insurance as defined in section 62A.11*, or (8) *accident only coverage issued by licensed and tested insurance agents or solicitors which provides reasonable benefits in relation to the cost of covered services. The provisions of clause (4) shall not apply to hospital indemnity coverage which is sold by an insurer to an applicant who is not then currently covered by a qualified plan.*

Sec. 7. Minnesota Statutes 1976, Section 62E.02, Subdivision 21, is amended to read:

Subd. 21. "Self insurer" means an employer (WHO) *or an employee welfare benefit fund or plan which directly or indirectly provides a plan of health coverage to (HIS) its employees and administers the plan of health coverage (HIMSELF) itself or through an insurer, trust or agent except to the extent of accident and health insurance premium, subscriber contract charges or health maintenance organization contract charges.* "Self insurer" does not include an employer engaged in the business of providing health care services to the public (WHO) *which provides health care services directly to (HIS) its employees at no charge to them.*

Deviations in the claim experience of the state plan from the premium payments allocated to the payment of benefits shall be the liability of the association members. Association members shall share in the (EXCESS COSTS) *claims expense of the state plan and operating and administrative expenses of the association* in an amount equal to the ratio of the member's total cost of self insurance, accident and health insurance premium, subscriber contract charges, or health maintenance organization contract charges received from or on behalf of Minnesota residents as divided into the total cost of self insurance, accident and health insurance premium, subscriber contract charges, and health maintenance organization contract charges received by all association members from or on behalf of Minnesota residents, as determined by the commissioner. The reinsurance contract shall provide for (A RETROACTIVE) *an annual determination and assessment of each member's liability (AND), if any.* Payment of the assessment shall be due within 30 days after (EACH RENEWAL DATE OF THE REINSURANCE CONTRACT) *the end of the association's fiscal year.* Subject to the approval of the commissioner, the reinsurance contract may provide for interim assessments as may be necessary to assure the financial capability of the association in meeting the incurred or estimated claims expenses of the state plan and operating and administrative expenses of the association until the association's next annual fiscal year end assessment. Failure by a member to tender to the association the assessed reinsurance payment within 30 days of notification by the association shall be grounds for termination of the member's membership.

Net gains, if any, from the operation of the state plan shall be held at interest and used by the association to offset future losses due to claims expenses of the state plan or allocated to reduce state plan premiums.

Sec. 18. Minnesota Statutes 1976, Section 62E.13, Subdivision 2, is amended to read:

Subd. 2. Upon the commissioner's approval of the policy forms and contracts submitted pursuant to (SECTION 62A.10) *chapter 62A*, the association (SHALL) *may* select policies and contracts submitted by a member or members of the association to be the comprehensive health insurance plan. This selection shall be based upon criteria including the member's proven ability to handle large group accident and health insurance cases, efficient claim paying capacity, and the estimate of total charges for administering the plan. The association may select separate writing carriers for the two types of qualified plans, the qualified medicare supplement plan, and the health maintenance organization contract.

Sec. 19. Minnesota Statutes 1976, Section 62E.13, Subdivision 4, is amended to read:

Subd. 4. Sec. 20. Minnesota Statutes 1976, Section 62E.14, Subdivision 1, is amended to read:

62E.14 [ENROLLMENT BY AN ELIGIBLE PERSON.] Subdivision 1. [CERTIFICATE, CONTENTS.] The comprehensive health insurance plan shall be open for enrollment by eligible persons. (b) Name, address, and age of spouse and children if any, if they are to be insured;

(d) A designation of the coverage desired.

An eligible person may not purchase more than one policy from the state plan.

Sec. 21. Minnesota Statutes 1976, Section 62E.53, is amended to read:

62E.53 [APPLICATION FOR ASSISTANCE.] Subdivision

1. Any person who believes that (THEY ARE) *he is* or will become an eligible person may submit an application for state assistance to the commissioner. The application shall include a listing of expenses incurred prior to the date of the application and shall designate the date on which the 12 month period for computing expenses began.

Subd. 2. If the commissioner determines that an applicant is an eligible person, he shall pay 90 percent of all qualified expenses of the eligible person and his dependents in excess of:

(a) 40 percent of his household income under \$15,000, plus 50 percent of his household income between \$15,000 and \$25,000, plus 60 percent of his household income in excess of \$25,000; or

(b) \$2,500;

whichever is greater for the 12 month period in which the applicant becomes an eligible person.

Subd. 3. *The commissioner shall by rule establish procedures for determining whether and to what extent qualified expenses are reasonable charges. Unless otherwise provided for by rule charges shall be reviewed for reasonableness by the same procedures used to review and limit reimbursement under the provisions of Chapter 256B.* If the commissioner determines that the charge for a health service is excessive, he may limit his payment to the (USUAL AND CUSTOMARY) *reasonable charge* for that service. If the commissioner determines that a health service provided to an eligible person was not medically necessary, he may refuse to pay for the service. (TO THE EXTENT FEASIBLE,) The commissioner (SHALL) *may* contract with a review organization as defined in section 145.61, in making any determinations as to whether or not a charge is excessive (. TO THE EXTENT FEASIBLE, THE COMMISSIONER SHALL CONTRACT WITH A REVIEW ORGANIZATION AS DEFINED IN SECTION 145.61,) *and* in making any determination as to whether or not a service was medically necessary. If the commissioner in accordance with this section refuses to pay all or a part of the charge for a health service, the unpaid portion of the charge shall be deemed to be an unconscionable fee, against the public policy of this state, and unenforceable in any action brought for the recovery of moneys owed.

Sec. 22. Minnesota Statutes 1976, Chapter 62E, is amended by adding a section to read:

[62E.531] [THIRD PARTY LIABILITY.] *Subdivision 1. When the commissioner pays for or becomes liable for payments for health services under the provisions of sections 62E.51 to 62E.55, the department of public welfare shall have a lien for payments and liabilities for the services upon any and all causes*

of action which accrue to the person to whom the services were furnished, or to his legal representatives, as a result of injuries which directly or indirectly led to the incurring of qualified expenses.

The department may perfect and enforce its lien by following the procedures set forth in sections 514.69, 514.70, and 514.71, except that it shall have one year from the date when the last item of health service was furnished in which to file its verified lien statement. The statement shall be filed with the appropriate clerk of court in the county in which the recipient of the services resides or in the county in which the action was filed.

Subd. 2. Where a third party may be liable in whole or in part for payment for health services, the commissioner may consider the charges for the health services to be qualified expenses if the eligible person assigns any rights accruing by virtue of any third party liability to the commissioner to the extent necessary to reimburse the state for any payments made under the provisions of this section.

Subd. 3. Upon furnishing assistance under the provisions of sections 62E.51 to 62E.55, the department of public welfare shall be subrogated, to the extent of its payments for health services, to any rights the eligible person or his dependent may have under the terms of any plan of health coverage as defined in section 62E.02, subdivision 9. The right of subrogation shall not attach prior to written notice of the exercise of subrogation rights to the issuer of the plan of health coverage.

The attorney general, or the appropriate county attorney, acting upon direction from the attorney general, may institute or join a civil action against the issuer of the plan of health coverage to recover under this subdivision.

Sec. 23. Minnesota Statutes 1976, Section 62E.54, Subdivision 1, is amended to read:

That the Senate recede from its amendments and H. F. No. 550 be amended as follows:

Strike everything after the enacting clause and insert:

"ARTICLE I

FOUNDATION AID PROGRAM

Section 1. Minnesota Statutes 1976, Section 123.39, Subdivision 5, is amended to read:

Subd. 5. The board may provide for the admission to the schools of the district, of non-resident pupils, and those above school age, and fix the rates of tuition for such pupils.

Subd. 5a. In case a person owns land and pays the taxes thereon, in a district other than the one in which he resides, then such person or his tenant shall be admitted to all the benefits of said school the same as residents therein, (IN RESPECT TO ELEMENTARY PUPILS) upon conforming to such reasonable terms for tuition and transportation as the board of education of such school district may have established for non-residents, except that he shall be entitled to have the amount of school taxes which he pays to the support of said district applied in payment of said tuition and transportation fees. In (THE PAYMENT OF STATE AID) *this case*, the district in which the pupil attends shall be considered the district of his residence (BECAUSE OF THE PROVISIONS OF THIS SUBDIVISION) *in the payment of state aid.*

Sec. 2. Minnesota Statutes 1976, Section 124.11, is amended to read:

124.11 [DATES OF AID PAYMENTS.] *Subdivision 1.* Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program *and except as provided in subdivision 5*, ten percent of the estimated elementary and secondary foundation aids shall be paid to districts in each of the months *other than October* from (SEPTEMBER) *August* through May based upon information available and the final distribution shall be made in *October* of the following (AUGUST) *school year.*

Subd. 2. Estimated post-secondary vocational foundation aid shall be paid to districts in 12 equal monthly payments beginning July 15, 1976. The estimated post-secondary vocational foundation aid shall be paid on the basis of the prior year's average daily membership except that the average daily membership and the payments based thereon may be adjusted in September, December, March and June to reflect any increases or decreases in enrollment. The September payment in each fiscal year shall be increased or decreased to reflect any deficit or excess in post-secondary vocational foundation aid received in the prior fiscal year.

Subd. 3. If any school district is unable to borrow necessary funds for the operation of its facilities during any fiscal year, due to legal borrowing restrictions or the lack of reasonable credit facilities, the commissioner of finance and state treasurer may, upon certification of such conditions by the commissioner of administration, advance such education aids as may be required to such district, with the condition that such aids be discounted by an amount equal to six percent or the current yield on U. S. treasury bills on the date of such payment to a maturity approximating the date on which aids are to be paid, whichever rate is higher, pursuant to the terms of this section. The amount of such discount shall be determined by the commissioner of finance, with the six percent discount or the "bid" price quoted

on treasury bills of an appropriate maturity calculated after consultation with the staff of the state board of investment.

Subd. 4. Estimated elementary and secondary foundation aids shall be paid out on the basis of the (PRIOR YEAR'S PUPIL UNIT ENROLLMENT UNLESS THE OCTOBER 1 ENROLLMENT IS LARGER, IN WHICH CASE THE) latest available information. Estimated elementary and secondary foundation aids shall be computed on the basis of all pupil units identified in section 124.17, subdivision 1. An October enrollment count shall be (USED) obtained from all school districts. Adjustment for final elementary and secondary (FINAL) pupil unit figures shall be made in the (AUGUST PAYMENT OF AIDS) final foundation aid distribution in October of the following school year.

Subd. 5. Each year, beginning in 1978, based on current year tax data reported in the abstracts of tax lists, the commissioner of revenue shall determine the distribution to each school district of the amount of revenue lost as a result of the reduction in property taxes provided in section 273.132. On or before July 15, 1978, and on or before July 15 of each year thereafter, the commissioner of revenue shall certify the amounts so determined to the department of education. Beginning in 1978, the department of education shall pay each school district one-half of its distribution in August and the remaining one-half in the following November, as part of the foundation aid payment to each district in those months.

Sec. 3. Minnesota Statutes 1976, Section 124.14, Subdivision 2, is amended to read:

Subd. 2. (SUCH MONEYS AS ARE NECESSARY TO MAKE THE DISTRIBUTION OF THE SCHOOL AIDS ANNUALLY ARE HEREBY APPROPRIATED FROM THE FUNDS OR ACCOUNTS IN THE STATE TREASURY AUTHORIZED BY LAW FOR SUCH PURPOSES.) There is annually appropriated from the general fund to the department of education the amounts necessary for foundation aid and transportation aid. These amounts shall be reduced by the amount of any funds specifically appropriated for the same purpose in any year from any state funds.

Sec. 4. Minnesota Statutes 1976, Section 124.17, Subdivision 1, is amended to read:

124.17 [DEFINITION OF PUPIL UNITS.] Subdivision 1. Pupil units for each resident pupil in average daily membership shall be counted as follows:

(1) In an elementary school, for kindergarten and for handicapped pre-kindergarten pupils as defined in section 120.03, and enrolled in one-half day sessions throughout the school year or

the equivalent thereof, approved by the commissioner of education, one-half pupil unit and other elementary pupils, one pupil unit.

(2) In secondary schools, one and four-tenths pupil units. Pupils enrolled in the seventh and eighth grades of any school shall be counted as secondary pupils.

((3) IN AREA VOCATIONAL TECHNICAL SCHOOLS ONE AND ONE-HALF PUPIL UNITS. THIS CLAUSE SHALL EXPIRE JUNE 30, 1976.)

(4) To meet the problems of educational overburden caused by broken homes, poverty and low income, each pupil in clauses (1) and (2) from families receiving aid to families with dependent children or its successor program *who is enrolled in the school district on October 1* shall be counted as an additional five-tenths pupil unit. By (MAY) *March 1* of each year the department of public welfare (IS DIRECTED TO FURNISH) *shall certify* to the department of education, and to each school district to the extent the information pertains to it, that information concerning children from families with dependent children *who were enrolled in the school district on the preceding October 1* which is necessary to calculate pupil units. Additional aids to a district for such pupils may be distributed on a delayed basis until the department of education publicly certifies that the information needed for paying such aids is available on such a timely basis that such aids may be paid concurrently with other foundation aids.

(5) In every district where the number of pupils from families receiving aid to families with dependent children or its successor program exceeds five percent of the total actual pupil units in the district for the same year, as computed in clauses (1) and (2), each such pupil shall be counted as an additional one-tenth of a pupil unit for each percent of concentration over five percent of such pupils in the district. The percent of concentration shall be rounded down to the nearest whole percent for purposes of this clause, provided that in districts where the percent of concentration is less than six, no additional pupil units shall be counted under this clause for pupils from families receiving aid to dependent children or its successor program and provided further that no such pupil shall be counted as more than one and one-tenth additional pupil units pursuant to clauses (4) and (5). Such weighting shall be in addition to the weighting provided in clauses (1), (2), (3) and (4). School districts are encouraged to allocate a major portion of the aids that they receive on account of clauses (4) and (5) to primary grade programs and services, particularly to programs and services that involve participation of parents. Each district receiving aids on account of both clauses (4) and (5) shall establish and maintain accounts separate from all other district accounts for the receipt and disbursement of all such aids received.

(6) Where the total pupil units of a district are used as a multiplier in determining foundation aids and spending and levy limitations and where the actual number of pupil units has decreased from the prior year, the number of pupil units shall equal *the greater of (a) the average of actual pupil units in the district for the two prior years and the current (YEARS IN A DISTRICT WITH BOUNDARIES COTERMINOUS WITH THE BOUNDARIES OF A CITY OF THE FIRST CLASS AND SHALL BE) year or (b) the number of actual pupil units for the current year increased by .6 times the difference between the actual pupil units for the (TWO YEARS IN ANY OTHER DISTRICT) prior year and the current year.* Only pupil units as computed in clauses (1) and (2) shall be included for purposes of computations made pursuant to this clause.

(7) In districts maintaining classified secondary schools where the actual number of pupil units has increased from the prior year by two percent or more, the additional pupil units over the prior year, as computed in clauses (1) and (2), shall be multiplied times one-tenth for each percent of increase over the prior year and a number of pupil units equal to the product shall be added to the other units for the district. The percent of increase shall be rounded up to the next whole percent for purposes of this clause, provided that in districts where the percent of increase is less than two, no additional pupil units shall be added to the other units for the district and provided further that the number of pupil units of increase over the prior year shall under no circumstances be multiplied by more than five-tenths.

(8) Only pupil units in clauses (1) and (2) shall be used in computing adjusted maintenance cost per pupil unit.

Sec. 5. Minnesota Statutes 1976, Section 124.17, Subdivision 2, is amended to read:

Subd. 2. Membership for pupils in grades kindergarten through twelve and for handicapped prekindergarten pupils shall mean the number of pupils on the current roll of the school, counted from the date of entry until withdrawal. The date of withdrawal shall mean the day the pupil permanently leaves the school or the date it is officially known that the pupil has left or has been legally excused; provided that any pupil, regardless of age, who has been absent from school without a legally justifiable excuse for 15 consecutive school days shall be dropped from the roll and classified as withdrawn. Nothing in Extra Session Laws 1971, Chapter 31, shall be construed as waiving the compulsory attendance provisions cited in section 120.10. Average daily membership shall equal the sum for all pupils of the number of days of the school year each pupil is enrolled in the district's schools divided by the number of days said schools are in session. For districts operating 12 months schools, days schools are in session shall mean the number of

session days required by section 124.19, subdivision 1. (THE AVERAGE DAILY MEMBERSHIP OF A PUPIL ENROLLED ON A SHARED TIME BASIS SHALL EQUAL THE RATIO OF THE TOTAL MINUTES FOR WHICH SUCH PUPIL IS ENROLLED AND THE MINIMUM MINUTES REQUIRED DURING THE YEAR FOR A REGULARLY ENROLLED PUBLIC SCHOOL PUPIL. FOUNDATION AID FOR SHARED TIME PUPILS SHALL EQUAL THE AMOUNT WHICH WOULD ACCRUE IF SHARED TIME PUPIL UNITS, COUNTED PURSUANT TO SUBDIVISION 1, CLAUSES (1) AND (2), WERE ADDED TO THE DISTRICT'S TOTAL PUPIL UNITS USED IN DETERMINING ITS FOUNDATION AID. FOUNDATION AID FOR SHARED TIME PUPILS SHALL BE IN ADDITION TO ANY OTHER AID TO WHICH THE DISTRICT IS OTHERWISE ENTITLED AND SHARED TIME PUPIL UNITS SHALL NOT BE USED FOR ANY OTHER COMPUTATION UNDER SUBDIVISION 1 OR FOR ANY COMPUTATION UNDER SECTION 124.04. A DISTRICT SHALL NOT BE ENTITLED TO TRANSPORTATION AID UNDER SECTION 124.222 FOR PUPILS ENROLLED ON A SHARED TIME BASIS UNLESS THE STATUTES SPECIFICALLY PROVIDE FOR TRANSPORTATION AID TO SUCH STUDENT. THIS SUBDIVISION SHALL BE EFFECTIVE JULY 1, 1975 AS APPLIED TO SHARED TIME FOUNDATION AID AND JULY 1, 1976 AS APPLIED TO PUPILS IN AREA VOCATIONAL-TECHNICAL SCHOOLS.)

Sec. 6. Minnesota Statutes 1976, Section 124.17, is amended by adding a subdivision to read:

Subd. 2b. Notwithstanding subdivision 2, pupils enrolled in the Minnesota National Guard program shall be construed to be in attendance for purposes of computing average daily membership during any period of the regular school year, but not to include summer school, during which the pupil is attending military active duty training pursuant to that program. During that period of military active duty training, the pupil shall earn all aid for the district of residence or attendance which would be otherwise earned by his presence.

Sec. 7. Minnesota Statutes 1976, Section 124.19, Subdivision 1, is amended to read:

124.19 [REQUIREMENTS FOR AID GENERALLY.]
Subdivision 1. Every district which receives special state aid shall maintain school or provide instruction in other districts, in state university laboratory school or in the university laboratory school, at least a minimum term as defined by the state board. The normal school year when school is in session shall be not less than 175 days or their equivalent. A district which holds school for that period and is otherwise qualified is entitled to special state aid as by law provided. If school is held a less period such special state aid shall be reduced (IN THE

PROPORTION THAT) *by the ratio that the difference between 175 days and the number of days school is held bears to 175 days (EFFECTIVE THE 1970-71 SCHOOL YEAR AND THEREAFTER), multiplied by 60 percent of the product of the district's foundation aid formula allowance times its pupil units for that year; but districts maintaining less than the required minimum number of days of school in session do not lose special state aid if the circumstances causing such loss of school time below the required minimum number of days were beyond the control of the board and provided proper evidence has been submitted and a good faith attempt made to make up time lost on account of these circumstances (; PROVIDED FURTHER, THAT). Days devoted to teachers' institutes or other meetings authorized or called by the commissioner may not be included as part of the required minimum number of days of school in session. Effective the 1977-1978 school year, not more than five days may be devoted to parent-teacher conferences or teachers' workshops as part of the required minimum number of days school is in session.*

Sec. 8. Minnesota Statutes 1976, Section 124.212, Subdivision 1, is amended to read:

124.212 [FOUNDATION AID.] Subdivision 1. The foundation aid program for school districts for school years (1975-1976) 1977-1978 and (1976-1977) 1978-1979 shall be governed by the terms and provisions of this section.

Sec. 9. Minnesota Statutes 1976, Section 124.212, Subdivision 3a, is amended to read:

Subd. 3a. Notwithstanding any of the other provisions of this section, for the (1975-1976) 1977-1978 school year neither the sum nor the sum per pupil unit of the aggregate foundation aid earned by a district maintaining a classified secondary school and the amount raised by the maximum levy authorized by Minnesota Statutes (1974) 1976, Section 275.125, Subdivision 2a, Clause (2) and for the (1976-1977) 1978-1979 school year neither the sum nor the sum per pupil unit of the aggregate foundation aid earned by such a district and the amount raised by the maximum levy authorized (FOR 1975) in 1977 by section 275.125, subdivision 2a, clause (1), shall be less than the sum or the sum per pupil unit respectively of the aggregate foundation aid earned for the 1972-1973 school year, any payments earned for 1972-1973 which but for the operation of Minnesota Statutes 1971, Section 124.212, Subdivision 3, would not have been earned, and the amount raised by the levy authorized by Minnesota Statutes 1971, Section 275.125, Subdivision 2, Clause (1). Aggregate foundation aid includes foundation aid for all pupil units, except units computed in section 124.17, subdivision 1, clause (3). For purposes of this computation pupil units used as a divisor shall include only those units identified in section 124.17, subdivision 1, clauses (1) and (2).

Sec. 10. Minnesota Statutes 1976, Section 124.212, Subdivision 4, is amended to read:

Subd. 4. The amount of money received by a school district as income from the permanent school fund for any year, shall be deducted from the foundation aid earned by the district for the same year (INCLUDING AID EARNED PURSUANT TO SUBDIVISION 3A) or from aid earned from other state sources.

Sec. 11. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

(3) In the 1982-1983 school year and each school year thereafter, the entire amount of money apportioned to a school district in that year pursuant to section 124.10, subdivision 2, shall be deducted from the foundation aid earned by that district for the same year.

Sec. 12. Minnesota Statutes 1976, Section 124.212, Subdivision 6b, is amended to read:

Subd. 6b. For the (1975-1976) 1977-1978 school year a district shall receive in foundation aid the lesser of (1) (\$900) \$1,030 per pupil unit less (30) 29 mills times the (1973) 1975 adjusted assessed valuation of the district, or (2) the amount that bears the same relation to the difference in (1) as the sum of the greater sum computed pursuant to Minnesota Statutes (1974) 1976, Section 124.212, Subdivision (7A) 7b, Clause (2), and the greater of (a) (ONE-HALF) *five-sixths* of the difference that results when such greater sum is subtracted from (\$900) \$1,030, or (b) (\$75) \$70, bears to (\$900) \$1,030.

Sec. 14. Minnesota Statutes 1976, Section 124.212, Subdivision 8a, is amended to read:

Subd. 8a. (1) Notwithstanding any provisions of any other law to the contrary, the adjusted assessed valuation used in calculating foundation aid shall include only that property which is currently taxable in the district. For districts which received payments under sections 124.215, subdivision 2a; 124.25; 124.28; 124.30; 473.633 and 473.635; the foundation aid shall be reduced by: The previous year's payment to the district pursuant to said sections times the ratio of the maximum levy allowed the district under section 275.125, subdivision 2a, to the total levy allowed by section 275.125, but not to exceed (45 PERCENT IN 1975-1976 AND) 50 percent (IN 1976-1977) of the previous year's payment.

Sec. 15. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

Subd. 9a. Shared time pupils are defined as those pupils who attend public schools for part of the regular school day and who otherwise fulfill the requirements of section 120.10 by attendance at a private school.

(a) The average daily membership of a pupil enrolled on a shared time basis shall equal the ratio of the total minutes for which the pupil is enrolled and the minimum minutes required during the year for a regularly enrolled public school pupil.

(b) Foundation aid for shared time pupils shall equal the amount which would accrue if shared time pupil units, counted pursuant to section 124.17, subdivision 1, clauses (1) and (2), were added to the district's total pupil units used in determining its foundation aid. Foundation aid for shared time pupils shall be in addition to any other aid to which the district is otherwise entitled and shared time average daily membership shall not be used in the computation of pupil units under section 124.17, subdivision 1, for any purpose other than the computation of shared time foundation aid pursuant to this subdivision.

(c) Foundation aid for shared time pupils shall be paid to the district of the pupil's residence. If a pupil attends shared time classes in another district, the resident district shall pay to the district of attendance an amount of tuition equal to the ratio in clause (a) times the amount of tuition which would be charged and paid for a nonresident public school pupil in a similar circumstance. The district of residence shall not be obligated for tuition except by previous agreement.

(d) Notwithstanding the provisions of clause (c), the resident district of a shared time pupil attending shared time classes in another district may grant the district of attendance, upon

its request, permission to claim the pupil as a resident for state aid purposes. In this case, state aid shall be paid to the district of attendance.

Sec. 16. Minnesota Statutes 1976, Section 124.213, is amended to read:

124.213 [AID RECAPTURE.] *Subdivision 1.* In any year when the amount of the maximum levy allowed for any district by section 275.125, subdivision 2a, clause (1) or (2), exceeds the product of (a) the district's foundation aid formula allowance for the corresponding school year under section 124.212 and (b) the number of pupil units computed for the district under section 124.17 for that school year, an amount equal to the difference between the levy as certified and the specified product shall be deducted in the following order from the aids for the purposes specified receivable during the same school year pursuant to the following sections: (1) transportation aid pursuant to section 124.222; (2) secondary vocational aid pursuant to section 124.57 or 124.573; (3) special education aid pursuant to section 124.32. (FOR THE 1977-1978 SCHOOL YEAR, THE FOUNDATION AID FORMULA ALLOWANCE SHALL EQUAL THE LESSER OF \$1,015 OR THE SUM OF THE GREATER SUM COMPUTED PURSUANT TO SECTION 124.212, SUBDIVISION 7B, CLAUSE (2), AND THE GREATER OF (A) FIVE-SIXTHS OF THE DIFFERENCE THAT RESULTS WHEN SUCH GREATER SUM IS SUBTRACTED FROM \$1,015, OR (B) \$55.) This section shall apply to school years commencing with the 1977-1978 school year; provided, deductions pursuant to this section shall be limited to the following percentages of the difference between the specified product and the certified levy in the school years indicated: 20 percent of the difference in the 1977-1978 school year; 60 percent of the difference in the 1978-1979 school year; and 100 percent of the difference in the 1979-1980 school year and each school year thereafter.

Subd. 2. For the 1977-1978 school year, the foundation aid formula allowance shall equal the lesser of \$1,030 or the sum of the greater sum computed pursuant to section 124.212, subdivision 7b, clause (2), and the greater of (a) five-sixths of the difference that results when such greater sum is subtracted from \$1,030, or (b) \$70. The foundation aid formula allowance shall be \$1,090 for the 1978-1979 school year.

Sec. 17. Minnesota Statutes 1976, Section 124.212, is amended by adding a subdivision to read:

Subd. 21. Foundation aids shall be paid to the district of residence unless otherwise specifically provided by law.

Sec. 18. Minnesota Statutes 1976, Section 273.132, is amended to read:

273.132 [STATE PAID AGRICULTURAL CREDIT.] The county auditor shall reduce the tax *for school purposes* on all property receiving the homestead credit pursuant to section 273.13, subdivision 6, by an amount equal to the tax levy that would be produced by applying a rate of 12 mills on the property. The county auditor shall reduce the tax *for school purposes* on all other agricultural lands and all real estate devoted to temporary and seasonal residential occupancy for recreational purposes, but not devoted to commercial purposes, by an amount that would be produced by applying a rate of ten mills on the property. The amounts so computed by the county auditor shall be submitted to the commissioner of revenue as part of the abstracts of tax lists required to be filed with the commissioner under the provisions of section 275.29. Any prior year adjustments shall also be certified in the abstracts of tax lists. The commissioner of revenue shall review such certifications to determine their accuracy. He may make such changes in the certification as he may deem necessary or return a certification to the county auditor for corrections.

In 1977, payment shall be made according to the procedure provided in section 273.13, subdivision 15a, for the purpose of replacing revenue lost as a result of the reduction of property taxes provided in this section. In 1978, payment shall be made pursuant to sections 124.212, subdivision 7b and 124.11, for the purpose of replacing revenue lost as a result of the reduction in property taxes provided in this section. There is appropriated from the general fund in the state treasury to the commissioner of revenue the amount necessary to make these payments in fiscal year 1978. There is appropriated from the general fund in the state treasury to the department of education the amount necessary to make these payments in fiscal year 1979 and thereafter.

Sec. 19. Minnesota Statutes 1976, Section 275.125, Subdivision 2a, is amended to read:

Subd. 2a. (1) In (1975) 1977, a school district may levy for all general and special school purposes, an amount equal to the amount raised by *28 mills times* the (1974) 1976 adjusted assessed valuation of the district (TIMES THE NUMBER OF MILLS, NOT TO EXCEED 29, THAT BEARS THE SAME RELATION TO 29, AS THE GREATER SUM COMPUTED PURSUANT TO SECTION 124.212, SUBDIVISION 7B, CLAUSE (2), BEARS TO \$960).

(2) In (1976) 1978, a school district may levy for all general and special school purposes, an amount equal to the amount raised by *27 mills times* the (1975) 1977 adjusted assessed valuation of the district (TIMES THE NUMBER OF MILLS, NOT TO EXCEED 29, THAT BEARS THE SAME RELATION TO 29, AS THE SUM OF THE GREATER SUM COMPUTED PURSUANT TO SECTION 124.212, SUBDIVISION 7B,

CLAUSE (2), AND THE GREATER OF (A) FIVE-SIXTHS OF THE DIFFERENCE THAT RESULTS WHEN SUCH GREATER SUM IS SUBTRACTED FROM \$1015, OR (B) \$55, BEARS TO \$1015).

(3) For any district levying less than 95 percent of the maximum levy allowable in clauses (1) and (2), beginning with the levy certified in 1976, payable in 1977, the foundation aid to the district for the 1977-1978 school year, and for subsequent levies, foundation aid for subsequent school years, calculated pursuant to section 124.212, shall be reduced by 50 percent of the amount of the difference between the actual levy and the maximum levy allowable under clauses (1) and (2). In the application of this clause, the maximum levy allowable under clauses (1) and (2) shall be reduced by any reduction of this levy which is required by section 275.125, subdivision 9 or any other law.

(4) (a) The levy authorized by clauses (1) or (2) may be increased in any amount which is approved by the voters of the district at a referendum called for the purpose. Such a referendum may be called by the school board or shall be called by the school board upon written petition of qualified voters of the district. The referendum shall be held on a date set by the school board. Only one such election may be held (IN A SINGLE) *to approve a levy increase which will commence in a specific school year. The question on the ballot shall (BE WHETHER A SPECIFIC MILLAGE WHICH WILL YIELD A SPECIFIC AMOUNT BASED ON THE MOST RECENT ASSESSED VALUATION MAY BE ADDED TO THAT AUTHORIZED BY CLAUSES (1) OR (2)) state the maximum amount of the increased levy in mills, the amount that will be raised by that millage in the first year it is to be levied, and that the millage shall be used to finance school operations. The question may designate a specific number of years for which the referendum authorization shall apply.* If approved, the amount provided by the approved millage applied to each year's (ASSESSED) taxable valuation shall be authorized for certification for the number of years approved, if applicable, or until revoked by the voters of the district at a subsequent referendum(, WHICH).

124.14 [DISTRIBUTION OF SCHOOL AIDS; APPROPRIATION.] Subdivision 1. The state board shall supervise distribution of the school aids in accordance with law. It may make rules and regulations consistent with law for such distribution which will enable districts to perform efficiently the services required by law and further education in the state, including reasonable requirements for such reports and accounts to it as will assure accurate and lawful apportionment of aids. It shall require that the membership and pupil unit count of a minimum of 25 school districts be audited each fiscal year. Disparities between membership and pupil unit counts or transportation data reported by the school districts and those found by the auditors shall be reported to the commissioner who shall order an increase or reduction of foundation or transportation aids accordingly. A reduction of foundation or transportation aid under this section may be appealed to the state board of education and its decision shall be final. For the purposes of computing foundation aid formula allowances pursuant to this section, each handicapped child shall be counted as prescribed in section 124.17, subdivision 1, clause (1) or (2).

(THE PURPOSE OF THIS SUBDIVISION IS TO CHANGE THE METHOD OF FUNDING OF EDUCATIONAL PROGRAMS FOR HANDICAPPED CHILDREN FROM REIMBURSEMENT BASED ON PAST EXPENDITURES TO A CURRENT FUNDING BASIS. BEGINNING JULY 1, 1976, THE STATE SHALL NOT REIMBURSE EXPENDITURES FROM THE 1975-1976 SCHOOL YEAR PROGRAMS, INCLUDING 1976 SUMMER SCHOOL PROGRAMS, BUT SHALL PAY AIDS FOR THE 1976-1977 SCHOOL YEAR PROGRAMS AND FOR EACH YEAR THEREAFTER ON A CURRENT FUNDING BASIS) *The aids provided for educational programs for handicapped children shall be paid on a current funding basis.*

Upon following such procedure as requested by the commissioner of education a district providing instruction and services for such handicapped child may bill the state the actual cost incurred in providing said services including transportation costs and a proportionate amount of capital outlay and debt service, minus the amount of the foundation aid formula allowance for the child and the special education aid, transportation aid, and any other aid earned in behalf of such child, such action pursuant to limits set forth in subdivision 4.

The application shall also include any other information deemed necessary by the commissioner for the calculation of state aid and for the evaluation of the necessity of the program, the necessity of the personnel to be employed in the program, and the

program's compliance with the rules and standards of the state board. *The commissioner shall review each application in order to determine whether the program and the personnel to be employed in the program are actually necessary and essential to meet the district's obligation to provide special instruction and services to handicapped children pursuant to section 120.17. The commissioner shall not approve aid pursuant to this section for any program or for the salary of any personnel he determines to be unnecessary or unessential on the basis of this review. On or before (AUGUST 1, 1976 AND BEFORE) July 1 of each year (THEREAFTER), the commissioner shall approve, disapprove or modify each application, and notify each applying district of his action and of the estimated (LEVEL) amount of aid for the programs (DETERMINED PURSUANT TO SUBDIVISION 1). Subd. 8. When planning programs for the education of handicapped children in the regular classroom, school districts are encouraged to consider the size of the regular class and to provide the support services necessary to insure successful mainstreaming.

Subd. 9. Except as may be otherwise authorized by the commissioner to accommodate a flexible school year program the state shall pay to each school district 30 percent of its estimated special education aid for the school year on or before each of the following dates: September 30, December (30) 31 and March 31. 124.572 [CURRENT FUNDING FOR ADULT VOCATIONAL EDUCATION.] *Subdivision 1.* The purpose of this section is to change the method of funding adult vocational programs from reimbursement based on past expenditures to a current funding basis. Beginning July 1, 1977, the state shall not reimburse expenditures from the 1976-1977 school year programs, but shall pay aids for the 1977-1978 school year programs and for each year thereafter on a current funding basis.

Subd. 2. In the 1977-1978 school year and thereafter, the state shall pay to any district or cooperative vocational center 75 percent of the salaries paid to essential, licensed personnel in that school year for services rendered in that district's or center's adult vocational education programs. In addition, the state shall pay 50 percent of the costs of necessary travel between instructional sites by adult vocational education teachers. The aid paid by the state for salaries and travel pursuant to this subdivision shall be reduced by any authorized federal vocational aid funds paid by the department to that district or center for adult vocational education programs.

Subd. 3. This aid shall be paid only for services rendered or for travel costs incurred in adult vocational education programs approved by the state department of education and operated in accordance with rules promulgated by the state board; provided, in 1977-1978 the department may pay this aid for programs operated in accordance with the state plan for vocational education and current state board rules. By 1978-1979, these rules shall provide minimum student-staff ratios required for an adult vocational education program to qualify for this aid. Except as provided in section 125.185, subdivision 4, by 1978-1979 rules re-

lating to adult vocational education programs shall not incorporate the provisions of the state plan for vocational education by reference.

Subd. 4. Boards may charge tuition for participation in adult vocational education programs. Nothing in this section shall prohibit the charging of differential tuition rates for residents or nonresidents of a district. If adult vocational education is provided by another district or a cooperative center by contract pursuant to subdivision 5, the contract shall provide for this issue.

Subd. 5. Any board may contract with the board of a district containing a post-secondary vocational-technical school or the board of a cooperative center for the provision of adult vocational education services. The board providing these services may also act as fiscal agent for the other contracting district if so agreed. Information copies of all contracts shall be provided to the state department.

Subd. 6. All adult vocational education aid shall be paid to the district or cooperative center providing the services. The district providing the services may bill the contracting district for any unpaid costs incurred in providing these services if so agreed in the contract.

Subd. 7. Each district providing adult vocational education shall establish and maintain separate accounts for the receipt and disbursement of all funds related to these adult vocational education programs. All adult vocational education aid received by the district from any source shall be utilized solely for the purposes of adult vocational education programs.

Subd. 8. The state shall pay to each school district 30 percent of its estimated adult vocational education aid for the school year on or before the following dates: August 31, December 31 and March 31. The final aid distribution to the district shall be made on or before October 31 of the following school year. Subd. 2. In the 1978-1979 school year and thereafter, the state shall pay to any district or cooperative center 50 percent of the salaries paid to essential, licensed personnel in that school year for services rendered in that district's or center's secondary vocational education programs. In addition, the state shall pay 50 percent of the costs of necessary equipment for these programs and 50 percent of the costs of necessary travel between instructional sites by secondary vocational education teachers. The aid paid by the state for salaries, equipment and travel pursuant to this subdivision shall be reduced by any authorized federal vocational aid funds paid by the department to that district or center for secondary vocational education programs.

Subd. 3. This aid shall be paid only for services rendered or for the costs designated in subdivision 2 which are incurred in secondary vocational education programs approved by the state department of education and operated in accordance with rules promulgated by the state board. These rules shall provide minimum student-staff ratios required for a secondary vocational education program in a cooperative center to qualify for this aid, but shall not require any minimum number of program offerings or administrative staff or the availability of vocational student activities or organizations for a secondary vocational education program to qualify for this aid. The requirement in these rules that program components be available for a minimum number of hours shall not be construed to prevent pupils from enrolling in secondary vocational education courses on an exploratory basis for less than a full school year. Except as provided in section 125.185, subdivision 4, rules relating to secondary vocational education programs shall not incorporate the provisions of the state plan for vocational education by reference. This aid shall be paid only for services rendered and for travel costs incurred by essential, licensed personnel who meet the work experience requirements for licensure pursuant to the state plan for vocational education.

Subd. 4. All secondary vocational education aid shall be paid to the district or cooperative center providing the services. All secondary vocational education aid received by a district or center from any source shall be utilized solely for the purposes of secondary vocational education programs.

A teacher who has complied with the then applicable probationary requirements in a school district prior to July 1, 1967, shall not be required to serve a new probationary period in the said district subsequent thereto. During the probationary period any annual contract with any teacher may or may not be renewed as the school board shall see fit; provided, however, that the school board shall give any such teacher whose contract it declines to renew for the following school year written notice to that effect before (APRIL) June 1. If the teacher requests reasons for any nonrenewal of a teaching contract, the school board shall give the teacher its reason in writing, including a statement that appropriate supervision was furnished describing the nature and the extent of such supervision furnished the teacher during his employment by the board, within ten days after receiving such request. Within 14 days after receipt of this notification the teacher may make a written request for a hearing before the board and it shall be granted before final action is taken. If no hearing is requested within such period, it shall be deemed acquiescence by the teacher to the board's action. Such termination shall take effect at the close of the school year in which the contract is terminated in the manner aforesaid. Such contract may be terminated at any time by mutual consent of the board and the teacher and this section shall not affect the powers of a board to suspend, discharge, or demote a teacher under and pursuant to other provisions of law.

If the decision of the board or of a reviewing court is favorable to the teacher, the proceedings shall be dismissed and the decision entered in the board minutes, and all references to such proceedings shall be excluded from the teacher's record file.

Extended leaves of absence pursuant to this section shall not exceed five years in duration. An extended leave of absence pursuant to this section shall be taken by mutual consent of the board and the teacher and may be granted only once.

Subd. 3. A teacher on an extended leave of absence pursuant to this section shall have the right to be reinstated to a position for which he is licensed at the beginning of any of the first five school years after his extended leave of absence begins, unless he is discharged or placed on unrequested leave of absence or his contract is terminated pursuant to section 125.17 or 125.12 while he is on the extended leave. The board shall not be obligated to reinstate any teacher who is on an extended leave of absence pursuant to this section unless the teacher advises the board of his intention to return before February 1 in the school year preceding the school year in which he wishes to return.

Subd. 4. Any teacher who is reinstated to a teaching position after an extended leave of absence pursuant to this section shall retain seniority and continuing contract rights in the employing

district as though he had been teaching in the district during the period when he was on the extended leave.

Subd. 5. The years spent by a teacher on an extended leave of absence pursuant to this section shall not be included in the determination of his salary upon his return to teaching in the district. The credits earned by a teacher on an extended leave of absence pursuant to this section shall not be included in the determination of his salary upon his return to teaching in the district for a period equal to the time of the extended leave of absence.

Subd. 6. Nothing within the provisions of this section shall be construed to limit the authority of a school board to grant any teacher a leave of absence which is not subject to the provisions of this section and sections 3 and 6 of this article.

Sec. 2. [125.61] [TEACHER EARLY RETIREMENT INCENTIVE PROGRAM.] *Subdivision 1. Subd. 2. A teacher meeting the requirements of subdivision 1 may be offered a contract for termination of services and payment of an early retirement incentive by the employing school district. An offer may be accepted by the teacher by submitting a written resignation to the school board of the employing district. Applications shall be submitted prior to July 1, 1977 in the case of a teacher retiring at the end of the 1977-78 school year, prior to May 1, 1978 in the case of a teacher retiring at the end of the 1978-79 school year, or, thereafter, prior to May 1 of the year immediately preceding the school year at the end of which the teacher wishes to retire.

Subd. 3. An eligible teacher who is or will be 55 years of age as of the end of the school year during which an application for an early retirement incentive is made and accepted shall receive an early retirement incentive in the amount of \$7,500. This amount shall be reduced by \$375 for each year that a teacher is over the age of 55 years to a maximum age of 60 years and by an additional \$1,125 for each year that a teacher is over the age of 60 years. The age of the teacher shall be determined as

of the end of the school year during which the application for the early retirement incentive is made.

Subd. 4. The early retirement incentive shall be paid by the employing school district in four equal successive monthly installments commencing on November 1 of the year of retirement. The state shall reimburse the district for 10 percent of any amount or amounts paid out as an early retirement incentive pursuant to this section upon receipt of a proper claim therefor accompanying the report required by subdivision 5. An early retirement incentive shall not be paid to any teacher who is discharged by a school district.

Subd. 5. Each school district contracting for an early retirement incentive pursuant to this section shall report annually during the month of December to the department of education on forms prescribed by the department. The report shall cover the preceding school year and shall contain the number of teachers participating in the early retirement incentive program, the annual salary which would have been paid had the teacher not elected to participate, the amount paid by the district for early retirement incentives, the amount claimed as reimbursement from the state, and such other information as the department of education may require.

Subd. 6. No school board shall enter into an agreement for termination of services with an early retirement incentive without applying for and receiving authorization from the commissioner of finance. The commissioner of finance shall approve or disapprove applications pursuant to this subdivision within the limits of the appropriation for the purposes of this section.

Sec. 3. Minnesota Statutes 1976, Chapter 354, is amended by adding a section to read:

If a member is granted an extended leave of absence pursuant to section 1 of this article, he may receive allowable service credit toward annuities and other benefits under chapter 354, for each year of his leave by paying into the fund employee contributions during the period of the leave which shall not exceed five years. The employing district shall pay employer contributions into the fund for each year for which a member who is on extended leave pays employee contributions into the fund. The employee and employer contributions shall be based upon the rates of contribution prescribed by section 354.42 for the salary received during the year immediately preceding the extended leave. Payments for the years for which a member is receiving service credit while on ex-

tended leave shall be made on or before June 30 of each fiscal year for which service credit is received.

Subd. 2. Notwithstanding section 354.49, subdivision 4, clause (3), a member on extended leave who pays employee contributions into the fund pursuant to subdivision 1 shall retain membership in the association for as long as he continues to pay employee contributions, under the same terms and conditions as if he had continued to teach in the district.

Subd. 3. A member on extended leave of absence pursuant to section 1 of this article who does not pay employee contributions into the fund in any year shall be deemed to cease to render teaching services beginning in that year for purposes of chapter 354.

Subd. 4. If a member who paid employee contributions into the fund for five years while on extended leave does not resume teaching in the sixth school year after the beginning of his extended leave, he shall be deemed to cease to render teaching services beginning in that year for purposes of chapter 354.

Subd. 5. The provisions of this section shall not apply to a member who is placed on unrequested leave of absence or whose contract is terminated pursuant to section 125.12 or 125.17 while he is on an extended leave of absence pursuant to section 1 of this article.

Subd. 6. A member who pays employee contributions and receives allowable service credit in the fund pursuant to this section may not pay employee contributions or receive allowable service credit for the same fiscal year in any other Minnesota public employee pension plan, except a volunteer firefighters' relief association governed by sections 69.771 to 69.776.

Sec. 4. Minnesota Statutes 1976, Chapter 354, is amended by adding a section to read:

Subd. 2. A teacher in the public elementary or secondary schools of the state who has 20 years or more of allowable service may, by agreement with the board of the employing district, be assigned to teaching service within the district in a part time teaching position.

Subd. 3. For purposes of this section, a part time teaching position shall mean a teaching position within the district in which the teacher is employed for at least 50 full days or a fractional equivalent thereof as prescribed in section 354.091, and for which the teacher is compensated at a rate not exceeding 60 percent of the compensation established by the board for a full time teacher of identical education and experience within the district.

Subd. 4. Notwithstanding any provision of chapter 354 relating to salary for contribution purposes or accrual of service credit to the contrary, employee and employer contributions to the fund, including the state's obligation therefor, and accrual of allowable service credit toward retirement pursuant to chapter 354 shall be continued during the period of part time employment pursuant to this section upon the same basis and in the same amounts as would be payable or accrued were the teacher to have been employed on a full time basis. A teacher's contributions to the fund and accrual of allowable service credit during part time employment may not be continued pursuant to this subdivision for a period longer than 10 years.

Subd. 5. A teacher who pays employee contributions and receives allowable service credit in the fund pursuant to this section may not pay employee contributions or receive allowable service credit for the same fiscal year in any other Minnesota public employee pension plan, except a volunteer firefighters' relief association governed by sections 69.771 to 69.776.

Subd. 6. A board entering into an agreement authorized by this section shall take all steps necessary to assure continuance of any insurance programs furnished or authorized a full time teacher on an identical basis and with identical sharing of costs for a part time teacher pursuant to this section.

Subd. 7. Only teachers who are in the bargaining unit as defined in section 179.63, subdivision 17, during the year preceding the period of part time employment pursuant to this section shall qualify for the continuation of contributions and accrual of service credit pursuant to subdivision 4. Notwithstanding the provisions of section 179.63, subdivision 7, clauses (e) and (f), teachers who are employed on a part time basis for purposes of this section and who would therefore be disqualified from the bargaining unit by one or both of those provisions, shall

continue to be in the bargaining unit during the period of part time employment pursuant to this section for purposes of compensation, fringe benefits and the grievance procedure.

Subd. 8. No teacher shall qualify for the continuation of contributions and accrual of service credit pursuant to subdivision 4 of this section or section 7, subdivision 4, of this article in more than one district at one time.

Subd. 9. A district shall not assign a teacher to a part time teaching position qualifying for the continuation of contributions and accrual of service credit pursuant to this section without applying for and receiving the authorization of the commissioner of finance. In cooperation with the boards of trustees of the appropriate retirement fund associations and within the limits of the amount appropriated for the purpose of this section, the commissioner of finance shall approve or disapprove applications from districts for authorization to assign teachers to part time teaching positions qualifying for the continuation of contributions and accrual for service credit pursuant to this section.

Subd. 10. Nothing within the provisions of this section shall be construed to limit the authority of a school board to assign a teacher to a part time teaching position which does not qualify for the continuation of contributions and accrual of service credit pursuant to this section.

Sec. 5. Minnesota Statutes 1976, Chapter 354, is amended by adding a section to read:

Sec. 7. Minnesota Statutes 1976, Chapter 354A, is amended by adding a section to read:

[354A.22] [QUALIFIED PART TIME TEACHERS; PARTICIPATION IN FUND.] Subdivision 1. As used in this section, the term "teachers" shall have the meaning given it in section 125.03, subdivision 1, but shall not include superintendents, principals, assistant principals or other supervisory employees as defined in section 179.63, subdivision 9.

Subd. 2. A teacher in the public schools of a city of the first class who has 20 years or more of allowable service may, by

agreement with the board of the employing district, be assigned to teaching service within the district in a part time teaching position.

Subd. 3. For purposes of this section, a part time teaching position shall mean a teaching position within the district in which the teacher is employed for at least 50 full days or a fractional equivalent thereof as prescribed in the appropriate bylaws of the retirement associations covered by chapter 354A, and for which the teacher is compensated at a rate not exceeding 60 percent of the compensation established by the board for a full time teacher of identical education and experience within the district.

Subd. 4. Notwithstanding any provision of chapter 354A or the bylaws of an association relating to salary for contribution purposes or accrual of service credit to the contrary, employee and employer contributions to the fund, including the state's obligation pursuant to section 354A.12, and accrual of allowable service credit toward retirement pursuant to chapter 354A shall be continued during the period of part time employment pursuant to this section upon the same basis and in the same amounts as would be payable or accrued were the teacher to have been employed on a full time basis. A teacher's contributions to the fund and accrual of allowable service credit during part time employment may not be continued pursuant to this subdivision for a period longer than 10 years.

Subd. 5. A teacher who pays employee contributions and receives allowable service credit in the fund pursuant to this section may not pay employee contributions or receive allowable service credit for the same fiscal year in any other Minnesota public employee pension plan, except a volunteer firefighters' relief association governed by sections 69.771 to 69.776.

Subd. 6. A board entering into an agreement authorized by this section shall take all steps necessary to assure continuance of any insurance programs furnished or authorized a full time teacher on an identical basis and with identical sharing of costs for a part time teacher pursuant to this section.

Subd. 7. Only teachers who are in the bargaining unit as defined in section 179.63, subdivision 17, during the year preceding the period of part time employment pursuant to this section shall qualify for the continuation of contributions and accrual of service credit pursuant to subdivision 4. Notwithstanding the provisions of section 179.63, subdivision 7, clauses (e) and (f), teachers who are employed on a part times basis for purposes of this section and who would therefore be disqualified from the bargaining unit by one or both of those provisions, shall continue to be in the bargaining unit during the period of part time employment pursuant to this section for purposes of compensation, fringe benefits and the grievance procedure.

Subd. 8. No teacher shall qualify for the continuation of contributions and accrual of service credit pursuant to subdivision 4 of this section or section 4, subdivision 4, of this article in more than one district at one time.

Subd. 9. A district shall not assign a teacher to a part time teaching position qualifying for the continuation of contributions and accrual of service credit pursuant to this section without applying for and receiving the authorization of the commissioner of finance. In cooperation with the boards of trustees of the appropriate retirement fund associations and within the limits of the amount appropriated for the purpose of this section, the commissioner of finance shall approve or disapprove applications from districts for authorization to assign teachers to part time teaching positions qualifying for the continuation of contributions and accrual of service credit pursuant to this section.

Subd. 10. Nothing within the provisions of this section shall be construed to limit the authority of a school board to assign a teacher to a part time teaching position which does not qualify for the continuation of contributions and accrual of service credit pursuant to this section.

Sec. 8. [APPROPRIATION; PART-TIME TEACHERS' RETIREMENT.] *To meet the state's obligation prescribed in sections 2, 4, and 7 of this article, there is appropriated from the general fund in the state treasury to the commissioner of finance the sum of \$1,000,000 for the fiscal year ending June 30, 1978, and the sum of \$2,000,000 for the fiscal year ending June 30, 1979.*

(a) Any unexpended balance remaining from the appropriation in this section for fiscal year 1978 shall not cancel but shall be available for the second year of the biennium. None of the amounts appropriated in this section shall be expended for a purpose other than the purpose indicated. If the appropriation amount attributable to either year for the purpose indicated is insufficient, the state shall not be obligated for any amount in excess of the appropriation in this section for this purpose.

(b) Notwithstanding the provisions of sections 354.43 and 354A.12, the state's obligation prescribed in sections 4 and 7 of this article shall not be financed out of standing appropriations for the state's obligations pursuant to chapter 354 or 354A.

ARTICLE X

EXPERIMENTAL PAIRING AND DISTRICT PLANNING

Section 1. [122.84] [POLICY.] *It is the policy of the state to encourage experimental delivery systems and comprehensive educational planning that will afford better educational opportunities for all pupils, make possible a more economical*

and efficient operation of the schools and insure a more equitable distribution of public school revenue.

Sec. 2. [122.85] [EXPERIMENTAL PAIRING.] *Subdivision 1. Notwithstanding the provisions of Minnesota Statutes, Sections 122.41 and 122.43, the board of any school district paired with another in this section upon approval by the school boards of both of the paired districts may enter into an agreement providing for the discontinuance by one district of any of grades kindergarten through 12 and the instruction in the other district of the pupils in the discontinued grades. This provision shall apply on an experimental basis to the following pairs of school districts: Independent School Districts No. 217 and No. 220, No. 440 and No. 444, No. 649 and No. 650, No. 782 and No. 783, and No. 893 and No. 896. These experimental pairing agreements shall not extend beyond June 30, 1980.*

Subd. 2. Districts entering into experimental agreements permitted in subdivision 1 shall count their resident pupils who are educated in the other district as resident pupils in the calculation of pupil units for all purposes, including foundation aid and levy limitations. Notwithstanding the provisions of Minnesota Statutes, Section 124.18, Subdivision 2, the agreements permitted in subdivision 1 shall provide for such tuition payments as the participating districts determine are necessary and equitable to compensate each district for the instruction of any nonresident pupils.

Subd. 3. The school board and exclusive bargaining representative of the teachers in each district discontinuing grades pursuant to an agreement permitted in subdivision 1 may negotiate a plan for the assignment or employment in the other district or the placement on unrequested leave of absence of any teachers whose positions are discontinued as a result of the agreement. The school board and exclusive bargaining representative of the teachers in each district providing instruction to nonresident pupils pursuant to an agreement permitted in subdivision 1 may negotiate a plan for the employment of teachers from the other district whose positions are discontinued as a result of the agreement. If such plans are negotiated in any pair of districts and if the plans are compatible with one another, the boards of those districts shall include the plans in their agreement.

Subd. 4. If compatible plans are not negotiated pursuant to subdivision 3 before the March 1 preceding any year of the agreement permitted in subdivision 1, the participating districts shall be governed by the provisions of this subdivision. Insofar as possible, teachers who have acquired continuing contract rights and whose positions are discontinued as a result of the agreement shall be employed by the other district or assigned to teach in the other district as exchange teachers pursuant to section 125.13. If necessary, teachers who are employed in af-

affected grade levels in either district and who have acquired continuing contract rights shall be placed on unrequested leave of absence as provided in section 125.12, subdivision 6b, in fields in which they are licensed in the inverse order in which they were employed by either district, according to a combined seniority list of teachers in affected grades in both districts.

Subd. 5. As used in this section, the term "teacher" shall have the meaning given it in Minnesota Statutes, Section 125.12, Subdivision 1.

Subd. 6. Each district entering into an agreement pursuant to subdivision 1 shall continue to provide transportation and collect transportation aid for its resident pupils pursuant to sections 123.39, 124.222 and 124.223. This subdivision shall not be construed to prohibit a district from providing some or all transportation to its resident pupils by contracting with the other district which has entered the agreement. For purposes of aid calculations pursuant to section 124.222, the commissioner may adjust the base cost per eligible pupil transported to reflect changes in costs resulting from the agreement.

Subd. 7. Each set of paired districts shall provide a report to the state department of education on August 1, 1978 and August 1, 1979. This report shall include an assessment of the fiscal and program impact of the experimental pairing experience.

Sec. 3. [122.86] [EDUCATIONAL PLANNING TASK FORCES.] Subdivision 1. [CREATION.] In order to provide for comprehensive and coherent planning for the delivery of educational services pursuant to sections 3 to 6 of this article, each educational cooperative service unit shall establish an educational planning task force. In the event an area has not established an ECSU by September 1, 1977, the commissioner shall establish a task force for that area.

Subd. 2. [SCHOOL DISTRICT PARTICIPATION.] The geographic location of the central administrative office of a school district on July 1, 1977 shall determine the participation of the total school district in a particular task force planning area. Each school district in the state shall be a member of the planning task force for its area.

Subd. 3. [TASK FORCE MEMBERSHIP.] Each task force shall consist of one member from each school district within its geographic boundaries. Each school board shall be responsible for selecting its own representative. This appointment shall be made no later than August 15, 1977, and the ECSU and the commissioner shall be notified of these appointments no later than September 1, 1977. Members of these task forces shall hold their offices from the dates of their selection until June 30, 1980.

Vacancies on the task forces shall be filled by the representative school boards in the same manner as the original appointments.

Subd. 4. [ORGANIZATION.] The ECSU director shall call the first meeting of each task force at a time designated by him prior to September 30, 1977. In those areas in which an ECSU has not been formed, the commissioner shall call the initial meeting. At this meeting, each task force shall elect from its membership a chairman and such other officers as it may deem necessary, and conduct any other necessary organizational business.

Sec. 4. [122.87] [LOCAL SCHOOL DISTRICT PLANNING.] Subdivision 1. Each school district shall develop a plan for the efficient and effective delivery of educational programs and services.

Subd. 2. In the development of its plan, each district shall confer with interested faculty and residents within the district, hold such public meetings as may be necessary, and furnish to the public necessary information concerning its plan and recommendations.

Subd. 3. School districts may meet jointly to discuss plans which will cross school district boundaries.

Subd. 4. Each school district plan shall include:

(1) a statement of the goals and priorities of the district relating both to educational programs and services and to organization and management for the delivery of such programs and services; provided, goals and priorities relating to educational programs and services shall be developed as provided in section 123.741;

(2) a description, analysis, and assessment of alternative methods of organization and management which shall include: a summary of opportunities for coordination and cooperation with other districts, a statement of the consideration given to such opportunities and the reason for their rejection, a summary of restrictions and impediments to coordination and cooperation, and an assessment of the relative costs and benefits thereof;

(3) a statement of the data and assumptions upon which the district's goals and priorities and consideration of alternatives are based, with respect to at least the following factors:

(a) Enrollments for the school district including projections for fiscal years 1981, 1983, and 1988;

(b) Educational programs, services and staffing in the school district;

(c) *The financial status and ability of the school district to support educational programs, including projections of revenue and expenditure;*

(d) *The use, capacity, location and condition of school buildings in the district, and needed capital improvements in excess of \$200,000 for the period through fiscal year 1983;*

(e) *Transportation costs and routes in the district;*

(f) *Non-public school enrollments and programs and their impact on the district.*

Subd. 5. The plan shall be for the period July 1, 1980, through June 30, 1983.

Subd. 6. The school district plan shall be delivered to the ECSU task force by December 1, 1978, with an informational copy sent to the commissioner.

Sec. 5. [122.88] [TASK FORCE POWERS AND DUTIES.]
Subdivision 1. The task force shall meet as necessary to assess progress of the local district planning process and provide inter-district communications.

Subd. 2. The task force shall recommend that the ECSU employ such professional, clerical and technical assistants as they deem necessary to accomplish the purpose of the task force. Members of the task force shall receive expenses deemed necessary to accomplish their purpose. An ECSU shall be designated as fiscal agent. Where an ECSU does not exist, the task force may designate a local school district to serve as fiscal agent.

Subd. 3. The task force shall review and comment on plans from each district. In addition, the task force shall develop an areawide plan, which shall include: (a) a description of the organization and management of educational services in the area through 1983; (b) a description of alternative methods of organization and management and the cost and benefits of each; (c) a summary of opportunities for coordination and cooperation among school districts in the area; and (d) a summary of restrictions and impediments to such coordination and cooperation. The task force shall transmit its plan and its comments on each district plan to each local school district in the area and to the state department of education by June 1, 1979.

Subd. 4. In the event a plan is not submitted by a school district, the task force shall prepare a plan for that district.

Sec. 6. [122.89] [STATE DEPARTMENT OF EDUCATION.]
Subdivision 1. The state department of education shall receive and review the report of each ECSU planning task

force. The state department shall no later than September 1, 1979, transmit the ECSU planning task force reports to the legislature.

Subd. 2. In the event a report is not submitted by an ECSU task force, the state department of education shall provide the report for that area.

Sec. 7. [122.90] [REVIEW AND COMMENT FOR SCHOOL DISTRICT CONSTRUCTION.] Subdivision 1. After July 1, 1977, no referendum for bonds or solicitation of bids for construction of an educational facility which requires a capital expenditure in excess of \$400,000 shall be initiated prior to review and comment by the commissioner. No school board shall separate portions of a single project into components in order to evade the cost limitation of this section. Any construction project for which bonds have been authorized by referendum or legislative act or for which bids have been solicited prior to July 1, 1977, shall be considered to have been initiated prior to July 1, 1977 for purposes of this section.

Subd. 2. Each school board proposing to engage in construction of educational facilities as provided in subdivision 1 shall submit to the commissioner a proposal containing information including but not limited to the following:

(a) the geographic area likely to be served, whether within or outside the boundaries of the school district;

(b) the population likely to be served, including census findings and projections relative to the population of preschool and school aged persons in the area;

(c) the reasonably anticipated need for the facility or service to be provided by the proposal;

(d) a description of the construction in reasonable detail, including:

(1) the capital expenditures contemplated;

(2) the estimated annual operating cost, including the anticipated salary cost and numbers of new staff necessitated by the proposal; and

(3) an evaluation of the energy efficiency and effectiveness of the construction including estimated annual energy costs;

(e) so far as is known, existing institutions within the area to be served that offer the same or similar service; the extent of utilization of existing facilities or services; the extent to which space is available from other sources, including institutions for

higher education or other public buildings; and the anticipated effect that the proposal will have on existing facilities and services;

(f) the anticipated benefit to the area that will result from the proposal;

(g) so far as is known, the relationship of the proposed construction to any priorities which have been established for the area to be served;

(h) the availability and manner of financing of the proposed construction and the estimated date of commencement and completion of the project; and

(i) any desegregation requirements, provided they cannot be met by any other reasonable means.

Subd. 3. In reviewing each proposal, the commissioner or his designee shall submit to the local school board within 60 days of the receipt of the proposal his review and comment concerning the educational and economic advisability of the project. The review and comment shall be based on the information submitted with the district proposal and any other information he deems necessary.

Subd. 4. At least 20 days but no more than 60 days prior to any referendum for bonds or the solicitation of any bids for the construction of such educational facility, the local school board shall cause the review and comment of the commissioner to be published in a legal newspaper of general circulation in the area. Any supplementary information shall be held for public scrutiny at the central administrative office of the school district.

Subd. 5. Before January 15, 1978 and January 15 of each year thereafter, the commissioner shall report to the legislature on the number and nature of proposals for construction projects submitted pursuant to this section and the nature of his review and comment on their educational and economic advisability. The report shall include information on the final actions of school districts concerning construction projects for which proposals were submitted and reviewed pursuant to this section. If a substantial amount of construction has been carried out despite the finding of the commissioner that it would be educationally or economically inadvisable, the report shall contain the commissioner's specific recommendations for further legislation needed to prevent school districts from carrying out inadvisable projects in the future. These recommendations shall include the commissioner's proposal for legislation requiring districts to obtain a certificate of need before commencing construction of an educational facility.

Sec. 8. [APPROPRIATION.] *Subdivision 1. The sum of \$700,000 is appropriated from the general fund to the department of education to be available until June 30, 1979 to pay staff salaries, expenses of educational planning task force members, and expenses of other authorized activities as provided in this article. Each ECSU shall receive \$70,000 upon formation of a planning task force and application to the commissioner of education. Where two or more areas have been combined to form a single ECSU, funds shall be available to the ECSU for each of the areas. Where an ECSU does not exist, a school district may be designated by the task force to receive the funds and serve as fiscal agent.*

Subd. 2. The sum of \$55,000 is appropriated from the general fund to the department of education to be available until June 30, 1979 for the purposes of section 7 of this article. One additional complement position shall be authorized for this activity.

Sec. 9. [EFFECTIVE DATE.] *Sections 1, 3, 4, 5, 6 and 7 of this article shall be effective the day following final enactment. Section 2 of this article shall take effect with respect to each pair of independent school districts named in subdivision 1 of section 2 upon its approval by the school boards of both of the paired districts."*

We, the undersigned conferees for H. F. No. 522 report that we have agreed upon the items in dispute and recommend as follows:

That the Senate recede from its amendments and that H. F. No. 522 be further amended as follows:

Strike everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1976, Section 16.84, is amended to read:

16.84 [DEFINITIONS, STATE BUILDING CODE.] Subdivision 1. For the purposes of (LAWS 1971, CHAPTER 561) sections 16.83 to 16.867, the terms defined in this section have the meanings given them.

Subd. 2. "Commissioner" means the commissioner of administration.

Subd. 2a. "City" means a home rule charter or statutory city.

Subd. 3. "Municipality" means any city, county, (TOWN ACTING THROUGH ITS TOWN BOARD OR OTHER INSTRUMENTALITY OF STATE GOVERNMENT OTHERWISE AUTHORIZED BY LAW TO ENACT A BUILDING CODE WHICH, AS OF MAY 27, 1971, HAS SUCH A BUILDING CODE OR WHICH SUBSEQUENTLY ENACTS A BUILDING CODE) or town meeting the requirements of Minnesota Statutes, Section 368.01, Subdivision 1, or the University of Minnesota.

Subd. 4. "Code" means the state building code or any amendment thereof promulgated by the commissioner in accordance with the terms of (LAWS 1971, CHAPTER 561) sections 16.83 to 16.867.

Subd. 5. "Committee" means the state building code standards committee established pursuant to (LAWS 1971, CHAPTER 561) sections 16.83 to 16.867.

Subd. 6. "Agricultural building" means a structure on agricultural land as defined in section 273.13, subdivision 6, designed, constructed and used to house farm implements, livestock or agricultural produce or products used by the owner, lessee and sublessee of the building and members of their immediate families, their employees, and persons engaged in the pickup or delivery of agricultural produce or products.

Sec. 2. Minnesota Statutes 1976, Section 16.851, is amended to read:

16.851 [STATE BUILDING CODE; APPLICATION.] Subdivision 1. (EFFECTIVE JULY 1, 1972,) The state building code shall apply state-wide and supersede (AND TAKE THE PLACE OF) the building code of any municipality. (SPECIFICALLY, THE CODE SHALL APPLY TO ANY MUNICIPALITY WHICH AS OF THE EFFECTIVE DATE OF THIS ACT HAS A BUILDING CODE AND SHALL FURTHER APPLY TO ANY MUNICIPALITY WHICH CHOOSES TO ADOPT A BUILDING CODE THEREAFTER. SAID BUILDING CODE SHALL NOT APPLY TO FARM DWELLINGS AND BUILDINGS, EXCEPT WITH RESPECT TO OTHER STATE INSPECTIONS REQUIRED OR OTHER RULEMAKING AUTHORIZED BY MINNESOTA STATUTES 1971, SECTION 104.05 AS OF THE EFFECTIVE DATE OF THIS ACT.) The state building code shall not apply to agricultural buildings except with respect to state inspections required or rulemaking authorized by sections 104.05, 326.244 and 116H.12, subdivision 4. Effective July 1, 1977, or as soon thereafter as possible, but in no event later than July 1, 1978, all municipalities shall adopt and enforce the state building code with respect to new construction within their respective jurisdictions. If a city has adopted or is enforcing the state building code on the effective date of this act, or determines by ordinance thereafter to undertake enforce-

ment, it shall be charged with enforcement of the code within the city. A city may by ordinance extend the enforcement of the code to contiguous unincorporated territory not more than two miles distant from its corporate limits in any direction; provided that where two or more non-contiguous cities which have elected to enforce the code have boundaries less than four miles apart, each is authorized to enforce the code on its side of a line equidistant between them. Once enforcement authority is extended extraterritorially by ordinance, the authority may continue to be exercised in the designated territory even though another city less than four miles distant later elects to enforce the code. Any city may thereafter enforce the code in the designated area to the same extent as if such property were situated within its corporate limits. A city which, on the effective date of this act, has not adopted the code may not commence enforcement of the code within or outside of its jurisdiction until it has provided written notice to the commissioner, the county auditor, and the town clerk of each town in which it intends to enforce the code. A public hearing on the proposed enforcement must be held not less than 30 days after the notice has been provided. Enforcement of the code by the city will commence on the first day of January in the year following the notice and hearing. Municipalities may provide for the issuance of permits, inspection and enforcement within their jurisdictions by such means as may be convenient, and lawful, including by means of contracts with other municipalities pursuant to section 471.59, and with qualified individuals. In areas outside of the enforcement authority of a city, the fee charged for the issuance of permits and inspections for single family dwellings may not exceed the greater of \$100 or .005 times the value of the structure, addition or alteration. The other municipalities or qualified individuals may be reimbursed by retention or remission of some or all of the building permit fee collected or by other means. In areas of the state where inspection and enforcement is unavailable from qualified employees of municipalities, it shall be the responsibility of the commissioner to train and designate individuals available to carry out inspection and enforcement on a fee basis.

Subd. 2. If the commissioner determines that a municipality is not properly administering and enforcing the state building code as provided in section 16.867, the commissioner may cause administration and enforcement in the involved municipality to be undertaken by the state building inspector. The commissioner shall notify the affected municipality in writing immediately upon making the determination, and the municipality may challenge the determination as a contested case before the commissioner pursuant to the administrative procedure act. In municipalities not properly administering and enforcing the state building code, and municipalities who determine not to administer and enforce the state building code, the commissioner shall cause administration and enforcement in the involved municipality to be undertaken by the state building inspector or other inspector certified by the state. The commissioner shall determine appropriate fees to be charged for the administration

and enforcement service rendered. Any cost to the state arising from the state administration and enforcement of the state building code shall be borne by the subject municipality.

Sec. 3. Minnesota Statutes 1976, Section 16.86, Subdivision 4, is amended to read:

Subd. 4. The commissioner, notwithstanding any law to the contrary, shall hold all state hearings and make all determinations regarding any subject matter dealt with in the code including those in which another department or agency proposes to adopt or amend (ITS) rules and regulations which are incorporated by reference into the code or whenever the commissioner proposes to incorporate such regulations into the *state building code. In no event shall a state agency or department subsequently authorized to adopt rules and regulations involving state building code subject matter proceed to adopt the rules and regulations without prior consultation with the commissioner.*

Sec. 4. Minnesota Statutes 1976, Section 16.861, Subdivision 4, is amended to read:

Subd. 4. [DUTIES.] Building officials shall, in the municipality for which they are appointed, attend to all aspects of code administration, including the issuance of all building permits *and the inspection of all mobile home installations.* The commissioner may direct a municipality having a building official to perform services for another municipality, and in such event the municipality being served shall pay the municipality rendering such services the reasonable costs thereof. Such costs may be subject to approval by the commissioner.

Sec. 5. Minnesota Statutes 1976, Section 16.866, Subdivision 1, is amended to read:

16.866 [SURCHARGE.] Subdivision 1. [COMPUTATION.] For the purpose of defraying the costs of administering the provisions of (LAWS 1971, CHAPTER 561) *section 16.83 to 16.867*, there is hereby imposed a surcharge on all permits issued by municipalities in connection with the construction of or addition or alteration to, buildings and equipment or appurtenances, on and after July 1, 1971, as follows:

((A)) Where the fee for the permit issued is fixed in amount the surcharge shall be equivalent to 1/2 mill (.0005) of such fee or 50 cents, whichever amount is greater. For all other permits, the surcharge shall be equivalent to 1/2 mill (.0005) of the valuation of the structure, addition or alteration. Provided however, that where the valuation of the structure, addition, or alteration is equal to or greater than \$1,000,000 but less than \$10,000,000, the surcharge shall be \$1,000, where said valuation is equal to or greater than \$10,000,000 but less than \$20,000,000

the surcharge shall be \$1,500 and where said valuation is equal to or greater than \$20,000,000 the surcharge shall be \$2,000.

By September 1 of each odd numbered year beginning in 1979, the commissioner shall rebate to municipalities any money received pursuant to this section and section 2 in the previous biennium in excess of the cost to the building code division in that biennium of carrying out their duties under sections 16.83 to 16.867. The rebate to each municipality shall be in proportion to the amount of the surcharges collected by that municipality and remitted to the state.

Sec. 6. [TEMPORARY PROVISION.] *No later than November 1, 1977, the commissioner of administration shall submit to the legislature a report containing his findings and recommendations on the method by which municipalities can best implement and finance enforcement of the state building code. In preparing the report the commissioner shall consult with representatives of municipalities and persons involved in the building industry. The report of the commissioner shall also recommend a method for financing operations of the building code division. If the commissioner determines that statutory amendments are necessary, he shall submit amendments in bill form to the legislature as part of the report required by this section.*

Sec. 7. Minnesota Statutes 1976, Chapter 116H, is amended by adding a section to read:

[116H.001] [EXPIRATION.] *Sections 116H.03 to 116H.06 shall expire on June 30, 1983, unless renewed by the legislature. In the event that sections 116H.03 to 116H.06 are allowed to expire, the governor is hereby empowered to transfer the duties and responsibilities under chapter 116H to whatever agency or department or combination thereof which the governor deems appropriate.*

The director may promulgate (REGULATIONS) rules pursuant to chapter 15 to insure that energy use and conservation will be considered in state purchasing and, where appropriate, to require certain minimum energy efficiency standards in purchased products and equipment. No state purchasing of equipment or material use shall occur that is not in conformity with these regulations.

Sec. 13. Minnesota Statutes 1976, Section 116H.12, Subdivision 10, is amended to read:

For purposes of this subdivision, "energy efficiency ratio" means the ratio of the cooling capacity of the air conditioner in British thermal units per hour to the total electrical input in watts under designated operating conditions. This subdivision shall not apply to air conditioners in Minnesota on October 1, 1977. No person may transport non-complying units into this state in excess of what he can reasonably anticipate selling prior to January 1, 1978.

Sec. 14. Minnesota Statutes 1976, Section 116H.12, is amended by adding a subdivision to read:

Sec. 15. Minnesota Statutes 1976, Section 116H.121, is amended to read:

116H.121 [ENERGY CONSERVATION STANDARDS IN CERTAIN PUBLIC BUILDINGS.] *Subdivision 1.* Before February 1, 1977, the commissioner of administration in consultation with the director, shall amend the rules concerning heat loss, illumination, and climate control standards promulgated pursuant to (MINNESOTA STATUTES, 1975 SUPPLEMENT,) section 116H.12, subdivision 4, to include standards for all existing buildings heated by oil, coal, gas, or electric units which are owned by the state, the university of Minnesota, any city, any county, or any school district. Compliance with standards adopted pursuant to this section shall not be mandatory for buildings owned by any city, county or school district, except as otherwise provided by this section.

Subd. 2. Effective January 1, 1978, the illumination standards promulgated pursuant to subdivision 1, shall be mandatory for all public buildings where economically feasible. For the purposes of this subdivision, "public building" means any building which is open to the public during normal business hours and which exceeds 5,000 square feet in gross floor area. The director shall specify the formula for determining economic feasibility and shall take appropriate measures prior to January 1, 1978 to inform building owners and managers of the requirements of this subdivision and to assist them in complying with it.

Subd. 3. No enclosed structure or portion of an enclosed structure constructed after January 1, 1978 and used primarily as a commercial parking facility for three or more motor vehicles shall be heated. Incidental heating resulting from building exhaust air passing through a parking facility shall not be prohibited, provided that substantially all useful heat has previously been removed from the air.

Sec. 16. Minnesota Statutes 1976, Section 116H.124, is amended to read:

116H.124 [LOCAL GOVERNMENTAL SURVEYS AND FUEL COST ESTIMATES.] Before January 1, 1980, the governing body of each city and county shall complete a survey of

all existing city owned or county owned buildings within their respective jurisdictions which buildings are heated by oil, coal, electric, or gas units. Buildings heated by oil or interruptable gas shall be surveyed first. The survey shall determine, based upon a formula specified by the director, the estimated remaining useful life of each building, together with the present degree and estimated cost of compliance with the energy conservation standards promulgated pursuant to section 116H.121. The governing body of a city or county may contract with any municipal building official appointed pursuant to section 16.861, or with the state building inspector to perform the energy conservation survey. Each governing body shall estimate, based upon a formula specified by the director, the annual potential savings in fuel procurement costs for existing heating and cooling systems, which savings would be realized for each building within its jurisdiction if that building were improved to comply with the energy conservation standards. Each governing body shall file the energy conservation survey and estimated fuel procurement data for *at least half* the buildings within its jurisdiction with the director before December 31, 1978, and *all remaining buildings by December 31, 1979*, for his review and comment.

Sec. 17. Minnesota Statutes 1976, Section 116H.126, is amended to read:

116H.126 [PUBLIC SCHOOL SURVEYS.] Before January 1, 1980, each school district shall complete a survey of all existing public school buildings which it owns or operates and which are heated by oil, gas, coal, or electric units in order to determine the estimated remaining useful life of each building, together with the present degree and estimated cost of compliance with the energy conservation standards promulgated pursuant to section 116H.121. Buildings heated by oil or interruptable gas shall be surveyed first. The results of the energy conservation survey shall be recorded on a form furnished by the director. A school district may contract with any municipal building official appointed pursuant to section 16.861 or with the state building inspector to perform the energy conservation survey. Each school district shall estimate, based upon a formula specified by the director, the annual savings in fuel procurement costs for existing heating and cooling systems, which savings would be realized for each public school building within the district if it were improved to comply with the energy conservation standards.

Each school district shall file the energy conservation survey and estimated fuel procurement data for (EACH) *at least half the public school (BUILDING) buildings* within the district with the director before December 31, 1978, and *all remaining buildings by December 31, 1979*, for his review and comment.

Sec. 18. Minnesota Statutes 1976, Chapter 116H, is amended by adding a section to read:

[116H.129] [ENERGY CONSERVATION IN RESIDENTIAL BUILDINGS.] *Subdivision 1. Before January 1, 1978,*

the commissioner of administration, in consultation with the director and the appropriate standing committees of the legislature, shall promulgate minimum energy efficiency standards for existing residential buildings. The standards shall be economically feasible in that the resultant savings in energy procurement costs, based on current average residential energy costs in Minnesota as certified by the director, will exceed the cost of the energy conserving requirements amortized over a period of five years.

By February 15, 1978, the director shall make recommendations to the legislature on methods to obtain compliance with the standards set forth in this subdivision.

Subd. 2. Before January 1, 1978, the commissioner of administration, in consultation with the director, shall by rule amend the standards concerning heat loss, illumination, and climate control promulgated pursuant to section 116H.12, subdivision 4, to require that electrical service to individual dwelling units in buildings containing two or more units be separately metered, with individual metering readily accessible to the individual occupants. The standards authorized by this subdivision shall only apply to buildings constructed after the effective date of the amended standards. Buildings intended for occupancy primarily by persons who are 62 years of age or older or handicapped, or which contain a majority of units not equipped with complete kitchen facilities, shall be exempt from the provisions of this subdivision.

Sec. 19. Minnesota Statutes 1976, Section 116H.13, Subdivision 4, is amended to read:

Subd. 4. After promulgation of the criteria for assessment of need, any (UTILITY, COAL SUPPLIER OR PETROLEUM SUPPLIER) person proposing to construct a large energy facility shall apply for a certificate of need (TO CONSTRUCT A NEW LARGE ENERGY) prior to construction of the facility. The application shall be on forms and in a manner established by the director. In reviewing each application the director shall hold at least one public hearing pursuant to chapter 15.

Sec. 20. Minnesota Statutes 1976, Section 126.111, is amended to read:

126.111 [ENVIRONMENTAL CONSERVATION EDUCATION.] *Subdivision 1.* The state department of education with the cooperation of the department of natural resources shall prepare an interdisciplinary program of instruction for elementary and secondary schools in the field of environmental conservation education. The program shall provide integrated approaches to environmental management consistent with socio-ecological principles, the production of appropriate curriculum materials and implementation in the public schools in the state.

Subd. 2. The commissioner of education in consultation with the director of the energy agency shall prepare an interdisciplinary program in the field of energy sources, uses, conservation, and management. The first phase shall be an assessment of available curriculum materials, the amount and type of energy curriculum already being taught, and what needs to be developed to provide an integrated approach to energy education consistent with socio-economic and ecological principles. Subsequent phases shall include development of curriculum guidelines and materials and a plan for their implementation as funds become available.

Sec. 21. [HEATING FUEL INVENTORY STUDY.] *In order to avoid potential heating fuel shortages, the Minnesota energy agency is directed to conduct a study of the heating fuel storage capacity of the state. The energy agency shall report its findings and recommendations to the legislature by November 15, 1977. The report shall include:*

(a) an estimate of cumulative capacity of all heating fuel storage facilities in the state;

(b) a determination of normal fill levels for storage facilities; and

(c) an estimate of whether or not the state's storage capacity is adequate.

Based upon the survey's findings, the energy agency's recommendations in the report shall include:

(a) measures the state can take to ensure that storage capacity is filled prior to the beginning of the heating season; and

(b) measures the state can take to initiate construction and/or utilization of additional storage facilities if increased storage is found to be necessary.

Sec. 22. *The director of the energy agency in consultation with the director of the housing finance agency shall develop pamphlets and radio and television messages on the energy conservation and housing programs available in Minnesota. The pamphlets shall include information on available tax credits for residential energy conservation measures, residential retrofitting loan and grant programs, and data on the economics of energy conservation measures. Before the pamphlets or media messages are released for general distribution they shall be reviewed by the appropriate standing committees of the legislature.*

Sec. 23. *By December 31, 1977, the director of the energy agency, after consulting with the appropriate standing commit-*

tees of the legislature, shall develop a comprehensive legislative proposal dealing with the legal, institutional, and financial issues surrounding solar energy use in Minnesota, including the creation and protection of sun rights, the modification of building codes, and the provision of reliable backup heating systems.

Sec. 24. The energy agency shall contract with the university of Minnesota, the departments of agricultural engineering, and agricultural and applied economics to carry out a research and demonstration project to study the feasibility of developing an agriculturally derived ethyl alcohol supplement to be blended with diesel fuel so as to produce a liquid fit for use as a fuel in diesel engines used for agricultural purposes. In carrying out the project, the departments shall utilize to the fullest extent possible, studies, data and reports of public agencies, private organizations and corporations, research institutes and other institutions of higher education. Before the project begins it shall be presented to the energy agency for review and comment.

An interim report shall be provided by September 1, 1978, to the energy agency and the Minnesota department of agriculture for review and comment. The university shall then provide the energy agency with a final report and recommendations which shall be provided to the legislature by January 1, 1979.

The project report shall include, but is not limited to, results from field studies of demonstration projects, and a review of the technical feasibility, possible energy impacts, biomass options, economic feasibility, agricultural sources and policy recommendations. A review of the relevant literature and a glossary shall also be included.
