Reported the same back with the following amendments:

Strike everything after the enacting clause and insert:

“Section 1. Minnesota Statutes 1976, Section 72B.02, Subdivision 5, is amended to read:

Subd. 5. “Independent *or staff* adjuster” means any person who for another for money, commission or any other thing of value acts as an adjuster on behalf of *one or more* than one insurer, or who holds himself out to do so.

Sec. 2. Minnesota Statutes 1976, Section 72B.03, is amended to read:

72B.03 [LICENSES.] Subdivision 1. [REQUIREMENT; EXCEPTIONS.] Except as otherwise provided, no person shall act as an independent adjuster, public adjuster, public adjuster solicitor or appraiser for money, a commission, or any other thing of value, unless such person shall first obtain from the commissioner a license. No license shall be required for a person:

(a) Undergoing a training or education program under the guidance of a licensed adjuster and who is registered with the commissioner for a one year temporary permit;

(b) Acting in a catastrophe or emergency situation, and who has registered with the commissioner for that purpose; *or*

(c) (WHO IS ENGAGED AS A STAFF APPRAISER;)

Subd. 2. [CLASSES OF LICENSES.] There shall be four classes of licenses, as follows:

(a) Independent *or staff* adjuster's license.

(b) Public adjuster's license.

(c) Public adjuster solicitor's license.

(c) A combination of the fields described in (a) and (b), above. Separate licenses shall be required for each field, but the same person may obtain licenses in more than one field. No person shall be licensed as both a public and independent *or staff* adjuster. The license shall state the class for which the person is licensed and, where applicable, the field in which the person is licensed, and shall state the licensee's name and residence address, the date of issuance and the date of expiration of the license and any other information prescribed by the commissioner which is consistent with the purpose of the license.

Subd. 3. [PAYMENT FOR SERVICES; UNLAWFUL PRACTICE.] No insurer, agent, or other representative of an insurer nor any adjuster or appraiser shall pay any fee or other compensation to any person for acting as an adjuster, an appraiser, or a public adjuster solicitor, except to a person duly licensed to so act or to a person not required to be licensed by sections 72B.01 to 72B.14; and it shall be unlawful for any person to act as an independent *or staff* adjuster, a public adjuster, a public adjuster solicitor or an appraiser, who is not duly licensed, or excluded from the licensing requirement.

A person who has held a license of any given class or in any field or fields within three years prior to his application shall be entitled to a renewal of his license in the same class or in the same fields without taking an examination.

The commissioner may issue a license under sections 72B.01 to 72B.14 without an examination, if the applicant presents sufficient and satisfactory evidence of having passed a similar examination in another state and if the commissioner, with the advice of the advisory board, has determined that the standards of such other state are equivalent to those in Minnesota for the

class of license applied for.
