No more than one amended application may be submitted for any single file or system which contains data on individuals.

If the commissioner grants an application for emergency classification, it shall become effective immediately, and the complete record relating to the application shall be submitted to the attorney general, who shall review the classification as to form and legality. Within 20 days, the attorney general shall approve the classification, disapprove a classification as confidential but approve a classification as private, or disapprove the classification. If the attorney general disapproves a classification, the data which is the subject of the classification shall become public data five working days after the date of the attorney general's disapproval.

Sec. 9. Minnesota Statutes 1978, Section 15.1642, Subdivision 5, is amended to read:

Subd. 5. [EXPIRATION OF EMERGENCY CLASSIFICATION.] All emergency classifications granted under this section and still in effect shall expire on July 31, (1979) 1980. No emergency classifications shall be granted after July 31, (1979) 1980.

Sec. 10. Minnesota Statutes 1978, Section 15.165, is amended to read:

15.165 [DATA ON INDIVIDUALS; RIGHTS OF SUBJECTS OF DATA.] *Subdivision 1. Data on individuals classified as private shall be not public but shall be disclosed to the subject of the data upon request as provided for in sections 1 to 7 and sections 15.1642, 15.1643 and 15.165.*

Subd. 2. Data on individuals classified as confidential shall be not public and shall not be disclosed to the subject of the data.

(SUBDIVISION 1) *Subd. 3. The rights of individuals on whom the data is stored or to be stored and the duties of responsible authorities shall be as set forth in this section.*

Subd. (2) 4. An individual asked to supply private (OR CONFIDENTIAL) data concerning himself shall be informed

of: (a) the purpose and intended use of the requested data within the collecting state agency, political subdivision, or statewide system; (b) whether he may refuse or is legally required to supply the requested data; (c) any known consequence arising from his supplying or refusing to supply private or confidential data; and (d) the identity of other persons or entities authorized by state or federal law to receive the data.

Subd. (3) 5. Upon request to a responsible authority, an individual shall be informed whether he is the subject of stored data on individuals, and whether it is classified as public, private, or confidential. Upon his further request, an individual who is the subject of stored private data on individuals shall be shown the data without any charge to him and, if he desires, shall be informed of the content and meaning of that data. After an individual has been shown the private data and informed of its meaning, the data need not be disclosed to him for six months thereafter unless a dispute or action pursuant to this section is pending or additional data on the individual has been collected. The responsible authority shall provide copies of the private data upon request by the individual subject of the data. The cost of providing copies shall be borne by the individual.

The responsible authority shall comply immediately, if possible, with any request made pursuant to this subdivision, or within five days of the date of the request, excluding Saturdays, Sundays and legal holidays, if immediate compliance is not possible. If he cannot comply with the request within that time, he shall so inform the individual, and may have an additional five days within which to comply with the request, excluding Saturdays, Sundays and legal holidays.

Subd. (4) 6. An individual may contest the accuracy or completeness of public or private data concerning himself. To exercise this right, an individual shall notify in writing the responsible authority describing the nature of the disagreement. The responsible authority shall within 30 days either: (a) correct the data found to be inaccurate or incomplete and attempt to notify past recipients of inaccurate or incomplete data, including recipients named by the individual; or (b) notify the individual that he believes the data to be correct. Data in dispute shall be disclosed only if the individual's statement of disagreement is included with the disclosed data.

The determination of the responsible authority may be appealed pursuant to the provisions of the administrative procedure act relating to contested cases.

Sec. 11. *Notwithstanding any other provision in this act, from April 1, 1979, until July 1, 1980, government data other than data on individuals, may be classified by a responsible authority as not public if: (a) on the effective date of this act*

the data was classified as not public by a rule, ordinance or other legally binding action of a responsible authority; or if (b) the responsible authority makes a written agreement with the source of the data to maintain the data as not public, under the terms of sections 1 to 7 and sections 15.1642, 15.1643 and 15.165, and the agreement is consistent with the long standing practice of the responsible authority to maintain similar data as not public. Any classification made pursuant to this section shall expire July 1, 1980.

Sec. 12. [REPEALER.] *Minnesota Statutes 1978, Sections 15.162; 15.163; 15.1641; 15.1642, Subdivision 4; 15.166; 15.167; 15.1671; and 15.169 are repealed.*

Sec. 13. [EFFECTIVE DATE.] *This act is effective July 1, 1979."*

Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1978, Chapter 256B, is amended by adding a section to read:

[256B.091] [NURSING HOME PRE-ADMISSION SCREENING; PILOT PROGRAM.] *Subdivision 1. [PURPOSE.] It is the purpose of this section to study how to prevent inappropriate nursing home placement by establishing a pilot program of pre-admission screening teams for all medical assistance recipients and any individual who would become eligible for medical assistance within 90 days of admission to a licensed nursing home participating in the pilot program. Further, it is the purpose of this section and the pilot program to gain further information about how to contain costs associated with inappropriate nursing home admissions.*

Subd. 2. [SCREENING TEAMS; ESTABLISHMENT.] Each county agency designated by the commissioner of public welfare to participate in the pilot program shall contract with the local board of health organized under Minnesota Statutes, Section 145.911 to 145.922 or other public or non-profit agency to establish a screening team to assess, prior to admission to a nursing home licensed under section 144A.02, the health and social needs of medical assistance recipients and individuals who would become eligible for medical assistance within 90 days of nursing home admission. Each local screening team shall be composed of a staff member from the local public health nursing service and a social worker from the local community welfare agency. Each screening team shall have a physician available for consultation and shall utilize individuals' attending physicians' physical assessment forms, if any, in assessing needs. The individual's physician shall be included on the screening team if the physician chooses to participate. Other personnel as deemed appropriate by the county agency may be included on the team, such as physical therapists or psychologists. No member of a screening team shall have a direct or indirect financial or self-serving interest in a nursing home or non-institutional referral such that it would not be possible for the member to consider each case objectively.

Subd. 3. [SCREENING TEAM; DUTIES.] Local screening teams shall seek cooperation from other public and private agencies in the community which offer services to the disabled and elderly. The responsibilities of the agency responsible for screening shall include:

(a) Provision of information and education to the general public regarding availability of the screening program;

(b) Acceptance of referrals from individuals, families, human service professionals and nursing home personnel of the community agencies;

(c) Assessment of health and social needs of referred individuals and identification of services needed to maintain these persons in the least restrictive environments;

(d) Identification of available noninstitutional services to meet the needs of individuals referred;

(e) Recommendations for individuals screened regarding:

(1) Nursing home admission; and

(2) Maintenance in the community with specific service plans and referrals and designation of a lead agency to implement each individual's plan of care;

(f) Provision of follow up services as needed; and

(g) Preparation of reports which may be required by the commissioner of public welfare.

Subd. 4. [SCREENING OF PERSONS.] Prior to nursing home admission, screening teams shall assess the needs of all persons receiving medical assistance and of all persons who would be eligible for medical assistance within 90 days of admission to a nursing home, except patients from acute care facilities or transfers from other nursing homes. Any other interested person may be assessed by a screening team upon payment of a fee based upon a sliding fee scale.

Subd. 5. [APPEALS.] Appeals from the screening team's determination shall be made pursuant to the procedures set forth in Minnesota Statutes, Section 256.045, Subdivisions 2 and 3. An appeal shall be automatic if the individual's physician does not agree with the recommendation of the screening team.

Subd. 6. [TEAM REIMBURSEMENT.] The commissioner of public welfare shall amend the Minnesota medical assistance plan to include reimbursement for the local screening teams. Reimbursement shall not be provided for any recipient placed in a nursing home in opposition to the screening team's recommendation; provided, however, the commissioner shall not deny reimbursement for (1) an individual admitted to a nursing home who is assessed to need long-term supportive services if long-term supportive services other than nursing home care are not available in that community; or (2) any eligible individual placed in the nursing home pending an appeal of the pre-admission screening team's decision; or (3) any eligible individual placed in the nursing home by a physician in an emergency situation and where the screening team has not made a decision within five working days of its initial contract.

Subd. 7. [REPORT.] The commissioner of public welfare, in consultation with the commissioner of health, shall evaluate the screening program established pursuant to this section and provide a report to the legislature by January 1, 1981, which shall include a description of:

- (a) *The cost effectiveness of the program;*
- (b) *The unmet needs in the community;*
- (c) *Methods to improve the program.*

Sec. 2. [APPROPRIATIONS.] *For the biennium ending June 30, 1981, there is appropriated from the general fund to the department of public welfare the sum of \$..... for the purposes of section 1."*

H. F. No. 1077, A bill for an act relating to retirement; Minneapolis municipal employees retirement fund; increasing the employee contribution rate; amending Minnesota Statutes 1978, Section 422A.10, Subdivision 1.

Reported the same back with the following amendments:

Page 1, after line 7, insert:

"Section 1. Minnesota Statutes 1978, Chapter 355, is amended by adding a section to read:

[355.311] [SECOND SOCIAL SECURITY REFERENCE.] *Subdivision 1. [PAYMENT OF RETROACTIVE SOCIAL SECURITY EMPLOYEE AND EMPLOYER TAXES.] Effective retroactively with respect to any employment after the date of retroactive coverage by municipal employees who are employed on the date of the agreement or modification of the agreement with the secretary of health, education and welfare, the executive secretary of the Minneapolis municipal employees retirement fund shall cause to be paid out of the fund an amount for each municipal employee retroactively included equal to the employee and employer taxes which would have been imposed by the federal insurance contribution act if the service by the employee constituted employment within the meaning of that act. This payment shall be computed from the date of retroactive coverage to the date that deductions are first taken from the wages of each municipal employee pursuant to section 355.309. Amounts paid to meet the required employee contribution shall first be deducted from the accumulated deductions of the municipal employee and then from the remaining assets of the fund.*

Subd. 2. [APPROPRIATION.] The amounts required by this section are hereby appropriated from the Minneapolis municipal employees retirement fund and the executive secretary of the fund is authorized to make any necessary disbursements and transfers. The amounts so required shall be paid to the contribution fund provided for in the enabling act.

Subd. 3. [BALANCES DUE AFTER PAYMENT OF RETROACTIVE SOCIAL SECURITY EMPLOYEE AND EMPLOYER TAXES.] Any municipal employee who elects social security coverage from and after January 1, 1979 and thereby transfers from the basic program of the Minneapolis municipal employees fund to the coordinated program of the Minneapolis municipal employees fund and from whose account retroactive social security employee taxes are paid by the board of the Minneapolis municipal employees fund shall be required to reimburse the fund in an amount equal to the difference between employee contributions at the rate of eight percent of his total salary for the period of retroactive social security coverage and the aggregate of four percent of his total salary for the period of retroactive social security coverage plus the rate of retroactive social

security employee taxes paid on the salary of the municipal employee restricted to the earnings limitations imposed by the federal insurance contribution act covering service as a municipal employee rendered from and after July 1, 1978. In the event that a municipal employee does not reimburse the Minneapolis municipal employees retirement fund within 30 days following notification by the executive secretary of the amount of reimbursement which is due, interest at the rate of six percent per annum compounded annually from the date the amount was first payable following notification until the date payment is made shall accrue. The city or the public corporation which employs a municipal employee electing social security coverage from and after January 1, 1979, for service on which retroactive social security employer taxes are paid from the Minneapolis municipal employees retirement fund shall reimburse the fund in an amount equal to the reimbursement amount payable by the municipal employee. The employer reimbursement may be paid from the proceeds of a tax levy made for this purpose or from any other funds available to the employer.

Sec. 2. Minnesota Statutes 1978, Section 422A.08, Subdivision 2, is amended to read:

Subd. 2. Prior to August 31 of each year the retirement board shall prepare an itemized statement of its financial requirements from tax revenue for the succeeding fiscal year. A copy of the statement shall be submitted to the board of estimate and taxation and to the city council prior to September 15 of each year. This statement shall include:

(1) An estimate of the administrative expense of the board less:

(a) Such amount as the board may charge against the interest income account of the fund as cost of handling the investment securities of the fund.

(b) The cost of handling the retirement benefits of any city-owned public utility, improvement project, or other municipal activities supported in whole or in part by revenues other than taxes.

(c) The cost of handling the retirement benefits of any public corporation and its employees who have availed themselves of the provisions of sections 422A.01 to 422A.25.

(2) An estimated amount not to exceed 7 1/4 percent of the salaries and wages of all employees covered by the retirement fund less any amounts contributed for current cost of future retirement benefits by any city-owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than taxes, or any public corporation.

(3) The estimated amount to meet the requirements of section 422A.06, subdivision 3, less any amounts contributed for this purpose by any city-owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than taxes, or any public corporation.

(4) The cost of all monthly survivor's benefits provided in section 422A.23 as an obligation of the city and any of its boards, departments, commission or public corporations as therein provided, less any amounts contributed for this purpose by any city-owned public utility, improvement project, other municipal activities supported in whole or in part by revenues other than taxes, or any public corporation.

(5) Such other levies and financing as are required by law.

(6) The total of items 1, 2, and 3 above shall be increased or decreased as the case may be by any deficiency or excess of the amount of tax revenue actually collected within the preceding fiscal year under or over the amount actually determined to meet the financial requirements of the fund for such year. In no event shall the amount requested for levy exceed the total of entry age normal cost, less the amounts contributed by the employees, plus administrative expense, (INTEREST ON THE ACTUARIAL DEFICIT AT THE RATE OF FIVE PERCENT PER ANNUM,) *plus* an amount necessary to (REDUCE) *amortize on a level annual dollar basis* the principal amount of the actuarial deficit (IN EQUAL INSTALLMENTS) by the year 2017 *using an interest rate of five percent, compounded annually*, plus interest upon any deficiency from the previous year's levy at the rate of four percent per annum. This limit does not apply to the requirements for survivors benefits provided in section 422A.23 nor to any levy which is administered by the retirement board pursuant to special act."

Subd. 3. [CERTIFICATION.] No revenue operation of the people mover system shall begin without federal certification of operating acceptability, signed by the administrator of the urban mass transportation administration, stating that the system has been fully tested and is ready for year-around revenue operation. The purchase contract for the vehicle system shall so provide.

Sec. 5. [SYSTEM COSTS; SPECIAL ASSESSMENT.] The people mover system and related access facilities are determined to be local improvements within the meaning of the Minnesota Constitution, Article X, the city's charter, and Minnesota Statutes, Chapters 429 and 430. Accordingly, the costs of acquisition, construction, reconstruction, extension, operation, maintenance and promotion of the people mover system and such facilities whether paid or to be paid by the city or the commission, may be specially assessed against property determined to be specially benefited thereby, to the extent of and in proportion to the benefits. The special assessment shall be levied by the city pursuant to its charter, chapter 429 or 430, and the collections thereof may be pledged to the payment of the costs. After the first year of revenue operation the cost of operation and maintenance to be assessed shall be increased annually at a rate equal to the rate of inflation in the cost of operating and maintaining the people mover system.

Sec. 6. [ACCESS FACILITIES.] *By December 15, 1980 the commission and the city shall report to the legislature on their plans for improving and facilitating access to the people mover system from other modes of transportation. The commissioner shall produce a plan for managing the relationship between buses and the people mover to enhance ridership and patron satisfaction on both systems. The city shall produce parking, traffic and pedestrian management plans, including plans for the construction of fringe parking ramps or lots and skyways. The pedestrian management plan shall include an assessment of the aesthetic and social impact of the people mover system, which has been developed with the participation of the city's district planning councils. The parking plans shall identify the specific locations and capacities of the proposed facilities, along with preliminary design, engineering, and traffic management studies. The plans shall include a development program with a schedule for the development of such facilities and a detailed financial plan demonstrating financial capability for a prospective five year period to support the capital, operating, and maintenance costs of the parking and other access facilities and shall request any additional bonding or financing authority necessary to complete the planned development of such facilities.*

Sec. 7. [OPERATING SUBSIDY.] *Subdivision 1. [LEGISLATIVE DETERMINATION.] The legislature finds and determines that the revenues to be derived from the operation of the people mover system are not likely to be sufficient to pay the cost of operating and maintaining it; that it will be necessary to provide public money for the purpose.*

Subd. 2. [BOARD REPORT.] The board shall prepare and submit to the commissioner of transportation no later than November 15, 1980, a report containing recommendations of the procedures for the operation and maintenance of the system and for paying the costs of operation and maintenance of the system.

Subd. 3. [EVALUATION BY COMMISSIONER OF TRANSPORTATION.] The commissioner of transportation shall independently evaluate the board report upon its completion. The commissioner shall submit a report of his findings to the legislature and to the board no later than January 15, 1981. In preparation of the report, the commissioner shall give particular attention to costs and benefits to the state of Minnesota of the system if the board report recommends that a portion of the money needed for the operation of the system should be provided by the commission.

Sec. 8. [STATE ASSISTANCE.] *Subdivision 1. The legislature determines that it is necessary and in the best interests of the state and its residents for the state to provide assistance to the city and the commission with respect to the people mover system. For this purpose, notwithstanding the provisions*

of any other law, the acts and statutory exemptions provided for in this section are authorized.

Subd. 2. Construction of the people mover system within the capitol area shall be exempt from the provision of Minnesota Statutes 1978, Section 15.50, Subdivision 2, Clause (e), requiring design competition except that capitol station west shall be subject to an invited competition as defined in part II, 6, c(2) of the american institute of architecture document number 6-J332, issued November, 1976, sponsored and conducted by the capitol area architectural and planning board upon guidelines and criteria as determined by agreement of the joint management board and the capitol area architectural and planning board. System improvements within the capitol area shall be in conformity with the comprehensive use plan for the capitol area and subject to the approval of the board.

Subd. 3. The commissioner of administration on behalf of the state may grant to the city or the commission without compensation, easements for the construction, location and operation of the people mover system upon state owned property. The commissioner of administration and the urban mass transportation administration shall establish the value of easements and related access facilities in the capitol area which will be required for the people mover and which are eligible in lieu of cash as local contributions to the capital cost of the people mover project.

Subd. 4. In lieu of the special assessment by the city of state owned property specially benefited by the location or operation of the people mover system, the commissioner of administration on behalf of the state may enter into an agreement with the city or the commission assuming responsibility for the payment of the annual cost of operation and maintenance of any people mover system station and related access facilities located in the capitol area or a state owned office building.

Subd. 5. There is annually appropriated to the commissioner of administration for the fiscal year ending June 30, 1984 and each fiscal year thereafter, from the general fund, a sum sufficient to pay all costs of the people mover system agreed to be paid by the commissioner pursuant to subdivision 4.

Subd. 6. There is annually appropriated from the general fund to the commissioner of transportation, for reappropriation to the commission, the amounts necessary to finance the commission's share of the cost of acquisition and betterment of the people mover system, not to exceed a total aggregate amount of \$9,000,000 or one-half of the local contribution, whichever is less. By January 1 of each year, the commission shall by resolution notify the commissioner of transportation of the amounts required to pay such costs during the succeeding fiscal year. The commissioner shall include the amount in the department's budget or supplementary budget request to the legislature.

Sec. 9. [REPEALER.] *Laws 1977, Chapter 454, Section 45, is repealed.*

Sec. 10. [EFFECTIVE DATE.] *This act is effective upon approval by resolution of the St. Paul city council and by resolution of the metropolitan transit commission. The resolutions shall be adopted after published notice to the public and public hearing.*
