The grants shall only be made for the construction or rehabilitation of three or more bedroom units for large low and moderate income families. No grant shall exceed the amount of \$5,000 per unit.

Sec. 2. Minnesota Statutes 1978, Section 462A.05, Subdivision 15, is amended to read:

Subd. 15. It may make grants to persons and families of low and moderate income to pay or to assist in paying a loan made pursuant to subdivision 14, or to rehabilitate or to assist in rehabilitating existing residential housing owned or occupied by such persons or families. For the purposes of this section, persons of low and moderate income include administrators appointed pursuant to section 566.25, clause (c). In unincorporated areas and municipalities not having codes and standards, the agency may, solely for the purpose of administering this provision, establish codes and standards. No grant for re-

In making grants, the agency shall determine the circumstances under which and the terms and conditions under which all or any portion thereof will be repaid and shall determine the appropriate security should repayment be required.

The agency may also make grants to rehabilitate or to assist in rehabilitating housing under this subdivision to persons of low and moderate income for the purpose of qualifying as foster parents.

Sec. 3. Minnesota Statutes 1978, Section 462A.05, is amended by adding a subdivision to read:

Grants may be in an amount up to \$10,000, based upon the cost of the improvements, the financial ability of the person or family receiving the grant, and other appropriate factors including extraordinary medical expenses. Grants may be made in connection with other agency loan or grant programs; provided that in no case may agency rehabilitation loans and any grants pursuant to this section total an amount exceeding \$15,000. Grants made pursuant to this section may include the payment of money for technical assistance for the design and construction of accessibility improvements. In making grants, the agency shall determine the circumstances under which and the terms and conditions under which all or any portion thereof will be repaid and shall determine the appropriate security should repayment be required.
