Within 15 days of receiving the request the commissioner shall report in writing the results of his review.

Judicial reviews shall be conducted according to the rules of civil procedure.

Sec. 5. Minnesota Statutes 1980, Section 169.123, Subdivision 6, is amended to read:

The commissioner of public safety may appear through his own attorney or, by agreement with the jurisdiction involved, through the prosecuting authority for that jurisdiction.

The hearing shall be held at the earliest practicable date, and in any event no later than 60 days following the filing of the petition for review. The judicial district administrator shall establish procedures to ensure efficient compliance with the provisions of this subdivision. To accomplish this, the administrator shall, whenever possible, consolidate and transfer review hearings among the county courts within the judicial district.

The scope of the hearing shall (COVER) *be limited to the issues of:*

(1) whether the peace officer had reasonable and probable grounds to believe the person was driving, operating, or in physical control of a motor vehicle while under the influence of alcohol or a controlled substance, and whether the person was lawfully placed under arrest for violation of section 169.121, or the person was involved in a motor vehicle accident or collision resulting in property damage, personal injury or death, or the person refused to take a screening test provided for by section 169.121, subdivision 6, or the screening test was administered and recorded an alcohol concentration of 0.10 or more; and

(2) whether at the time of the request for the test the peace officer informed the person of his rights and the consequences of taking or refusing the test as required by subdivision 2; and

(3) either (a) whether the person refused to permit the test, or (b) whether a test was taken and the test results indicated an alcohol concentration of 0.10 or more *at the time of testing*, and whether the testing method used was valid and reliable, and whether the test results were accurately evaluated.

It shall be an affirmative defense for the (PERSON) *petitioner* to prove, *that at the time of the refusal*, that his refusal to permit the test was based upon reasonable grounds.

Certified or otherwise authenticated copies of laboratory or medical personnel reports, records, documents, licenses and certificates shall be admissible as substantive evidence.

The court shall order either that the revocation be rescinded or sustained and forward the order to the commissioner of public safety. *The court shall file its order within 14 days following the hearing.* If the revocation is sustained, the court shall also forward the person's driver's license or permit to the commissioner of public safety for his further action if the license or permit is not already in the commissioner's possession.

judgment accordingly. The petition shall be heard by the court without a jury and may be heard in or out of term. The commissioner may appear in person, or by his agents or representatives, and may present his evidence upon the hearing by affidavit by himself, his agents, or representatives. The petitioner may present his evidence by affidavit, except that the petitioner must be present in person at such hearing for the purpose of cross-examination.
