If the commissioner determines that credentialing of an occupation is appropriate, the commissioner is empowered only to register the occupation. Before promulgating any rules resulting in registration for an occupation the commissioner shall consult with state boards or agencies charged with regulating similar occupations in order to define the scope and range of practice for the registered occupation and the degree of supervision required. As used in this section and section 214.14 registration shall be defined as in section 214.001, subdivision 3, clause (c).*

Sec. 4. Minnesota Statutes 1982, section 214.13, subdivision 2, is amended to read:

Subd. 2. Before promulgating any rules regulating a specific occupation under this section, the commissioner shall determine whether a substantial number of persons in that occupation will be employed by an employer who is regulated by or funded through another state agency. If the commissioner so determines, then he must submit the proposed rules to the head or governing board of that agency for review and (APPROVAL) *comment*. The agency shall review the rules to insure compliance with laws which are administered or enforced by that agency. (THE RULES MUST HAVE RECEIVED THE APPROVAL OF THAT AGENCY BEFORE PROMULGATION) *Agency comment shall be forwarded to the commissioner within 90 days of receiving the proposed rules.*

Sec. 5. Minnesota Statutes 1982, section 214.13, subdivision 3, is amended to read:

Subd. 3. These rules shall not be in conflict with provisions of chapter 214 and Laws 1976, Chapter 222, Sections 1 to 7. *Notwithstanding any law to the contrary, persons practicing under the authority of the rules promulgated by the commissioner shall not, for a period of four years after the effective date of the rules, be subject to any action by a health related licensing board for violation of the board's laws or rules provided the person's practice or conduct is authorized by the rules promulgated by the commissioner. Three years after the effective date of the commissioner's rules, the commissioner shall make*

a report to the legislature on the usefulness of the new occupational group, any problems encountered in administering the regulation of the group, and any necessary statutory changes recommended to continue, discontinue, or modify the regulation of the group.

Sec. 6. Minnesota Statutes 1982, section 214.13, subdivision 4, is amended to read:

Subd. 4. The commissioner of health shall wherever possible delegate the administration of regulation activities to a health related licensing board with the concurrence of that board. If the commissioner of health delegates this function, the licensing board (SHALL) *may* regularly bill the commissioner of health for the cost of performing this function *or the licensing board may directly set and charge fees in accordance with the provisions of section 214.06.* The commissioner of health may establish an advisory council to advise him or the appropriate health related licensing board on matters relating to the registration and regulation of an occupation. A council shall have seven members appointed by the commissioner of which five are members of the registered occupation or related registered or licensed occupations, and two are public members. A council shall expire, and the terms, compensation and removal of members shall be as provided in section 15.059.

Sec. 7. Minnesota Statutes 1982, section 214.13, subdivision 5, is amended to read:

Subd. 5. The commissioner of health shall exercise care to prevent the proliferation of unessential registered human services occupations. If in evaluating a currently unregistered occupation the commissioner determines that registration of the occupation is not appropriate, but that implementation of another mode as set forth in section 214.001, subdivision 3, is appropriate the commissioner shall promptly so report to the legislature. *For a period of two years after a determination by the commissioner as to the appropriate regulatory mode, if any, for an occupational applicant group, the same or substantially equivalent group may not submit a letter of intent to enter the credentialing process, unless invited to do so by the commissioner.*

Sec. 8. Minnesota Statutes 1982, section 214.14, subdivision 1, is amended to read:

Subdivision 1. There is established a human services occupations advisory council to assist the commissioner of health in formulating policies and rules pursuant to section 214.13. The (COMMITTEE) council shall expire and the terms of the appointed members and the compensation and removal of all members shall be as provided in section 15.059.*

The commissioner may appoint two temporary voting members whose terms would not exceed 12 months. In order to systematically involve those who would be most directly affected by a decision to credential a particular applicant group, and who are not represented already on the advisory council, the commissioner may appoint a representative or representatives from the licensed or registered human services occupations or from the state agencies to serve as temporary voting members. Temporary voting members shall be added to the board for the purposes of study and recommendation of appropriate regulatory modes. Compensation and removal shall be as provided in section 15.059.
