Subd. 11. [ON-SALE LICENSES, INCLUDING HOTELS, CLUBS, RESTAURANTS, AND ON-SALE EXCLUSIVE LIQUOR STORES.] "On-sale" licenses may be issued by municipalities for the sale of intoxicating liquors in hotels, clubs, restaurants and establishments for the sale of "on-sale" liquors exclusively within the number authorized by this section. In addition to the number of licenses authorized by this section, an "on-sale" license may be issued, if approved by the commissioner of public safety, to a bona fide club (WHICH HAS BEEN IN EXISTENCE FOR 15 YEARS OR MORE) or (TO A) congressionally chartered veterans' organization which has been in existence for (FIVE) *at least three* years. The club or veterans' organization must be incorporated in order to be eligible to apply for a license, and the license issued must be for the sale of intoxicating liquors to members and bona fide guests only. The license fee for an "on-sale" license issued by a municipality pursuant to this subdivision shall be in an amount determined by the governing body thereof subject to the following limitations: up to \$300 for a veterans organization or fraternal club with a membership of 200 or less; up to \$500 for a veterans organization or fraternal club with a membership of between 201 and 500; up to \$650 for a veterans organization or fraternal club with a membership of between 501 and 1,000; up to \$800 for a veterans organization or fraternal club with a membership of between 1,001 and 2,000; up to \$1,000 for a veterans organization or fraternal club with a membership between 2,000 and 4,000; up to \$2,000 for a veterans organization or fraternal club with a membership

For purposes of the maximum license fee which may be imposed by a municipality pursuant to this subdivision, "fraternal club" means a club which serves only members and their guests and which uses any profits derived from these sales principally for sponsoring activities beneficial to the community and not for the benefit of any individual. Except in cities of the first, second, and third class, a license may be issued jointly to congressionally chartered veterans' organizations that otherwise qualify under this subdivision.

Sec. 3. Minnesota Statutes 1982, section 340.11, subdivision 15, is amended to read:

The requirements of law relating to minimum prices for the sale of intoxicating malt beverages shall not apply to sales made under this subdivision, nor shall any license be required for the making of such sales. It is also lawful for a collector of commemorative bottles, as these terms are defined in section 340.44, to sell commemorative bottles to another collector without obtaining a license. *It is also lawful for an off-sale licensee or municipal liquor store to provide samples of wine, liqueurs, and cordials which the licensee or municipal liquor store currently has in stock and is offering for sale to the general public without obtaining an additional license, provided the wine, liqueur, and cordial samples are dispensed at no charge and consumed on the licensed premises during the permitted hours of off-sale in a quantity less than 50 milliliters of wine per variety per customer and 25 milliliters of liqueur or cordial per variety per customer.*

Sec. 5. Minnesota Statutes 1982, section 340.15, subdivision 1, is amended to read:

Subdivision 1. The unrestricted advertising of intoxicating liquor is hereby declared to be contrary to public policy. *This section does not prohibit an off-sale licensee from advertising intoxicating liquor prices in a newspaper published in a bordering state in which off-sale retail intoxicating liquor licenses are issued and in which the state tax on distilled spirits is at least \$1.75 less than the tax imposed on distilled spirits under section 340.47.* Reasonable rules and regulations restricting advertising to prevent it from counteracting temperance education shall be made by the commissioner of public safety.
