### “IMPORTANT NOTICE

State law provides special rules for the owners and residents of manufactured home parks.

You may keep your home in the park as long as the park is in operation and you meet your financial obligations, obey state and local laws which apply to the park, obey reasonable park rules, do not substantially annoy or endanger the other residents or substantially endanger park personnel and do not substantially damage the park premises. You may not be evicted or have your rent increased or your services cut for complaining to the park owner or to a governmental official.

If you receive an eviction notice and do not leave the park, the park owner may take you to court. If you lose in court a sheriff may remove you and your home from the park within seven days. Or, the court may require you to leave the park within seven days but give you 60 days to sell the home within the park.

All park rules and policies must be reasonable. Your rent may not be increased more than twice a year. Changes made in park rules after you become a park resident will not apply to you if they substantially change your original agreement.

*The park may not charge you an entrance fee.*

The park may require a security deposit, but the deposit must not amount to more than two months rent.

You have a right to sell the home in the park. But the sale is not final until the park owner approves the buyer as a new resident, and you must advise in writing anyone who wants to buy your home that the sale is subject to final approval by the park owner. You must also disclose in writing certain safety information about your home to anyone who wants to buy it in the park. You must give this information to the buyer before the sale, in writing, on the form that is attached to this notice. You must completely and accurately fill out the form and you and the buyer should each keep a copy.

Your rental agreement and the park rules contain important information about your rights and duties. Read them carefully and keep a copy.

For further information concerning your rights, consult a private attorney. The state law governing the rental of lots in

manufactured home parks may also be enforced by the Minnesota Attorney General."
