Levi, for the Committee on Rules and Legislative Administration, offered the following report and moved its adoption:

Resolved that the Permanent Rules of the House in effect at the conclusion of the Seventy-Third Session are adopted as the Permanent Rules of the Seventy-Fourth Session with the following amendments:

(1) Rule 4.9 is amended to read:

4.9 WHO MAY BE ADMITTED TO THE FLOOR. No person shall be admitted within the House Chamber, except members themselves, properly authorized employees, the Chief Executive and ex-governors of the State of Minnesota, members of the Senate, heads of departments of the state government, judges of the Supreme and District Courts, members of Congress, properly accredited representatives of radio and television stations, newspapers and press associations, as herein provided for, and none other. When a former member of Congress or the Minnesota Legislature or any other person is issued a permit by the Speaker good for the day he shall be provided with a seat near the Speaker's rostrum, and at no time shall a conversation be carried on so as to disturb the business of the House. Before issuing the permit, the Speaker shall satisfy himself that the person does not seek the floor of the House for the purpose of influencing decisions of the House.

The alcoves shall be kept for the use of members only, and the Sergeant at Arms shall keep them cleared.

It shall not be in order for the Speaker to entertain a request for the suspension of this Rule, or to present from the Chair the

request of any member for unanimous consent unless an extraordinary condition exists, in which event he may consent to entertain a motion for its suspension.

During the period extending from one hour prior to the time the House is scheduled to convene until one hour after the House adjourns for the day, the retiring room shall be reserved for the exclusive use of the members and employees of the House or (SENATORS) *others* specifically authorized to be present by (A HOUSE MEMBER) *the Speaker*. The Committee on Budget shall hold any hearings necessary to determine a limitation on state taxes and appropriations for the coming fiscal biennium. The Committee shall then introduce budget resolutions that set, as a single amount, the maximum limitation on taxes and appropriations for the fiscal biennium. The resolutions must be in the form of a House resolution and a House concurrent resolution. The limitation in the House resolution is effective, if adopted, until the House adopts a different limitation in a later House resolution or until the House and Senate adopt a limitation in a concurrent resolution.

No bill or amendment may be considered by the House if, upon a point of order being raised, the Speaker determines that its approval would raise taxes or appropriations above the limitation adopted in the budget resolution. To make this determination, the Speaker may consider:

(a) *whether the bill or amendment increases and decreases taxes or appropriations equally;*

(b) *the total amount of taxes or appropriations already law or in bills already passed by the legislature;*

(c) *whether the bill or amendment provides that costs incurred will be entirely offset by fees or other revenues; or*

HOUSE CONCURRENT RESOLUTION NO. 2

A house concurrent resolution concurring with need for joint regional action to resolve the crisis in farming.

Whereas, the State of Minnesota's economic prosperity is closely linked with the vitality of the agriculture industry; and

Whereas, the agriculture industry is currently in the worst economic slump in recent years because of stresses created by a combination of scarce credit, high interest rates, falling land and equipment values, and low prices; and

Whereas, a single state government can do little to protect its farmers and ranchers from such conditions because the problems in agriculture exist nationwide; and

Whereas, agricultural policy for the nation is determined in Washington, D.C., by the Administration, the Congress, and the Department of Agriculture; and

Whereas, the nation's farmers and ranchers have not shared in the benefits of the recovery that other sectors of the nation's economy have enjoyed; and

Whereas, the agricultural policymakers in the federal government have not developed effective solutions to the problems of scarce credit, high interest rates, falling values, and low prices to effect a recovery in the agriculture industry; and

Whereas, the Nebraska Legislature has called for a cooperative effort of midwestern agricultural states to look for solutions to our common problems; *Now, Therefore*,

Be It Resolved by the House of Representatives of the State of Minnesota, the Senate concurring, that:

(1) the Minnesota Legislature should join in a cooperative effort with the states of Nebraska, Colorado, Illinois, Indiana, Iowa, Kansas, Missouri, North Dakota, South Dakota and Wisconsin to seek solutions to our common problems;

(2) the Minnesota Legislature should join in the efforts of these agricultural states to alert our federal officials to the severity of agriculture's problems and the economic stresses that burden our nation's farmers and ranchers; and

(3) the Minnesota Legislature should join in the demand of these agricultural states that the Administration and Congress make solutions to agriculture's problems a principal goal of the coming session of Congress.
