*Subd. 2. [EXCLUSIVE REPRESENTATIVE.] The employee organization certified as the exclusive representative for the teachers in a particular member district who are assigned to the joint vocational technical district upon its establishment shall continue as the exclusive representative for those teachers until that organization is decertified or another organization is certified in its place under this subdivision. *Subd. 3. *gaining representative. The date of first employment in the new joint vocational technical district shall be the date on which services were first performed by the teacher in the member school district from which assigned. Accumulations of sick leave and accumulated years of service to determine eligibility for any severance pay or early retirement benefits shall be applied to any maximum accumulation limitations negotiated in the successor contract. The joint vocational technical board shall provide, to transferred teachers, open enrollment in all insurance plans with no limitation on preexisting conditions. The successor contract shall contain a negotiated plan for the placement of teachers on unrequested leave of absence in the joint vocational technical district.*

#### **Sec. 9. [136D.06] [NONLICENSED EMPLOYEES.]**

*Subdivision 1. [ASSIGNMENT.] When an independent school district becomes a member of the joint vocational technical district, each nonlicensed employee primarily employed in an AVTI who is transferred to the joint vocational technical district shall be assigned to and become an employee of the joint vocational technical district without further employment rights in the member district, other than for two years from the date of assignment to the joint vocational technical district, the right to exercise, in the member district, job seniority promotion and layoff provisions of the contract in effect at the time of that employee's assignment to the joint vocational technical district. This reassignment of employment rights is not a leaving of employment for eligibility for payment under section 465.72 or under a policy or contract based on that section.*

*Subd. 2. [EXCLUSIVE REPRESENTATIVES.] After the commissioner assigns an identification number to the joint vocational technical district, any employee organization may petition the director of the bureau of mediation services for a certification election proceeding under chapter 179A. An organization certified as the exclusive representative for nonlicensed employees in a particular member district who are assigned to the joint vocational technical district upon its establishment shall continue as the exclusive representative for those particular employees for a period of 90 days from the date on which the joint vocational technical district is established. If a petition for representation of nonlicensed employees is filed within 90 days, an exclusive representative for those particular nonlicensed employees shall continue as the exclusive representative until bureau of mediation services proceedings are concluded.*

*Subd. 3. [BARGAINING AGREEMENT.] The terms and conditions of employment of nonlicensed employees assigned*

to the joint vocational technical district who were not governed by a collective bargaining agreement at the time of the assignment shall be governed by joint board policy. The terms and conditions of employment of nonlicensed employees assigned to the joint vocational technical district from each member district shall be temporarily governed by contracts executed by an exclusive representative for a period of 90 days from the date of assignment. If a petition for representation of nonlicensed employees is filed with the bureau of mediation services within the 90 days, the contractual terms and conditions of employment for those particular nonlicensed employees who were governed by a preexisting contract shall continue until bureau of mediation services proceedings are concluded; and if exclusive representatives have been elected, until successor contracts are executed between the board of the joint vocational technical district and the new exclusive representatives.

The date of first employment in the joint vocational technical district shall be the date on which services were first performed by the employee in the member school district from which assigned. Any sick leave, vacation time, or severance pay benefits accumulated pursuant to policies of a member district or contracts between exclusive representatives and the boards of member districts shall continue to apply in the new joint vocational technical district to the employee assigned from those member districts; provided that their accumulated benefits do not exceed any maximum accumulation limitations negotiated in a successor contract. Future leaves of absence, vacations, or other benefits to be accumulated in the new joint vocational technical district shall be governed by joint board policy or by contract between an exclusive representative of an appropriate unit of employees and the joint vocational technical board. The joint vocational technical board shall provide, to transferred nonlicensed employees, open enrollment in all insurance plans with no limitation on preexisting conditions.

The deed transferring the real property may specify that title to the property reverts to the granting school district if the property is no longer used for vocational or technical education purposes. All claims and contract obligations of the member district relating to the AVTI and adult and post-secondary vocational education programs including claims for unemployment compensation, shall also transfer to the joint vocational technical district.

Subd. 2. [DEBT.] The bonded debt on all property transferred shall be paid according to levies for that debt previously

An election is not required on this issue. The agreement must be approved by resolution of the school board of the independent district and the joint board. The resolutions must be filed with the state director.*

## Sec. 13. [136D.10] [PAYMENT OBLIGATION.]
