Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

"Section 1. Minnesota Statutes 1984, section 179A.14, subdivision 1, is amended to read:

Subdivision 1. [INITIATION OF NEGOTIATION.] When employees or their representatives desire to meet and negotiate an *initial* agreement establishing terms and conditions of employment, they shall give written notice to the employer and the director. The employer has ten days from receipt of the notice to object or refuse to recognize the employees' representative or the employees as an appropriate unit. If the employer does not object within ten days, the employer must recognize the employee representative for purposes of reaching agreement on terms and conditions of employment for the represented employees. If the employer does object, the employer or employees' representative may petition the director to take jurisdiction of the matter and the director shall investigate the petition.

*When a party to a contract desires to meet and negotiate an agreement subsequent to the initial agreement, the party shall give written notice to the other party and to the director at least 60 days before the termination date of the existing contract. If a party fails to give the required 60-day notice, that party shall be subject to a fine of \$10 per day for each day such notice is late. The fine for late notice may be waived at the discretion of the director, if the director finds that the failure to give timely notice*

*did not prejudice the bureau or the other party in the fulfillment of their responsibilities and duties. The fine for late notice shall be the only penalty for late notice under this paragraph.*

Sec. 2. Minnesota Statutes 1984, section 179A.15, is amended to read:

**179A.15 [MEDIATION.]**

Once notice has been given under section 179A.14, the employer or the exclusive representative may petition the director for mediation services.

A petition by an employer shall be signed by the employer or an authorized officer or agent. A petition by an exclusive representative shall be signed by its authorized officer. All petitions shall be delivered to the director in person or sent by certified mail. The petition shall state briefly the nature of the disagreement of the parties. Upon receipt of a petition *and upon concluding that mediation would be useful*, the director shall fix a time and place for a conference with the parties to negotiate the issues not agreed upon, and shall then take the most expedient steps to bring about a settlement, including assisting in negotiating and drafting an agreement.

*If the director (MAY, AT THE REQUEST OF A PARTY TO A LABOR DISPUTE, ASSIST IN SETTLING) determines that mediation would be useful in resolving a dispute, the director may mediate the dispute even if (NO PETITION) neither party has (BEEN) filed a petition for mediation. In these cases, the director shall proceed as if a petition had been filed.*

The director shall not furnish mediation services to any employee or employee representative who is not certified as an exclusive representative.

All parties shall respond to the summons of the director for conferences and shall continue in conference until excused by the director. However, for other than *teachers and* essential employees, mediation conferences following (: (1)) the expiration date of a collective bargaining agreement (, OR (2) IN THE CASE OF TEACHERS, MEDIATION OVER A PERIOD OF 60 DAYS AFTER THE EXPIRATION DATE OF A COLLECTIVE BARGAINING AGREEMENT) shall continue only for durations agreeable to both parties.

Sec. 3. Minnesota Statutes 1984, section 179A.16, subdivision 7, is amended to read:

Subd. 7. [DECISION BY THE PANEL.] The panel's order shall be issued by a majority vote of its members. The order shall resolve the issues in dispute between the parties as submitted by

the board. *For principals and assistant principals, the panel shall be restricted to selecting between the final offers of the parties on each impasse item. For other employees, if the parties agree in writing, the panel shall be restricted to selecting between the final offers of the parties on each impasse item, or the final offer of one or the other parties in its entirety.* In considering a dispute and issuing its order, the panel shall consider the statutory rights and obligations of public employers to efficiently manage and conduct their operations within the legal limitations surrounding the financing of these operations. The panel's decision and order shall be final and binding on all parties.

The panel shall render its order within ten days from the date that all arbitration proceedings have concluded. However, the panel must issue its order by the last date the employer is required by statute, charter, ordinance, or resolution to submit its tax levy or budget or certify its taxes voted to the appropriate public officer, agency, public body or office, or by November 1, whichever date is earlier. The panel's order shall be for the period stated in the order, except that orders determining contracts for teacher units shall be effective to the end of the contract period determined by section 179A.20.

The panel shall send its decision and orders to the board, the director, the appropriate representative of the public employer, and the employees. If any issues submitted to arbitration are settled voluntarily before the arbitrator issues a decision, the arbitrator shall report the settlement to the board and the director.

The parties may at any time prior to or after issuance of an order of the arbitration panel, agree upon terms and conditions of employment regardless of the terms and conditions of employment determined by the order. The parties shall, if so agreeing, execute a written contract or memorandum of contract.

Sec. 4. Minnesota Statutes 1984, section 179A.17, subdivision 1, is amended to read:

Subdivision 1. [FOR TEACHERS.] If a new or different exclusive representative of teachers employed by a local school district is certified by the director at any time other than the period between 120 days before the termination date of a contract and the termination date of the contract, or if on July 1 of any odd-numbered year a representation proceeding involving the employer and the employer's teachers is before the director, section 179A.18, subdivision 2, clause (1), shall apply. In those cases, however, the employer and the exclusive representative of the teachers shall execute a written contract or memorandum of contract no later than 60 days after a certification by the director of a new or different exclusive representative or the resolution by the director of a representation proceeding. Either party may petition the director of mediation services for assis-

tance in reaching an agreement. If the employer and the exclusive representative of the teachers fail to execute a contract by 60 days after the certification of a new or different exclusive representative or the resolution by the director of a representation proceeding, they shall be conclusively presumed to be at an impasse after having participated in mediation (SESSIONS OVER A PERIOD OF NO LESS THAN 60 DAYS) *as specified in section 179A.18, subdivision 2, clause (1) (b).*

Sec. 5. Minnesota Statutes 1984, section 179A.18, subdivision 2, is amended to read:

Subd. 2. [SCHOOL DISTRICT REQUIREMENTS.] Except as otherwise provided by section 179A.17, subdivision 1, teachers employed by a local school district, other than principals and assistant principals, may strike only under the following circumstances:

(1)(a) the collective bargaining agreement between their exclusive representative and their employer has expired or, if there is no agreement, impasse under section 179A.17, subdivision 1, has occurred; and

(b) the exclusive representative and the employer have participated in mediation over a period of at least (60 DAYS,) 30 days (OF WHICH HAVE OCCURRED AFTER THE EXPIRATION DATE OF THE COLLECTIVE BARGAINING AGREEMENT, PROVIDED THAT THE MEDIATION PERIOD ESTABLISHED BY SECTION 179A.17, SUBDIVISION 1, SHALL GOVERN NEGOTIATIONS PURSUANT TO THAT SECTION). For the purposes of this subclause the mediation period commences on the day (FOLLOWING RECEIPT BY THE DIRECTOR OF A REQUEST FOR MEDIATION) *that a mediator designated by the director first attends a conference with the parties to negotiate the issues not agreed upon or on December 1 of odd-numbered years, whichever occurs first; and*

(c) *neither party has requested interest arbitration or a request for binding interest arbitration has been rejected; or*

(2) (45 DAYS AFTER IMPASSE UNDER SECTION 179A.16, SUBDIVISION 1, NEITHER PARTY HAS REQUESTED INTEREST ARBITRATION; OR)

((3)) the employer violates section 179A.13, subdivision 2, clause (9).

Sec. 6. Minnesota Statutes 1984, section 179A.18, subdivision 3, is amended to read:

Subd. 3. [NOTICE.] In addition to the other requirements of this section, no employee may strike unless written notification of intent to strike is served on the employer and the director by the exclusive representative at least ten days prior to the

commencement of the strike. For all employees other than teachers, if more than 30 days have expired after service of a notification of intent to strike, no strike may commence until ten days after service of a new written notification. For teachers, no strike may commence more than 25 days after service of notification of intent to strike unless, before the end of the 25-day period, the exclusive representative and the employer agree that the period during which a strike may commence shall be extended for an additional period not to exceed five days. Teachers are limited to one notice of intent to strike for each contract negotiation period, provided, however, that a strike notice may be renewed for an additional 20 days, the first ten of which shall be a notice period during which no strike may occur, if the following conditions have been satisfied:

- (1) an original notice was provided pursuant to this section; and
- (2) a tentative agreement to resolve the dispute was reached during the original strike notice period; and
- (3) such tentative agreement was rejected by the employer during or after the original strike notice period.

The first day of the renewed strike notice period shall commence on the day following the expiration of the previous strike notice period or the day following the rejection of the tentative agreement, whichever is later. Notification of intent to strike under subdivisions 1, clause (1); and 2, clause (1), may not be served until the collective bargaining agreement has expired, or if there is no agreement, on or after the date impasse under section 179A.17 has occurred. (NOTIFICATION OF INTENT TO STRIKE UNDER SUBDIVISION 2, CLAUSE (2), MAY NOT BE SERVED BEFORE THE 45TH DAY FOLLOWING AN IMPASSE UNDER SECTION 179A.16, SUBDIVISION 1.)

#### Sec. 7. [EFFECTIVE DATE.]

Sections 1 to 6 are effective the day following final enactment. However, the 60-day notice requirement imposed in section 1 does not apply in 1985 if sections 1 to 6 become effective after April 25, 1985. In this event, the notice required by section 1 must be given within 30 days of the effective date of sections 1 to 6."

"Section 1. Minnesota Statutes 1984, section 116I.01, subdivision 3, is amended to read:

Subd. 3. "Pipeline" means pipe located in this state which is used to transport natural or synthetic gas at a pressure of more than 90 pounds per square inch, or to transport crude petroleum or petroleum fuels or oil or their derivatives, coal, anhydrous ammonia or any mineral slurry to a distribution center or storage facility which is located within or outside of this state, *except pipe owned or to be constructed by a public utility regulated by the public utilities commission under chapter 216B as a part of its natural gas distribution system.*

Sec. 2. Minnesota Statutes 1984, section 216B.16, subdivision 1a, is amended to read:

Subd. 1a. [SETTLEMENT BARRED.] When a public utility proposes changes in general rates that would increase general rates paid by consumers (BY MORE THAN \$500,000 ANNUALLY), the commission (SHALL NOT) *may* approve the change (UNTIL AFTER REQUIRING THE OFFICE OF ADMINISTRATIVE HEARINGS TO CONDUCT A CONTESTED CASE HEARING ON, AT A MINIMUM, THE APPROPRIATE RATE BASE, EXPENSE AND REVENUE LEVELS FOR THE TEST YEAR, AND THE RATE OF RETURN. IF THE FORMAL PARTIES TO THE CONTESTED CASE CHOOSE NOT TO CROSS-EXAMINE THE TESTIMONY PRESENTED, IT SHALL BE THE DUTY OF THE COMMISSION AND ITS STAFF TO MAKE INQUIRY OF THE WITNESSES PRESENTED TO ENSURE THAT THE TESTIMONY IS WELL REASONED AND CONSTITUTES SUBSTANTIAL EVIDENCE. AFTER A REPORT OF THE EXAMINER HAS BEEN ISSUED, THE COMMISSION MAY PROCEED TO TAKE ACTION ON THE PROPOSED RATES CONSISTENT WITH THE PROVISIONS OF THIS SECTION. THE COMMISSION SHALL NOT ACCEPT ANY STIPULATION THAT IS NOT AGREED TO BY ALL INTERVENING PARTIES) *without a contested case hearing if all intervening parties agree to a stipulated settlement of the case and the settlement is supported by substantial evidence. The commission may accept or reject the terms of the settlement in its entirety, and it may, at any time until its final order is issued in the case, require the office of administrative hearings to conduct a contested case hearing. If a settlement is submitted, the commission shall have 12 months from the initial date of filing to make a final determination of rates before the rates are deemed approved.*

Sec. 3. Minnesota Statutes 1984, section 216B.16, subdivision 2, is amended to read :

Subd. 2. [SUSPENSION OF RATES; HEARING.] Whenever there is filed with the commission a schedule modifying or resulting in a change in any rates then in force as provided in subdivision 1, the commission may suspend the operation of the schedule by filing with the schedule of rates and delivering to the affected utility a statement in writing of its reasons for the suspension at any time before the rates become effective. The suspension shall not be for a longer period than ten months beyond the initial filing date, *except in any case in which a settlement has been submitted, the commission may suspend rates for two additional months.* During the suspension the commission shall determine whether all questions of the reasonableness of the rates requested raised by persons deemed interested or by the administrative division of the department of public service can be resolved to the satisfaction of the commission. If the commission finds that all significant issues raised have not been resolved to its satisfaction, or upon petition by ten percent of the affected customers or 250 affected customers, whichever is less, it shall refer the matter to the office of administrative hearings with

instructions for a public hearing as a contested case pursuant to chapter 14, except as otherwise provided in this section. The commission may order that the issues presented by the proposed rate changes be bifurcated into two separate hearings as follows: (1) determination of the utility's revenue requirements and (2) determination of the rate design. Upon issuance of both hearing examiner reports, the issues shall again be joined for consideration and final determination by the commission. All prehearing discovery activities of state agency intervenors shall be consolidated and conducted by the department of public service. *The attorney general shall coordinate his or her discovery activities with the department.* If the commission does not make a final determination concerning a schedule of rates within ten months after the initial filing date, the schedule shall be deemed to have been approved by the commission, *except in any case in which a settlement has been submitted, the schedule shall be deemed to have been approved 12 months after the initial filing.* For the purposes of this section, "final determination" means the initial decision of the commission and not any order which may be entered by the commission in response to a petition for rehearing or other further relief. The commission may further suspend rates until it determines all those petitions.

Sec. 4. Minnesota Statutes 1984, section 216B.16, subdivision 6, is amended to read:

Subd. 6. [FACTORS TO BE CONSIDERED.] The commission, in the exercise of its powers under this chapter to determine just and reasonable rates for public utilities, shall give due consideration to the public need for adequate, efficient, and reasonable service and to the need of the public utility for revenue sufficient to enable it to meet the cost of furnishing the service, including adequate provision for depreciation of its utility property used and useful in rendering service to the public, and to earn a fair and reasonable return upon the investment in such property. In determining the rate base upon which the utility is to be allowed to earn a fair rate of return, the commission shall give due consideration to evidence of the cost of the property when first devoted to public use, to prudent acquisition cost to the public utility less appropriate depreciation on each, to construction work in progress, to offsets in the nature of capital provided by sources other than the investors, and to other expenses of a capital nature. For purposes of determining rate base, the commission shall consider the original cost of utility property included in the base and shall make no allowance for its estimated current replacement value, *except in the case of operating utility property acquired by a public utility, the prudent acquisition cost of the property may be considered by the commission.*

Sec. 5. Minnesota Statutes 1984, section 216B.16, subdivision 8, is amended to read:

Subd. 8. [ADVERTISING EXPENSES.] The commission shall disapprove the portion of any rate which makes an allowance directly or indirectly for expenses incurred by a public utility to provide a public advertisement which:

(a) Is designed to influence or has the effect of influencing public attitudes towards legislation or proposed legislation, or toward a rule, proposed rule, authorization or proposed authorization of the public utilities commission or other agency of government responsible for regulating a public utility;

(b) Is designed to justify or otherwise support or defend a rate, proposed rate, practice or proposed practice of a public utility;

(c) Is designed primarily to promote consumption of the services of the utility; or

(d) Is designed primarily to promote good will for the public utility or improve the utility's public image.

The commission may approve a rate which makes an allowance for expenses incurred by a public utility to disseminate information which:

(a) Is designed to encourage conservation of energy supplies;

(b) Is designed to promote safety; (OR)

(c) Is designed to inform and educate customers as to financial services made available to them by the public utility; or

*(d) Is designed to promote efficient use of the utility's distribution system or which furthers the utilization of energy efficient products.*

The commission shall not withhold approval of a rate because it makes an allowance for expenses incurred by the utility to disseminate information about corporate affairs to its owners.

Sec. 6. Minnesota Statutes 1984, section 216B.50, subdivision 1, is amended to read:

Subdivision 1. No public utility shall sell, acquire, lease, or rent any plant as an operating unit or system in this state for a total consideration in excess of (\$100,000) \$500,000, or merge or consolidate with another public utility operating in this state, without first being authorized so to do by the commission. Upon the filing of an application for the approval and consent of the commission thereto the commission shall investigate, with or without public hearing, and in case of a public hearing, upon

such notice as the commission may require, and if it shall find that the proposed action is consistent with the public interest it shall give its consent and approval by order in writing. In reaching its determination the commission shall take into consideration the reasonable value of the property, plant, or securities to be acquired or disposed of, or merged and consolidated. The provisions of this section shall not be construed as applicable to the purchase of units of property for replacement or to the addition to the plant of the public utility by construction.
