**Sec. 10. [136D.05] [TEACHERS.]**

*Subdivision 1. [ASSIGNMENT.] When an independent school district becomes a member of the joint vocational technical district, a teacher, as defined in section 125.12, subdivision 1, employed by a member district and primarily assigned as a post-secondary or adult vocational education teacher there, shall be assigned to and become an employee of the joint vocational technical district without further rights to employment in the member district; provided that, for a period of two years from the date of assignment, teaching vacancies in the member district from which the teacher was assigned must be offered to the teacher assigned to the joint vocational technical district if the teacher was placed on unrequested leave of absence by the joint vocational technical district, if the teacher is properly licensed for the position, and if a transfer or assignment from a post-secondary or adult vocational position to a secondary position would have been authorized in the member district under the contract in effect at the time of that teacher's assignment to the*

joint vocational technical district. A teacher who has previously been placed on unrequested leave of absence from a post-secondary or adult vocational education position by an independent school district that becomes a member of the joint vocational technical district only has reinstatement rights to an available post-secondary or adult vocational position in the joint vocational technical district and has no further rights to reinstatement to any post-secondary or adult vocational position in the member district. This reassignment of employment rights is not a leaving of employment for eligibility for payments under section 465.72 or under a policy or contract based on that section.

**Subd. 2. [EXCLUSIVE REPRESENTATIVE.]** *The employee organization certified as the exclusive representative for the teachers in a particular member district who are assigned to the joint vocational technical district upon its establishment shall continue as the exclusive representative for those teachers until that organization is decertified or another organization is certified in its place under this subdivision. After the commissioner assigns an identification number to the joint vocational technical district, any employee organization representing teachers in the joint vocational technical district may petition the director of the bureau of mediation services for a certification election proceeding under chapter 179A. For purposes of certification of an exclusive representative, the teachers assigned to the joint vocational technical district are an appropriate unit of employees.*

**Subd. 3. [BARGAINING AGREEMENT.]** *The terms and conditions of employment of teachers assigned to the new joint vocational technical district from each member district shall be temporarily governed by the contract executed by the exclusive bargaining representative and that particular member district until a successor contract is executed between the board of the joint vocational technical district and the new exclusive bargaining representative. The date of first employment in the new joint vocational technical district shall be the date on which services were first performed by the teacher in the member school district from which assigned. Accumulations of sick leave and accumulated years of service to determine eligibility for any severance pay or early retirement benefits shall be applied to any maximum accumulation limitations negotiated in the successor contract. The joint vocational technical board shall provide, to transferred teachers, open enrollment in all insurance plans with no limitation on preexisting conditions. The successor contract shall contain a negotiated plan for the placement of teachers on unrequested leave of absence in the joint vocational technical district.*

**Subd. 4. [APPLICABLE LAW.]** *Except as provided in this section, section 125.12 applies to the employment of each teacher by the joint vocational technical district.*

**Sec. 11. [136D.06] [NONLICENSED EMPLOYEES.]**

*Subdivision 1. [ASSIGNMENT.] When an independent school district becomes a member of the joint vocational technical district, each nonlicensed employee primarily employed in an AVTI who is transferred to the joint vocational technical district shall be assigned to and become an employee of the joint vocational technical district without further employment rights in the member district, other than for two years from the date of assignment to the joint vocational technical district, the right to exercise, in the member district, job seniority promotion and job seniority layoff provisions of the contract in effect at the time of that employee's assignment to the joint vocational technical district. This reassignment of employment rights is not a leaving of employment for eligibility for payment under section 465.72 or under a policy or contract based on that section.*

*Subd. 2. [EXCLUSIVE REPRESENTATIVES.] After the commissioner assigns an identification number to the joint vocational technical district, any employee organization may petition the director of the bureau of mediation services for a certification election proceeding under chapter 179A. An organization certified as the exclusive representative for nonlicensed employees in a particular member district who are assigned to the joint vocational technical district upon its establishment shall continue as the exclusive representative for those particular employees for a period of 90 days from the date on which the joint vocational technical district is established. If a petition for representation of nonlicensed employees is filed within 90 days, an exclusive representative for those particular nonlicensed employees shall continue as the exclusive representative until bureau of mediation services proceedings are concluded.*

*Subd. 3. [BARGAINING AGREEMENT.] The terms and conditions of employment of nonlicensed employees assigned to the joint vocational technical district who were not governed by a collective bargaining agreement at the time of the assignment shall be governed by joint board policy. The terms and conditions of employment of nonlicensed employees assigned to the joint vocational technical district from each member district shall be temporarily governed by contracts executed by an exclusive representative for a period of 90 days from the date of assignment. If a petition for representation of nonlicensed employees is filed with the bureau of mediation services within the 90 days, the contractual terms and conditions of employment for those particular nonlicensed employees who were governed by a preexisting contract shall continue until bureau of mediation services proceedings are concluded; and if exclusive representatives have been elected, until successor contracts are executed between the board of the joint vocational technical district and the new exclusive representatives.*

*The date of first employment in the joint vocational technical district shall be the date on which services were first performed by the employee in the member school district from which as-*

*signed. Any sick leave, vacation time, or severance pay benefits accumulated pursuant to policies of a member district or contracts between exclusive representatives and the boards of member districts shall continue to apply in the new joint vocational technical district to the employee assigned from those member districts; provided that their accumulated benefits do not exceed any maximum accumulation limitations negotiated in a successor contract. Future leaves of absence, vacations, or other benefits to be accumulated in the new joint vocational technical district shall be governed by joint board policy or by contract between an exclusive representative of an appropriate unit of employees and the joint vocational technical board. The joint vocational technical board shall provide, to transferred nonlicensed employees, open enrollment in all insurance plans with no limitation on pre-existing conditions.*

**Sec. 12. [136D.07] [TRANSFER OF PROPERTY.]**

*Subdivision 1. [TRANSFER OF TITLE.] When an independent school district becomes a member of the joint vocational technical school district, the member district shall transfer to the joint board title to the AVTI facility in that district and other appropriate equipment, personal property, and related records. The deed transferring the real property may specify that title to the property reverts to the granting school district if the property is no longer used for vocational or technical education purposes. All claims and contract obligations of the member district relating to the AVTI and adult and post-secondary vocational education programs including claims for unemployment compensation, shall also transfer to the joint vocational technical district.*

*Subd. 2. [DEBT.] The bonded debt on all property transferred shall be paid according to levies for that debt previously made under chapter 475. The obligation of the taxable property in the member district with reference to the payment of that bonded debt is not affected by the transfer.*

*Subd. 3. [TRANSFER OF FUNDS.] A member district shall transfer all fund balances, excluding the debt redemption fund, in all post-secondary and adult vocational funds to the joint vocational technical district.*

*Subd. 4. [TRANSFER NOT TO AFFECT LEGAL ACTION.] The transfer of property, title, and power to govern AVTIs and post-secondary and adult vocational programs does not affect a proceeding of an administrative, civil, or criminal nature pending at the time of the transfer, but the proceeding shall be pursued in the name of the joint board. The joint board or its designee, upon application to the appropriate court or agency, shall be substituted as a party to the proceeding.*

**Sec. 13. [136D.08] [TAX LEVIES.]**

*Subdivision 1. [STATE AUDITOR COSTS; JUDGMENTS; INSURANCE.] The joint board may levy upon all taxable property in the joint vocational technical district an amount necessary to pay the joint vocational technical district's obligations under section 6.62, to pay its obligations under section 127.05, and to pay its insurance premium costs under section 466.06.*

*Subd. 2. [AID ANTICIPATION CERTIFICATES.] The joint board may issue aid anticipation certificates of indebtedness under sections 124.71 to 124.76 and may pledge the full faith and credit of the joint vocational technical district to their payment under section 124.75.*

*Subd. 3. [AVTI CONSTRUCTION.] It is the intention of the legislature to pay 100 percent of the cost of future authorized construction of post-secondary vocational facilities in the joint vocational technical district; however, the joint board may levy for the local share of the cost of construction of post-secondary vocational facilities as provided in section 275.125, subdivision 14a.*

#### **Sec. 14. [136D.09] [JOINDER.]**

*Upon approval by the majority vote of its board and the joint board, any other independent school district with an area vocational technical institute may enter into an agreement to become a participant in a joint vocational technical district. An election is not required on this issue. The agreement must be approved by resolution of the school board of the independent district and the joint board. The resolutions must be filed with the state director.*

#### **Sec. 15. [136D.10] [PAYMENT OBLIGATION.]**

*Subdivision 1. [AGREEMENTS WITH STATE DIRECTOR.] The state director may enter into agreements with the joint vocational technical district and its member school districts relating to costs of interim staffing and to payments of district service fees to member districts.*

*Subd. 2. [CONSTRUCTION.] Notwithstanding section 136C.44, it is the intention of the legislature to fund 100 percent of the cost of any future authorized post-secondary vocational facilities construction in the joint vocational technical district.*

*Subd. 3. [PAYMENT OF DEBT; TRANSFER; DEBT SERVICE AID.] A member district which has debt outstanding upon an AVTI facility and property that is transferred to the joint vocational technical district shall escrow in its AVTI debt redemption fund the lesser of: (a) a sufficient amount to pay all principal, interest, and redemption premiums on the out-*

*standing debt when due, (b) a sufficient amount to defease the outstanding debt under the terms of the bond agreement, (c) the minimum amount required by law and the bond agreement, or (d) the remaining balance in the AVTI debt redemption fund. The member district shall transfer the amount to a separate account in its debt redemption fund for payment of the debt. Any remaining balance in the AVTI debt redemption fund may be used as provided in section 123.36, subdivision 13, clauses (2), (3), and (4).*

*The state board of vocational technical education shall pay the remaining debt service of all member districts that have transferred their AVTI facilities to the board of the joint vocational technical district, as provided in section 4. If the property reverts to ownership by the member district according to section 12, the state portion of debt service aid shall be paid according to section 136C.41 except that the state portion of debt service costs shall be computed according to the provisions of section 136C.41, subdivision 1.*

*Subd. 4. [LEVY.] A member district that has transferred an AVTI facility to the joint board may levy upon all taxable property in the member district, the following:*

*(1) in the first levy certified after the transfer, 75 percent of the amount of the district's most recent service fee allocation;*

*(2) in the second levy certified after the transfer, 50 percent of the amount of the district's service fee allocation under clause (1); and*

*(3) in the third levy certified after the transfer, 25 percent of the amount of the district's service fee allocation under clause (1).*

*The proceeds of the levy may be placed in the general fund or any other fund of the district. Any unexpended portion of the proceeds so received must not be considered in the net unappropriated fund balance of the member district for the three fiscal years to which the levy is attributable.*
