"Section 1. Minnesota Statutes 1984, section 41.51, is amended to read:

41.51 [PURPOSE.]

*In order to aid farmers in obtaining credit for the acquisition of farm real estate, there is established a family farm security program (WHICH SHALL) to provide state money in guarantee of loans made according to (THE PROVISIONS OF LAWS 1976, CHAPTER 210) this chapter. The family farm security program established by this chapter, and the issuance of state bonds under section 5, is necessary to develop the state's agricultural resources.*

Sec. 2. Minnesota Statutes 1984, section 41.56, subdivision 4b, is amended to read:

Subd. 4b. [PROCEEDS OF SALE.] *Proceeds from the sale of a parcel of property obtained by the state (PURSUANT TO) under this section shall be paid into the state family farm program bond account to the extent that proceeds of bonds issued under section 5, have been expended by the commissioner of agriculture for the purposes specified in section 5. The balance of the sale proceeds shall be paid into the general fund to the extent that funds were disbursed as payment adjustments by the commissioner and into the special account authorized in section 41.61, subdivision 1, to the extent that funds from the*

special account were disbursed according to the terms of the family farm security loan guarantee and for any insurance premiums or taxes paid on the property. Proceeds in excess of these amounts shall be paid to the lender to the extent that payment to the lender pursuant to the loan guarantee was less than the money due and payable to the lender under the family farm security loan. Proceeds in excess of these amounts shall be paid to cooperating agencies according to the terms of the family farm memorandum of understanding. Additional proceeds, if any, shall be paid into the special account authorized in section 41.61, subdivision 1.

Sec. 3. Minnesota Statutes 1984, section 41.57, is amended by adding a subdivision to read:

*Subd. 4. [ADDITIONAL PAYMENT; PRINCIPAL REDUCTION.] (a) The commissioner must annually pay to qualified sellers of property, financed by a family farm security loan, an amount approximately equal to the additional state income tax paid as a result of the inclusion in gross income of the interest and payment adjustment earned on a seller sponsored family farm security loan. No payment may be made under this subdivision to a qualified seller, unless the seller agrees to reduce the outstanding principal amount of the loan by three percent effective beginning for the year in which application is made.*

*(b) The payment amount must be determined as follows:*

*(1) In order to qualify for a payment, the seller must apply to the commissioner by October 1, 1986. The application must include a copy of the seller's 1985 state income tax return. The commissioner must recompute the seller's total state income tax liability that would be due if the interest and payment adjustment amounts were not includable in gross income for state income tax purposes. The commissioner may require the seller to compute these amounts as part of the application. For calendar year 1986 the amount of the payment equals the reduction in state income tax liability that would occur if the interest and payment adjustment were not included in gross income for state tax purposes.*

*(2) For calendar years beginning with 1987, the additional payment amount must be determined as follows: (A) The calendar year 1986 payment must be divided by the amount of interest and payment adjustment received during calendar year 1986. (B) The resulting quotient must be multiplied by the interest and payment adjustment received for the calendar year. (C) The product determined under clause (B) is the payment for the calendar year.*

*(c) If for a tax year after 1986 the qualified seller's taxable income has changed substantially, the commissioner may*

*provide by rule that upon reapplication a later tax year will be used to compute the quotient under clause (b)(2)(A).*

*(d)(1) If the seller elects to receive payments under this subdivision, the buyer's payments of principal and interest under the loan must be recalculated. The revised payment schedule must reflect the three percent reduction in the outstanding principal required by paragraph (a) and must provide for equal payments over the remaining term of the loan. The interest rate on the loan may not be increased.*

*(2) The state's payment adjustment under subdivision 2 and the amount of the payment under paragraph (b) of this subdivision must be calculated on the basis of the outstanding principal amount of the loan before the reduction required by paragraph (a).*

*(e) The commissioner may make the payments under this subdivision in the same manner provided for the payment adjustment under subdivision 2.*

*(f) For purposes of this subdivision, the following terms have the meanings given:*

*(1) "Gross income" means gross income as defined for purposes of chapter 290.*

*(2) "Qualified seller" means an individual who sold farm land under a seller sponsored loan after April 1, 1978 and before June 28, 1985, and who is a resident of Minnesota during the calendar year and is subject to the payment of Minnesota income taxes.*

Sec. 4. Minnesota Statutes 1985 Supplement, section 41.61, is amended to read:

#### 41.61 [APPROPRIATIONS.]

Subdivision 1. [SPECIAL ACCOUNT; STANDING APPROPRIATION.] There is created a special account in the state treasury for the purposes of financing the family farm security program.

The amount needed from time to time to pay lenders for defaulted loans and make other payments authorized by this chapter including insurance premiums, taxes, repairs and maintenance costs, advertising, and other sales expenses on defaulted farms is appropriated from the special account to the commissioner. Money is also appropriated to the commissioner from the special account so that the commissioner may purchase the rights of first lienholders at mortgage foreclosure sales and satisfy certain fixture loans. The sum of all outstanding

family farm security loans guaranteed by the commissioner at any time may not exceed \$100,000,000. All bond proceeds received in the fund must be used only for the purposes specified in section 5.

Sec. 5. [41.62] [GENERAL OBLIGATION BONDS.]

*Subdivision 1. [PROCEDURE.] Upon request of the commissioner of agriculture, the commissioner of finance is authorized to issue general obligation bonds of the state in a principal amount not exceeding \$20,000,000 to acquire public lands by providing money to be paid by the commissioner of agriculture from the special account established by section 41.61 to pay lenders for defaulted loans and to purchase the rights of first lienholders at mortgage foreclosure sales. The bonds shall be secured as provided in the Minnesota Constitution, article XI, section 7, and, except as provided in this section, shall be issued and secured as provided in Minnesota Statutes, section 16A.641. The proceeds of the bonds, except any premium and accrued interest, shall be deposited in the special account established in section 41.61 and used solely for the purposes specified above and in section 16A.641, subdivision 8. The premium and accrued interest, if any, shall be deposited in the state family farm security program bond account in the state bond fund. The commissioner shall issue only the amount of bonds as from time to time the commissioner determines are necessary for the purposes specified in this section.*

*Subd. 2. [TERMS OF BONDS.] The commissioner of finance may fix the terms of the bonds in any manner permitted for bonds of a municipality under chapter 475, and may enter into, on behalf of the state, all agreements deemed necessary for this purpose, including those authorized to be entered into by municipalities in chapter 475.*

*Subd. 3. [SALE OF BONDS.] If determined by the commissioner of finance to be necessary in order to reduce costs of issuance, to secure a favorable prevailing interest rate, or to receive the bond proceeds by a specified date, or if the terms of the bonds are fixed as provided in sections 475.54, subdivision 5a, and 475.56, paragraph (b), the bonds may be sold by negotiation and without solicitation of sealed bids.*

*Subd. 4. [BOND FUND ACCOUNT.] The commissioner of finance shall maintain in the state bond fund a separate book-keeping account that shall be designated as the state family farm security program bond account, to record receipts and disbursements of money transferred to the fund to pay bonds issued under this section and to record income from the investment of the money. The income shall be credited to the account in each fiscal year in an amount equal to the approximate average return that year on all funds invested by the commissioner of finance, as de-*

*terminated by the commissioner of finance, times the average balance in the account that year.*

**Subd. 5. [TRANSFERS, APPROPRIATION.]** *In addition to the money required to be transferred to the state family farm security program bond account under section 41.56, subdivision 4b, and in order to reduce the amount of taxes otherwise required by the Minnesota Constitution to be levied for the state bond fund, the commissioner of finance shall transfer from the general fund to the state family farm security program bond account, on December 1 in each year, a sum of money sufficient in amount, when added to the balance then on hand in that account, to pay all bonds issued under this section and the interest on them due and to become due to and including July 1 in the second ensuing year. All money to be so credited and all income from its investment is annually appropriated for the payment of the bonds and interest on them, and shall be available in the state family farm security program bond account before the levy of the tax in any year required by the Minnesota Constitution, article XI, section 7. The legislature may also appropriate to the state family farm security program bond account any other money in the state treasury not otherwise appropriated, for the security of bonds issued under this section in the event that sufficient money should not be available in the account from the appropriation in this section, before the levy of the tax in any year. The commissioner of finance shall make the appropriate entries in the accounts of the respective funds.*

**Subd. 6. [CONSTITUTIONAL LEVY.]** *On or before December 1 in each year the state auditor shall levy on all taxable property within the state whatever tax may be necessary to produce an amount sufficient, with all money then in the state family farm security program bond account, to pay the entire amount of principal and interest due then or earlier and principal and interest to become due on or before July 1 in the second year thereafter on bonds issued under this section. This tax shall be levied upon all real property used for a homestead, as well as other taxable property, notwithstanding section 273.13, subdivisions 6 and 7. The tax must not be limited in rate or amount until all the bonds and interest on them are fully paid. The proceeds of this tax are appropriated and shall be credited to the state bond fund, and the principal and interest on the bonds are payable from all the proceeds. As much of the proceeds as is necessary, is appropriated for the payments. If at any time there is insufficient money from the proceeds of the taxes to pay the principal and interest when due on the bonds, the principal and interest must be paid out of the general fund in the state treasury, and the amount necessary for the payment is appropriated.*

**Subd. 7. [COMPLIANCE WITH FEDERAL LAW.]** *The commissioner of finance is authorized to covenant and agree with the holders of the bonds issued under this section that the state will comply, insofar as possible, with the provisions of the*

*United States Internal Revenue Code now or hereafter enacted that are applicable to the bonds and that establish conditions under which the interest to be paid on the bonds will not be includable in gross income for federal tax purposes.*

*Subd. 8. [TAXABILITY OF INTEREST.] The bonds authorized by this section may be issued without regard to whether the interest to be paid on them is includable in gross income for federal tax purposes.*

## **Sec. 6. [APPROPRIATIONS FOR FAMILY FARM SECURITY PROGRAM.]**

### **Subdivision 1. [OPERATING EXPENSES.]**

\$660,000 in fiscal year 1986 and \$2,500,000 in fiscal year 1987 are appropriated to the commissioner of agriculture for transfer to the family farm security account in the special revenue fund created by Minnesota Statutes, section 41.61, subdivision 1, for accrued interest payments and other program expenses.

Notwithstanding the provisions of Laws 1985, First Special Session chapter 10, section 5, subdivision 3, no more than eight new loan guarantees may be approved for the biennium ending June 30, 1987, unless the guarantees are for loans to purchase properties held by the state or for the purchase of properties currently guaranteed under the family farm security program.

If the appropriation for 1986 is insufficient, the 1987 appropriation is available for it.

### **Subd. 2. [GENERAL CONTINGENT.]**

\$830,000 in fiscal year 1986 is appropriated from the general fund and is to be added to the appropriation in Laws 1985, First Special Session chapter 13, section 45 for the same purpose.

The appropriation represents repayment to the account of advances made in 1986 for the family farm security program.

## HOUSE RESOLUTION NO. 45

A house resolution extending condolences of the people of Minnesota to the people of Sweden on the death of Prime Minister Olaf Palme.

*Whereas*, Olaf Palme, the Prime Minister of Sweden, was killed by an assassin on Friday, February 28, 1986, while he walked with his wife, unarmed and unguarded, on a public street; and

*Whereas*, Olaf Palme had connections to the United States, having graduated from Kenyon College, Ohio, in 1948; and

*Whereas*, since Olaf Palme was a man who loved life and liberty passionately, it is especially tragic that he died at the hand of an assassin; and

*Whereas*, the people of Minnesota, who have a strong Swedish heritage and who are also dedicated to life and liberty, were especially affected by news of Olaf Palme's death; and

*Whereas*, this attack upon the democratic government of Sweden is abhorrent to the democratic people of Minnesota; and

*Whereas*, it is necessary and appropriate for the House of Representatives, as the representatives of the people of Minnesota, to express the sorrow and grief of the people of Minnesota to the family of Olaf Palme and the people of Sweden; *Now Therefore*,

*Be It Resolved* by the House of Representatives of the State of Minnesota that, on behalf of the people of Minnesota, it extends its most profound condolences to the family of Olaf Palme and the people of Sweden. It hopes that, in some way, the knowledge that grief over this tragic loss is shared by people worldwide, will lighten their burden of grief. It condemns the cowardly act of the assassin and joins with the people of Sweden in looking for the day that all free peoples, whether in government power or not, can always be assured that they can go wherever they want and not be harmed.

*Be It Further Resolved* that it directs the Chief Clerk of the House of Representatives to prepare enrolled copies of this resolution, to be authenticated by his signature and that of the Speaker, and present them to the family of Olaf Palme and the succeeding Prime Minister of Sweden.
