REPORT FROM THE COMMITTEE ON RULES AND
LEGISLATIVE ADMINISTRATION

Vanasek, for the Committee on Rules and Legislative Administration, offered the following report and moved its adoption:

Resolved that the Permanent Rules of the House in effect at the conclusion of the Seventy-Fourth Session are adopted as the Permanent Rules of the Seventy-Fifth Session with the following amendments:

(1) Rule 1.6 is amended to read:

1.6 RULES TO APPLY TO COMMITTEE OF THE WHOLE. The Rules of the House shall be observed in the Committee of the Whole so far as may be applicable except that the previous question shall not be forced or speaking limited.

Upon demand of 15 members, the ~~ayes~~ yeas and nays shall be called, the question voted on, and the ~~ayes~~ yeas and nays recorded in the Journal of the House.

In the Committee of the Whole no amendment increasing the amount of any appropriation shall be passed without the ~~ayes~~ yeas and nays recorded in the Journal of the House.

A motion that the Committee arise shall always be in order and shall be decided without debate.

Upon the request of any member, a bill shall be excepted from the report of the Committee of the Whole. Only a motion to strike an amendment to the bill adopted in the Committee of the Whole or to amend the recommendation of the Committee of the Whole concerning the disposition of the bill shall be in order.

(2) Rule 1.9 is amended to read:

1.9 SPECIAL ORDERS. A bill may be made the Order of the Day for a special time and be placed upon a separate list known as "Special Orders."

The Committee on Rules and Legislative Administration may by committee report designate as a Special Order any bill which has had its second reading.

Any member may move to make a bill a Special Order by giving notice at least two legislative days in advance of and specifying the day on which he will so move. The notice shall include the number and title of the bill and the day and time certain for the Special Order. Only the member giving such notice, or another member

designated by him in writing to the Speaker, may make the motion for the Special Order. A two-thirds vote of the whole House on such motion is required to make a bill a Special Order.

The time set for the motion may not be extended, and failure to make the motion on the specified day forfeits the right to make the motion.

A motion to make a bill a Special Order, when made according to the procedures herein prescribed, shall be a privileged motion, shall take precedence over all other motions except a motion to adjourn or to set the time to adjourn and questions of personal privilege, and may be made at any time on the day designated in the notice. A three-fourths vote of the whole House is required to suspend the motion.

Any Special Order, or any part of it, may be continued or postponed by two-thirds vote of the whole House at the time of such Special Order; however, a Special Order designated by the Committee on Rules and Legislative Administration may be continued or postponed by a majority vote of the whole House at the time of such Special Order.

When the time arrives for the consideration of any Special Order, the House shall consider each bill upon the Special Order in the order in which it is listed. After consideration it shall immediately be read the third time and placed upon final passage.

(3) Rule 1.10 is amended to read:

1.10 TAX AND APPROPRIATION BILLS GIVEN PRECEDENCE. After adoption by the House of a budget resolution pursuant to Rule 5.10, any bill relating to taxes or raising revenue shall be acted upon whenever requested by the Chairman of the Committee on Taxes, and any appropriation bill shall be acted upon whenever requested by the Chairman of the Committee on Appropriations.

(4) Rule 1.16 is amended to read:

1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee (other than a bill in Appropriations) no report has been made upon it by the committee, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee shall have ten calendar days thereafter in which to vote upon the bill requested. If the Committee fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and shall constitute the demand of the House. The bill shall

then be considered to be in the possession of the House, given its second reading and placed at the foot of General Orders.

Such bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

After Friday, May ~~10, 1985~~ 8, 1987, the House shall not act on bills other than those recommended by conference committee reports or the Committee on Rules and Legislative Administration, and those bills contained in messages from the Senate or from the Governor.

(5) Rule 3.4 is amended to read:

3.4 MOTION FOR RECONSIDERATION. When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that such motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. Such motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken shall have left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made.

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

A motion for reconsideration having been voted upon and lost shall not be renewed.

In an odd-numbered year, notice of intention to move reconsideration shall not be in order after Monday, April 22 20.

(6) Rule 3.10 is amended to read:

5.1 BILL AND RESOLUTION FORM. No bill or resolution shall be introduced until it has been examined and approved by the Revisor of Statutes as to form and compliance with the Joint Rules of the House and Senate and the Rules of the House. Approval as to form shall be endorsed on the bill or resolution by the Revisor of Statutes.

(11) Rule 5.2 is amended to read:

5.2 INTRODUCTION OF BILLS AND RESOLUTIONS. A bill, advisory bill or resolution offered for introduction shall be placed in the hands of the Speaker at least 24 hours prior to the convening of the daily session. Every bill, advisory bill and resolution shall be introduced in quadruplicate and each copy shall contain the signature of the member or name of the committee introducing it. No bill, advisory bill, memorial or resolution shall have more than five authors. ~~Any memorial~~ (A statement of facts being forwarded for action to a governmental official, agency, or body) or other similar proposal is a memorial and shall be introduced in the same form as a bill and take the same course as a bill. No resolution shall authorize the expenditure of monies from any source other than the legislative expense fund.

(12) Rule 5.4 is amended to read:

5.4 FIRST READING AND REFERENCE OF BILLS. Each bill, advisory bill and resolution shall be reported and given its first reading upon

its introduction. No bill, advisory bill or resolution shall be objected to upon its introduction.

(13) Rule 5.8 is amended to read:

5.8 BILLS AFFECTING STATE GOVERNMENT POWERS AND STRUCTURE. Any bill, whether originating in the House or the Senate, which creates any new department, agency, commission, board or bureau, or which substantially changes or alters the organization of or delegates emergency rulemaking authority to or exempts from rulemaking any department or agency thereof of state government, or substantially changes, alters, vests or divests official rights, powers, or duties of any official, department or agency of the state government or any institution under its control, after being reported to the House, shall be referred, or re-referred, as the case may be, to the Committee on Governmental Operations for action by that committee. Any committee other than the Committee on Governmental Operations to which such bill is referred shall, in its report, recommend re-referral to the Committee on Governmental Operations.

(14) Rule 5.10 is amended to read:

5.10 BUDGET WAYS AND MEANS COMMITTEE RESOLUTIONS; RESOLUTION; EFFECT ON APPROPRIATION EXPENDITURES AND TAX BILLS. The House may neither receive a committee report nor take other action, other than introduction and referral to committee, on any bill described in rule 5.7 or 5.9 until a budget resolution is adopted by the House as provided in this rule.

The Committee on Budget shall hold any hearings necessary to determine a limitation on state taxes and appropriations for the coming fiscal biennium. The Committee shall then introduce budget resolutions that set, as a single amount, the maximum limitation on taxes and appropriations for the fiscal biennium. The resolutions must be in the form of a House resolution and a House concurrent resolution. The limitation in the House resolution is effective, if adopted, until the House adopts a different limitation in a later

House resolution or until the House and Senate adopt a limitation in a concurrent resolution.

No bill or amendment, other than a conference committee report, may be considered by the House if, upon a point of order being raised, the speaker determines that its approval would raise taxes or appropriations above the limitation adopted in the budget resolution. To make this determination, the speaker may consider:

(a) whether the bill or amendment increases and decreases taxes or appropriations equally;

(b) the total amount of taxes or appropriations already law or in bills already passed by the legislature;

(c) whether the bill or amendment provides that costs incurred will be entirely offset by fees or other revenue; or

(d) other information reasonably related to the level of taxes or appropriations.

The current estimate of taxes and appropriations must be provided by the Chairman of the Committee on Taxes or the Committee on Appropriations.

The Committee on Ways and Means shall hold hearings as necessary to determine state expenditures and taxes for the coming fiscal biennium. Not later than seven days after the Governor presents the last state revenue forecast during the regular legislative session, but in no case later than March 31, 1987, the Committee on Ways and Means shall report a budget resolution to the House for consideration. The budget resolution shall take the form of a House resolution that sets the maximum limitation on expenditures and taxes for the coming fiscal biennium for the general fund and an amount to be set aside as a budget reserve. The limitation is effective, if adopted, unless the House adopts a different limitation in a subsequent budget resolution.

No bill described in Rule 5.7 or 5.9 shall be given its second reading until the House has received a statement from the Committee on Ways and Means certifying that the major expenditure and tax bills are reconciled and do not exceed the limitation specified in the budget resolution for the general fund. Major expenditure and tax bills are: the education appropriation bill; the health and human services appropriation bill; the state departments appropriation bill; the agriculture, transportation, and semi-state appropriation bill; the education finance bill; the agriculture finance bill; and the omnibus tax bill. However, a bill may be given its second reading by special authorization of the Committee on Ways and Means or by majority vote of the whole House. A special authorization may be reported by an oral notice to the House from the Chairman of the

Committee on Ways and Means or his designee stating that the fiscal impact of a bill will be accounted for in the reconciliation statement.

The Committee on Appropriations and the Committee on Taxes, upon recommending passage of any bill described in Rule 5.7 or 5.9, shall provide to the Committee on Ways and Means a fiscal statement on the bill.

After the House has received a reconciliation statement from the Committee on Ways and Means, the House shall not give a second reading to any bill described in Rule 5.7 or 5.9 other than the major expenditure and tax bills. However, a bill may be given its second reading after the House has received from the Committee on Ways and Means a statement certifying that the fiscal impact of the bill is within the guidelines of the budget resolution, or after authorization by majority vote of the whole House. The statement of the Committee on Ways and Means may be reported orally by the Chairman of the Committee on Ways and Means or his designee.

(15) Rule 5.11 is adopted to read:

5.11 RECESS BILL INTRODUCTIONS. During the period between the last day of the session in any odd-numbered year and the first day of the session in the following year, any bill filed with the Speaker for introduction shall be given a file number and may be unofficially referred to an appropriate standing committee of the House of Representatives.
