PERMANENT RULES OF THE HOUSE

ARTICLE I - DAILY BUSINESS

1.1 CONVENING OF THE HOUSE. Unless otherwise ordered, regular sessions of the House shall convene at two o'clock p.m. The Speaker shall take the chair at the hour at which the House convenes and the House shall then be called to order. After prayer by the Chaplain or a brief meditation, a roll of members shall be called and the names of members present and members excused shall be entered in the Journal of the House.

1.2 READING OF THE JOURNAL. A quorum being present, the Journal of the preceding day shall be read by the Chief Clerk unless otherwise ordered. The House may correct any errors in the Journal of the preceding day.

1.3 ORDER OF BUSINESS. After the reading of the Journal, the order of business of the day shall be:

- (1) Presentation of petitions or other communications.
- (2) Reports of standing committees.
- (3) Second reading of House bills.

- (4) Second reading of Senate bills.
- (5) Reports of select committees.
- (6) Introduction and first reading of House bills.
- (7) Consideration of messages from the Senate.
- (8) First reading of Senate bills.
- (9) Consent Calendar.
- (10) Calendar for the day.
- (11) General Orders.
- (12) Motions and resolutions.

Conference committees and the Committee on Rules and Legislative Administration may report at any time.

1.4 SECOND READING OF BILLS. Every bill shall require a second reading.

Except as otherwise ordered, every bill requiring the approval of the Governor shall, after a second reading, be considered in a Committee of the Whole before it shall be finally acted upon by the House.

1.5 COMMITTEE OF THE WHOLE. The Committee of the Whole is a committee of the entire membership of the House. The Speaker may appoint another member as chairman to preside over the Committee of the Whole.

When the House arrives at the General Orders of the Day, it shall resolve itself into a Committee of the Whole to consider bills on General Orders.

A bill considered in the Committee of the Whole shall be reported and then debated by sections, with the title considered last. All amendments shall be typewritten and five copies shall be submitted to the Chairman who shall report them to the House.

1.6 RULES TO APPLY TO COMMITTEE OF THE WHOLE. The Rules of the House shall be observed in the Committee of the Whole so far as may be applicable except that the previous question shall not be forced or speaking limited.

Upon demand of 15 members, the yeas and nays shall be called, the question voted on, and the yeas and nays recorded in the Journal of the House.

In the Committee of the Whole no amendment increasing the amount of any appropriation shall be passed without the yeas and nays recorded in the Journal of the House.

A motion that the Committee arise shall always be in order and shall be decided without debate.

Upon the request of any member, a bill shall be excepted from the report of the Committee of the Whole. Only a motion to strike an amendment to the bill adopted in the Committee of the Whole or to amend the recommendation of the Committee of the Whole concerning the disposition of the bill shall be in order.

1.7 GENERAL ORDERS OF THE DAY. The Chief Clerk at the direction of the Speaker shall prepare the General Orders of the Day, which is a list of all bills which have not been made Special Orders or placed on the Consent Calendar, numbered according to their order at second reading. Unless otherwise ordered by a majority of the Committee, items on General Orders shall be taken up in numerical order.

The Chief Clerk shall see that a copy of each bill printed under the Rules or Orders of the House is placed in each member's file, which is to be kept at his desk in the chamber, at least 24 hours before the bill shall be considered in the Committee of the Whole. Under the first order of business each day, the Chief Clerk shall report to the House which bills he has placed in the files.

If a bill is progressed three times it shall be placed at the end of General Orders unless otherwise ordered by majority vote.

Except during the last five days in any year on which a bill may be passed, a bill amended in the Committee of the Whole shall not be given its third reading until it is engrossed and reproduced as amended.

1.8 THIRD READING OF BILLS. No amendment shall be received after the third reading without the unanimous consent of the House, except to fill blanks or to amend titles.

At any time prior to its passage any bill or resolution may be committed or recommitted by a majority vote of the whole House. If the committee, other than the Committee of the Whole, to which it was committed or recommitted reports an amendment on it, it shall again be given its second reading, considered in Committee of the Whole, given its third reading and placed upon its final passage.

1.9 SPECIAL ORDERS. A bill may be made the Order of the Day for a special time and be placed upon a separate list known as "Special Orders."

The Committee on Rules and Legislative Administration may by committee report designate as a Special Order any bill which has had its second reading.

Any member may move to make a bill a Special Order by giving notice at least two legislative days in advance of and specifying the

day on which he will so move. The notice shall include the number and title of the bill and the day and time certain for the Special Order. Only the member giving such notice, or another member designated by him in writing to the Speaker, may make the motion for the Special Order. A two-thirds vote of the whole House on such motion is required to make a bill a Special Order.

The time set for the motion may not be extended, and failure to make the motion on the specified day forfeits the right to make the motion.

A motion to make a bill a Special Order, when made according to the procedures herein prescribed, shall be a privileged motion, shall take precedence over all other motions except a motion to adjourn or to set the time to adjourn and questions of personal privilege, and may be made at any time on the day designated in the notice. A three-fourths vote of the whole House is required to suspend the motion.

Any Special Order, or any part of it, may be continued or postponed by two-thirds vote of the whole House at the time of such Special Order; however, a Special Order designated by the Committee on Rules and Legislative Administration may be continued or postponed by a majority vote of the whole House at the time of such Special Order.

When the time arrives for the consideration of any Special Order, the House shall consider each bill upon the Special Order in the order in which it is listed. After consideration it shall immediately be read the third time and placed upon final passage.

1.10 TAX AND APPROPRIATION BILLS GIVEN PRECEDENCE. After adoption by the House of a budget resolution pursuant to Rule 5.10, any bill relating to taxes or raising revenue shall be acted upon whenever requested by the Chairman of the Committee on Taxes, and any appropriation bill shall be acted upon whenever requested by the Chairman of the Committee on Appropriations.

1.11 CONSENT CALENDAR. Any bill of a non-controversial nature for which the committee report recommends placement upon the Consent Calendar shall be given its second reading after the report is adopted and placed upon the Consent Calendar. The bill shall be printed and placed in the members' files at least one day before it can be considered. The bill shall be placed upon the Consent Calendar in the order in which it is given its second reading.

The Consent Calendar shall immediately precede the order of business known as "Calendar for the Day." Every bill on the Consent Calendar shall be debated, given its third reading and voted upon, provided, however, that at any time prior to third reading, ten members may object to any bill as being controversial. Any bill so

objected to shall be stricken from the Consent Calendar and be immediately returned to General Orders, taking its place in the usual order.

1.12 SUSPENSION OF RULES TO ADVANCE A BILL. Every bill shall be reported on three different days, except that in case of urgency, a two-thirds majority of the whole House may suspend this Rule. A motion for suspension of the Rules to advance a bill for consideration out of its regular order is in order under the order of business "Motions and Resolutions" or at any time the bill is before the House. The motion must be presented to the Speaker in writing and must state the present position of the bill.

1.13 MINORITY REPORTS. Any minority report shall be made separately from the majority report and shall be considered before the majority report. If the minority report is adopted the majority report shall not be considered. If the minority report is not adopted the majority report shall then be considered.

1.14 COMMITTEE REPORT LAID OVER. The report of any committee may be laid over one day and printed in the Journal, if so ordered by the House.

1.15 RECALLING BILL FROM COMMITTEE. Except after the deadline for committee reports on bills originating in the House, any bill or resolution may be recalled from any committee at any time by majority vote of the whole House, be given a second reading and be advanced to General Orders. A motion to recall a bill or resolution shall be in order only under the order of business "Motions and Resolutions."

1.16 TIME LIMIT FOR CONSIDERATION OF BILLS. If 20 legislative days after a bill has been referred to committee (other than a bill in Appropriations) no report has been made upon it by the committee, its chief author may request that it be returned to the House and the request shall be entered in the Journal for the day. The committee shall have ten calendar days thereafter in which to vote upon the bill requested. If the Committee fails to vote upon it within the ten days, the chief author may, at any time within five calendar days thereafter, present a written demand to the Speaker for its immediate return to the House. The demand shall be entered in the Journal for that day and shall constitute the demand of the House. The bill shall then be considered to be in the possession of the House, given its second reading and placed at the foot of General Orders.

Such bill is subject to re-reference by a majority vote of the whole House. If the motion to re-refer is made on the day of the demand or within one legislative day thereafter, the motion shall take precedence over all other motions except privileged motions and shall be in order at any time.

After Friday, May 8, 1987, the House shall not act on bills other than those recommended by conference committee reports or the Committee on Rules and Legislative Administration, and those bills contained in messages from the Senate or from the Governor.

1.17 DISPOSITION OF SENATE BILLS. Any Senate File received by the House, accompanied by a message announcing its passage by the Senate, shall be referred to the appropriate standing committee in accordance with Rule 5.4. However, if a Senate File is received which is stated by a member to be identical to a House File already reported by a standing committee of the House and placed on General Orders, Calendar, Consent Calendar, or Special Orders, the Senate File shall be referred to the Chief Clerk for comparison. If the Chief Clerk reports that the Senate File is identical with the House File, the Senate File may by majority vote be substituted for the House File and take its place. The fact that the bills are identical shall be entered in the Journal and the House File is then considered withdrawn.

Any Senate File which has been amended on the floor of the House, except at time of final passage, and any Senate File which has been reported to the House with amendments by a House standing committee, shall be unofficially engrossed and reprinted by the Chief Clerk. Amendments to unofficial engrossments of a Senate File may be offered by members on the floor of the House but shall not be offered in standing committees.

1.18 RECORDED FLOOR PROCEEDINGS. All proceedings on the floor of the House shall be recorded on magnetic tape or similar recording device under the direction of the Chief Clerk. Two copies of each tape shall be delivered to the Director of the Legislative Reference Library and there maintained on file for use by any member of the public in accordance with the rules of the Legislative Reference Library. At the end of each biennium, the Director of the Legislative Reference Library shall deliver one copy of each tape to the Director of the Minnesota Historical Society.

Any person may obtain a copy of any such tape during the biennium in which it is recorded upon payment of a fee determined by the Chief Clerk to be adequate to cover the cost of preparing the copy.

Discussion preserved under this rule is not intended to be admissible in any court or administrative proceeding on an issue of legislative intent.

ARTICLE II - VOTING

2.1 AUTHORIZING ELECTRIC VOTING SYSTEM. Except for a vote upon elections or the overriding of a Governor's veto, any vote may

be taken by means of the electric voting system which shall be under the control of the Speaker of the House.

2.2 CALL OF THE HOUSE. Ten members may demand a call of the House at any time except after voting has commenced. When such call is demanded, the doors shall be closed, the roll shall be called, the absent members shall be sent for, and no member may be permitted to leave until the roll call is suspended or completed. During the roll call, no motion shall be in order except a motion pertaining to matters incidental to the call. Proceedings under the roll call may be suspended by a majority vote of the whole House. After the roll call is suspended or completed the Sergeant at Arms shall not permit any member to leave the Chamber unless excused by the Speaker. A call of the House may be lifted by a majority vote of the whole House.

2.3 DEMANDING YEAS AND NAYS. Yeas and nays shall be ordered without demand upon final passage of bills and upon adoption of resolutions or motions directing the payment of money. In all other cases the yeas and nays shall be ordered only upon demand of 15 members.

2.4 EXPLAINING OR CHANGING VOTE. No member shall be allowed to explain his vote or discuss the question while the yeas and nays are being taken, nor be allowed to change his vote after the yeas and nays have been announced from the chair by the Speaker.

2.5 EVERY UNEXCUSED MEMBER TO VOTE. Any member who is immediately interested in the question being voted on shall not vote.

Every other member present before a vote is declared from the chair shall vote for or against the matter before the House, unless the House excuses him from voting.

When a member declines to vote on a call of his name, he shall be required to state his reasons for so declining. After the vote has been taken but before the chair has announced the vote, he shall submit to the House the question, "Shall the member, for the reasons stated, be excused from voting?" which shall be decided without debate. Any other proceedings in reference thereto shall take place after announcement of the vote.

ARTICLE III - MOTIONS AND AMENDMENTS

3.1 MOTIONS. No motion shall be debated until after it is stated by the Speaker.

After a motion has been stated by the Speaker it is in possession of the House, but the mover may withdraw it at any time before amendment or decision. Unless a motion, resolution or amendment

is withdrawn on the day it is made, it shall be entered in the Journal, together with the name of the member offering it.

The Speaker may require any motion to be written.

3.2 PRECEDENCE OF MOTIONS. When a question is under consideration, no motion shall be received except the following, the first four of which shall be decided without debate:

- (1) To fix the time of adjournment.
- (2) To adjourn.
- (3) To lay on the table.
- (4) For the previous question.
- (5) To refer.
- (6) To postpone to a day certain.
- (7) To amend.
- (8) To postpone indefinitely.
- (9) To pass.

The motions shall have precedence in the order listed. However, if the motion for the previous question has been seconded and the main question ordered, the motion to lay on the table shall not be in order.

3.3 MOTION TO ADJOURN. A motion to adjourn shall always be in order except during roll call.

When a motion to adjourn is made it shall be in order for the Speaker, before putting the question, to permit any member to state reasons which would seem to render adjournment improper at that time. Such a statement shall not be debatable and shall be limited to not over two minutes.

3.4 MOTION FOR RECONSIDERATION. When a question has been decided either in the affirmative or negative, it shall be in order for any member who voted with the prevailing side to move its reconsideration, provided that such motion is made either on the same day the vote was taken or within the following two days of actual session of the House. A motion for reconsideration can be made at any time in the Order of Business and shall take precedence over all other questions except the motion to adjourn and the notice of intention to move reconsideration. Such motion or notice shall not be in order if the document, bill, resolution, message, report or other official action on which the vote was taken shall have left the possession of the House.

When a member gives notice of intention to move reconsideration of the final action of the House on any bill, resolution, message, report or other official action, the Chief Clerk shall retain the same until after the matter is disposed of or the time has expired during which the motion for reconsideration can be made.

On the last day allowed for the motion to reconsider, it shall be in order for any member who voted on the prevailing side to make the motion, unless the matter has been already disposed of.

A motion for reconsideration having been voted upon and lost shall not be renewed.

In an odd-numbered year, notice of intention to move reconsideration shall not be in order after Monday, April 20.

3.5 ORDER OF PUTTING QUESTION. Except in the case of privileged questions, all questions, whether in committee or in the House, shall be put in the order in which they are moved. When filling blanks, a motion for the largest sum or the longest time shall be put first.

3.6 DIVISION OF A QUESTION. Any member may request the division of a question which contains several points. A motion to strike out and insert shall not be divisible. If a motion to strike out is lost it shall not preclude another motion to amend or to strike out and insert.

3.7 THE PREVIOUS QUESTION. The motion calling for the previous question must be seconded by 15 members. If the motion for the previous question is ordered by a majority of members present, it shall have the effect of cutting off all debate and bringing the House to direct vote upon the question or questions.

The previous question may be moved and ordered upon a single motion, a series of motions allowable under the Rules, or an amendment or amendments; or it may include all authorized motions or amendments, including a vote on final passage of a bill.

On a motion for the previous question, but prior to its being ordered, a call of the House shall be in order. After a majority has ordered the previous question, no call shall be in order prior to the decision on the main question.

When the previous question is decided in the negative, the main question remains under debate until disposed of by taking a vote either on the question or in some other manner.

All incidental questions of order arising after a motion is made for the previous question and prior to the vote on the main question shall be decided without debate.

3.8 UNANIMOUS CONSENT TO MAKE A MOTION. Whenever unanimous consent to make a motion is requested by a member, the member as a part of such request shall state briefly the purpose of such motion and the subject matter involved.

3.9 MOTIONS AND PROPOSITIONS TO BE GERMANE. No motion or proposition on a subject different from that under consideration shall be admitted under guise of its being an amendment.

3.10 AMENDMENT NOT TO ANNEX ANOTHER BILL. Except in a standing committee no bill or resolution shall at any time be amended by annexing or incorporating any other bill or resolution.

3.11 RESOLUTIONS AND MOTIONS INVOLVING EXPENDITURE OF MONEY. Any resolution or motion involving the expenditure of money out of the legislative expense fund shall be referred to the Committee on Rules and Legislative Administration before being acted upon by the House. A majority vote of the whole House, determined by a roll call, is required to pass any such resolution or motion.

3.12 AMENDMENTS TO APPROPRIATION AND TAX BILLS. No amendment increasing an appropriation and no amendment increasing a tax shall be declared passed until voted for by a majority of the whole House determined by a roll call vote.

3.13 MOTION TO LAY ON THE TABLE. A motion to lay on the table shall not be in order on a motion to amend, except that a motion to amend the Rules may be tabled.

3.14 MOTION TO RESCIND. The motion to rescind shall not be in order at any time in any proceeding in the House or in any committee of the House.

3.15 SUSPENSION OR AMENDMENT OF THE RULES. The concurrence of two-thirds of the whole House is required to suspend, alter, or amend any Rule of the House, except that any amendment to the Rules reported by the Committee on Rules and Legislative Administration may be adopted by a majority of the whole House.

Except as provided in Rule 1.12, a motion to suspend, alter, or amend any Rule of the House must be made under the order of business "Motions and Resolutions." If the motion is made at any other time, unanimous consent is required before the Speaker can entertain the motion.

A motion to suspend the Rules, together with the subject matter to which it pertains, is debatable, but the previous question may be applied to the motion.

ARTICLE IV - DEBATE AND DECORUM

4.1 ABSENCE OF MEMBERS AND OFFICERS. Unless illness or other sufficient cause prevents attendance, no member or officer of the

House shall absent himself from any session of the House without first having obtained from the Speaker permission to be absent.

4.2 DUTIES OF MEMBERS. Members shall keep their seats until the Speaker announces adjournment.

Every member, before speaking, shall rise from his seat and respectfully address the Speaker and shall not speak further until recognized by the Speaker. When two or more members rise at the same time, the Speaker shall designate the member to speak first.

4.3 QUESTIONS OF ORDER. If any member of the House transgresses the Rules, either in speaking or in any other way, the Speaker shall, or any member may, call him to order. A member so called to order shall immediately sit down unless another member moves to permit him to explain. In either case, the House, if appealed to, shall decide without debate. Only if the decision is in favor of the member called to order shall he be at liberty to proceed. A member called to order shall be liable to censure or such other punishment as the House may deem proper.

4.4 ORDER IN DEBATE. No member shall speak more than twice on the same subject without leave of the House, nor more than once until every other member wishing to speak on the pending question has had an opportunity to do so.

4.5 NOTICE OF INTENTION TO DEBATE A RESOLUTION. Any member may give notice of his intention to debate a resolution. Such notice may be given at any time before the vote is taken on the resolution. If such notice is given, the resolution shall be laid over one day without debate or any other action.

4.6 OFFENSIVE WORDS IN DEBATE. If any member is called to order for offensive words in debate, the member calling him to order shall report the words to which exception is taken and the Clerk shall record them. No member shall be held to answer or be subject to censure of the House for any language used in debate if exception is not taken before any other member has spoken or any other business has taken place.

4.7 ORDER DURING SESSION. No member shall walk out of or across the Chamber when the Speaker is putting the question. No member shall engage in private conversation while another member is speaking or pass between the speaking member and the Chair.

4.8 NO ONE TO REMAIN BY THE CHIEF CLERK'S DESK. No member or other person shall remain by the Chief Clerk's desk while the yeas and nays are being called.

4.9 WHO MAY BE ADMITTED TO THE FLOOR. 5.3 ADVISORY BILLS. An advisory bill may be introduced by any member in the same manner as a bill except that the requirements of Rule 5.1 shall not apply.

Each advisory bill shall be typewritten on a form provided by the Chief Clerk. It shall have a title not exceeding 12 words in length and shall contain a specific proposal for the initiation, termination or alteration of a law or program of the state or any of its subdivisions. It need not be drafted in a form appropriate for enactment into law.

An advisory bill may be considered only in committee and shall not be given a second reading or be otherwise considered by the House, except that the committee may report its recommendation for re-referral to another committee.

5.5 COMMITTEE BILLS. A committee bill shall be read for the first time and may be referred by the Speaker to any standing committee. If it is not so referred, it shall be laid over one day. Any committee, other than the Committee on Appropriations, to which such bill has been referred shall note in its report that the bill carries an appropriation.

5.8 BILLS AFFECTING STATE GOVERNMENT POWERS AND STRUCTURE. Any bill, whether originating in the House or the Senate, which creates any new department, agency, commission, board or bureau, or which substantially changes or alters the organization of or delegates emergency rulemaking authority to or exempts from rulemaking any department or agency thereof of state government, or substantially changes, alters, vests or divests official rights, powers, or duties of any official, department or agency of the state government or any institution under its control, after being reported to the House, shall be referred, or re-referred, as the case may be, to the Committee on Governmental Operations for action by that committee. Not later than seven days after the Governor presents the last state revenue forecast during

the regular legislative session, but in no case later than March 31, 1987, the Committee on Ways and Means shall report a budget resolution to the House for consideration. The budget resolution shall take the form of a House resolution that sets the maximum limitation on expenditures and taxes for the coming fiscal biennium for the general fund and an amount to be set aside as a budget reserve. The limitation is effective, if adopted, unless the House adopts a different limitation in a subsequent budget resolution.

No bill described in Rule 5.7 or 5.9 shall be given its second reading until the House has received a statement from the Committee on Ways and Means certifying that the major expenditure and tax bills are reconciled and do not exceed the limitation specified in the budget resolution for the general fund. Major expenditure and tax bills are: the education appropriation bill; the health and human services appropriation bill; the state departments appropriation bill; the agriculture, transportation and semi-state appropriation bill; the education finance bill; the agriculture finance bill; and the omnibus tax bill. However, a bill may be given its second reading by special authorization of the Committee on Ways and Means or by majority vote of the whole House. A special authorization may be reported by an oral notice to the House from the Chairman of the Committee on Ways and Means or his designee stating that the fiscal impact of a bill will be accounted for in the reconciliation statement.

The Committee on Appropriations and the Committee on Taxes, upon recommending passage of any bill described in Rule 5.7 or 5.9, shall provide to the Committee on Ways and Means a fiscal statement on the bill.

After the House has received a reconciliation statement from the Committee on Ways and Means, the House shall not give a second reading to any bill described in Rule 5.7 or 5.9 other than the major expenditure and tax bills. However, a bill may be given its second reading after the House has received from the Committee on Ways and Means a statement certifying that the fiscal impact of the bill is within the guidelines of the budget resolution, or after authorization by majority vote of the whole House. The statement of the Committee on Ways and Means may be reported orally by the Chairman of the Committee on Ways and Means or his designee.
