Reported the same back with the following amendments:

Delete everything after the enacting clause and insert:

“Section 1. [504.258] [SINGLE-METERED UTILITIES.]

Subdivision 1. [DEFINITIONS.] (a) As used in this section, the following terms have the meanings given to them.

(b) “Landlord” means the owner of residential rental property or an agent acting to manage rental property on behalf of an owner.

(c) “Municipality” means a statutory or home rule charter city.

(d) “Single-metered residential building” means a multi-unit rental building with one or more separate living units, managed by a landlord, where two or more rental units are provided utility service through a single meter or other device used to measure the amount of utility service used.

(e) “Utility service” means service of electricity or natural gas, or both.

Subd. 2. [LANDLORD RESPONSIBILITY.] In a residential leasehold contract entered into or renewed on and after August 1, 1988, the landlord of a single-metered residential building is responsible for utility service supplied to the building through a single meter. The landlord is responsible for and shall pay the amount charged for utility service provided through a single meter and advise the utility company providing the services that the service is for a single-metered residential building. A failure by the landlord to comply with this subdivision is a violation of sections 504.18, subdivision 1(a) and 504.26 and the landlord is subject to the penalties and remedies contained in those sections. This subdivision may not be waived by contract or otherwise. The landlord is not required to contract and pay for utility service provided to each unit separately through a utility meter.

Subd. 3. [POSTING PRIOR TO DISCONNECTION.] When a utility company or municipality supplying utility service to a single-metered residential building intends to discontinue utility service to the building because the landlord has failed to pay for the service, the utility company or municipality shall post on or near the front and rear entrance to the building a notice of intent to discontinue the service. The notice of intent to discontinue the service shall inform tenants of their right to pay the outstanding bill or a portion of the bill and deduct the amount paid the utility company or municipality from the rental payment. The notice shall be posted clearly and conspicuously to be observable to persons entering or leaving the building. The notice shall be posted at least 14 days before the intended discontinuance of the service and shall state the date on or about which the service shall be discontinued. The notice shall contain the following statement printed on the face of the notice in a conspicuous manner: "The removing or defacing of this placard by an unauthorized person is a misdemeanor under Minnesota law."

Subd. 4. [PAYMENT OF UTILITY BILL AFTER NOTICE.] (a) When a utility company or municipality supplying utility service to a single-metered residential building has given notice under subdivision 3 of its intent to discontinue service, or, if the utility company or municipality has already discontinued service because of the landlord's nonpayment of charges for utility service, a tenant or group of tenants of the building may pay the total outstanding bill or portion of the bill under this subdivision. Before paying the bill, the tenant or tenants shall make a reasonable attempt to give oral or written notice to the landlord of the tenant's intention to pay the bill after 48 hours, or some shorter period that is reasonable under the circumstances, if the landlord has not already by then paid the bill. If the landlord has not yet paid the bill by the time of the tenant's intended payment, or if the utility service remains discontinued, the tenant or tenants may pay the outstanding bill and after submitting receipts for that payment to the landlord a tenant may deduct the amount of the tenant's payment from the rental payment next paid

to the landlord. Any amount paid to the utility company or municipality by a tenant under this subdivision is considered payment of rent to the landlord for purposes of section 504.02.

(b) A utility company or municipality receiving payment from the tenant under this section for utility service sufficient to pay for service used during the most recent billing period shall not discontinue service for the term of the next billing period, or if service has already been discontinued, the utility company or municipality shall reconnect service for at least one billing period.

(c) The utility company or municipality shall, upon request by a tenant of any property on which a notice has been posted under subdivision 3, advise the tenant of the total amount owed for utility service and the amount owed for the most recent billing period on the utility account for that property.

(d) If a landlord, tenant, or group of tenants fails to pay the utility bill under this section, the utility company or municipality is not required to again post the notice required by subdivision 3.

(e) A utility company or municipality is not required to accept payments under this section on any single account for more than three months in any 12-month period.

Subd. 5. [PENALTY.] A person who defaces, removes, or obstructs a notice posted under subdivision 3 is guilty of a misdemeanor.

Schreiber presented a poem in honor of the "Minnesota Golden Horses" hockey team. Bishop moved that the poem be printed in the Journal for today. The motion prevailed. Following is the poem:

The day has come to face the fact
We all would like to ignore
To win is not the only goal
We were elected for!

I implore you to remember this
As we send our members East
That partisan issues and political fights
They must immediately cease!!

So Mr. Vanasek and Fred as well,
Let's all join hands and give 'em hell!!
For in Massachusetts they've never heered -
Of Tjornhom, Milbert, Stanius and Beard.

And let us not forget the fact
Their coach is Mr. Quinn.
His thankless task for weeks and weeks
Has been to teach this team to win.

To win you say - that's easy enough,
But not for these guys -
There's no ballot box to stuff!
